**Florida Department of Revenue
Revised May 2010**

Introduction

The set of documents titled “Other Legal Resources Including Statutory Criteria,” contains the following items:

1. Florida Administrative Rules regarding the production of original assessments;
2. Florida Statutes regarding the production of original assessments;
3. Provisions of the Florida Constitution regarding the production of original assessments; and
4. A notice regarding case law (see following paragraph).

A statute effective in 2009 regarding the administrative review of just valuations addresses the use of case law in administrative reviews of assessments. *“The provisions of this subsection preempt any prior case law that is inconsistent with this subsection.”* See subsection (1) of section 194.301, Florida Statutes (2009), as amended by Chapter 2009-121, Laws of Florida (Council Substitute for Committee Substitute for House Bill 521). *“It is the express intent of the Legislature that a taxpayer shall never have the burden of proving that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment. All cases establishing the every-reasonable-hypothesis standard were expressly rejected by the Legislature on the adoption of chapter 97-85, Laws of Florida. It is the further intent of the Legislature that any cases published since 1997 citing the every-reasonable-hypothesis standard are expressly rejected to the extent that they are interpretative of legislative intent.”* See subsection (1) of section 194.3015, Florida Statutes (2009). Value adjustment boards and appraiser special magistrates should use case law in conjunction with legal advice from the board legal counsel.

The contents of “Other Legal Resources Including Statutory Criteria” are limited to provisions of law that relate to the production of original assessment rolls by property appraisers. While value adjustment boards and special magistrates are not authorized to produce original assessments, they are authorized to conduct administrative reviews of assessments that include establishing revised assessments when required by law. Therefore, within the scope of their authority, value adjustment boards and special magistrates must use these same provisions of law, where applicable, in the administrative review of assessments produced by property appraisers. Value adjustment boards and special magistrates must use this document in conjunction with the Uniform Policies and Procedures Manual.

This accompanying set of documents contains the relevant provisions of Florida Statutes pertaining to assessments, including statutory criteria for assessments. These are the authorities applicable in administrative reviews of the following: just valuations (Part 1 of Chapter 193, Part 1, Florida Statutes); exemptions (Chapter 196, Florida Statutes); classifications and classified use valuations (Part 2 of Chapter 193, Florida Statutes); portability assessment difference transfers (section 193.155(8), Florida Statutes); limited assessment increases (sections 193.155 through 193.1556, Florida Statutes); and deferrals and penalties (Chapter 197, Florida Statutes).

Along with the Uniform Policies and Procedures Manual, this set of documents will be made available on the website of the board clerk in each of the 67 counties and on the website of the Florida Department of Revenue. The Department requests that value adjustment board clerks retain the title “Other Legal Resources Including Statutory Criteria” when placing this set of documents on their websites.

12D-5.001 Agricultural Classification, Definitions.

(1) For the purposes of section 193.461, Florida Statutes, agricultural purposes does not include the wholesaling, retailing or processing of farm products, such as by a canning factory.

(2) Good faith commercial agricultural use of property is defined as the pursuit of an agricultural activity for a reasonable profit or at least upon a reasonable expectation of meeting investment cost and realizing a reasonable profit. The profit or reasonable expectation thereof must be viewed from the standpoint of the fee owner and measured in light of his investment.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 193.461, 213.05 FS. History--New 10-12-76, Formerly 12D-5.01.

12D-5.002 Purchase Price Paid as a Factor in Determining Agricultural Classification.

(1) The property appraiser may determine that the "purchase price paid" for land is inconsistent with agricultural use. A purchase price in excess of the agricultural assessment can be indicative of lack of a "good faith commercial agricultural use" since the agricultural assessment is basically derived by a capitalization of the income to be produced by land in such a use and thus approximates the amount that could be invested consistent with a reasonable return.

(2) Additionally, should the purchase price paid exceed the agricultural assessment by three or more times, a presumption that the land is not used primarily for good faith commercial agriculture purposes is created by section 193.461(4)(c), Florida Statutes. The mere filing of a return is not sufficient to overcome this presumption created by the purchase price. Instead, the landowner must make a showing of special circumstances such as, but not limited to: 1) need of the acquired property to expand a previously owned agricultural operation; 2) need of the acquired property to facilitate proper drainage of a previously owned agricultural operation; 3) need of the acquired property for ingress or egress related to a previously owned agricultural operation; 4) the need of the acquired property to reestablish an agricultural operation after the owner's previous agricultural operation was terminated due to eminent domain proceedings or other similar circumstances; and 5) when the purchase price includes payment for other than real property, such as improvements on or to the land or deferred income, e.g., forestry.

(3) Furthermore, the presumption created by section 193.461(4)(c), Florida Statutes, may be defeated by overcoming the appraiser's presumption of correctness as to the agriculturally classified value and demonstrating that the purchase price paid was not three or more times what the agriculturally classified value should be. However, such a showing, while defeating the presumption, would not prevent a denial of the classification if the

Chapter 12D-5 Rev. 12-31-07

purchase price paid was, nonetheless, indicative of a lack of good faith commercial agricultural use.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 193.461, 195.032, 213.05 FS. History--New 10-12-76, Amended 11-10-77, Formerly 12D-5.02.

12D-5.003 Dwellings on Agriculturally Classified Land. The property appraiser shall not deny agricultural classification solely because of the maintenance of a dwelling on a part of the lands used for agricultural purposes, nor shall the agricultural classification disqualify the land for homestead exemption. So long as the dwelling is an integral part of the entire agricultural operation, the land it occupies shall be considered agricultural in nature. However, such dwellings and other improvements on the land shall be assessed under section 193.011, Florida Statutes, at their just value and added to the agriculturally assessed value of the land.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 193.461, 213.05 FS. History--New 10-12-76, Formerly 12D-5.03.

12D-5.004 Other Factors that May Become Applicable to Classification of Agricultural Land.

(1) Other factors enumerated by the court in *Greenwood v. Oates*, 251 So. 2d 665 (Fla. 1971), which the property appraiser may consider, but to which he is not limited, are:

(a) Opinions of appropriate experts in the fields;

(b) Business or occupation of owner; (Note that this cannot be considered over and above or the exclusion of the actual use of the property.) (See AGO 72-123.)

(c) The nature of the terrain of the property;

(d) Economic merchantability of the agricultural product; and

(e) The reasonably attainable economic salability of the product within a reasonable future time for the particular agricultural product.

(2) Other factors that are recommended to be considered are:

(a) Zoning (other than section 193.461, Florida Statutes), applicable to the land;

(b) General character of the neighborhood;

(c) Use of adjacent properties;

(d) Proximity of subject properties to a metropolitan area and services;

(e) Principal domicile of the owner and family;

(f) Date of acquisition;

(g) Agricultural experience of the person conducting agricultural operations;

(h) Participation in governmental or private agricultural programs or activities;

(i) Amount of harvest for each crop;

(j) Gross sales from the agricultural operation;

(k) Months of hired labor; and

(l) Inventory of buildings and machinery and the condition of the same.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 193.461, 213.05 FS. History--New 10-12-76, Amended 11-10-77, Formerly 12D-5.04.

12D-5.005 Outdoor Recreational or Park Lands. The recreational use must be non-commercial. The term "non-commercial" would not prohibit the imposition of a fee or charge to use the recreational or park facility so long as the fee or charge is calculated solely to defray the reasonable expenses of maintaining the land for recreational or park purposes. Since public access is necessarily a prerequisite to classification and tax treatment under section 193.501, Florida Statutes, and Article VII, section 4, Florida Constitution, the Trustees of the Internal Improvement Trust Fund or the governing board of a county or delegated municipality, as the case may be, in their discretion need not accept an instrument conveying development rights or establishing a covenant under the statute. In all cases, the tax treatment provided by section 193.501, Florida Statutes, shall continue only so long as the lands are actually used for outdoor recreational or park purposes. Since all property is assessed as of its status on January 1 of the tax year, if the instrument conveying the development rights or establishing the covenant is not accepted by the appropriately authorized body on or before January

Chapter 12D-5 Rev. 12-31-07

1 of the tax year, then special treatment under section 193.501, Florida Statutes, would not be available for that tax year. When special treatment under the statute is to be granted because of a covenant, such special treatment shall be granted only if the covenant extends for a period of ten or more years from January 1 of each year for which such special treatment assessment is made; however, recognition of the restriction and length of any covenant extending less than 10 years shall be made in assessing the just value of the land under section 193.011, Florida Statutes.

12D-5.010 Definitions. Unless otherwise stated or unless otherwise clearly indicated by the context in which a particular term is used, all terms used in this chapter shall have the same meanings as are attributed to them in the current Florida Statutes. In this connection, reference is made to the definitions in sections 192.001, 211.01, and 211.30, Florida Statutes.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 192.001, 193.461, 193.481, 211.01, 211.30, 213.05 FS. History--New 2-10-82, Formerly 12D-5.10.

12D-5.011 Assessment of Oil, Mineral and Other Subsurface Rights.

(1) All oil, mineral, gas, and other subsurface rights in and to real property, which have been sold or otherwise transferred by the owner of the real property, or retained or acquired through reservation or otherwise, shall be appraised and taxed separately from the fee or other interest in the fee. This tax is against those who benefit from the possession of the

subsurface rights. When such subsurface rights are leased, the tax burden falls on the lessee, not on the lessor who owns the rights outright, in perpetuity.

(a) When the subsurface rights in land have been transferred by the fee owner, or retained or acquired by other than the surface owner, it is the duty of the property appraiser to use reasonable means to determine the name of the record title owner from the public records of the county.

(b) When subsurface rights have been separated from the fee, the property appraiser shall make a separate entry on the assessment roll indicating the assessment of the subsurface rights which have been separated from the fee. The property appraiser may describe and enter these subsurface rights on the roll in the same manner in which they were conveyed. This entry shall immediately follow, in the same section, township, and range, the entry listing the record title owner of the surface fee insofar as is practicable.

(2) At the request of a real property owner who also owns the oil, mineral, and other subsurface rights to the same property, the property appraiser shall assess the subsurface rights separately from the remainder of the real estate. Such request shall be filed with the property appraiser on or before April 1. Failure to do so relieves the appraiser of the duty to assess subsurface rights separately from the remainder of the real estate owned by the owner of such subsurface rights.

(3) All subsurface rights are to be assessed on the basis of just value. The combined value of the subsurface rights, the undisposed subsurface interests, and the remaining surface interests shall not exceed the full just value of the fee title of the land inclusive of such subsurface rights.

(a) Any fractional subsurface interest in a parcel must be assessed against the entire parcel, not against a fraction of the parcel. For example, a one-fourth interest in the subsurface rights on 40 acres is assessed as a fractional interest on the entire 40 acres, not as an interest on 10 acres.

(b) Just value, or fair market value, of subsurface rights may be determined by comparable sales. In determining the value of such subsurface rights, the property appraiser may apply the methods provided by law, including consideration of the amounts paid for mineral, oil, and other subsurface

Chapter 12D-5 Rev. 12-31-07

rights in the area as reflected by the public records.

(c) The cost approach to value may be used to determine the assessed value of a mineral or subsurface right. Where comparable sales or market information is unavailable, and the lease transaction is reasonably contemporary, arm's length, and the contract rent appears to reflect market value, the property appraiser may consider the total value of the contract and discount it to present value as a means of determining just value.

(4) At such time as all mineral assets shall be deemed depleted under present technology or upon a final decree by a court or action or ruling by a quasi-judicial body of competent jurisdiction ordering that no further extraction of minerals will be permitted, the property appraiser shall reduce the assessment of such subsurface rights in accordance with existing circumstances. However, as long as such interests remain, they shall continue to be separately assessed.

(5) Insofar as they may be applied, statutes and regulations not conflicting with the provisions of this chapter pertaining to the assessment and collection of ad valorem taxes on real property, shall apply to the separate assessment and taxation of subsurface rights.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 193.052, 193.062, 193.114(2), 193.481, 213.05 FS. History--New 2-10-82, Formerly 12D-5.11.

12D-5.012 Liens on Subsurface Rights.

Tax certificates and tax liens may be acquired, purchased, transferred and enforced, and tax deeds issued encumbering subsurface rights as they are on real property. Except that in the case of a tax lien on leased subsurface rights where mineral rights are leased or otherwise transferred for a term of years, the lien shall be a personal liability of the lessee and shall be a lien against all property of the lessee.

The owner of subsurface rights shall, by recording with the clerk of the circuit court his name, address and the legal description of the property in which he has a subsurface interest, be entitled to notification, by registered mail with return receipt requested, of non-payment of taxes by the surface owner, or the sale of tax certificates

affecting the surface, or applications for a tax deed for the surface interest, or any foreclosure proceedings thereon. No tax deed nor foreclosure proceedings shall affect the subsurface owner's interest if he has filed with the clerk of the circuit court and such notice as described above is not given.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 193.481, 211.18, 213.05 FS. History--New 2-10-82, Formerly 12D-5.12.

12D-6.001 Mobile Homes and Prefabricated or Modular Housing Units Defined.

(1) Mobile homes are vehicles which satisfy the following:

- (a) Manufactured upon a chassis or under carriage as an integral part thereof; and
- (b) Without independent motive power; and
- (c) Designed and equipped to provide living and sleeping facilities for use as a home, residence, or apartment; or designed for operation over streets and highways.

(d) The definition of "mobile home" shall be as defined under sections 320.01(2) and 723.003(3), Florida Statutes (1989), and under Rule 12A-1.007(11)(a), F.A.C.

(2) A prefabricated or modular housing unit or portion thereof, is a structure not manufactured upon an integral chassis or under carriage for travel over the highways, even though transported over the highways as a complete structure or portion thereof,

to a site for erection or use.

(3) "Permanently affixed." A mobile home shall be considered "permanently affixed" if it is tied down and connected to the normal and usual utilities, and if the owner of the mobile home is also the owner of the land to which it is affixed.

(4) The "owner" of a mobile home shall be considered the same as the owner of the land for purposes of this rule chapter if all of the owners of the mobile home are also owners of the land, either jointly or as tenants in common. This definition shall apply even though other persons, either jointly or as tenants in common, also own the land but do not own the mobile home. The owners of the realty must be able, if they convey the realty, to also convey the mobile home. In this event reference shall be made to the proportions of interests in the land and in the mobile home so owned.

(a) Ownership of the land may be through a "cooperative," that form of ownership of real property wherein legal title is vested in a corporation or other entity and the beneficial use is evidenced by an ownership interest in the cooperative association and a lease or other muniment of title or possession granted by the cooperative association as the owner of all the cooperative property.

(b) Ownership of the land may also be in the form of an interest in a trust conferring legal or equitable title together with a present possessory right on the holder.

(c) Where a mobile home is owned by a corporation, the owner of the mobile home shall not be considered the same as the owner of the land unless the corporation also owns the land as provided in this rule section.

(5) The owner of the mobile home shall not be considered an owner of the land if his name does not appear on an instrument of title to the land.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 192.001, 192.011, 193.075, 196.031, 213.05, 320.01(2), 320.015, 320.08(11), 320.0815 FS. History--New 10-12-76, Amended 11-10-77, Formerly 12D-6.01, Amended 2-17-93.

12D-6.002 Assessment of Mobile Homes.

(1) This rule subsection shall apply if the

Chapter 12D-6 Rev. 12-31-07

owner of the mobile home is also the owner of the land on which the mobile home is permanently affixed and the mobile home has a current sticker affixed, regardless of the series.

(a) The property appraiser shall assess such mobile home as realty, and it shall be taxed as real property. The property appraiser should get proof of title of the mobile home and land. Section 319.21, Florida Statutes, states that no person shall sell a motor vehicle for purposes of the registration and licenses provisions without delivering a certificate of title to the purchaser. The owner may provide evidence of affixation on Form DR-402, Declaration of Mobile Home as Real Property, to assist the property appraiser. However, this information shall not be determinative.

(b) The mobile home shall be issued an "RP" series sticker as provided in section 320.0815, Florida Statutes. The owner is required to purchase an "RP" sticker from the tax collector.

(c) If the owner purchases an "MH" series sticker this shall not affect the requirements of paragraph (a) of this rule subsection.

(d) This rule subsection shall apply to permanently affixed mobile homes and appurtenances which are held for display by a licensed mobile home dealer or a licensed mobile home manufacturer. Any item of tangible personal property or any improvement to real property which is appurtenant to a mobile home and which is not held strictly for resale is subject to ad valorem tax. The mobile home and appurtenances are considered tangible personal property and inventory not subject to the property tax if the following conditions are met:

1. The mobile home and any appurtenance is being held strictly for resale as tangible personal property and is not rented, occupied, or otherwise used; and

2. The mobile home is not used as a sales office by the mobile home dealer or mobile home manufacturer; and

3. The mobile home does not bear an "RP" series sticker.

(2) This rule subsection shall apply to any mobile home which does not have a current license sticker affixed.

(a) It shall not be considered to be real

property.

(b) It is required to have a current license plate properly affixed as required by section 320.08(11) or (12), section 320.0815, or section 320.015, Florida Statutes.

(c) Any mobile home without a current license sticker properly affixed shall be presumed to be tangible personal property and shall be placed on the tangible personal property tax roll.

(3) Under section 320.055(2), Florida Statutes, a mobile home sticker is effective through the 31st day of December and is authorized to be renewed during the 31 days prior to expiration on December 31. A mobile home sticker renewed during the renewal period is effective from January 1 through December 31.

(4) Where there is no current sticker affixed on January 1, the fact that the owner purchases an "RP" or "MH" sticker after January 1, does not rebut the presumption stated in paragraph (2)(c) of this rule section. However, if in fact the mobile home was permanently affixed to realty on January 1, the property appraiser could consider this to rebut the presumption that the mobile home is tangible personal property, in the exercise of his judgment considering the factors stated within section 193.075(1), Florida Statutes. Such a mobile home would be required to be taxed as real property and required to purchase an "RP" series sticker, as outlined in subsection (1) of this rule section.

(5) The statutory presumption that a mobile home without a current sticker or tag is tangible personal property may be rebutted only by facts in existence at the January 1 assessment date. Such facts shall be limited to the following factors:

(a) The property appraiser's exercise of judgment in determining it to be permanently affixed to realty as of January 1, based on the criteria in section 193.075(1), Florida Statutes, as outlined in subsection (4) of this rule section consistent with the requirement to purchase an "RP" series sticker; or

(b) Documentation of having paid the proper license tax and having properly purchased an "MH" sticker which was in fact current on the January 1 assessment date as provided in subsection (3) of this rule section.

(6) A person having documentation of

having paid the tangible personal property tax for any year should seek a refund of license tax from the Department of Highway Safety and Motor Vehicles for the same period for which he later purchased an "MH" tag.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 192.001, 192.011, 193.075, 213.05, 320.015, 320.55, 320.08(11), 320.0815 FS. History--New 10-12-76, Formerly 12D-6.02, Amended 2-17-93, 1-11-94, 12-27-94, 12-28-95, 1-02-01.

12D-6.003 Recreational Vehicle Type Units; Determination of Permanently Affixed.

(1) This rule subsection shall apply to a recreational vehicle type unit described in section 320.01(1), Florida Statutes, which is tied down, or when the mode of attachment or affixation is such that the recreational vehicle type unit cannot be removed without material or substantial injury to the recreational vehicle type unit. In such case, the recreational vehicle type unit shall be considered permanently affixed or attached. Except when the mode of attachment or affixation is such that the recreational vehicle type unit cannot be removed without material or substantial injury to the recreational vehicle type unit, the realty, or both, the intent of the owner is determinative of whether the recreational vehicle type unit is permanently attached. The intention of the owner to make a permanent affixation of a recreational vehicle type unit may be determined by either:

(a) The owner making the application for an "RP" series license sticker in which the owner of the recreational vehicle type unit states:

1. That the unit is affixed to the land; and
2. That it is his intention that the unit will remain affixed to the land permanently.

(b) The property appraiser making an inspection of the recreational vehicle type unit and inferring from the facts the intention of the owner to permanently affix the unit to the land. Facts upon which the owner's intention may be based are:

1. The structure and mode of the affixation of the unit to realty;
2. The purpose and use for which the affixation has been made,

a. Whether the affixation, annexation or attachment was made in compliance with a building code or ordinance which would diminish the indication of the intent of the owner,

b. Whether the affixation, annexation or attachment was made to obtain utility services, etc.

(2) A recreational vehicle type unit shall be assessed as real property only when the recreational vehicle type unit is permanently affixed to the real property upon which it is situated on January 1 of the year in which the assessment is made and the owner of the recreational vehicle type unit is also the owner of the real property upon which the recreational vehicle type unit is situated. This subsection shall apply regardless of the series under which the recreational vehicle type unit may be licensed pursuant to Chapter 320, Florida Statutes. However, a recreational vehicle type unit that is taxed as real property is required to be issued an "RP" series sticker as provided in section 320.0815, Florida Statutes.

(3) A recreational vehicle type unit may be considered to be personal property when it does not have a current license plate properly affixed as provided in subsections 320.08(9) or (10), or sections 320.015 or 320.0815, Florida Statutes.

(4) The removal of the axles and other running gear, tow bar and other similar equipment from a recreational vehicle type unit is not prerequisite to the assessment of a recreational vehicle type unit as a part of the land to which it is permanently affixed, annexed, or attached if other physical facts of affixation, annexation, or attachment are present.

12D-7.001 Applications for Exemptions.

(1) As used in section 196.011, Florida Statutes, the term "file" shall mean received in the office of the county property appraiser. However, for applications by mail, the date of the postmark is the date of filing.

(2) The property appraiser is not authorized to accept any application that is not filed on or before March 1 of the year for which exemption is claimed except that, when the last day for filing is a Saturday, Sunday, or legal holiday, in which case the time for making an application shall be extended until the end of the next business day. The property appraiser shall accept any application timely filed even though the applicant intends or is requested to file supplemental proof or documents.

(3) Property appraisers are permitted, at their option, to grant homestead exemptions upon proper application throughout the year for the succeeding year. In those counties which have not waived the annual application requirement, the taxpayer is required to reapply on the short form as provided in section 196.011(5), Florida Statutes. If the taxpayer received the exemption for the prior year, the property may qualify for the exemption in each succeeding year by renewal application as provided in section 196.011(6), Florida Statutes, or by county waiver of the annual application requirement as provided in section 196.011(9), Florida Statutes .

(4) Each new applicant for an exemption under sections 196.031, 196.081, 196.091, 196.101, or 196.202, Florida Statutes, must provide his or her social security number and the social security number of his or her spouse, if any, in the applicable spaces provided on the application form, Form DR-501 (incorporated by reference in Rule 12D-16.002). Failure to provide such numbers will render the application incomplete. If an applicant omits the required social security numbers and files

Chapter 12D-7 Rev. 12-31-07

an otherwise complete application, the property appraiser shall contact that applicant and afford the applicant the opportunity to file a complete application on or before April 1. Failure to file a completed application on or before April 1 shall constitute a waiver of the exemption for that tax year, unless the applicant can demonstrate that failure to timely file a completed application was the result of a postal error or, upon filing a timely petition to the value adjustment board, that the failure was due to extenuating circumstances as provided in section 196.011, Florida Statutes.

(5) In those counties which permit the automatic renewal of homestead exemption, the property appraiser may request a refile of the application in order to obtain the social security number of the applicant and the social security number of the applicant's spouse.

12D-7.002 Exemption of Household Goods and Personal Effects. Only household goods and personal effects of the taxpayer which are actually employed in the use of serving the creature comforts of the owner and not held for commercial purposes are entitled to the exemption provided by section 196.181, Florida Statutes. "Creature comforts" are things which give bodily comfort, such as food, clothing and shelter. Commercial purposes includes owning household goods and personal effects as stock in trade or as furnishings in rental dwelling units.

12D-7.003 Exemption of Property of Widows, Widowers, Blind Persons, and Persons Totally and Permanently Disabled; Disabled Ex-Service Members, Spouses.

(1) For the purposes of the exemption

provided in section 196.202, Florida Statutes:

(a) The provisions of this rule shall apply to widows and widowers. The terms "widow" and "widower" shall not apply to:

1. a divorced woman or man;
2. a widow or widower who remarries; or
3. a widow or widower who remarries and is subsequently divorced.

(b) The term "widow" shall apply to a woman, and the term "widower" shall apply to a man, whose subsequent remarriage is terminated by annulment.

(c) Blind persons means those persons who are currently certified by the Division of Blind Services of the Department of Education or the Federal Social Security Administration or United States Department of Veterans Affairs to be blind. As used herein "blind person" shall mean an individual having central vision acuity 20/200 or less in the better eye with correcting glasses or a disqualifying field defect in which the peripheral field has contracted to such an extent that the widest diameter or visual field subtends an angular distance no greater than twenty degrees.

(d) The exemptions provided under section 196.202, Florida Statutes, shall be cumulative. An individual who properly qualifies under more than one classification shall be granted more than one five hundred dollar exemption. However, in no event shall the exemption under section 196.202, Florida Statutes, exceed one thousand five hundred dollars (\$1,500) for an individual.

(e) Where both husband and wife otherwise qualify for the exemption each would under section 196.202, Florida Statutes, be entitled to an exemption of five hundred dollars applicable against the value of property owned by them as an estate by the entirety.

(2)(a) The \$5,000 exemption granted by section 196.24, F.S., to disabled ex-service members, as defined in section 196.012, F.S., who were discharged under honorable conditions, shall be considered to be the same constitutional disability exemption provided for by section 196.202, F.S. The unremarried surviving spouse of such a disabled ex-service member who was married to the ex-service member for at least 5 years at the time of the ex-service member's death is allowed the

Chapter 12D-7 Rev. 12-31-07

exemption.

(b) The exemptions under sections 196.202 and 196.24, F.S., shall be cumulative, but in no event shall the aggregate exemption exceed \$6,000 for an individual, except where the surviving spouse is also eligible to claim the \$5,000 disabled ex-service member disability exemption under Section 196.24, F.S. In that event the cumulative exemption shall not exceed \$11,000 for an individual.

(3) The exemptions granted by sections 196.202 and 196.24, F.S., apply to any property owned by a bona fide resident of this state.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 196.202, 196.24, 213.05 FS. History--New 10-12-76, Formerly 12D-7.03, Amended 11-21-91, 12-31-98, 12-30-02, 1-1-04, 1-16-06, 10-2-07.

12D-7.004 Exemption for Certain Permanently and Totally Disabled Veterans and Surviving Spouses of Certain Veterans.

(1) This rule applies to the total exemption from taxation of the homestead property of a veteran who was honorably discharged and who has a service-connected total and permanent disability and of surviving spouses of veterans who died from service-connected causes while on active duty as a member of the United States Armed Forces as described in section 196.081, Florida Statutes.

(2) The disabling injury of a veteran or death of a veteran while on active duty must be service-connected in order for the veteran or surviving spouse to be entitled to the exemption. The veteran, his or her spouse, or surviving spouse must have a letter from the United States Government or from the United States Department of Veterans Affairs or its predecessor certifying that the veteran has a service-connected total and permanent disability or that the death of the veteran resulted from service-connected causes while on active duty.

(3) A service-connected disability is not required to be total and permanent at the time of honorable discharge but must be total and permanent on January 1 of the year of application for the exemption or on January 1 of the year during

which the veteran died.

(4)(a) This paragraph shall apply where the deceased veteran possessed the service-connected permanent and total disability exemption upon death. The exemption shall carry over to the veteran's spouse if the following conditions are met:

1. The veteran predeceases the spouse;
2. The spouse continues to reside on the property and use it as his or her primary residence;
3. The spouse does not remarry; and
4. The spouse holds legal or beneficial title.

(b) This paragraph shall apply where the deceased veteran was totally and permanently disabled with a service-connected disability at the time of death but did not possess the exemption upon death. The surviving spouse is entitled to the exemption if the following conditions are met:

1. The veteran predeceases the spouse;
2. The spouse continues to reside on the property and use it as his or her primary residence;
3. The spouse does not remarry;
4. The spouse holds legal or beneficial title;

and

5. The spouse produces the required letter of disability.

(c) This paragraph shall apply where the veteran died from service-connected causes while on active duty. The surviving spouse is entitled to the exemption if the following conditions are met:

1. The veteran was a permanent resident on January 1 of the year in which the veteran died;
2. The spouse continues to reside on the property and use it as his or her primary residence;
3. The spouse does not remarry;
4. The spouse holds legal or beneficial title;

and

5. The spouse produces the required letter attesting to the service-connected death of the veteran while on active duty.

(5) The surviving spouse is entitled to the veteran's exemption if the surviving spouse establishes a new homestead after selling the homestead upon which the exemption was initially granted. In the event the spouse sells the property, the exemption, in the amount of the exempt value on the most recent tax roll on which the exemption was granted, may be transferred to his or her new homestead; however, the exemption cannot exceed

Chapter 12D-7 Rev. 12-31-07

the amount of the exempt value granted from the prior homestead.

(6) A surviving spouse is not entitled to the homestead assessment increase limitation on the homestead property unless the spouse's residence on the property is continuous and permanent, regardless of the potential applicability of a disabled or deceased veteran's exemption. Where the spouse transfers the exemption to a new homestead as provided in section 196.081(3), Florida Statutes, the property shall be assessed at just value as of January 1 of the year the property receives the transfer of the exempt amount from the previous homestead. The real property shall be considered to first receive the exemption pursuant to Rule 12D-8.0061(1), F.A.C.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 196.081, 213.05 FS. History--New 10-12-76, Formerly 12D-7.04, Amended 12-27-94, 12-30-97, 12-31-98.

12D-7.005 Exemption for Disabled Veterans Confined to Wheelchairs.

(1) Although the certificate of disability referred to in section 196.091(1), Florida Statutes, would be sufficient proof upon which the property appraiser could allow the tax exemption, this does not mean that the property appraiser could not deny such exemption if, upon his investigation, facts were disclosed which showed a lack of service-connected total disability.

(2)(a) This paragraph shall apply where the deceased veteran possessed the exemption upon death. The exemption shall carry over to the veteran's spouse if the following conditions are met:

1. The veteran predeceases the spouse;
2. The spouse continues to reside on the property and use it as his or her domicile;
3. The spouse does not remarry; and
4. The spouse holds legal or beneficial title and held the property with the veteran by tenancy by the entireties at the veteran's death.

(b) Where the deceased veteran was totally and permanently disabled with a service-connected disability requiring use of a wheelchair at the time of the veteran's death but did not possess the exemption upon death, the surviving spouse is not entitled to the exemption.

(3) The surviving spouse is not entitled to the veteran's exemption if the spouse establishes a new homestead after selling the homestead upon which the exemption was initially granted.

(4) The surviving spouse is not entitled to the homestead assessment increase limitation on the homestead property unless the spouse's residence on the property is continuous and permanent, regardless of the potential applicability of a disabled veteran's exemption. In such circumstances, where the spouse remarries, as provided in section 196.091(3), Florida Statutes, the property shall continue to qualify for the homestead assessment increase limitation. Where the spouse sells or otherwise disposes of the property, it and any new homestead the spouse may establish shall be assessed pursuant to Rule 12D-8.0061(1), F.A.C.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 196.091, 213.05 FS. History--New 10-12-76, Formerly 12D-7.05, Amended 12-27-94.

12D-7.006 Exemption for Totally and Permanently Disabled Persons.

(1) This rule applies to the total exemption from taxation for the homestead property of a totally and permanently disabled person.

(2) The homestead property of a quadriplegic is exempt.

(3) To provide evidence of entitlement to the exemption, a quadriplegic must furnish to the property appraiser one of the following:

(a) A certificate of disability, Form DR-416 (incorporated by reference in Rule 12D-16.002, F.A.C.), from two doctors of this state licensed under Chapter 458 or Chapter 459, Florida Statutes; or

(b) A certificate of disability from the United States Department of Veterans Affairs or its predecessor.

(4) Subject to the income limitations pursuant to section 196.101, Florida Statutes, and Form DR-501S (incorporated by reference in Rule 12D-16.002, F.A.C.), the homestead property of a paraplegic, hemiplegic, or any other totally and permanently disabled person who must use a wheelchair for mobility or who is legally blind is exempt from ad valorem taxation.

Chapter 12D-7 Rev. 12-31-07

(5) To provide evidence of entitlement to the exemption, a paraplegic, hemiplegic, or other totally and permanently disabled person who must use a wheelchair, or a person who is legally blind must furnish to the property appraiser the following:

(a) A certificate of disability, Form DR-416 (incorporated by reference in Rule 12D-16.002, F.A.C.), from two doctors of this state licensed under Chapter 458 or Chapter 459, Florida Statutes; or

(b) A certificate of disability from the United States Department of Veterans Affairs or its predecessor; and

(c) A Statement of Gross Income, Form DR-501A (incorporated by reference in Rule 12D-16.002, F.A.C.).

(6) Totally and permanently disabled persons must make application on Form DR-501 (incorporated by reference in Rule 12D-16.002, F.A.C.), in conjunction with the disability documentation, with the property appraiser on or before March 1 of each year.

(7) In order to qualify for the homestead exemption under this rule section, the totally and permanently disabled person must have been a permanent resident on January 1 of the year in which the exemption is claimed.

(8) The exemption documentation required of permanently and totally disabled persons is prima facie evidence of the fact of entitlement to the exemption; however, the property appraiser may deny the exemption if, upon his investigation, facts are disclosed which show absence of sufficient disability for the exemption.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 196.011, 196.012, 196.101, 213.05 FS. History--New 10-12-76, Formerly 12D-7.06, Amended 12-27-94.

12D-7.007 Homestead Exemptions -- Residence Requirement.

(1) For one to make a certain parcel of land his permanent home, he must reside thereon with a present intention of living there indefinitely and with no present intention of moving therefrom.

(2) A property owner who, in good faith, makes real property in this state his permanent home

is entitled to homestead tax exemption, notwithstanding he is not a citizen of the United States or of this State. (Smith v. Voight 28 So. 2d 426 (Fla. 1946)).

(3) A person in this country under a temporary visa cannot meet the requirement of permanent residence or home and, therefore, cannot claim homestead exemption.

(4) A person not residing in a taxing unit but owning real property therein may claim such property as tax exempt under Section 6, Article VII of the State Constitution by reason of residence on the property of natural or legal dependents provided he can prove to the satisfaction of the property appraiser that he claims no other homestead tax exemption in Florida for himself or for others legally or naturally dependent upon him for support. It must also be affirmatively shown that the natural or legal dependents residing on the property which is claimed to be exempt by reason of a homestead are entirely or largely dependent upon the landowner for support and maintenance.

(5) The Constitution contemplates that one person may claim only one homestead exemption without regard to the number of residences owned by him and occupied by "another or others naturally dependent upon" such owner. This being true no person residing in another county should be granted homestead exemption unless and until he presents competent evidence that he only claims homestead exemption from taxation in the county of the application.

(6) The survivor of a deceased person who is living on the property on January 1 and making same his permanent home, as provided by Section 6, Article VII of the Constitution is entitled to claim homestead exemption if the will of the deceased designates the survivor as the sole beneficiary. This is true even though the owner died before January 1 and by the terms of his will declared the sole beneficiary as the executor of his will. The application should be signed as sole beneficiary and as executor.

(7) A married woman and her husband may establish separate permanent residences without showing "impelling reasons" or "just ground" for doing so. If it is determined by the property appraiser that separate permanent residences and

Chapter 12D-7 Rev. 12-31-07

separate "family units" have been established by the husband and wife, and they are otherwise qualified, each maybe granted homestead exemption from ad valorem taxation under Article VII, Section 6, 1968 State Constitution. The fact that both residences may be owned by both husband and wife as tenants by the entireties will not defeat the grant of homestead ad valorem tax exemption to the permanent residence of each.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 196.001, 196.031, 196.041, 213.05 FS. History--New 10-12-76, Amended 11-10-77, Formerly 12D-7.07.

12D-7.008 Homestead Exemptions -- Legal or Equitable Title.

(1) The Constitution requires that the homestead claimant have the legal title or beneficial title in equity to the real property claimed as his tax-exempt homestead. Section 196.031(1), Florida Statutes, requires that the deed or other instrument to homestead property be recorded in order to qualify for homestead exemption.

(2) Vendees in possession of real estate under bona fide contracts to purchase shall be deemed to have equitable title to real estate.

(3) A recitation in a contract for the purchase and sale of real property, that the equitable title shall not pass until the full purchase price is paid, does not bar the purchaser thereof from claiming homestead exemption upon the same if he otherwise qualifies.

(4) Assignment of a contract for deed to secure a loan will not defeat a claim for homestead exemption by the vendee in possession.

(5) A forfeiture clause in a contract for deed for non-payment of installments will not prevent the vendee from claiming homestead exemption.

(6) A vendee under a contract to purchase, in order to be entitled to homestead exemption, must show that he is vested with the beneficial title in the real property by reason of said contract and that his possession is under and pursuant to such contract.

(7) A grantor may not convey property to a grantee and still claim homestead exemption even though there is a mutual agreement between the two that the deed is not to be recorded until some date in

the future. The appraiser is justified in presuming that the delivery took place on the date of conveyance until such evidence is presented showing otherwise sufficient to overcome such presumption. The appraiser may back assess the property upon discovery that the exemption was granted erroneously.

(8) A person who owns a leasehold interest in either a residential or a condominium parcel pursuant to a bona fide lease, having an original term of 98 years or more, shall be deemed to have legal or beneficial and equitable title to that property for the purpose of homestead exemption and no other purpose.

12D-7.009 Homestead Exemptions -- Life Estates.

(1) A life estate will support a claim for homestead exemption.

(2) Where the owner of a parcel of real property conveys it to another who is a member of a separate family unit retaining a life estate in an undivided one-half interest therein, and each of such parties make their permanent homes in separate residential units located upon that said property, each would be entitled to homestead exemption on that part of the land occupied by them and upon which they make their permanent home.

12D-7.010 Homestead Exemptions -- Remainders.

(1) A future estate, whether vested or contingent, will not support a claim for homestead exemption during the continuance of a prior estate. (Aetna Insurance Co. v. La Gasee, 223 So. 2d 727 (Fla.1969)).

(2) If the remainderman is in possession of the property during a prior estate, he must be claiming such right to possession under the prior

estate and not by virtue of his own title; it must be presumed that the right granted under the life estate is something less than real property and incapable of supporting a claim for homestead exemption.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 196.001, 196.031, 196.041, 213.05 FS. History--New 10-12-76, Formerly 12D-7.10.

12D-7.011 Homestead Exemptions -- Trusts.

The beneficiary of a passive or active trust has equitable title to real property if he is entitled to the use and occupancy of such property under the terms of the trust; therefore, he has sufficient title to claim homestead exemption. AGO 90-70. Homestead tax exemption may not be based upon residence of a beneficiary under a trust instrument which vests no present possessory right in such beneficiary.

12D-7.012 Homestead Exemptions -- Joint Ownership.

(1) No residential unit shall be entitled to more than one homestead tax exemption.

(2) No family unit shall be entitled to more than one homestead tax exemption.

(3) No individual shall be entitled to more than one homestead tax exemption.

(4)(a) This paragraph shall apply where property is held by the entireties or jointly with a right of survivorship.

1. Provided no other co-owner resides on the property, a resident co-owner of such an estate, if otherwise qualified, may receive the entire exemption.

2. Where another co-owner resides on the property, in the same residential unit, the resident co-owners of such an estate, if otherwise qualified, must share the exemption in proportion to their ownership interests.

(b) Where property is held jointly as a tenancy in common, and each co-owner makes their

residence in a separate family unit and residential unit on such property, each resident co-owner of such an estate, if otherwise qualified, may receive the exemption in the amount of the assessed value of his or her interest, up to \$25,000. No tenant in common shall receive the homestead tax exemption in excess of the assessed valuation of the proportionate interest of the person claiming the exemption.

(5) Property held jointly will support multiple claims for homestead tax exemption; however, only one exemption will be allowed each residential unit and no family unit will be entitled to more than one exemption.

(6)(a) Where a parcel of real property, upon which is located a residential unit held by "A" and "B" jointly as tenants in common or joint tenants without a right of survivorship, and "A" makes his permanent home upon the said property, but "B" resides and makes his permanent home elsewhere, "A" may not claim as exempt more than his interest in the property up to a total of \$25,000 of assessed valuation on which he is residing and making the same his permanent home. The remainder of the interest of "A" and the interest of "B" would be taxed, without exemption, because "B" is not residing on the property or making the same his permanent residence.

(b) If that same parcel were held by "A" and "B" as joint tenants with a right of survivorship or tenants by the entirety under the circumstances described above, "A" would be eligible for the entire \$25,000 exemption.

(7) In the situation where two or more joint owners occupy the same residential unit, a single homestead tax exemption shall be apportioned among the owners as their respective interests may appear.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 196.001, 196.031, 196.041, 213.05 FS. History--New 10-12-76, Formerly 12D-7.12, Amended 12-27-94, 12-25-96.

12D-7.013 Homestead Exemptions -- Abandonment.

(1) Temporary absence from the homestead for health, pleasure, or business reasons would not

Chapter 12D-7 Rev. 12-31-07

deprive the property of its homestead character. (Lanier v. Lanier, 116 So. 867 (Fla. 1928)).

(2) When a resident and citizen of Florida, now entitled to tax exemption under Section 6, Article VII of the State Constitution upon certain real property owned and occupied by him, obtains an appointment of employment in Federal Government services that requires him to reside in Washington, District of Columbia, he does not lose his right to homestead exemption if his absence is temporary. He may not, however, acquire another homestead at the place of his employment, nor may he rent the property during his absence as this would be considered abandonment under section 196.061, Florida Statutes.

(3) Temporary absence, regardless of the reason for such, will not deprive the property of its homestead character, providing an abiding intention to return is always present. This abiding intention to return is not to be determined from the words of the homesteader, but is a conclusion to be drawn from all the applicable facts. (City of Jacksonville v. Bailey, 39 So. 2d 529 (Fla. 1947)).

(4) Commitment to an institution as an incompetent will not of itself constitute an abandonment of homestead rights.

(5) Property used as a residence and also used by the owner as a place of business does not lose its homestead character. The two uses should be separated with that portion used as a residence being granted the exemption and the remainder being taxed.

(6) Homestead property that is uninhabitable due to damage or destruction by misfortune or calamity shall not be considered abandoned in accordance with the provisions of s. 196.031(7), F.S., where:

(a) the property owner notifies the property appraiser of his or her intent to repair or rebuild the property,

(b) the property owner notifies the property appraisers of his or her intent to occupy the property after the property is repaired or rebuilt,

(c) the property owner does not claim homestead exemption elsewhere, and

(d) the property owner commences the repair or rebuilding of the property within three (3) years

after January 1 following the damage or destruction to the property.

12D-7.0135 Homestead Exemptions -- Mobile Homes.

(1) For purposes of qualifying for the homestead exemption, the mobile home must be determined to be permanently affixed to realty, as provided in rule Chapter 12D-6, F.A.C. Otherwise the applicant must be found to be making his permanent residence on realty.

(2) Where a mobile home owner utilizes a mobile home as a permanent residence and owns the land on which the mobile home is located, the owner may, upon proper application, qualify for a homestead exemption.

(3) Joint tenants holding an undivided interest in residential property are each entitled to a full homestead exemption to the extent of each joint tenant's interest, provided all requisite conditions are met. Joint tenants owning a mobile home qualify for a homestead exemption even though the property on which the mobile home is located is owned in joint tenancy by more persons than just those who own the mobile home. Each separate residential or family unit is entitled to a homestead exemption. The value of the applicant's proportionate interest in the land shall be added to the value of the applicant's proportionate interest in the mobile home and this value may be exempted up to the statutory limit.

(4) If a mobile home is owned as an estate by the entireties, the homestead exemptions of section 196.031, Florida Statutes, and the additional homestead exemptions are applicable if either spouse qualifies.

(5) No homestead exemption shall be allowed by the property appraiser if there is no current license sticker on January 1, unless the property appraiser determines prior to the July 1 deadline for denial of the exemption that the mobile home was in fact permanently affixed on January 1 to real property and the owner of the mobile home is the same as the owner of the land.

(a) The property appraiser shall make a determination of the value of all property (whether such property is taxable, wholly or partially exempt, or subject to classification reflecting a value less than its just value at its present highest and best use) located within the county according to its just or fair

market value on the first day of January of each year and enter the same upon the appropriate assessment roll under the heading "Just Value." If the parcel qualifies for a classified use assessment, the classified use value shall be shown under the heading "Classified Use Value."

(b) The following are specifically excluded from the requirements of paragraph (a) above:

1. Streets, roads, and highways. The appraiser is not required to, but may assess and include on the appropriate assessment roll streets, roads, and highways which have been dedicated to or otherwise acquired by a municipality, a county, or a state or federal agency.

a. The terms "streets", "roads", and "highways" include all public rights-of-way for either or both pedestrian or vehicular travel.

b. The phrase "or otherwise acquired" shall mean that title to the property is vested in the municipality, county, state, or federal agency and shall not include an easement or mere right of use.

Storage in a warehouse, or other place of safekeeping, in and of itself, does not alter the status of such property. Personal effects is a category of personal property which includes such items as clothing, jewelry, tools, and hobby equipment. No return of such property or claim for exemption need be filed by an eligible owner and no entries need be shown on the assessment roll.

(2) Agricultural lands shall be assessed in accordance with the provisions of section 193.461, Florida Statutes, and these rules and regulations.

(3) Pollution control devices shall be assessed in accordance with the provisions of section 193.621, Florida Statutes, and these rules and regulations.

(4) Land subject to a conservation easement, environmentally endangered lands, or lands used for outdoor recreational or park purposes when land development rights have been conveyed or conservation restrictions have been covenanted shall be assessed in accordance with the provisions of section 193.501, Florida Statutes, and these rules.

(a) Petition -- On or before April 1 of each year any taxpayer claiming right of assessment for ad valorem tax purposes under this rule and section 193.501, Florida Statutes, may file a petition with the property appraiser requesting reclassification and reassessment of the land for the upcoming tax year.

(b) In the event the property appraiser determines that land development covenants, restrictions, rules or regulations imposed upon property described in said petition render development to the highest and best use no longer possible, he or she shall reclassify and reassess the property described in the petition and enter the new assessed valuation for the property on the roll with a notation indicating that this property receives special consideration as a result of development restrictions. For the purpose of complying with section 193.501(7)(a), Florida Statutes, the property appraiser will also maintain a record of the value of such property as if the development rights had not been conveyed and the conservation restrictions had not been covenanted.

(5) Land Subject to a Moratorium (section 193.011(2), Florida Statutes).

(a) The property appraiser shall consider any moratorium imposed by law, ordinance, regulation, resolution, proclamation, or motion adopted by any governmental body or agency which prohibits, restricts, or impairs the ability of a taxpayer to improve or develop his property to its highest and best use in determining the value of the property.

1. The taxpayer, whose property is so affected, may file a petition with the property appraiser on or before April 1 requesting reclassification and reassessment for the current tax year.

2. The taxpayer's right to receive a reclassification and reassessment under this rule and section 193.011(2), Florida Statutes, shall not be impaired by his failure to file said petition with the

property appraiser.

(b) In the event the property appraiser determines that restrictions placed upon land subject to a moratorium render development to the highest and best use no longer possible, he shall reclassify and reassess the property.

(6) High-water recharge lands shall be classified in accordance with section 193.625, Florida Statutes. The assessment of high-water recharge lands must be based upon a formula adopted by ordinance by counties choosing to have a high-water recharge protection tax assessment program.

12D-8.005 Assessing Property Not Returned as Required by Law and Penalties

Excerpt of Chapter 12D-8 Rev. 12-31-07

Thereon.

(1) The due date an without extension granted pursuant to s. 193.063, Florida Statutes, is April 1.

(a) If the taxpayer has failed to file a return on or before the due date, including any extensions, then, based upon the best information available, the property appraiser shall list the appropriate property on a return, assess it, and apply the 25 percent penalty thereon. An assessment made in this manner shall be considered an increased assessment and notice must be sent thereof in accordance with the provisions of section 194.011(2), Florida Statutes, and Rule 12D-8.004, F.A.C.

(b) If a return is filed before the fifth month from the due date or the extended due date of the return, the penalty shall be reduced in accordance with the penalty schedule in section 193.072(1)(b), Florida Statutes, and the property appraiser is authorized to waive the penalty entirely upon finding that good cause has been shown.

(2) When a return is filed, the property appraiser shall ascertain whether all property required to be returned is listed. If such property is unlisted on the return, the property appraiser shall:

(a) As soon as practicable after filing the return and based upon the best information available, list the property on the return, assess it, apply the 15 percent penalty thereon and to this sum apply any penalties provided in subsection (1) of this rule as may be appropriate. Assessing the property in this manner shall be considered an increased assessment and notice must be sent thereof in accordance with the provisions of section 194.011(2), Florida Statutes, and Rule 12D-8.004, F.A.C.

(b) If the unlisted property is properly listed by the taxpayer, the property appraiser is authorized to reduce or waive the penalty entirely upon finding that good cause has been shown.

(3) When a return has property unlisted that renders the return so deficient as to indicate an intent to evade or illegally avoid the payment of lawful taxes, it shall be deemed a failure to file a return.

(4) For the purposes of determining whether a return was filed late or property was unlisted with the intention of illegally avoiding the payment of

lawful taxes, consideration shall be given as to whether the taxpayer made a late or corrective filing before he was notified of an increased assessment.

(5) The property appraiser shall briefly state, in writing on the return, those facts and circumstances constituting good cause for waiving or reducing a penalty. The property appraiser shall reduce or waive penalty only upon a proper finding of good cause shown. "Good cause" means the exercise of ordinary care and prudence in the particular circumstances in complying with the law.

(6) Penalties shall be waived only as authorized by this rule.

(7) If no return is filed for two successive years, the property appraiser shall, for the second year no return is filed, inspect the property, examine the property owner's financial records, or otherwise in good faith attempt to ascertain the just value of the property before otherwise assessing the property as provided in subsection (1) of this rule.

(8) The property appraiser may not waive or reduce penalties levied on railroad and other property assessed by the Department of Revenue.

12D-8.006 Assessment of Property for Back Taxes.

(1) "Escape taxation" means to get free of tax, to avoid taxation, to be missed from being taxed, or to be forgotten for tax purposes. Improvements, changes, or additions which were not taxed because of a clerical or some other error and are a part of and encompassed by a real property parcel which has been duly assessed and certified, should be included in this definition, if back taxes are due under sections 193.073, 193.092, or 193.155(8), Florida Statutes. Property under-assessed due to an error in judgment should be excluded from this definition. *Korash v. Mills*, 263 So. 2d 579 (Fla. 1972).

(2) The property appraiser shall, in addition to the assessment for the current year:

(a) Make a separate assessment for each year

Chapter 12D-8 Rev. 12-31-07 Excerpt

(not to exceed three) that the property has been entirely omitted from the assessment roll;

(b) Determine the value of the property as it existed on January 1 of each year that the property escaped taxation;

(c) Distinctly note on the assessment roll the year for which each assessment is made; and

(d) Apply the millage levy for the year taxation was escaped, add the penalties, if applicable, and extend the tax. This shall be done for each year the property has escaped taxation, not to exceed three years.

(e) Assessments for back taxes shall appear on the assessment roll immediately following the assessment of the property for the current year, or on a supplemental roll immediately following the current roll.

(f) Any tabulation of valuations from the current roll shall not include assessments for back taxes but shall include, immediately after tabulations of the current roll totals, the corresponding tabulations for back assessed property with a notation identifying the figure as such.

(3) Back assessments of assessable leasehold or possessory interest in property of the United States, of the state, or any political subdivision, municipality, agency, authority, or other public body corporate of the state, are enforced as a personal obligation of the lessee and shall be placed on the roll in the name of the holder of the leasehold in the year(s) taxation was escaped.

(4) Back assessments of property acquired by a bona fide purchaser that had no knowledge that the property purchased had escaped taxation shall be assessed to the previous owner in accordance with s. 193.092(1), F.S. A "bona fide purchaser" means a purchaser, for value, in good faith, before the certification of the assessment of back taxes to the tax collector for collection.

12D-8.0061 Assessments; Homestead Property Assessments at Just Value.

(1) Real property shall be assessed at just

value as of January 1 of the year in which the property first receives the exemption.

(2) Real property shall be assessed at just value as of January 1 of the year following any change of ownership. If the change of ownership occurs on January 1, subsection (1) shall apply. For purposes of this section, a change of ownership includes any transfer of homestead property receiving the exemption, but does not include any of the following:

(a) Any transfer in which the person who receives homestead exemption is the same person who was entitled to receive homestead exemption on that property before the transfer, and

1. The transfer is to correct an error;

2. The transfer is between legal and equitable title; or

3. The change or transfer is by means of an instrument in which the owner is listed as both grantor and grantee of the real property and one or more other individuals are additionally named as grantee. However, a change of ownership occurs if any additional individual named as grantee applies for a homestead exemption on the property.

(b) The transfer is between husband and wife, including a transfer to a surviving spouse or a transfer due to a dissolution of marriage, provided that the transferee applies for the exemption and is otherwise entitled to the exemption;

(c) The transfer, upon the death of the owner, is between owner and a legal or natural dependent who permanently resides on the property; or

(d) The transfer occurs by operation of law under section 732.4015, Florida Statutes.

12D-8.0062 Assessments; Homestead; Limitations.

(1) This rule shall govern the determination of the assessed value of property subject to the homestead assessment limitation under Article VII, Section 4(c), Florida Constitution and section 193.155, Florida Statutes, except as provided in Rules 12D-8.0061, 12D-8.0063, and 12D-8.0064, F.A.C., relating to changes, additions or

Excerpt of Chapter 12D-8 Rev. 12-31-07

improvements, changes of ownership, and corrections.

(2) Just value is the standard for assessment of homestead property, subject to the provisions of Article VII, Section 4(c), Florida Constitution. Therefore, the property appraiser is required to determine the just value of each individual homestead property on January 1 of each year as provided in section 193.011, Florida Statutes.

(3) Unless subsections (5) or (6) of this rule require a lower assessment, the assessed value shall be equal to the just value as determined under subsection (2) of this rule.

(4) The assessed value of each individual homestead property shall change annually, but shall not exceed just value.

(5) Where the current year just value of an individual property exceeds the prior year assessed value, the property appraiser is required to increase the prior year's assessed value by the lower of:

(a) Three percent; or

(b) The percentage change in the Consumer Price Index (CPI) for all urban consumers, U.S. City Average, all items 1967 = 100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(6) If the percentage change in the Consumer Price Index (CPI) referenced in paragraph (5)(b) is negative, then the assessed value shall be the prior year's assessed value decreased by that percentage.

(7) The assessed value of an individual homestead property shall not exceed just value.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 193.011, 193.023, 193.155, 196.031, 213.05 FS. History--New 10-4-95.

12D-8.0063 Assessment of Changes, Additions, or Improvements to a Homestead.

(1) Any change, addition, or improvement, excluding normal maintenance, to a homestead, including an owner's apportioned share of common areas directly benefiting the homestead, shall be determined and assessed at just value, and added to the assessed value of the homestead as of January 1 of the year following the substantial completion of

the change, addition, or improvement.

(2) The measures of this incremental, just value amount for purposes of subsection (1), shall be determined directly by considering mass data collected, market evidence, and cost, or by taking the difference between the following:

(a) Just value of the homestead as of January 1 of the year following any change, addition, or improvement, adjusted for any change in value during the year due to normal market factors, and

(b) Just value of the homestead as of January 1 of the year of the change, addition, or improvement.

(3) General rules for assessment of changes, additions, or improvements; see paragraphs (a) through (d); for special rules for 2004 named storms see paragraph (e).

(a) Changes, additions, or improvements do not include replacement of a portion of homestead property damaged or destroyed by misfortune or calamity when:

1.a. the square footage of the property as repaired or replaced does not cause the total square footage to exceed 1500 square feet, or

b. the square footage of the property as repaired or replaced does not exceed 110 percent of the square footage of the property before the damage or destruction; and

2. the changes, additions, or improvements are commenced within 3 years after the January 1 following the damage or destruction

(b) When the repair or replacement of such properties results in square footage greater than 1500 square feet or otherwise greater than 110 percent of the square footage before the damage, such repair or replacement shall be treated as a change, addition, or improvement. The homestead property's just value shall be increased by the just value of that portion of the changed or improved property in excess of 1500 square feet or in excess of 110 percent of the square footage of the property before the damage, and that just value shall be added to the assessed value (including the assessment limitation change) of the homestead as of January 1 of the year following the substantial completion of the replacement of the damaged or destroyed portion.

Chapter 12D-8 Rev. 12-31-07 Excerpt

(c) Changes, additions or improvements to homestead property rendered uninhabitable in one or more of the named 2004 storms are limited to the square footage exceeding 110 percent of the homestead property's total square footage. However, such homestead properties which are rebuilt up to 1500 total square feet are not considered changes, additions or improvements subject to assessment at just value.

(d) These provisions apply to changes, additions or improvements commenced within 3 years after January 1 following the damage or destruction of the homestead and apply retroactively to January 1, 2006.

(e) Assessment of certain homestead property damaged in 2004 named storms. Notwithstanding the provisions of s. 193.155(4), the assessment at just value for changes, additions, or improvements to homestead property rendered uninhabitable in one or more of the named storms of 2004 shall be limited to the square footage exceeding 110 percent of the homestead property's total square footage. Additionally, homes having square footage of 1,350 square feet or less which were rendered uninhabitable may rebuild up to 1,500 total square feet and the increase in square footage shall not be considered as a change, an addition, or an improvement that is subject to assessment at just value. The provisions of this paragraph are limited to homestead properties in which repairs are commenced by January 1, 2008, and apply retroactively to January 1, 2005.

(4) When any portion of homestead property damaged by misfortune or calamity is not replaced, or the square footage of the property after repair or replacement is less than 100 percent of the square footage prior to the damage or destruction, the assessed value of the property will be reduced by the assessed value of the destroyed or damaged portion of the property. Likewise, the just value of the property shall be reduced to the just value of the property after the destruction or damage of the property. If the just value after the damage or destruction is less than the total assessed value before the damage or destruction, the assessed value will be lowered to the just value.

(5) The provisions of subsection (3) of this rule section also apply to property where the owner

permanently resides on the property when the damage or destruction occurred; the owner is not entitled to homestead exemption on January 1 of the year in which the damage or destruction occurred; and the owner applies for and receives homestead exemption on the property the following year.

12D-8.0064 Assessments; Correcting Errors in Assessments of a Homestead.

(1) This rule shall apply where any change, addition, or improvement is not considered in the assessment of a property as of the first January 1 after it is substantially completed. The property appraiser shall determine the just value for such change, addition, or improvement as provided in Rule 12D-8.0063, F.A.C., and adjust the assessment for the year following the substantial completion of the change, addition, or improvement, as if the assessment had been correctly made as provided in Rule 12D-8.0063(1), F.A.C. The property appraiser shall adjust the assessed value of the homestead property for all subsequent years.

(2) If an error is made in the assessment of any homestead due to a material mistake of fact concerning an essential characteristic of the property, the assessment shall be adjusted for each erroneous year. This adjustment is for prospective application only. For purposes of this subsection, the term "material mistake of fact" means any and all mistakes of fact, relating to physical characteristics of property, considered in arriving at the assessed value of a property that, if corrected, would affect the assessed value of that property.

(3) This subsection shall apply where the property appraiser determines that a person who was not entitled to the homestead exemption or the homestead property assessment increase limitation was granted it for any year or years within the prior 10 years.

(a) The property appraiser shall take the following actions:

1. Serve upon the owner a notice of intent to record a notice of tax lien in the amount of the

Excerpt of Chapter 12D-8 Rev. 12-31-07

unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest on the unpaid taxes per annum. If these unpaid taxes, penalties, and interest are not paid within 30 days of the date of the notice of intent, then

2. Record in the public records of the county a notice of tax lien against any property owned by this person in the county and identify all property included in this notice of tax lien.

3. The property appraiser shall correct the rolls to disallow the exemption and the homestead assessment increase limitation for any years to which the owner was not entitled to either.

(b) Where the notice is served by U.S. mail or by certified mail, the 30-day period shall be calculated from the date the notice was delivered into the mails and postmarked.

(c) In the case of the homestead exemption, the unpaid taxes shall be the taxes on the amount of the exemption which the person received but to which the person was not entitled. Where a person is improperly granted a homestead exemption due to a clerical mistake or omission by the property appraiser, the lien shall include the unpaid taxes but not penalty and interest.

(d) In the case of the homestead property assessment increase limitation, the unpaid taxes shall be the taxes on the amount of the difference between the assessed value and the just value for each year. Where a person entitled to the homestead exemption inadvertently receives the homestead property assessment increase limitation following a change of ownership, the person shall not be required to pay the unpaid taxes, penalty and interest.

(e) The amounts determined under paragraphs (c) and (d) shall be added together and entered on the notice of intent and on the notice of lien.

12D-8.0068 Reduction in Assessment for Living Quarters of Parents or Grandparents.

(1)(a) In accordance with s. 193.703, F.S.,

and s. 4(e), Art. VII of the State Constitution, the board of county commissioners of any county may adopt an ordinance to provide for a reduction in the assessed value of homestead property equal to any increase in assessed value of the property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive parents or grandparents of the owner of the property or of the owner's spouse if at least one of the parents or grandparents for whom the living quarters are provided is at least 62 years of age. The board of county commissioners shall deliver a copy of any ordinance adopted under section 193.703, F.S., to the property appraiser.

(b) The reduction in assessed value resulting from an ordinance adopted pursuant to section 193.703, F.S., shall be applicable to the property tax levies of all taxing authorities levying tax within the county.

(2) A reduction may be granted under subsection (1) only to the owner of homestead property where the construction or reconstruction is consistent with local land development regulations, including, where applicable, proper application for a building permit.

(3) In order to qualify for the assessment reduction pursuant to this section, property must meet the following requirements:

(a) The construction or reconstruction for which the assessment reduction is granted must have been substantially completed on or before the January 1 on which the assessment reduction for that property will first be applied.

(b) The property to which the assessment reduction applies must qualify for a homestead exemption at the time the construction or reconstruction is substantially complete and each year thereafter.

(c) The qualified parent or grandparent must permanently reside on the property on January 1 of the year the assessment reduction first applies and each year thereafter.

(d) The construction or reconstruction must have been substantially completed after January 7, 2003, the effective date of section 193.703, F.S.

(4)(a) The term "qualified parent or grandparent" means the parent or grandparent

Chapter 12D-8 Rev. 12-31-07 Excerpt

residing in the living quarters, as their primary residence, constructed or reconstructed on property qualifying for assessment reduction pursuant to Section 193.703, F.S., on January 1 of the year the assessment reduction first applies and each year thereafter. Such parent or grandparent must be the natural or adoptive parent or grandparent of the owner, or the owner's spouse, of the homestead property on which the construction or reconstruction occurred.

(b) "Primary residence" shall mean that the parent or grandparent does not claim a homestead exemption elsewhere in Florida. Such parent or grandparent cannot qualify as a permanent resident for purposes of being granted a homestead exemption or tax credit on any other property, whether in Florida or in another state. If such parent or grandparent receives or claims the benefit of an ad valorem tax exemption or a tax credit elsewhere in Florida or in another state where permanent residency is required as a basis for the granting of that ad valorem tax exemption or tax credit, such parent or grandparent is not a qualified parent or grandparent under this subsection and the owner is not entitled to the reduction for living quarters provided by this section.

(c) At least one qualifying parent or grandparent must be at least 62 years of age.

(d) In determining that the parent or grandparent is the natural or adoptive parent or grandparent of the owner or the owner's spouse and that the age requirements are met, the property appraiser shall rely on an application by the property owner and such other information as the property appraiser determines is relevant.

(5) Construction or reconstruction qualifying as providing living quarters pursuant to this section is limited to additions and renovations made for the purpose of allowing qualified parents or grandparents to permanently reside on the property. Such additions or renovations may include the construction of a separate building on the same parcel or may be an addition to or renovation of the existing structure. Construction or reconstruction shall be considered as being for the purpose of providing living quarters for parents or grandparents if it is directly related to providing the amenities necessary for the parent or grandparent to reside on

the same property with their child or grandchild. In making this determination, the property appraiser shall rely on an application by the property owner and such other information as the property appraiser determines is relevant.

(6)(a) On the first January 1 on which the construction or reconstruction qualifying as providing living quarters is substantially complete, the property appraiser shall determine the increase in the just value of the property due to such construction or reconstruction. For that year and each year thereafter in which the property qualifies for the assessment reduction, the assessed value calculated pursuant to section 193.155, F.S., shall be reduced by the amount so determined. In no year may the assessment reduction, inclusive and aggregate of all qualifying parents or grandparents, exceed twenty percent of the total assessed value of the property as improved prior to the assessment reduction being taken. If in any year the reduction as calculated pursuant to this subsection exceeds twenty percent of assessed value, the reduction shall be reduced to equal twenty percent.

(b) Construction or reconstruction can qualify under subsection (4)(a) in a later year, as long as the owner makes an application for the January 1 on which a qualifying parent or grandparent meets the requirements of subsection (4)(b). The owner must certify in such application as to the date the construction or reconstruction was substantially complete and that it was for the purpose of providing living quarters for one or more natural or adoptive parents or grandparents of the owner of the property or of the owner's spouse as described in subsection (1)(a). In such case, the property appraiser shall determine the increase in the just value of the property due to such construction or reconstruction as of the first January 1 on which it was substantially complete. However, no reduction shall be granted in any year until a qualifying parent or grandparent meets the requirements of subsection (4)(b).

(7) Further construction or reconstruction to the same property meeting the requirements of subsection (5) for the qualified parent or grandparent residing primarily on the property may also receive an assessment reduction pursuant to this section. Construction or reconstruction for another

Excerpt of Chapter 12D-8 Rev. 12-31-07

qualified parent or grandparent may also receive an assessment reduction. The assessment reduction for such construction or reconstruction shall be calculated pursuant to this section for the first January 1 after such construction or reconstruction is substantially complete. However, in no year may the total of all applicable assessment reductions exceed twenty percent of the assessed value of the property.

(8) The assessment reduction shall apply only while the qualified parent or grandparent continues to reside primarily on the property and all other requirements of this section are met. The provisions of subsections (1), (5), (6), (7), and (8) of section 196.011, F.S., governing applications for exemption are applicable to the granting of an assessment reduction. The property owner must apply for the assessment reduction annually.

(9) The amount of the assessment reduction under section 193.703, F.S., shall be placed on the roll after a change in ownership, when the property is no longer homestead, or when the parent or grandparent discontinues residing on the property.

12D-8.021 Procedure for the Correction of Errors by Property Appraisers.

(1) This rule shall apply to errors made by property appraisers in the assessment of taxes on both real and personal property.

(2) For every change made to an assessment roll subsequent to certification of that roll to the tax collector pursuant to section 193.122, Florida Statutes, the property appraiser shall complete a Form DR-409, Certificate of Correction of the Tax Roll. No property appraiser shall issue a Certificate of Correction except for a reason permitted by this rule section.

(a) The following errors shall be subject to correction:

1. The failure to allow an exemption for which an application has been filed and timely granted pursuant to the Florida Statutes.
2. Exemptions granted in error.

3. Typographical errors or printing errors in the legal description, name and address of the owner of record.

4. Error in extending the amount of taxes due.

5. Taxes omitted from the tax roll in error.

6. Mathematical errors.

7. Errors in classification of property.

8. Clerical errors.

9. Changes in value due to clerical or administrative type errors.

10. Erroneous or incomplete personal property assessments.

11. Taxes paid in error.

12. Any error of omission or commission which results in an overpayment of taxes, including clerical error.

13. Tax certificates that have been corrected when the correction requires that the tax certificate be reduced in value due to some error of the property appraiser, tax collector, their deputies or other county officials.

14. Void tax certificates.

15. Void tax deeds.

16. Void or redeemed tax deed applications.

17. Incorrect computation or measurement of acreage or square feet resulting in payment where no tax is due or underpayment.

18. Assessed nonexistent property.

19. Double assessment or payment.

20. Government owned exempt or immune property.

21. Government obtained property after January 1, for which proration is entitled under subsections 196.295(1) and (2), Florida Statutes, and partial refund due.

22. Erroneous listing of ownership of property, including common elements.

23. Destruction or damage of residential property caused by tornado, for which application for abatement of ad valorem taxes levied for the 1998 tax year is timely filed as provided in chapter 98-185, Laws of Florida.

24. Material mistake of fact as described in section 197.122, Florida Statutes, which is discovered within one (1) year of the approval of the tax rolls under section 193.1142, Florida Statutes. The one (1) year period shall expire herein,

Chapter 12D-8 Rev. 12-31-07 Excerpt

regardless of the day of the week on which the end of the period falls. A refund resulting from a correction due to a material mistake of fact corrected within the one-year period may be sent to the Department for approval. Alternatively, the property appraiser has the option to issue a refund order directly to the tax collector. The option chosen must be exercised by plainly so indicating in the space provided on Form DR-409.

25. Errors in assessment of homestead property corrected pursuant to section 193.155(8), Florida Statutes.

26. Granting a religious exemption where the applicant has applied for, and is entitled to, the exemption but did not timely file the application and, due to a misidentification of property ownership on the tax roll, the property appraiser and tax collector had not notified the applicant of the tax obligation. This subparagraph shall apply to tax years 1992 and later.

(b) The correction of errors shall not be limited to the preceding examples, but shall apply to any errors of omission or commission that may be subsequently found.

(c) Where the property appraiser agrees with the value adjustment board, it shall not be necessary for him to file a certificate of correction for a proper final value adjustment board reduction in assessed or taxable value for that tax year. The value adjustment board may not correct assessments from previous years, however, and the property appraiser may issue a certificate of correction as provided in this rule section.

(d) The following is a list of circumstances which involve changes in the judgment of the property appraiser and which, therefore, shall not be subject to correction or revision, except for corrections made within the one-year period described in paragraph (2)(a)24. of this rule section. The term "judgment" as used in this rule section, shall mean the opinion of value, arrived at by the property appraiser based on the presumed consideration of the factors in section 193.011, Florida Statutes, or the conclusion arrived at with regard to exemptions and determination that property either factually qualifies or factually does not qualify for the exemption. It includes exercise of sound discretion, for which another agency or court

may not legally substitute its judgment, within the bounds of that discretion, and not void, and other than a ministerial act. The following is not an all inclusive list.

1. Change in mobile home classification not in compliance with attorney general opinion 74-150.

2. Extra depreciation requested.

3. Incorrect determination of zoning, land use or environmental regulations or restrictions.

4. Incorrect determination of type of construction or materials.

5. Any error of judgment in land or improvement valuation.

7. Granting or removing an exemption, or the amount of an exemption.

8. Reconsideration of determining that improvements are substantially complete.

9. Reconsideration of assessing an encumbrance or restriction, such as an easement.

(3)(a) Correction of the tax roll shall be made by delivering to the tax collector the following items, if applicable.

2. Copy of value adjustment board order, final and not subject to appeal,

a. Proof of filing on or before March 1, or

b. Proof of postal error in the form of written evidence by the U.S. Postal Service of its error, within subsections 196.011(8) and (9), Florida Statutes. Property appraisers shall provide documentation of these items.

5. Copy of demolition permit.

6. Proof that error is a disregard for existing facts.

7. Proof of destruction of improvement or

structure as provided in section 196.295, Florida Statutes.

8. Property appraiser's written statement of good cause for waiver of penalty as provided in Rule 12D-8.005(5) and (6), F.A.C.

(b) If the taxpayer is making a claim for refund, the property appraiser shall be responsible for items (3)(a)1. through 8. of this rule section if applicable and any other necessary proof to establish the claim.

(4) The payment of taxes shall not be excused because of any act of omission or commission on the part of any property appraiser, tax collector, value adjustment board, board of county commissioners, clerk of the circuit court, or newspaper in which an advertisement may be published. Any error or any act of omission or commission may be corrected at any time by the party responsible. The party discovering the error shall notify the person who made the error and the person who made the error shall make such corrections immediately. If the person who made the error refuses to act for any reason, then subject to the limitations in this rule section, the person discovering the error shall make the correction. Corrections should be considered as valid from the date of the first act or omission and shall not affect the collection of tax.

(5) Property appraisers may correct errors made by themselves or their deputies in the preparation of the tax roll, whether said roll is in their possession, in the possession of the tax collector, or in the possession of the clerk of the court.

(6) If the tax collector refuses or does not elect to correct the errors, then the property appraiser shall correct the errors. When the corrections are made by the property appraiser, he shall at the same time give to the tax collector a copy of the Certificate of Correction to be filed by the tax collector.

(7) Except when a property owner consents to an increase, as provided in subsection (10)(a), the correction of any error that will increase the assessed valuation, and subsequently the taxes, shall be presented to the property owner with a notice of proposed property taxes mailed or delivered to the property owner, which includes notice of the right of

the property owner to petition the value adjustment board. Any error that will increase the assessed valuation and taxes shall be certified by the official correcting the error.

(8) The value adjustment board shall convene at such time as is necessary to consider changes in valuation submitted by the property appraiser. The property appraiser shall prepare all Certificates of Correction for the value adjustment board. However, this shall not restrict the tax collector, clerk of the court, or any other interested party from reporting errors to the value adjustment board.

(9) The property appraiser shall notify the property owner of the increase in the assessed valuation. The notice to the property owner by the property appraiser shall state that the property owner shall have the right to present a petition to the value adjustment board relative to the correction, except when the property appraiser has served a notice of intent to record a lien when property has improperly received homestead exemption.

(10) If the value adjustment board has adjourned, the property owner shall be afforded the following options when an error has been made which, when corrected, will have the effect of increasing the assessed valuation and subsequently the taxes. The options are:

(a) The property owner by waiver may consent to the increase in assessed valuation and subsequently the taxes by stating that he does not desire to present a petition to the value adjustment board and that he desires to pay the taxes on the current tax roll. If the property owner makes such a waiver, the property appraiser shall advise the tax collector who shall proceed under Rule subsection 12D-13.006(6), F.A.C.

(b) The property owner may refuse to waive the right to petition the value adjustment board at which time the property appraiser shall notify the proper owner and tax collector that the correction shall be placed on the current year's tax roll and also at such time as the subsequent year's tax roll is prepared, the property owner shall have the right to file a petition contesting the corrected assessment.

(c) If the value adjustment board has adjourned for the year or the time for filing petitions has elapsed, a back assessment shall be considered

made within the calendar year if, prior to the end of the calendar year, a signed Form DR-409, certificate of correction (incorporated by reference in Rule 12D-16.002, F.A.C.) or a supplemental assessment roll is tendered to the tax collector and a notice of proposed property taxes with notice of the right to petition the next scheduled value adjustment board is mailed or delivered to the property owner.

(11) Double Assessments. When a tax collector informs a property appraiser pursuant to Rule 12D-13.006(9), F.A.C., that any property has been assessed more than once, the property appraiser shall search the official records of the county to determine the correct property owner and the correct assessment. The property appraiser shall then certify to the tax collector the assessment which is correct and, provided the taxes have not been paid, the proper amount of tax due and payable.

12D-13.006 Procedure for the Correction of Errors by the Tax Collector; Correcting Erroneous or Incomplete Personal Property Assessments; Tax Certificate Corrections.

(1) This rule shall apply to errors made by tax collectors in the collection of taxes on both real and personal property. A tax collector may correct any error of omission or commission made by him or her including those referenced in Rule 12D-8.021, F.A.C.

(2) The payment of taxes shall not be excused because of any act of omission or commission on the part of any property appraiser, tax collector, value adjustment board, board of county commissioners, clerk of the circuit court or newspaper in which an advertisement may be published. Any error or any act of omission or commission may be corrected at any time by the party responsible. The party discovering the error shall notify the person who made the error and the person who made the error shall make such corrections immediately. If the person who made the

Chapter 12D-13 Rev. 12-31-07 Excerpt

error refuses to act, for any reason, then subject to the limitations in this rule section, the person discovering the error shall make the correction. Corrections should be considered as valid from the date of the first act of omission or commission and shall not affect the collection of tax.

(3) The tax collector and the clerk of the court shall notify the property appraiser of the discovery of any errors on the prior years' rolls when the property appraiser has not certified the current tax roll to the tax collector for collection.

(4) The tax collector may correct errors on all tax rolls in his or her possession provided that such corrections are certified by the property appraiser or approved by the value adjustment board.

(5) The property appraiser shall notify the property owner, upon the correction of any error that will increase the assessed valuation and subsequently the taxes, of the owner's right to present a petition to the value adjustment board, except when a property owner consents to an increase, as provided in subsection (6) of this rule section and Rule 12D-8.021(10), F.A.C., or when the property appraiser has served a notice of intent to record a lien when property has improperly received homestead exemption. However, this shall not restrict the tax collector, clerk of the court, or any other interested party from reporting errors to the value adjustment board.

(6) If the value adjustment board has adjourned, the property owner shall be afforded the following options when an error has been made which when corrected will have the effect of increasing the assessed valuation and subsequently the taxes. The options are:

(a) The property owner by waiver may consent to the increase in assessed valuation and subsequently the taxes by stating that he or she does not desire to present a petition to the value adjustment board and that he or she desires to pay the taxes on the current tax roll. If the property owner makes such a waiver the tax collector shall proceed under Rule 12D-13.002, F.A.C.

(b) The property owner may refuse to waive the right to petition the value adjustment board, at which time the property appraiser shall notify the property owner and tax collector that the correction

shall be placed on the subsequent year's tax roll and at such time as the subsequent year's tax roll is prepared, the property owner shall have the right to file a petition contesting the corrected assessment.

(7) When the taxpayer waives his or her right to petition the value adjustment board, the tax collector shall prepare a corrected notice immediately and shall forward the same to the property owner.

(8) Special Rules Governing Correction of Erroneous or Incomplete Personal Property Assessments.

(a) If a property appraiser fails or refuses to correct an erroneous or incomplete personal property assessment within 30 days of a tax collector's request, the collector shall certify all such assessments to the Board of County Commissioners as errors or insolvencies and enter the same on the final report.

(b) When personal property assessments are vague to the point that the property being levied upon cannot be identified, it is the responsibility of any county official or employee to request that the property appraiser identify to the best of his or her ability the property in question so that positive identification may be made. This shall apply to assessments that have been perpetuated from year to year.

(c) Personal property returns perpetuated and on file with the statement, "same as last year", or the equivalent statement may not be deemed a proper return and should be corrected before attempts are made to levy upon the property which is delinquent or may become delinquent. This shall apply to prior year's tax rolls as well as current assessments, which may or may not be delinquent.

(d) Tax returns on file in the property appraiser's office may be used to establish the identity of property on which the tax is delinquent or may become delinquent. The return may also be used to identify property which is in danger of being removed from the county prior to the payment of taxes which may be due.

(9) Special Rules Governing Double Assessments. When a collector discovers that any property has been assessed more than once for the same year's taxes, he or she shall collect only the tax justly due. The tax collector shall notify the property

Excerpt of Chapter 12D-13 Rev. 12-31-07

appraiser that a double assessment exists and furnish such information as shown on the tax roll to substantiate said double assessment. Upon receiving notification from the tax collector, the property appraiser shall proceed under Rule 12D-8.021(11), F.A.C. If said taxes have been paid on both assessments then the tax collector shall apply to the Department of Revenue for a refund as provided by section 197.182, Florida Statutes.

(10) Special Rules Governing Tax Certificate Corrections.

(a) When a tax certificate has been sold and the property appraiser certifies to the tax collector that an error has been made in the assessment of the property, or any other error that may be corrected, the tax collector shall submit a request to correct the tax certificate. The request to correct or cancel shall be forwarded to the Department of Revenue for consideration. If the tax collector issues a tax certificate against a parcel of real property which is subject to protection of a United States Bankruptcy Court during the pendency of the bankruptcy stay, the tax collector may cancel the tax certificate and the Department shall approve such cancellation. Otherwise, only the Department of Revenue or a court of law may cancel a tax certificate.

(b) When a tax certificate has been canceled or corrected pursuant to Chapter 197, Florida Statutes, the tax collector shall correct the tax certificate records and notify the owner of the certificate that his or her certificate has been corrected or canceled and the correction or cancellation has been made pursuant to Chapter 197, Florida Statutes. If the tax certificate holder refuses to surrender the tax certificate for correction, the tax collector shall notify the holder of such correction by registered or certified mail, or personal service, and all county officials shall honor such correction.

(c) When the correction results in a reduction in the principal of the tax certificate, the holder of the certificate shall be entitled to a refund of the amount of the reduction. The refund shall be made in accordance with these rules. The county is not liable for interest on the amount refunded if the certificate was sold prior to June 15, 1976. For certificates sold on and after June 15, 1976, but before October 1, 1998, the amount refunded shall earn interest at the rate of eight percent per year.

For certificates sold on and after October 1, 1998, if the rate bid is less than eight percent, the amount refunded shall earn interest at the rate bid. Interest shall be calculated monthly, from the date the certificate was sold to the date the refund is ordered.

(d) This subsection shall apply to all tax certificates even though a tax deed application has been filed with the tax collector and advertised by the clerk of the court. Tax deeds that have been issued may be corrected by the clerk pursuant to the Florida Statutes.

(11) Changes to any non-ad valorem assessment roll shall be prepared by the local governing board that prepared and certified the roll for collection, consistent with the provisions of Rule 12D-18.006, F.A.C.

Specific Authority 195.027(1), 213.06(1) FS. Law Implemented 197.122, 197.123, 197.131, 197.182, 197.322, 197.323, 197.432, 197.443, 197.444, 197.492, 197.593, 213.05 FS. History--New 6-18-85, Formerly 12D-13.06, Amended 5-23-91, 12-10-92, 12-25-96, 12-31-98.

12D-13.007 Splits and Cutouts, Time for Requesting and Procedure.

(1) When property has been properly assessed in the name of the owner as of January 1 of the tax year, the appraiser may not cancel the assessment by reason of a sale of the whole or a part of the property. The assessment is against the property, not the owner.

(2) When the new owner or the original owner wishes to pay taxes on his or her proportionate share of the whole property, it is the duty of the property appraiser to figure the amount of the assessment on that portion of the whole. However, the request for a split or cutout shall initiate with the tax collector. The owner may request at any time from November 1, or as soon thereafter as the tax roll comes into the hands of the tax collector and up until 15 days before the tax certificate sale, an assessment on property to be split or cutout of a larger parcel.

(3) If a property owner files a request for a split or cutout within the 15-day period immediately prior to the sale of tax certificates then the tax collector may sell a Tax Sale Certificate on the land

Chapter 12D-13 Rev. 12-31-07 Excerpt

in question. If a Tax Sale Certificate is sold because the request for split or cutout was made within the 15-day period then the property owner will be in the same position to redeem a portion of the Tax Sale Certificate as any other person. The redemption of a portion of a Tax Sale Certificate shall be allowed as soon as the tax collector receives the split or cutout from the property appraiser. The person making a partial redemption shall pay the tax according to the split or cutout, the interest and tax collector's fee, or the partial redemption shall not be allowed.

(4) The party requesting the split or cutout may be required to furnish proof to substantiate his or her claim. Proof may be in the form of a recorded instrument. (See Attorney General's Opinion 75-105.)

(5) The tax collector upon request for a split or cutout being filed shall immediately forward said request to the property appraiser. The completed request for the split or cutout, filed with the property appraiser, shall be returned to the tax collector not later than the ten days after the request was filed by the tax collector.

(6) The tax collector shall issue his or her receipt showing that taxes have been paid on that portion of the property in order to prevent that part from having a tax certificate sold for delinquent taxes. If a portion of the taxes remains unpaid and become delinquent then the tax collector shall advertise and sell tax certificates as he or she would on other parcels of delinquent property.

(7) If the request for split or cutout occurs after the lands have been advertised for delinquent taxes, but before the 15-day deadline of the tax certificate sale, then the tax collector shall prorate the interest and advertising cost incurred by the county.

(8) The tax collector is not prohibited from accepting requests for splits or cutouts within the 15-day period before the tax certificates sale. If possible, the tax collector and property appraiser may process such request prior to the sale of tax certificates. If Tax Sale Certificates are sold before the split or cutout is made, then the property owner may redeem the parcel according to the split or cutout as any other redemption would be made.

12D-13.011 Lien of Taxes.

(1) On January 1 of each year, all taxes levied pursuant to the constitution and laws of this state shall become a first lien on the taxable property. A tax lien is superior to all other liens on the property and continues in full force and effect until discharged by payment or until barred by Chapter 95 or Chapter 197, Florida Statutes. If the sale of the personal property assessed is insufficient to pay all delinquent taxes, interest, fees and costs due, then the lien shall attach to other personal property of the taxpayer within the county. When personal property on which a lien has attached for the non-payment of taxes cannot be located within the county, then the tax collector may seize other personal property of the taxpayer and sell said property. However, the first liens described in this rule section shall not apply against such other personal property which has been sold, and the tax liens against other personal property shall be subordinate to any valid prior or subsequent liens against such other personal property after it has been sold.

(2) All property owners are held to know that taxes are due and payable annually. They are charged with the duty of ascertaining the amount of current and delinquent taxes due.

(3) A lien created through the sale of a tax certificate may not be foreclosed or enforced in any manner except as prescribed in these rules and in Chapter 197, Florida Statutes. Foreclosure by any party other than a tax certificate holder shall not extinguish the lien of the tax certificate. The lien evidenced by a tax certificate is superior to all other liens and as such shall be redeemed prior to any action being filed to foreclose by another lienholder (unless the tax certificate holder is made a party to the foreclosure).

(4) A lien created through the back assessment on real property acquired by a bona fide purchaser, as defined under s. 193.092(1), F.S., that had no knowledge that the property purchased had escaped taxation shall be assessed to the previous

Excerpt of Chapter 12D-13 Rev. 12-31-07

owner in accordance with and in the manner prescribed under s. 193.092(1), F.S. Such recorded liens comprise a lien on property in the same manner as a recorded judgment and may be enforced by the tax collector using all remedies related to recorded judgments.

12D-13.014 Penalties or Interest, Collection on Roll.

(1) When penalties are imposed or required by law, the property appraiser shall, when the penalty is the responsibility of the appraiser, list the penalties on the tax roll for collection by the tax collector. When penalties are to be levied by the tax collector, the collector shall levy and collect said penalties. When either official makes an error in the levying or collecting of penalties, the official responsible for the error shall correct the error as other errors are corrected.

(2) In the collection of penalties or interest the tax collector shall collect the entire penalty and interest. If the collection of the tax and non-ad valorem assessment is within the period of time specified for discounts, then the tax collector shall only allow the discounts on the taxes and non-ad valorem assessments.

12D-13.019 Collection of Interest or Penalties on Back Assessments.

The tax collector shall collect interest due on back assessments listed by the property appraiser on the current tax roll. The tax collector shall compute the interest, if any, on the current tax roll if the current assessment and the back assessments are not paid prior to April 1 or the date of delinquency,

whichever is later. Discounts shall apply to taxes and non-ad valorem assessments only.

12D-13.028 Homestead Tax Deferral -- Definitions.

For purposes of property tax deferral on homesteads:

(1) The applicant's "household" means a person or persons living together in a room or a group of rooms as a housing unit, but does not include persons boarding in or renting a portion of the abode upon which application for deferral is made.

(2) "Income" means the "adjusted gross income," as provided under s. 197.243(2), F.S., of all members of a household.

(3) "Inheritance income" means payments received by a member of the applicant's household as an heir of an intestate estate, a devisee under a will, a beneficiary under a testamentary trust or through other means of distributing assets upon death.

(4) The "current value" of unsatisfied liens on the homestead means the amounts necessary to retire the principal debts, accrued interest and penalties for which a lien stands as security. The current value of unsatisfied liens shall be determined as of the date that application for tax deferral is made or the date that the tax deferral recipient responds to the tax collector's notification according to section 197.263(5), Florida Statutes, and shall be presumed to remain unchanged until the next succeeding annual determination, unless the tax collector receives actual notice of a change in the current value of such liens. It shall be the affirmative duty of tax deferral applicants and recipients to forthwith advise the tax collector of the current value of new liens attaching to property upon which tax deferral application has been made or upon which tax deferral has been granted.

(1) Deferred payment taxes are exempt from the advertisement and public sale provisions of section 197.432, Florida Statutes. The tax collector shall, at the time of the tax certificate sale held pursuant to section 197.432, Florida Statutes, strike off each deferred payment tax certificate to the county.

(2) In the event that undervalued taxes, including non-ad valorem assessments, or tax certificates are outstanding, they shall be collected in the usual manner provided in this rule chapter and shall be unaffected by the homestead deferral of taxes for prior or later years. The tax collector shall send a current bill for each year.

(3) In the event that deferred taxes become delinquent, the tax collector shall, on June 1 following the date the taxes become delinquent, proceed with the collection of the delinquent deferred taxes in the manner prescribed by sections 197.263 and 197.432, Florida Statutes, for the collection of undervalued delinquent taxes. A tax certificate shall be issued to the persons who will pay the amount of all outstanding delinquent deferred taxes and interest accrued thereon plus the statutory interest accruing by reason of delinquency.

In the case of application for tax deferral before the end of the calendar year in which current taxes including non-ad valorem assessments are assessed, the applicant's household income shall be adjusted to reflect the full year's estimated income. The estimate of full year's household income shall be made by multiplying the household income

received to the date of application by a fraction, the numerator being 365 and the denominator being the number of days expired in the calendar year to the date of application.

12D-13.031 Homestead Tax Deferral -- Application; Approval; Income and Age Requirements; Outstanding Liens and Primary Mortgage.

(1)(a) Any person who is entitled to claim homestead tax exemption under section 196.031(1), Florida Statutes, may defer payment of a portion of the combined total of ad valorem taxes and non-ad valorem assessments for which a tax certificate would be sold under Chapter 197, Florida Statutes, levied on his or her homestead by filing an annual application with the tax collector on or before January 31 following the year in which the taxes and non-ad valorem assessments are assessed. The application for tax deferral shall be upon Form DR-570, Application for Homestead Tax Deferral, and shall be signed by the applicant.

(b) Any applicant who is entitled to receive the homestead tax exemption but has waived it for any reason shall furnish, with his or her application, a certificate of eligibility to receive the exemption from the property appraiser.

(2) When the application is approved, the tax collector shall defer that portion of the combined total described in subsection (1) of this rule section:

(a) Which exceeds five percent of the applicant's household income for the prior calendar year, or

(b) In their entirety if the applicant's household income for the prior calendar year is less than 10,000 dollars, or

192.001 Definitions.—All definitions set out in chapters 1 and 200 that are applicable to this chapter are included herein. In addition, the following definitions shall apply in the imposition of ad valorem taxes:

(1) “Ad valorem tax” means a tax based upon the assessed value of property. The term “property tax” may be used interchangeably with the term “ad valorem tax.”

(2) “Assessed value of property” means an annual determination of the just or fair market value of an item or property or the value of the homestead property as limited pursuant to s. 4(c), Art. VII of the State Constitution or, if a property is assessed solely on the basis of character or use or at a specified percentage of its value, pursuant to s.

4(a) or (b), Art. VII of the State Constitution, its classified use value or fractional value.

(3) “County property appraiser” means the county officer charged with determining the value of all property within the county, with maintaining certain records connected therewith, and with determining the tax on taxable property after taxes have been levied. He or she shall also be referred to in these statutes as the “property appraiser” or “appraiser.”

(4) “County tax collector” means the county officer charged with the collection of ad valorem taxes levied by the county, the school board, any special taxing districts within the county, and all municipalities within the county.

(5) “Department,” unless otherwise designated, means the Department of Revenue.

(6) “Extend on the tax roll” means the arithmetic computation whereby the millage is converted to a decimal number representing one one-thousandth of a dollar and then multiplied by the taxable value of the property to determine the tax on such property.

(7) “Governing body” means any board, commission, council, or individual acting as the executive head of a unit of local government.

(8) “Homestead” means that property described in s. 6(a), Art. VII of the State Constitution.

(9) “Levy” means the imposition of a tax, stated in terms of “millage,” against all appropriately located property by a governmental body authorized by law to impose ad valorem taxes.

(10) “Mill” means one one-thousandth of a United States dollar. “Millage” may apply to a single levy of taxes or to the cumulative of all levies.

(11) “Personal property,” for the purposes of ad valorem taxation, shall be divided into four categories as follows:

(a) “Household goods” means wearing apparel, furniture, appliances, and other items ordinarily found in the home and used for the comfort of the owner and his or her family. Household goods are not held for commercial purposes or resale.

Chapter 192, F.S. (2009)

(b) “Intangible personal property” means money, all evidences of debt owed to the taxpayer, all evidences of ownership in a corporation or other business organization having multiple owners, and all other forms of property where value is based upon that which the property represents rather than its own intrinsic value.

(c) “Inventory” means only those chattels consisting of items commonly referred to as goods, wares, and merchandise (as well as inventory) which are held for sale or lease to customers in the ordinary course of business. Supplies and raw materials shall be considered to be inventory only to the extent that they are acquired for sale or lease to customers in the ordinary course of business or will physically become a part of merchandise intended for sale or lease to customers in the ordinary course of business. Partially finished products which when completed will be held for sale or lease to customers in the ordinary course of business shall be deemed items of inventory. All livestock shall be considered inventory. Items of inventory held for lease to customers in the ordinary course of business, rather than for sale, shall be deemed inventory only prior to the initial lease of such items. For the purposes of this section, fuels used in the production of electricity shall be considered inventory.

(d) “Tangible personal property” means all goods, chattels, and other articles of value (but does not include the vehicular items enumerated in s. 1(b), Art. VII of the State Constitution and elsewhere defined) capable of manual possession and whose chief value is intrinsic to the article itself. “Construction work in progress” consists of those items of tangible personal property commonly known as fixtures, machinery, and equipment when in the process of being installed in new or expanded improvements to real property and whose value is materially enhanced upon connection or use with a preexisting, taxable, operational system or facility. Construction work in progress shall be deemed substantially completed when connected with the preexisting, taxable, operational system or facility. Inventory and household goods are expressly excluded from this definition.

(12) “Real property” means land, buildings, fixtures, and all other improvements to land. The terms “land,” “real estate,” “realty,” and “real property” may be used interchangeably.

(13) “Taxpayer” means the person or other legal entity in whose name property is assessed, including an agent of a timeshare period titleholder.

(14) “Fee timeshare real property” means the land and buildings and other improvements to land that are subject to timeshare interests which are sold as a fee interest in real property.

(15) “Timeshare period titleholder” means the purchaser of a timeshare period sold as a fee interest in real property, whether organized under chapter 718 or chapter 721.

(16) “Taxable value” means the assessed value of property minus the amount of any applicable exemption provided under s. 3 or s. 6, Art. VII of the State Constitution and chapter 196.

(17) “Floating structure” means a floating barge-like entity, with or without accommodations built thereon, which is not primarily used as a means of transportation on water but which serves purposes or provides services typically associated with a structure or other improvement to real property. The term “floating structure” includes, but is not limited to, each entity used as a residence, place of business, office, hotel or motel, restaurant or lounge, clubhouse, meeting facility, storage or parking facility, mining platform, dredge, dragline, or similar facility or entity represented as such. Floating structures are expressly excluded from the definition of the term “vessel” provided in s. 327.02. Incidental movement upon water shall not, in and of itself, preclude an entity from classification as a floating structure. A floating structure is expressly included as a type of tangible personal property.

(18) “Complete submission of the rolls” includes, but is not necessarily limited to, accurate tabular summaries of valuations as prescribed by department rule; a computer tape copy of the real property assessment roll including for each parcel total value of improvements, land value, the two most recently recorded selling prices, the value of any improvement made to the parcel in the 12

months preceding the valuation date, the type and amount of any exemption granted, and such other information as may be required by department rule; an accurate tabular summary by property class of any adjustments made to recorded selling prices or fair market value in arriving at assessed value, as prescribed by department rule; a computer tape copy of the tangible personal property assessment roll, including for each entry a unique account number and such other information as may be required by department rule; and an accurate tabular summary of per-acre land valuations used for each class of agricultural property in preparing the assessment roll, as prescribed by department rule.

(19) “Computer software” means any information, program, or routine, or any set of one or more programs, routines, or collections of information used or intended for use to convey information or to cause one or more computers or pieces of computer-related peripheral equipment, or any combination thereof, to perform a task or set of tasks. Without limiting the generality of the definition provided in this subsection, the term includes operating and applications programs and all related documentation. Computer software does not include embedded software that resides permanently in the internal memory of a computer or computer-related peripheral equipment and that is not removable without terminating the operation of the computer or equipment. Computer software constitutes personal property only to the extent of the value of the unmounted or uninstalled medium on or in which the information, program, or routine is stored or transmitted, and, after installation or mounting by any person, computer software does not increase the value of the computer or computer-related peripheral equipment, or any combination thereof. Notwithstanding any other provision of law, this subsection applies to the 1997 and subsequent tax rolls and to any assessment in an administrative or judicial action pending on June 1, 1997.

192.0105 Taxpayer rights.—There is created a Florida Taxpayer’s Bill of Rights for property taxes and assessments to guarantee that the rights, privacy, and property of the taxpayers of this state are adequately safeguarded and protected during tax levy, assessment, collection, and enforcement processes administered under the revenue laws of this state. The Taxpayer’s Bill of Rights compiles, in one document, brief but comprehensive statements that summarize the rights and obligations of the property appraisers, tax collectors, clerks of the court, local governing boards, the Department of Revenue, and taxpayers. Additional rights afforded to payors of taxes and assessments imposed under the revenue laws of this state are provided in s. 213.015. The rights afforded taxpayers to assure that their privacy and property are safeguarded and protected during tax levy, assessment, and collection are available only insofar as they are implemented in other parts of the Florida Statutes or rules of the Department of Revenue. The rights so guaranteed to state taxpayers in the Florida Statutes and the departmental rules include:

(1) **THE RIGHT TO KNOW.**—

(a) The right to be mailed notice of proposed property taxes and proposed or adopted non-ad valorem assessments (see ss. 194.011(1), 200.065(2)(b) and (d) and (13)(a), and 200.069). The notice must also inform the taxpayer that the final tax bill may contain additional non-ad valorem assessments (see ¹s. 200.069(10)).

(b) The right to notification of a public hearing on each taxing authority’s tentative budget and proposed millage rate and advertisement of a public hearing to finalize the budget and adopt a millage rate (see s. 200.065(2)(c) and (d)).

(c) The right to advertised notice of the amount by which the tentatively adopted millage rate results in taxes that exceed the previous year’s taxes (see s. 200.065(2)(d) and (3)). The right to notification by first-class mail of a comparison of the amount of the taxes to be levied from the proposed millage rate under the tentative budget

Chapter 192, F.S. (2009)

change, compared to the previous year's taxes, and also compared to the taxes that would be levied if no budget change is made (see ss. 200.065(2)(b) and 200.069(2), (3), (4), and (8)).

(d) The right that the adopted millage rate will not exceed the tentatively adopted millage rate. If the tentative rate exceeds the proposed rate, each taxpayer shall be mailed notice comparing his or her taxes under the tentatively adopted millage rate to the taxes under the previously proposed rate, before a hearing to finalize the budget and adopt millage (see s. 200.065(2)(d)).

(e) The right to be sent notice by first-class mail of a non-ad valorem assessment hearing at least 20 days before the hearing with pertinent information, including the total amount to be levied against each parcel. All affected property owners have the right to appear at the hearing and to file written objections with the local governing board (see s. 197.3632(4)(b) and (c) and (10)(b)2.b.).

(f) The right of an exemption recipient to be sent a renewal application for that exemption, the right to a receipt for homestead exemption claim when filed, and the right to notice of denial of the exemption (see ss. 196.011(6), 196.131(1), 196.151, and 196.193(1)(c) and (5)).

(g) The right, on property determined not to have been entitled to homestead exemption in a prior year, to notice of intent from the property appraiser to record notice of tax lien and the right to pay tax, penalty, and interest before a tax lien is recorded for any prior year (see s. 196.161(1)(b)).

(h) The right to be informed during the tax collection process, including: notice of tax due; notice of back taxes; notice of late taxes and assessments and consequences of nonpayment; opportunity to pay estimated taxes and non-ad valorem assessments when the tax roll will not be certified in time; notice when interest begins to accrue on delinquent provisional taxes; notice of the right to prepay estimated taxes by installment; a statement of the taxpayer's estimated tax liability for use in making installment payments; and notice of right to defer taxes and non-ad valorem assessments on homestead property (see ss. 197.322(3), 197.3635, 197.343, 197.363(2)(c),

197.222(3) and (5), 197.2301(3), 197.3632(8)(a), 193.1145(10)(a), and 197.254(1)).

(i) The right to an advertisement in a newspaper listing names of taxpayers who are delinquent in paying tangible personal property taxes, with amounts due, and giving notice that interest is accruing at 18 percent and that, unless taxes are paid, warrants will be issued, prior to petition made with the circuit court for an order to seize and sell property (see s. 197.402(2)).

(j) The right to be mailed notice when a petition has been filed with the court for an order to seize and sell property and the right to be mailed notice, and to be served notice by the sheriff, before the date of sale, that application for tax deed has been made and property will be sold unless back taxes are paid (see ss. 197.413(5), 197.502(4)(a), and 197.522(1)(a) and (2)).

(k) The right to have certain taxes and special assessments levied by special districts individually stated on the "Notice of Proposed Property Taxes and Proposed or Adopted Non-Ad Valorem Assessments" (see s. 200.069).

(2) THE RIGHT TO DUE PROCESS.—

(a) The right to an informal conference with the property appraiser to present facts the taxpayer considers to support changing the assessment and to have the property appraiser present facts supportive of the assessment upon proper request of any taxpayer who objects to the assessment placed on his or her property (see s. 194.011(2)).

(b) The right to petition the value adjustment board over objections to assessments, denial of exemption, denial of agricultural classification, denial of historic classification, denial of high-water recharge classification, disapproval of tax deferral, and any penalties on deferred taxes imposed for incorrect information willfully filed. Payment of estimated taxes does not preclude the right of the taxpayer to challenge his or her assessment (see ss. 194.011(3), 196.011(6) and (9)(a), 196.151, 196.193(1)(c) and (5), 193.461(2), 193.503(7), 193.625(2), 197.253(2), 197.301(2), and 197.2301(11)).

(g) The right to be mailed a timely written decision by the value adjustment board containing findings of fact and conclusions of law and reasons for upholding or overturning the determination of the property appraiser, and the right to advertised notice of all board actions, including appropriate narrative and column descriptions, in brief and nontechnical language (see ss. 194.034(2) and 194.037(3)).

(h) The right at a public hearing on non-ad valorem assessments or municipal special assessments to provide written objections and to provide testimony to the local governing board (see ss. 197.3632(4)(c) and 170.08).

(i) The right to bring action in circuit court to contest a tax assessment or appeal value adjustment board decisions to disapprove exemption or deny tax deferral (see ss. 194.036(1)(c) and (2), 194.171, 196.151, and 197.253(2)).

(d) The right to a refund when overpayment of taxes has been made under specified circumstances (see ss. 193.1145(8)(e) and 197.182(1)).

(e) The right to an extension to file a tangible personal property tax return upon making proper and timely request (see s. 193.063).

(f) The right to redeem real property and redeem tax certificates at any time before a tax deed is issued, and the right to have tax certificates canceled if sold where taxes had been paid or if other error makes it void or correctable. from ad valorem taxation, in that county and taxing jurisdiction in which it is physically present on January 1 of each year unless such property has been physically present in another county of this state at any time during the preceding 12-month period, in which case the provisions of subsection (3) apply. Additionally, tangible personal property brought into the state after January 1 and before April 1 of any year shall be taxable for that year if the property appraiser has reason to believe that such property will be removed from the state prior to January 1 of the next succeeding year. However, tangible personal property physically present in the state on or after January 1 for temporary purposes only, which property is in the state for 30 days or less, shall not be subject to assessment. (3) If more than one county of this state assesses the same tangible personal property in the same assessment year, resolution of such multicounty dispute shall be governed by the following provisions:

(a) Tangible personal property which was physically present in one county of this state on January 1, but present in another county of this state at any time during the preceding year, shall be assessed in the county and taxing jurisdiction where it was habitually located or typically present. All tangible personal property which is removed from one county in this state to another county after January 1 of any year shall be subject to taxation for that year in the county where located on January 1; except that this subsection does not apply to tangible personal property located in a county on January 1 on a temporary or transitory basis if such property is included in the tax return being filed in the county in this state where such tangible personal property is habitually located or typically present.

(b) For purposes of this subsection, an item of tangible personal property is “habitually located or typically present” in the county where it is generally kept for use or storage or where it is consistently returned for use or storage. For purposes of this subsection, an item of tangible

personal property is located in a county on a “temporary or transitory basis” if it is located in that county for a short duration or limited utilization with an intention to remove it to another county where it is usually used or stored.

(4)(a) Personal property manufactured or produced outside this state and brought into this state only for transshipment out of the United States, or manufactured or produced outside the United States and brought into this state for transshipment out of this state, for sale in the ordinary course of trade or business is considered goods-in-transit and shall not be deemed to have acquired a taxable situs within a county even though the property is temporarily halted or stored within the state.

(b) The term “goods-in-transit” implies that the personal property manufactured or produced outside this state and brought into this state has not been diverted to domestic use and has not reached its final destination, which may be evidenced by the fact that the individual unit packaging device utilized in the shipping of the specific personal property has not been opened except for inspection, storage, or other process utilized in the transportation of the personal property.

(c) Personal property transshipped into this state and subjected in this state to a subsequent manufacturing process or used in this state in the production of other personal property is not goods-in-transit. Breaking in bulk, labeling, packaging, relabeling, or repacking of such property solely for its inspection, storage, or transportation to its final destination outside the state shall not be considered to be a manufacturing process or the production of other personal property within the meaning of this subsection. However, such storage shall not exceed 180 days.

(5)(a) Notwithstanding the provisions of subsection (2), personal property used as a marine cargo container in the conduct of foreign or interstate commerce shall not be deemed to have acquired a taxable situs within a county when the property is temporarily halted or stored within the state for a period not exceeding 180 days.

(b) “Marine cargo container” means a nondisposable receptacle which is of a permanent

character, strong enough to be suitable for repeated use; which is specifically designed to facilitate the carriage of goods by one or more modes of transport, one of which shall be by ocean vessel, without intermediate reloading; and which is fitted with devices permitting its ready handling, particularly in the transfer from one transport mode to another. The term “marine cargo container” includes a container when carried on a chassis but does not include a vehicle or packaging.

(6) Notwithstanding any other provision of this section, tangible personal property used in traveling shows such as carnivals, ice shows, or circuses shall be deemed to be physically present or habitually located or typically present only to the extent the value of such property is multiplied by a fraction, the numerator of which is the number of days such property is present in Florida during the taxable year and the denominator of which is the number of days in the taxable year. However, railroad property of such traveling shows shall be taxable under s. 193.085(4)(b) and not under this section.

Note.—Consolidation of provisions of former ss. 193.022, 193.034, 196.0011.

192.037 Fee timeshare real property; taxes and assessments; escrow.—

(1) For the purposes of ad valorem taxation and special assessments, the managing entity responsible for operating and maintaining fee timeshare real property shall be considered the taxpayer as an agent of the timeshare period titleholder.

(2) Fee timeshare real property shall be listed on the assessment rolls as a single entry for each timeshare development. The assessed value of each timeshare development shall be the value of the combined individual timeshare periods or timeshare estates contained therein.

(3) The property appraiser shall annually notify the managing entity of the proportions to be used in allocating the valuation, taxes, and special assessments on timeshare property among the

Chapter 192, F.S. (2009)

various timeshare periods. Such notice shall be provided on or before the mailing of notices pursuant to s. 194.011. Ad valorem taxes and special assessments shall be allocated by the managing entity based upon the proportions provided by the property appraiser pursuant to this subsection.

(4) All rights and privileges afforded property owners by chapter 194 with respect to contesting or appealing assessments shall apply both to the managing entity responsible for operating and maintaining the timesharing plan and to each person having a fee interest in a timeshare unit or timeshare period.

(5) The managing entity, as an agent of the timeshare period titleholders, shall collect and remit the taxes and special assessments due on the fee timeshare real property. In allocating taxes, special assessments, and common expenses to individual timeshare period titleholders, the managing entity must clearly label the portion of any amounts due which are attributable to ad valorem taxes and special assessments.

(6)(a) Funds received by a managing entity or its successors or assigns from timeshare titleholders for ad valorem taxes or special assessments shall be placed in escrow as provided in this section for release as provided herein.

(b) If the managing entity is a condominium association subject to the provisions of chapter 718 or a cooperative association subject to the provisions of chapter 719, the control of which has been turned over to owners other than the developer, the escrow account must be maintained by the association; otherwise, the escrow account must be placed with an independent escrow agent, who shall comply with the provisions of chapter 721 relating to escrow agents.

(c) The principal of such escrow account shall be paid only to the tax collector of the county in which the timeshare development is located or to his or her deputy.

(d) Interest earned upon any sum of money placed in escrow under the provisions of this section shall be paid to the managing entity or its successors or assigns for the benefit of the owners of timeshare units; however, no interest may be

paid unless all taxes on the timeshare development have been paid.

(e) On or before May 1 of each year, a statement of receipts and disbursements of the escrow account must be filed with the Division of Florida Condominiums, Timeshares, and Mobile Homes of the Department of Business and Professional Regulation, which may enforce this paragraph pursuant to s. 721.26. This statement must appropriately show the amount of principal and interest in such account.

(f) Any managing entity or escrow agent who intentionally fails to comply with this subsection concerning the establishment of an escrow account, deposits of funds into escrow, and withdrawal therefrom is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. The failure to establish an escrow account or to place funds therein as required in this section is prima facie evidence of an intentional violation of this section.

(7) The tax collector shall accept only full payment of the taxes and special assessments due on the timeshare development.

(8) The managing entity shall have a lien pursuant to s. 718.121 or s. 721.16 on the timeshare periods for the taxes and special assessments.

(9) All provisions of law relating to enforcement and collection of delinquent taxes shall be administered with respect to the timeshare development as a whole and the managing entity as an agent of the timeshare period titleholders; if, however, an application is made pursuant to s. 197.502, the timeshare period titleholders shall receive the protections afforded by chapter 197.

(10) In making his or her assessment of timeshare real property, the property appraiser shall look first to the resale market.

(11) If there is an inadequate number of resales to provide a basis for arriving at value conclusions, then the property appraiser shall deduct from the original purchase price "usual and reasonable fees and costs of the sale." For purposes of this subsection, "usual and reasonable fees and costs of the sale" for timeshare real property shall include all marketing costs, atypical financing costs, and those costs attributable to the right of a

timeshare unit owner or user to participate in an exchange network of resorts. For timeshare real property, such “usual and reasonable fees and costs of the sale” shall be presumed to be 50 percent of the original purchase price; provided, however, such presumption shall be rebuttable.

(12) Subsections (10) and (11) apply to fee and non-fee timeshare real property.

192.042 Date of assessment.—All property shall be assessed according to its just value as follows:

(1) Real property, on January 1 of each year. Improvements or portions not substantially completed on January 1 shall have no value placed thereon. “Substantially completed” shall mean that the improvement or some self-sufficient unit within it can be used for the purpose for which it was constructed.

(2) Tangible personal property, on January 1, except construction work in progress shall have no value placed thereon until substantially completed as defined in s. 192.001(11)(d).

192.047 Date of filing.—

(1) For the purposes of ad valorem tax administration, the date of an official United States Postal Service postmark of an application for exemption, an application for special assessment classification, or a return filed by mail shall be considered the date of filing the application or return.

(2) When the deadline for filing an ad valorem tax application or return falls on a Saturday, Sunday, or legal holiday, the filing period shall extend through the next working day immediately following such Saturday, Sunday, or legal holiday.

History.—s. 1, ch. 78-185.

192.053 Lien for unpaid taxes.—A lien for all taxes, penalties, and interest shall attach to any

property upon which a lien is imposed by law on the date of assessment and shall continue in full force and effect until discharged by payment as provided in chapter 197 or until barred under chapter 95.

192.091 Commissions of property appraisers and tax collectors.—

(1)(a) The budget of the property appraiser’s office, as approved by the Department of Revenue, shall be the basis upon which the several tax authorities of each county, except municipalities and the district school board, shall be billed by the property appraiser for services rendered. Each such taxing authority shall be billed an amount that bears the same proportion to the total amount of the budget as its share of ad valorem taxes bore to the total levied for the preceding year. All municipal and school district taxes shall be considered as taxes levied by the county for purposes of this computation.

(b) Payments shall be made quarterly by each such taxing authority. The property appraiser shall notify the various taxing authorities of his or her estimated budget requirements and billings thereon at the same time as his or her budget request is submitted to the Department of Revenue pursuant to s. 195.087 and at the time the property appraiser receives final approval of the budget by the department.

Chapter 192, F.S. (2009)

(2) The tax collectors of the several counties of the state shall be entitled to receive, upon the amount of all real and tangible personal property taxes and special assessments collected and remitted, the following commissions:

(a) On the county tax:

1. Ten percent on the first \$100,000;
2. Five percent on the next \$100,000;
3. Three percent on the balance up to the amount of taxes collected and remitted on an assessed valuation of \$50 million; and
4. Two percent on the balance.

(b) On collections on behalf of each taxing district and special assessment district:

1.a. Three percent on the amount of taxes collected and remitted on an assessed valuation of \$50 million; and

b. Two percent on the balance; and

2. Actual costs of collection, not to exceed 2 percent, on the amount of special assessments collected and remitted.

For the purposes of this subsection, the commissions on the amount of taxes collected from the nonvoted school millage, and on the amount of additional taxes that would be collected for school districts if the exemptions applicable to homestead property for school district taxation were the same as exemptions applicable for all other ad valorem taxation, shall be paid by the board of county commissioners.

(3) In computing the amount of taxes levied on an assessed valuation of \$50 million for the purposes of this section the valuation of nonexempt property and the taxes levied thereon shall be taken first.

(4) The commissions for collecting taxes assessed for or levied by the state shall be audited, allowed, and paid by the Chief Financial Officer as other warrants are paid; and commissions for collecting the county taxes shall be audited and paid by the boards of county commissioners of the several counties of this state. The commissions for collecting all special school district taxes shall be audited by the school board of each respective district and taken out of the funds of the respective special school district under its control and allowed

and paid to the tax collectors for collecting such taxes; and the commissions for collecting all other district taxes, whether special or not, shall be audited and paid by the governing board or commission having charge of the financial obligations of such district. All commissions for collecting special tax district taxes shall be paid at the time and in the manner now, or as may hereafter be, provided for the payment of the commissions for the collection of county taxes. All amounts paid as compensation to any tax collector under the provisions of this or any other law shall be a part of the general income or compensation of such officer for the year in which received, and nothing contained in this section shall be held or construed to affect or increase the maximum salary as now provided by law for any such officer.

(5) The provisions of this section shall not apply to commissions on drainage district or drainage subdistrict taxes.

(6) If any property appraiser or tax collector in the state is receiving compensation for expenses in conducting his or her office or by way of salary pursuant to any act of the Legislature other than the general law fixing compensation of property appraisers, such property appraiser or tax collector may file a declaration in writing with the board of county commissioners of his or her county electing to come under the provisions of this section, and thereupon such property appraiser or tax collector shall be paid compensation in accordance with the provisions hereof, and shall not be entitled to the benefit of the said special or local act. If such property appraiser or tax collector does not so elect, he or she shall continue to be paid such compensation as may now be provided by law for such property appraiser or tax collector.

(1) The board of county commissioners and school board of each county shall advance and pay to the county tax collector of each such county, at the first meeting of such board each month from October through July of each year, on demand of the county tax collector, an amount equal to one-twelfth of the commissions on the county taxes levied on the county tax roll for the preceding year and one-twelfth of the commissions on county occupational and beverage licenses paid to the tax collector in the preceding fiscal year. To demand the first advance under this section, each tax collector shall submit to the board of county commissioners a statement showing the calculation of the commissions on which the amount of each advance is to be based.

At no time within the year shall there be paid by the board of county commissioners and the school board more than the total advances due to that date or the commissions earned to that date, whichever is the greater. Nothing contained herein shall be construed to abrogate any law providing a salary for the tax collector or require the tax collector to accept the benefits of this section.

(3) The Chief Financial Officer shall issue to each of the county property appraisers and collectors of taxes, on the first Monday of January, April, July, and October, on demand of such county property appraisers and collectors of taxes after approval by the Department of Revenue, and shall pay, his or her warrant for an amount equal to one-fourth of four-fifths of the total amount of commissions received by such county property appraisers and collectors of taxes or their predecessors in office from the state during and for the preceding year, and the balance of the

commissions earned by such county property appraiser and collector of taxes, respectively, during each year, over and above the amount of such installment payments herein provided for, shall be payable when a report of errors and double assessments is approved by the county commissioners and a copy thereof filed with the Department of Revenue.

Such panel shall investigate the circumstances surrounding the disapprovals and the general performance of the property appraiser. If the panel finds unsatisfactory performance, the property appraiser shall be ineligible for the designation and special qualification salary provided in s. 145.10(2). as defined in chapter 403, to their landward extent as determined under ¹s. 403.817(2), the property appraiser is expressly directed to consider the effect of that issuance or denial on the value of the property and any limitation that the issuance or denial may impose on the highest and best use of the property to its landward extent.

(2) The Department of Environmental Protection shall provide the property appraiser of each county in which such property is situated a copy of any final agency action relating to an application for such a permit.

(3) The provisions of subsection (1) do not apply if:

193.016 Property appraiser's assessment; effect of determinations by value adjustment board.—If the property appraiser's assessment of the same items of tangible personal property in the previous year was adjusted by the value adjustment board and the decision of the board to reduce the assessment was not successfully appealed by the property appraiser, the property appraiser shall consider the reduced values determined by the value adjustment board in assessing those items of tangible personal property. If the property appraiser adjusts upward the reduced values previously determined by the value adjustment board, the property appraiser shall assert additional basic and underlying facts not properly considered by the value adjustment board as the basis for the increased valuation notwithstanding the prior adjustment by the board.

History.—s. 2, ch. 2000-262.

193.017 Low-income housing tax credit.—Property used for affordable housing which has

Excerpt of Chapter 193, F.S. (2009)

received a low-income housing tax credit from the Florida Housing Finance Corporation, as authorized by s. 420.5099, shall be assessed under s. 193.011 and, consistent with s. 420.5099(5) and (6), pursuant to this section.

(1) The tax credits granted and the financing generated by the tax credits may not be considered as income to the property.

(2) The actual rental income from rent-restricted units in such a property shall be recognized by the property appraiser.

(3) Any costs paid for by tax credits and costs paid for by additional financing proceeds received under chapter 420 may not be included in the valuation of the property.

(4) If an extended low-income housing agreement is filed in the official public records of the county in which the property is located, the agreement, and any recorded amendment or supplement thereto, shall be considered a land-use regulation and a limitation on the highest and best use of the property during the term of the agreement, amendment, or supplement.

History.—s. 6, ch. 2004-349.

193.018 Land owned by a community land trust used to provide affordable housing; assessment; structural improvements, condominium parcels, and cooperative parcels.—

(1) As used in this section, the term “community land trust” means a nonprofit entity that is qualified as charitable under s. 501(c)(3) of the Internal Revenue Code and has as one of its purposes the acquisition of land to be held in perpetuity for the primary purpose of providing affordable homeownership.

(2) A community land trust may convey structural improvements, condominium parcels, or cooperative parcels, that are located on specific parcels of land that are identified by a legal description contained in and subject to a ground lease having a term of at least 99 years, for the purpose of providing affordable housing to natural persons or families who meet the extremely-low-

income, very-low-income, low-income, or moderate-income limits specified in s. 420.0004, or the income limits for workforce housing, as defined in s. 420.5095(3). A community land trust shall retain a preemptive option to purchase any structural improvements, condominium parcels, or cooperative parcels on the land at a price determined by a formula specified in the ground lease which is designed to ensure that the structural improvements, condominium parcels, or cooperative parcels remain affordable.

(3) In arriving at just valuation under s. 193.011, a structural improvement, condominium parcel, or cooperative parcel providing affordable housing on land owned by a community land trust, and the land owned by a community land trust that is subject to a 99-year or longer ground lease, shall be assessed using the following criteria:

(a) The amount a willing purchaser would pay a willing seller for the land is limited to an amount commensurate with the terms of the ground lease that restricts the use of the land to the provision of affordable housing in perpetuity.

(b) The amount a willing purchaser would pay a willing seller for resale-restricted improvements, condominium parcels, or cooperative parcels is limited to the amount determined by the formula in the ground lease.

(c) If the ground lease and all amendments and supplements thereto, or a memorandum documenting how such lease and amendments or supplements restrict the price at which the improvements, condominium parcels, or cooperative parcels may be sold, is recorded in the official public records of the county in which the leased land is located, the recorded lease and any amendments and supplements, or the recorded memorandum, shall be deemed a land use regulation during the term of the lease as amended or supplemented.

193.023 Duties of the property appraiser in making assessments.—

**Other Legal Resources Including Statutory Criteria for Use by Value Adjustment Boards
In Conjunction With the Uniform Policies and Procedures Manual: Rev. May 2010**

Chapter 193, F.S. (2009)

(1) The property appraiser shall complete his or her assessment of the value of all property no later than July 1 of each year, except that the department may for good cause shown extend the time for completion of assessment of all property.

(2) In making his or her assessment of the value of real property, the property appraiser is required to physically inspect the property at least once every 5 years. Where geographically suitable, and at the discretion of the property appraiser, the property appraiser may use image technology in lieu of physical inspection to ensure that the tax roll meets all the requirements of law. The Department of Revenue shall establish minimum standards for the use of image technology consistent with standards developed by professionally recognized sources for mass appraisal of real property. However, the property appraiser shall physically inspect any parcel of taxable real property upon the request of the taxpayer or owner.

(3) In revaluating property in accordance with constitutional and statutory requirements, the property appraiser may adjust the assessed value placed on any parcel or group of parcels based on mass data collected, on ratio studies prepared by an agency authorized by law, or pursuant to regulations of the Department of Revenue.

(4) In making his or her assessment of leasehold interests in property serving the unit owners of a condominium or cooperative subject to a lease, including property subject to a recreational lease, the property appraiser shall assess the property at its fair market value without regard to the income derived from the lease.

(5) In assessing any parcel of a condominium or any parcel of any other residential development having common elements appurtenant to the parcels, if such common elements are owned by the condominium association or owned jointly by the owners of the parcels, the assessment shall apply to the parcel and its fractional or proportionate share of the appurtenant common elements.

(6) In making assessments of cooperative parcels, the property appraiser shall use the method required by s. 719.114.

193.0235 Ad valorem taxes and non-ad valorem assessments against subdivision property.—

(1) Ad valorem taxes and non-ad valorem assessments shall be assessed against the lots within a platted residential subdivision and not upon the subdivision property as a whole. An ad valorem tax or non-ad valorem assessment, including a tax or assessment imposed by a county, municipality, special district, or water management district, may not be assessed separately against common elements utilized exclusively for the benefit of lot owners within the subdivision, regardless of ownership. The value of each parcel of land that is or has been part of a platted subdivision and that is designated on the plat or the approved site plan as a common element for the exclusive benefit of lot owners shall, regardless of ownership, be prorated by the property appraiser and included in the assessment of all the lots within the subdivision which constitute inventory for the developer and are intended to be conveyed or have been conveyed into private ownership for the exclusive benefit of lot owners within the subdivision.

(2) As used in this section, the term “common element” includes:

(a) Subdivision property not included within lots constituting inventory for the developer which are intended to be conveyed or have been conveyed into private ownership.

(b) An easement through the subdivision property, not including the property described in paragraph (a), which has been dedicated to the public or retained for the benefit of the subdivision.

(c) Any other part of the subdivision which has been designated on the plat or is required to be designated on the site plan as a drainage pond, or detention or retention pond, for the exclusive benefit of the subdivision.

History.—s. 4, ch. 2003-284.

193.024 Deputy property appraisers.—

Property appraisers may appoint deputies to act in their behalf in carrying out the duties prescribed by law.

History.—s. 2, ch. 80-366.

193.052 Preparation and serving of returns.—

(1) The following returns shall be filed:

(a) Tangible personal property; and

(b) Property specifically required to be returned by other provisions in this title.

(2) No return shall be required for real property the ownership of which is reflected in instruments recorded in the public records of the county in which the property is located, unless otherwise required in this title. In order for land to be considered for agricultural classification under s. 193.461 or high-water recharge classification under s. 193.625, an application for classification must be filed on or before March 1 of each year with the property appraiser of the county in which the land is located, except as provided in s. 193.461(3)(a). The application must state that the lands on January 1 of that year were used primarily for bona fide commercial agricultural or high-water recharge purposes.

(3) A return for the above types of property shall be filed in each county which is the situs of such property, as set out under s. 192.032.

(4) All returns shall be completed by the taxpayer in such a way as to correctly reflect the owner's estimate of the value of property owned or otherwise taxable to him or her and covered by such return. All forms used for returns shall be prescribed by the department and delivered to the property appraisers for distribution to the taxpayers.

(5) Property appraisers may distribute returns in whatever way they feel most appropriate. However, as a minimum requirement, the property appraiser shall requisition, and the department shall distribute, forms in a timely manner so that each property appraiser can and shall make them

available in his or her office no later than the first working day of the calendar year.

(6) The department shall promulgate the necessary regulations to ensure that all railroad and utility property is properly returned in the appropriate county. However, the evaluating or assessing of utility property in each county shall be the duty of the property appraiser.

(7) A property appraiser may accept a tangible personal property tax return in a form initiated through an electronic data interchange. The department shall prescribe by rule the format and instructions necessary for such filing to ensure that all property is properly listed. The acceptable method of transfer, the method, form, and content of the electronic data interchange, the method by which the taxpayer will be provided with an acknowledgment, and the duties of the property appraiser with respect to such filing shall be prescribed by the department. The department's rules shall provide: a uniform format for all counties; that the format shall resemble form DR-405 as closely as possible; and that adequate safeguards for verification of taxpayers' identities are established to avoid filing by unauthorized persons.

193.062 Dates for filing returns.—All returns shall be filed according to the following schedule:

(1) Tangible personal property—April 1.

(2) Real property—when required by specific provision of general law.

(3) Railroad, railroad terminal, private car and freight line and equipment company property—April 1.

193.063 Extension of date for filing tangible personal property tax returns.—The property appraiser shall grant an extension for the filing of a tangible personal property tax return for 30 days and may, at her or his discretion, grant an additional extension for the filing of a tangible personal property tax return for up to 15 additional days. A request for extension must be made in time for the property appraiser to consider the request and act on it before the regular due date of the return. However, a property appraiser may not require that a request for extension be made more than 10 days before the due date of the return. A request for extension, at the option of the property appraiser, shall include any or all of the following: the name of the taxable entity, the tax identification number of the taxable entity, and the reason a discretionary extension should be granted.

History.—s. 1, ch. 94-98; s. 1463, ch. 95-147; s. 2, ch. 99-239.

193.072 Penalties for improper or late filing of returns and for failure to file returns.—

(1) The following penalties shall apply:

(a) For failure to file a return—25 percent of the total tax levied against the property for each year that no return is filed.

(b) For filing returns after the due date—5 percent of the total tax levied against the property covered by that return for each year, for each month, or portion thereof, that a return is filed after the due date, but not to exceed 25 percent of the total tax.

(c) For property unlisted on the return—15 percent of the tax attributable to the omitted property.

(d) For incomplete returns by railroad and railroad terminal companies and private car and freight line and equipment companies—2 percent

of the assessed value, not to exceed 10 percent thereof, shall be added to the values apportioned to the counties for each month or fraction thereof in which the return is incomplete; however, the return shall not be deemed incomplete until 15 days after notice of incompleteness is provided to the taxpayer.

(2) Penalties listed in this section shall be determined upon the total of all ad valorem personal property taxes, penalties and interest levied on the property, and such penalties shall be a lien on the property.

(3) Failure to file a return, or to otherwise properly submit all property for taxation, shall in no regard relieve any taxpayer of any requirement to pay all taxes assessed against him or her promptly.

(4) For good cause shown, and upon finding that such unlisting or late filing of returns was not intentional or made with the intent to evade or illegally avoid the payment of lawful taxes, the property appraiser or, in the case of properties valued by the Department of Revenue, the executive director may reduce or waive any of said penalties.

History.—s. 13, ch. 70-243; s. 1, ch. 77-102; s. 9, ch. 79-334; s. 972, ch. 95-147.

Note.—Consolidation of provisions of former ss. 193.203, 193.222, 199.321.

193.073 Erroneous returns; estimate of assessment when no return filed.—

(1) Upon discovery that an erroneous or incomplete statement of personal property has been filed by a taxpayer or that all the property of a taxpayer has not been returned for taxation, the property appraiser shall proceed as follows:

(a) If the property is personal property and is discovered before April 1, the property appraiser shall make an assessment in triplicate. After attaching the affidavit and warrant required by law, the property appraiser shall dispose of the additional assessment roll in the same manner as provided by law.

(b) If the property is personal property and is discovered on or after April 1, or is real property

discovered at any time, the property shall be added to the assessment roll then in preparation.

(2) If no tangible personal property tax return has been filed as required by law, including any extension which may have been granted for the filing of the return, the property appraiser is authorized to estimate from the best information available the assessment of the tangible personal property of a taxpayer who has not properly and timely filed his or her tax return. Such assessment shall be deemed to be prima facie correct, may be included on the tax roll, and taxes may be extended therefor on the tax roll in the same manner as for all other taxes.

193.074 Confidentiality of returns.—All returns of property and returns required by former s. 201.022 submitted by the taxpayer pursuant to law shall be deemed to be confidential in the hands of the property appraiser, the clerk of the circuit court, the department, the tax collector, the Auditor General, and the Office of Program Policy Analysis and Government Accountability, and their employees and persons acting under their supervision and control, except upon court order or order of an administrative body having quasi-judicial powers in ad valorem tax matters, and such returns are exempt from the provisions of s. 119.07(1).

193.075 Mobile homes and recreational vehicles.—

(1) A mobile home shall be taxed as real property if the owner of the mobile home is also the owner of the land on which the mobile home is permanently affixed. A mobile home shall be considered permanently affixed if it is tied down and connected to the normal and usual utilities.

However, this provision does not apply to a mobile home, or any appurtenance thereto, that is being held for display by a licensed mobile home dealer or a licensed mobile home manufacturer and that is not rented or occupied. A mobile home that is taxed as real property shall be issued an “RP” series sticker as provided in s. 320.0815.

(2) A mobile home that is not taxed as real property shall have a current license plate properly affixed as provided in s. 320.08(11). Any such mobile home without a current license plate properly affixed shall be presumed to be tangible personal property.

(3) A recreational vehicle shall be taxed as real property if the owner of the recreational vehicle is also the owner of the land on which the vehicle is permanently affixed. A recreational vehicle shall be considered permanently affixed if it is connected to the normal and usual utilities and if it is tied down or it is attached or affixed in such a way that it cannot be removed without material or substantial damage to the recreational vehicle. Except when the mode of attachment or affixation is such that the recreational vehicle cannot be removed without material or substantial damage to the recreational vehicle or the real property, the intent of the owner to make the recreational vehicle permanently affixed shall be determinative. A recreational vehicle that is taxed as real property must be issued an “RP” series sticker as provided in s. 320.0815.

(4) A recreational vehicle that is not taxed as real property must have a current license plate properly affixed as provided in s. 320.08(9). Any such recreational vehicle without a current license plate properly affixed is presumed to be tangible personal property.

193.077 Notice of new, rebuilt, or expanded property.—

(1) The property appraiser shall accept notices on or before April 1 of the year in which the new or additional real or personal property

Chapter 193, F.S. (2009)

acquired to establish a new business or facilitate a business expansion or restoration is first subject to assessment. The notice shall be filed, on a form prescribed by the department, by any business seeking to qualify for an enterprise zone property tax credit as a new or expanded business pursuant to s. 220.182(4).

(2) Upon determining that the real or tangible personal property described in the notice is in fact to be incorporated into a new, expanded, or rebuilt business, the property appraiser shall so affirm and certify on the face of the notice and shall provide a copy thereof to the new or expanded business and to the department.

(3) Within 10 days of extension or recertification of the assessment rolls pursuant to s. 193.122, whichever is later, the property appraiser shall forward to the department a list of all property of new businesses and property separately assessed as expansion-related or rebuilt property pursuant to s. 193.085(5)(a). The list shall include the name and address of the business to which the property is assessed, the assessed value of the property, the total taxes levied against the property, the identifying number for the property as shown on the assessment roll, and a description of the property.

(4) This section expires on the date specified in s. 290.016 for the expiration of the Florida Enterprise Zone Act.

History.—ss. 4, 10, ch. 80-248; s. 5, ch. 83-204; s. 25, ch. 84-356; s. 63, ch. 94-136; s. 25, ch. 2000-210; s. 14, ch. 2005-287.

193.085 Listing all property.—

(1) The property appraiser shall ensure that all real property within his or her county is listed and valued on the real property assessment roll. Streets, roads, and highways which have been dedicated to or otherwise acquired by a municipality, county, or state agency need not, but may, be listed.

(2) The department shall promulgate such regulations and shall make available maps and mapping materials as it deems necessary to ensure that all real property within the state is listed and valued on the real property assessment rolls of the

respective counties. In addition, individual property appraisers may use such other maps and materials as they deem expedient to accomplish the purpose of this section.

(3)(a) The department will coordinate with all other departments of state government to ensure that the several property appraisers are properly notified annually of state ownership of real property. The department shall promulgate regulations to ensure that all forms of local government, special taxing districts, multicounty districts, and municipalities properly notify annually the several property appraisers of any and all real property owned by any of them so that ownership of all such property will be properly listed.

(b) Whenever real property is listed on the real property assessment rolls of the respective counties in the name of the State of Florida or any of its agencies, the listing shall not be changed in the absence of a recorded deed executed by the State of Florida or the state agency in whose name the property is listed. If, in preparing the assessment rolls, the several property appraisers within the state become aware of the existence of a recorded deed not executed by the state and purporting to convey real property listed on the assessment rolls as state-owned, the property appraiser shall immediately forward a copy of the recorded deed to the state agency in whose name the property is listed.

(4) The department shall promulgate such rules as are necessary to ensure that all railroad property of all types is properly listed in the appropriate county and shall submit the county railroad property assessments to the respective county property appraisers not later than June 1 in each year. However, in those counties in which railroad assessments are not completed by the department by June 1, for millage certification purposes, the property appraiser may utilize the prior year's values for such property.

(a) All railroad and railroad terminal companies maintaining tracks or other fixed assets in the state and subject to assessment under the unit-rule method of valuation shall make an annual return to the Department of Revenue. Such returns

shall be filed on or before April 1 and shall be subject to the penalties provided in s. 193.072. The department shall make an annual assessment of all operating property of every description owned by or leased to such companies. Such assessment shall be apportioned to each county, based upon actual situs and, in the case of property not having situs in a particular county, shall be apportioned based upon track miles. Operating property shall include all property owned or leased to such company, including right-of-way presently in use by the company, track, switches, bridges, rolling stock, and other property directly related to the operation of the railroad. Nonoperating property shall include that portion of office buildings not used for operating purposes, property owned but not directly used for the operation of the railroad, and any other property that is not used for operating purposes. The department shall promulgate rules necessary to ensure that all operating property is properly valued, apportioned, and returned to the appropriate county, including rules governing the form and content of returns. The evaluation and assessment of utility property shall be the duty of the property appraiser.

(b)1. All private car and freight line and equipment companies operating rolling stock in Florida shall make an annual return to the Department of Revenue. The department shall make an annual determination of the average number of cars habitually present in Florida for each company and shall assess the just value thereof.

2. The department shall promulgate rules respecting the methods of determining the average number of cars habitually present in Florida, the form and content of returns, and such other rules as are necessary to ensure that the property of such companies is properly returned, valued, and apportioned to the state.

3. For purposes of this paragraph, "operating rolling stock in Florida" means having ownership of rolling stock which enters Florida.

4. The department shall apportion the assessed value of such property to the local taxing jurisdiction based upon the number of track miles

and the location of mainline track of the respective railroads over which the rolling stock has been operated in the preceding year in each taxing jurisdiction. The situs for taxation of such property shall be according to the apportionment.

(c) The values determined by the department pursuant to this subsection shall be certified to the property appraisers when such values have been finalized by the department. Prior to finalizing the values to be certified to the property appraisers, the department shall provide an affected taxpayer a notice of a proposed assessment and an opportunity for informal conference before the executive director's designee. A property appraiser shall certify to the tax collector for collection the value as certified by the Department of Revenue.

(d) Returns and information from returns required to be made pursuant to this subsection may be shared pursuant to any formal agreement for the mutual exchange of information with another state.

(e) In any action challenging final assessed values certified by the department under this subsection, venue is in Leon County.

(5)(a) Beginning in the year in which a notice of new, rebuilt, or expanded property is accepted and certified pursuant to s. 193.077 and for the 4 years immediately thereafter, the property appraiser shall separately assess the prior existing property and the expansion-related or rebuilt property, if any, of each business having submitted said notice pursuant to s. 220.182(4). The listing of expansion-related or rebuilt property on an assessment roll shall immediately follow the listing of prior existing property for each expanded business. However, beginning with the first assessment roll following receipt of a notice from the department that a business has been disallowed an enterprise zone property tax credit, the property appraiser shall singly list the property of such business.

(b) This subsection expires on the date specified in s. 290.016 for the expiration of the Florida Enterprise Zone Act.

193.092 Assessment of property for back taxes.—

(1) When it shall appear that any ad valorem tax might have been lawfully assessed or collected upon any property in the state, but that such tax was not lawfully assessed or levied, and has not been collected for any year within a period of 3 years next preceding the year in which it is ascertained that such tax has not been assessed, or levied, or collected, then the officers authorized shall make the assessment of taxes upon such property in addition to the assessment of such property for the current year, and shall assess the same separately for such property as may have escaped taxation at and upon the basis of valuation applied to such property for the year or years in which it escaped taxation, noting distinctly the year when such property escaped taxation and such assessment shall have the same force and effect as it would have had if it had been made in the year in which the property shall have escaped taxation, and taxes shall be levied and collected thereon in like manner and together with taxes for the current year in which the assessment is made. But no property shall be assessed for more than 3 years' arrears of taxation, and all property so escaping taxation shall be subject to such taxation to be assessed in whomsoever's hands or possession the same may be found, except that property acquired by a bona fide purchaser who was without knowledge of the escaped taxation shall not be subject to assessment for taxes for any time prior to the time of such purchase, but it is the duty of the property appraiser making such assessment to serve upon the previous owner a notice of intent to record in the public records of the county a notice of tax lien against any property owned by that person in the county. Any property owned by such previous owner which is situated in this state is subject to the lien

of such assessment in the same manner as a recorded judgment. Before any such lien may be recorded, the owner so notified must be given 30 days to pay the taxes, penalties, and interest. Once recorded, such lien may be recorded in any county in this state and shall constitute a lien on any property of such person in such county in the same manner as a recorded judgment, and may be enforced by the tax collector using all remedies pertaining to same; provided, that the county property appraiser shall not assess any lot or parcel of land certified or sold to the state for any previous years unless such lot or parcel of lands so certified or sold shall be included in the list furnished by the Chief Financial Officer to the county property appraiser as provided by law; provided, if real or personal property be assessed for taxes, and because of litigation delay ensues and the assessment be held invalid the taxing authorities, may reassess such property within the time herein provided after the termination of such litigation; provided further, that personal property acquired in good faith by purchase shall not be subject to assessment for taxes for any time prior to the time of such purchase, but the individual or corporation liable for any such assessment shall continue personally liable for same. As used in this subsection, the term "bona fide purchaser" means a purchaser for value, in good faith, before certification of such assessment of back taxes to the tax collector for collection.

(2) This section applies to property of every class and kind upon which ad valorem tax is assessable by any state or county authority under the laws of the state.

193.116 Municipal assessment rolls.—

(1) The county property appraiser shall prepare an assessment roll for every municipality in the county. The value adjustment board shall give notice to the chief executive officer of each municipality whenever an appeal has been taken with respect to property located within that municipality. Representatives of that municipality shall be given an opportunity to be heard at such hearing. The property appraiser shall deliver each assessment roll to the appropriate municipality in the same manner as assessment rolls are delivered to the county commissions. The governing body of the municipality shall have 30 days to certify all millages to the county property appraiser. The county property appraiser shall extend the millage against the municipal assessment roll. The property appraiser shall certify the municipal tax roll to the county tax collector for collection in the same manner as the county tax roll is certified for collection. The property appraiser shall deliver to each municipality a copy of the municipal tax roll.

(2) The county tax collector shall collect all ad valorem taxes for municipalities within the county. He or she shall collect municipal taxes in the same manner as county taxes.

193.122 Certificates of value adjustment board and property appraiser; extensions on the assessment rolls.—

(1) The value adjustment board shall certify each assessment roll upon order of the board of county commissioners pursuant to s. 197.323, if applicable, and again after all hearings required by s. 194.032 have been held. These certificates shall be attached to each roll as required by the Department of Revenue.

(2) After the first certification of the tax rolls by the value adjustment board, the property

appraiser shall make all required extensions on the rolls to show the tax attributable to all taxable property. Upon completion of these extensions, and upon satisfying himself or herself that all property is properly taxed, the property appraiser shall certify the tax rolls and shall within 1 week thereafter publish notice of the date and fact of extension and certification in a periodical meeting the requirements of s. 50.011 and publicly display a notice of the date of certification in the office of the property appraiser. The property appraiser shall also supply notice of the date of the certification to any taxpayer who requests one in writing. These certificates and notices shall be made in the form required by the department and shall be attached to each roll as required by the department by regulation.

(3) When the tax rolls have been extended pursuant to s. 197.323, the second certification of the value adjustment board shall reflect all changes made by the board together with any adjustments or changes made by the property appraiser. Upon such certification, the property appraiser shall recertify the tax rolls with all changes to the collector and shall provide public notice of the date and fact of recertification pursuant to subsection (2).

(4) An appeal of a value adjustment board decision pursuant to s. 194.036(1)(a) or (b) by the property appraiser shall be filed prior to extension of the tax roll under subsection (2) or, if the roll was extended pursuant to s. 197.323, within 30 days of recertification under subsection (3). The roll may be certified by the property appraiser prior to an appeal being filed pursuant to s. 194.036(1)(c), but such appeal shall be filed within 20 days after receipt of the decision of the department relative to further judicial proceedings.

(5) The department shall promulgate regulations to ensure that copies of the tax rolls are distributed to the appropriate officials and maintained as part of their records for as long as is necessary to provide for the orderly collection of taxes. Such regulations shall also provide for the maintenance of the necessary permanent copies of such rolls.

Chapter 193, F.S. (2009)

(6) The property appraiser may extend millage as required in subsection (2) against the assessment roll and certify it to the tax collector even though there are parcels subject to judicial or administrative review pursuant to s. 194.036(1). Such parcels shall be certified and have taxes extended against them in accordance with the decisions of the value adjustment board or the property appraiser's valuation if the roll has been extended pursuant to s. 197.323, except that payment of such taxes by the taxpayer shall not preclude the taxpayer from being required to pay additional taxes in accordance with final judicial determination of an appeal filed pursuant to s. 194.036(1).

(7) Each assessment roll shall be submitted to the executive director of the department in the manner and form prescribed by the department within 1 week after extension and certification to the tax collector and again after recertification to the tax collector, if applicable. When the provisions of s. 193.1145 are exercised, the requirements of this subsection shall apply upon extension pursuant to s. 193.1145(3)(a) and again upon reconciliation pursuant to s. 193.1145(8)(a).

193.132 Prior assessments validated.—Every assessment of taxes heretofore made on property of any kind, when such assessment has been actually made in the name of the true owner, is hereby validated. No tax assessment or tax levy made upon any such property shall be held invalid by reason of or because of the subsequent amendment in the law.

193.133 Effect of mortgage fraud on property assessments.—

(1) Upon the finding of probable cause of any person for the crime of mortgage fraud, as defined in s. 817.545, or any other fraud involving real property that may have artificially inflated or could artificially inflate the value of property affected by such fraud, the arresting agency shall promptly notify the property appraiser of the county in which such property or properties are located of the nature of the alleged fraud and the property or properties affected. If notification as required in this section would jeopardize or negatively impact a continuing investigation, notification may be delayed until such time as notice may be made without such effect.

(2) The property appraiser may adjust the assessment of any affected real property.

(3) Upon a conviction of fraud as defined in subsection (1), the property appraiser of the county in which such property or properties are located shall, if necessary, reassess such property or properties affected by such fraud.

History.—s. 1, ch. 2008-80.

¹193.155 Homestead assessments.—Homestead property shall be assessed at just value as of January 1, 1994. Property receiving the homestead exemption after January 1, 1994, shall be assessed at just value as of January 1 of the year in which the property receives the exemption unless the provisions of subsection (8) apply.

(1) Beginning in 1995, or the year following the year the property receives homestead exemption, whichever is later, the property shall be reassessed annually on January 1. Any change resulting from such reassessment shall not exceed the lower of the following:

(a) Three percent of the assessed value of the property for the prior year; or

(b) The percentage change in the Consumer Price Index for All Urban Consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) If the assessed value of the property as calculated under subsection (1) exceeds the just

value, the assessed value of the property shall be lowered to the just value of the property.

(3) Except as provided in this subsection or subsection (8), property assessed under this section shall be assessed at just value as of January 1 of the year following a change of ownership. Thereafter, the annual changes in the assessed value of the property are subject to the limitations in subsections (1) and (2). For the purpose of this section, a change of ownership means any sale, foreclosure, or transfer of legal title or beneficial title in equity to any person, except as provided in this subsection. There is no change of ownership if:

(a) Subsequent to the change or transfer, the same person is entitled to the homestead exemption as was previously entitled and:

1. The transfer of title is to correct an error;
2. The transfer is between legal and equitable title; or

3. The change or transfer is by means of an instrument in which the owner is listed as both grantor and grantee of the real property and one or more other individuals are additionally named as grantee. However, if any individual who is additionally named as a grantee applies for a homestead exemption on the property, the application shall be considered a change of ownership;

(b) The transfer is between husband and wife, including a transfer to a surviving spouse or a transfer due to a dissolution of marriage;

(c) The transfer occurs by operation of law under s. 732.4015; or

(d) Upon the death of the owner, the transfer is between the owner and another who is a permanent resident and is legally or naturally dependent upon the owner.

(4)(a) Except as provided in paragraph (b), changes, additions, or improvements to homestead property shall be assessed at just value as of the first January 1 after the changes, additions, or improvements are substantially completed.

(b) Changes, additions, or improvements that replace all or a portion of homestead property damaged or destroyed by misfortune or calamity shall not increase the homestead property's

assessed value when the square footage of the homestead property as changed or improved does not exceed 110 percent of the square footage of the homestead property before the damage or destruction. Additionally, the homestead property's assessed value shall not increase if the total square footage of the homestead property as changed or improved does not exceed 1,500 square feet. Changes, additions, or improvements that do not cause the total to exceed 110 percent of the total square footage of the homestead property before the damage or destruction or that do not cause the total to exceed 1,500 total square feet shall be reassessed as provided under subsection (1). The homestead property's assessed value shall be increased by the just value of that portion of the changed or improved homestead property which is in excess of 110 percent of the square footage of the homestead property before the damage or destruction or of that portion exceeding 1,500 square feet. Homestead property damaged or destroyed by misfortune or calamity which, after being changed or improved, has a square footage of less than 100 percent of the homestead property's total square footage before the damage or destruction shall be assessed pursuant to subsection (5). This paragraph applies to changes, additions, or improvements commenced within 3 years after the January 1 following the damage or destruction of the homestead.

(c) Changes, additions, or improvements that replace all or a portion of real property that was damaged or destroyed by misfortune or calamity shall be assessed upon substantial completion as if such damage or destruction had not occurred and in accordance with paragraph (b) if the owner of such property:

1. Was permanently residing on such property when the damage or destruction occurred;
2. Was not entitled to receive homestead exemption on such property as of January 1 of that year; and
3. Applies for and receives homestead exemption on such property the following year.

(d) Changes, additions, or improvements include improvements made to common areas or

Chapter 193, F.S. (2009)

other improvements made to property other than to the homestead property by the owner or by an owner association, which improvements directly benefit the homestead property. Such changes, additions, or improvements shall be assessed at just value, and the just value shall be apportioned among the parcels benefiting from the improvement.

(5) When property is destroyed or removed and not replaced, the assessed value of the parcel shall be reduced by the assessed value attributable to the destroyed or removed property.

(6) Only property that receives a homestead exemption is subject to this section. No portion of property that is assessed solely on the basis of character or use pursuant to s. 193.461 or s. 193.501, or assessed pursuant to s. 193.505, is subject to this section. When property is assessed under s. 193.461, s. 193.501, or s. 193.505 and contains a residence under the same ownership, the portion of the property consisting of the residence and curtilage must be assessed separately, pursuant to s. 193.011, for the assessment to be subject to the limitation in this section.

(7) If a person received a homestead exemption limited to that person's proportionate interest in real property, the provisions of this section apply only to that interest.

²(8) Property assessed under this section shall be assessed at less than just value when the person who establishes a new homestead has received a homestead exemption as of January 1 of either of the 2 immediately preceding years. A person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on January 1, 2007, and only if this subsection applies retroactive to January 1, 2008. For purposes of this subsection, a husband and wife who owned and both permanently resided on a previous homestead shall each be considered to have received the homestead exemption even though only the husband or the wife applied for the homestead exemption on the previous homestead. The assessed value of the newly established homestead shall be determined as provided in this subsection.

(a) If the just value of the new homestead as of January 1 is greater than or equal to the just value of the immediate prior homestead as of January 1 of the year in which the immediate prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of \$500,000 or the difference between the just value and the assessed value of the immediate prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this section.

(b) If the just value of the new homestead as of January 1 is less than the just value of the immediate prior homestead as of January 1 of the year in which the immediate prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the immediate prior homestead and multiplied by the assessed value of the immediate prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this paragraph is greater than \$500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals \$500,000. Thereafter, the homestead shall be assessed as provided in this section.

(c) If two or more persons who have each received a homestead exemption as of January 1 of either of the 2 immediately preceding years and who would otherwise be eligible to have a new homestead property assessed under this subsection establish a single new homestead, the reduction from just value is limited to the higher of the difference between the just value and the assessed value of either of the prior eligible homesteads as of January 1 of the year in which either of the eligible prior homesteads was abandoned, but may not exceed \$500,000.

(d) If two or more persons abandon jointly owned and jointly titled property that received a homestead exemption as of January 1 of either of the 2 immediately preceding years, and one or

Excerpt of Chapter 193, F.S. (2009)

more such persons who were entitled to and received a homestead exemption on the abandoned property establish a new homestead that would otherwise be eligible for assessment under this subsection, each such person establishing a new homestead is entitled to a reduction from just value for the new homestead equal to the just value of the prior homestead minus the assessed value of the prior homestead divided by the number of owners of the prior homestead who received a homestead exemption, unless the title of the property contains specific ownership shares, in which case the share of reduction from just value shall be proportionate to the ownership share. In calculating the assessment reduction to be transferred from a prior homestead that has an assessment reduction for living quarters of parents or grandparents pursuant to s. 193.703, the value calculated pursuant to s. 193.703(6) must first be added back to the assessed value of the prior homestead. The total reduction from just value for all new homesteads established under this paragraph may not exceed \$500,000. There shall be no reduction from just value of any new homestead unless the prior homestead is reassessed at just value or is reassessed under this subsection as of January 1 after the abandonment occurs.

(e) If one or more persons who previously owned a single homestead and each received the homestead exemption qualify for a new homestead where all persons who qualify for homestead exemption in the new homestead also qualified for homestead exemption in the previous homestead without an additional person qualifying for homestead exemption in the new homestead, the reduction in just value shall be calculated pursuant to paragraph (a) or paragraph (b), without application of paragraph (c) or paragraph (d).

(f) For purposes of receiving an assessment reduction pursuant to this subsection, a person entitled to assessment under this section may abandon his or her homestead even though it remains his or her primary residence by notifying the property appraiser of the county where the homestead is located. This notification must be in writing and delivered at the same time as or before

timely filing a new application for homestead exemption on the property.

(g) In order to have his or her homestead property assessed under this subsection, a person must file a form provided by the department as an attachment to the application for homestead exemption. The form, which must include a sworn statement attesting to the applicant's entitlement to assessment under this subsection, shall be considered sufficient documentation for applying for assessment under this subsection. The department shall require by rule that the required form be submitted with the application for homestead exemption under the timeframes and processes set forth in chapter 196 to the extent practicable.

(h)1. If the previous homestead was located in a different county than the new homestead, the property appraiser in the county where the new homestead is located must transmit a copy of the completed form together with a completed application for homestead exemption to the property appraiser in the county where the previous homestead was located. If the previous homesteads of applicants for transfer were in more than one county, each applicant from a different county must submit a separate form.

2. The property appraiser in the county where the previous homestead was located must return information to the property appraiser in the county where the new homestead is located by April 1 or within 2 weeks after receipt of the completed application from that property appraiser, whichever is later. As part of the information returned, the property appraiser in the county where the previous homestead was located must provide sufficient information concerning the previous homestead to allow the property appraiser in the county where the new homestead is located to calculate the amount of the assessment limitation difference which may be transferred and must certify whether the previous homestead was abandoned and has been or will be reassessed at just value or reassessed according to the provisions of this subsection as of the January 1 following its abandonment.

Chapter 193, F.S. (2009)

3. Based on the information provided on the form from the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located shall calculate the amount of the assessment limitation difference which may be transferred and apply the difference to the January 1 assessment of the new homestead.

4. All property appraisers having information-sharing agreements with the department are authorized to share confidential tax information with each other pursuant to s. 195.084, including social security numbers and linked information on the forms provided pursuant to this section.

5. The transfer of any limitation is not final until any values on the assessment roll on which the transfer is based are final. If such values are final after tax notice bills have been sent, the property appraiser shall make appropriate corrections and a corrected tax notice bill shall be sent. Any values that are under administrative or judicial review shall be noticed to the tribunal or court for accelerated hearing and resolution so that the intent of this subsection may be carried out.

6. If the property appraiser in the county where the previous homestead was located has not provided information sufficient to identify the previous homestead and the assessment limitation difference is transferable, the taxpayer may file an action in circuit court in that county seeking to establish that the property appraiser must provide such information.

7. If the information from the property appraiser in the county where the previous homestead was located is provided after the procedures in this section are exercised, the property appraiser in the county where the new homestead is located shall make appropriate corrections and a corrected tax notice and tax bill shall be sent.

8. This subsection does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

9. The property appraiser in the county where the new homestead is located shall promptly notify a taxpayer if the information received, or available,

is insufficient to identify the previous homestead and the amount of the assessment limitation difference which is transferable. Such notification shall be sent on or before July 1 as specified in s. 196.151.

10. The taxpayer may correspond with the property appraiser in the county where the previous homestead was located to further seek to identify the homestead and the amount of the assessment limitation difference which is transferable.

11. If the property appraiser in the county where the previous homestead was located supplies sufficient information to the property appraiser in the county where the new homestead is located, such information shall be considered timely if provided in time for inclusion on the notice of proposed property taxes sent pursuant to ss. 194.011 and 200.065(1).

12. If the property appraiser has not received information sufficient to identify the previous homestead and the amount of the assessment limitation difference which is transferable before mailing the notice of proposed property taxes, the taxpayer may file a petition with the value adjustment board in the county where the new homestead is located.

(i) Any person who is qualified to have his or her property assessed under this subsection and who fails to file an application by March 1 may file an application for assessment under this subsection and may, pursuant to s. 194.011(3), file a petition with the value adjustment board requesting that an assessment under this subsection be granted. Such petition may be filed at any time during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser as provided in s. 194.011(1). Notwithstanding s. 194.013, such person must pay a nonrefundable fee of \$15 upon filing the petition. Upon reviewing the petition, if the person is qualified to receive the assessment under this subsection and demonstrates particular extenuating circumstances judged by the property appraiser or the value adjustment board to warrant granting the assessment, the property appraiser or the value adjustment board may grant an assessment under this subsection. For the 2008 assessments, all petitioners for assessment under

this subsection shall be considered to have demonstrated particular extenuating circumstances.

(j) Any person who is qualified to have his or her property assessed under this subsection and who fails to timely file an application for his or her new homestead in the first year following eligibility may file in a subsequent year. The assessment reduction shall be applied to assessed value in the year the transfer is first approved, and refunds of tax may not be made for previous years.

(k) The property appraisers of the state shall, as soon as practicable after March 1 of each year and on or before July 1 of that year, carefully consider all applications for assessment under this subsection which have been filed in their respective offices on or before March 1 of that year. If, upon investigation, the property appraiser finds that the applicant is entitled to assessment under this subsection, the property appraiser shall make such entries upon the tax rolls of the county as are necessary to allow the assessment. If, after due consideration, the property appraiser finds that the applicant is not entitled under the law to assessment under this subsection, the property appraiser shall immediately make out a notice of such disapproval, giving his or her reasons therefor, and a copy of the notice must be served upon the applicant by the property appraiser either by personal delivery or by registered mail to the post office address given by the applicant. The applicant may appeal the decision of the property appraiser refusing to allow the assessment under this subsection to the value adjustment board, and the board shall review the application and evidence presented to the property appraiser upon which the applicant based the claim and shall hear the applicant in person or by agent on behalf of his or her right to such assessment. Such appeal shall be heard by an attorney special magistrate if the value adjustment board uses special magistrates. The value adjustment board shall reverse the decision of the property appraiser in the cause and grant assessment under this subsection to the applicant if, in its judgment, the applicant is entitled to be granted the assessment or shall affirm the decision of the property appraiser. The action of the board is

final in the cause unless the applicant, within 15 days following the date of refusal of the application by the board, files in the circuit court of the county in which the homestead is located a proceeding against the property appraiser for a declaratory judgment as is provided by chapter 86 or other appropriate proceeding. The failure of the taxpayer to appear before the property appraiser or value adjustment board or to file any paper other than the application as provided in this subsection does not constitute any bar to or defense in the proceedings.

(9) Erroneous assessments of homestead property assessed under this section may be corrected in the following manner:

(a) If errors are made in arriving at any assessment under this section due to a material mistake of fact concerning an essential characteristic of the property, the just value and assessed value must be recalculated for every such year, including the year in which the mistake occurred.

(b) If changes, additions, or improvements are not assessed at just value as of the first January 1 after they were substantially completed, the property appraiser shall determine the just value for such changes, additions, or improvements for the year they were substantially completed. Assessments for subsequent years shall be corrected, applying this section if applicable.

(c) If back taxes are due pursuant to s. 193.092, the corrections made pursuant to this subsection shall be used to calculate such back taxes.

(10) If the property appraiser determines that for any year or years within the prior 10 years a person who was not entitled to the homestead property assessment limitation granted under this section was granted the homestead property assessment limitation, the property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person in the county, and such property must be identified in the notice of tax lien. Such property that is situated in this state is subject to the unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each

year and 15 percent interest per annum. However, when a person entitled to exemption pursuant to s. 196.031 inadvertently receives the limitation pursuant to this section following a change of ownership, the assessment of such property must be corrected as provided in paragraph (9)(a), and the person need not pay the unpaid taxes, penalties, or interest.

193.1551 Assessment of certain homestead property damaged in 2004 named storms.—Notwithstanding the provisions of s. 193.155(4), the assessment at just value for changes, additions, or improvements to homestead property rendered uninhabitable in one or more of the named storms of 2004 shall be limited to the square footage exceeding 110 percent of the homestead property’s total square footage. Additionally, homes having square footage of 1,350 square feet or less which were rendered uninhabitable may rebuild up to

1,500 total square feet and the increase in square footage shall not be considered as a change, an addition, or an improvement that is subject to assessment at just value. The provisions of this section are limited to homestead properties in which repairs are commenced by January 1, 2008, and apply retroactively to January 1, 2005.

History.—s. 1, ch. 2005-268; s. 2, ch. 2007-106.

¹193.1554 Assessment of nonhomestead residential property.—

(1) As used in this section, the term “nonhomestead residential property” means residential real property that contains nine or fewer dwelling units, including vacant property zoned and platted for residential use, and that does not receive the exemption under s. 196.031.

(2) For all levies other than school district levies, nonhomestead residential property shall be assessed at just value as of January 1, 2008. Property placed on the tax roll after January 1, 2008, shall be assessed at just value as of January 1 of the year in which the property is placed on the tax roll.

(3) Beginning in 2009, or the year following the year the property is placed on the tax roll, whichever is later, the property shall be reassessed annually on January 1. Any change resulting from such reassessment may not exceed 10 percent of the assessed value of the property for the prior year.

(4) If the assessed value of the property as calculated under subsection (3) exceeds the just value, the assessed value of the property shall be lowered to the just value of the property.

(5) Except as provided in this subsection, property assessed under this section shall be assessed at just value as of January 1 of the year following a change of ownership or control. Thereafter, the annual changes in the assessed value of the property are subject to the limitations in subsections (3) and (4). For purpose of this section, a change of ownership or control means any sale, foreclosure, transfer of legal title or beneficial title in equity to any person, or the cumulative transfer of control or of more than 50

percent of the ownership of the legal entity that owned the property when it was most recently assessed at just value, except as provided in this subsection. There is no change of ownership if:

(a) The transfer of title is to correct an error;

(b) The transfer is between legal and equitable title; or

(c) The transfer is between husband and wife, including a transfer to a surviving spouse or a transfer due to a dissolution of marriage.

(6)(a) Except as provided in paragraph (b), changes, additions, or improvements to nonhomestead residential property shall be assessed at just value as of the first January 1 after the changes, additions, or improvements are substantially completed.

(b) Changes, additions, or improvements that replace all or a portion of nonhomestead residential property damaged or destroyed by misfortune or calamity shall not increase the property's assessed value when the square footage of the property as changed or improved does not exceed 110 percent of the square footage of the property before the damage or destruction. Additionally, the property's assessed value shall not increase if the total square footage of the property as changed or improved does not exceed 1,500 square feet. Changes, additions, or improvements that do not cause the total to exceed 110 percent of the total square footage of the property before the damage or destruction or that do not cause the total to exceed 1,500 total square feet shall be reassessed as provided under subsection (3). The property's assessed value shall be increased by the just value of that portion of the changed or improved property which is in excess of 110 percent of the square footage of the property before the damage or destruction or of that portion exceeding 1,500 square feet. Property damaged or destroyed by misfortune or calamity which, after being changed or improved, has a square footage of less than 100 percent of the property's total square footage before the damage or destruction shall be assessed pursuant to subsection (8). This paragraph applies to changes, additions, or improvements commenced within 3 years after the January 1

following the damage or destruction of the property.

(c) Changes, additions, or improvements include improvements made to common areas or other improvements made to property other than to the nonhomestead residential property by the owner or by an owner association, which improvements directly benefit the property. Such changes, additions, or improvements shall be assessed at just value, and the just value shall be apportioned among the parcels benefiting from the improvement.

²(7) Any increase in the value of property assessed under this section which is attributable to combining or dividing parcels shall be assessed at just value, and the just value shall be apportioned among the parcels created.

(8) When property is destroyed or removed and not replaced, the assessed value of the parcel shall be reduced by the assessed value attributable to the destroyed or removed property.

(9) Erroneous assessments of nonhomestead residential property assessed under this section may be corrected in the following manner:

(a) If errors are made in arriving at any assessment under this section due to a material mistake of fact concerning an essential characteristic of the property, the just value and assessed value must be recalculated for every such year, including the year in which the mistake occurred.

(b) If changes, additions, or improvements are not assessed at just value as of the first January 1 after they were substantially completed, the property appraiser shall determine the just value for such changes, additions, or improvements for the year they were substantially completed. Assessments for subsequent years shall be corrected, applying this section if applicable.

(c) If back taxes are due pursuant to s. 193.092, the corrections made pursuant to this subsection shall be used to calculate such back taxes.

(10) If the property appraiser determines that for any year or years within the prior 10 years a person or entity who was not entitled to the

Chapter 193, F.S. (2009)

property assessment limitation granted under this section was granted the property assessment limitation, the property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. Such property that is situated in this state is subject to the unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest per annum.

¹193.1555 Assessment of certain residential and nonresidential real property.—

(1) As used in this section, the term:

(a) “Nonresidential real property” means real property that is not subject to the assessment limitations set forth in s. 4(a)-(c) or s. 4(f), Art. VII of the State Constitution.

(b) “Improvement” means an addition or change to land or buildings which increases their value and is more than a repair or a replacement.

(2) For all levies other than school district levies, nonresidential real property shall be assessed at just value as of January 1, 2008. Property placed on the tax roll after January 1, 2008, shall be assessed at just value as of January 1 of the year in which the property is placed on the tax roll.

(3) Beginning in 2009, or the year following the year the property is placed on the tax roll, whichever is later, the property shall be reassessed annually on January 1. Any change resulting from such reassessment may not exceed 10 percent of the assessed value of the property for the prior year.

(4) If the assessed value of the property as calculated under subsection (3) exceeds the just value, the assessed value of the property shall be lowered to the just value of the property.

(5) Except as provided in this subsection, property assessed under this section shall be assessed at just value as of January 1 of the year following a qualifying improvement or change of ownership or control. Thereafter, the annual changes in the assessed value of the property are subject to the limitations in subsections (3) and (4). For purpose of this section:

(a) A qualifying improvement means any substantially completed improvement that increases the just value of the property by at least 25 percent.

(b) A change of ownership or control means any sale, foreclosure, transfer of legal title or beneficial title in equity to any person, or the cumulative transfer of control or of more than 50 percent of the ownership of the legal entity that owned the property when it was most recently assessed at just value, except as provided in this subsection. There is no change of ownership if:

1. The transfer of title is to correct an error;

nonresidential real property shall be assessed at just value as of the first January 1 after the changes, additions, or improvements are substantially completed.

(b) Changes, additions, or improvements that replace all or a portion of nonresidential real property damaged or destroyed by misfortune or calamity shall not increase the property's assessed value when the square footage of the property as changed or improved does not exceed 110 percent of the square footage of the property before the damage or destruction and do not change the property's character or use. Changes, additions, or improvements that do not cause the total to exceed 110 percent of the total square footage of the property before the damage or destruction and do not change the property's character or use shall be reassessed as provided under subsection (3). The property's assessed value shall be increased by the just value of that portion of the changed or improved property which is in excess of 110 percent of the square footage of the property before the damage or destruction. Property damaged or destroyed by misfortune or calamity which, after being changed or improved, has a square footage of less than 100 percent of the property's total square footage before the damage or destruction shall be assessed pursuant to subsection (8). This paragraph applies to changes, additions, or improvements commenced within 3 years after the January 1 following the damage or destruction of the property.

²(7) Any increase in the value of property assessed under this section which is attributable to combining or dividing parcels shall be assessed at just value, and the just value shall be apportioned among the parcels created.

(8) When property is destroyed or removed and not replaced, the assessed value of the parcel shall be reduced by the assessed value attributable to the destroyed or removed property.

(9) Erroneous assessments of nonresidential real property assessed under this section may be corrected in the following manner:

(a) If errors are made in arriving at any assessment under this section due to a material

mistake of fact concerning an essential characteristic of the property, the just value and assessed value must be recalculated for every such year, including the year in which the mistake occurred.

(10) If the property appraiser determines that for any year or years within the prior 10 years a person or entity who was not entitled to the property assessment limitation granted under this section was granted the property assessment limitation, the property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. Such property that is situated in this state is subject to the unpaid taxes, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest per annum.

¹193.1556 Notice of change of ownership or control required.—Any person or entity that owns property assessed under s. 193.1554 or s. 193.1555 must notify the property appraiser promptly of any change of ownership or control as defined in ss. 193.1554(5) and 193.1555(5). If any property owner fails to so notify the property appraiser and the property appraiser determines that for any year within the prior 10 years the owner’s property was not entitled to assessment under s. 193.1554 or s. 193.1555, the owner of the property is subject to the taxes avoided as a result of such failure plus 15 percent interest per annum and a penalty of 50 percent of the taxes avoided. It is the duty of the property appraiser making such determination to record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. If such person or entity no longer owns property in that county, but owns property in some other county or counties in the state, it shall be the duty of the property appraiser to record a notice of tax lien in such other county or counties, identifying the property owned by such person or entity in such county or counties, and it becomes a lien against such property in such county or counties.

193.441 Legislative intent; findings and declaration.—

(1) For the purposes of assessment roll preparation and recordkeeping, it is the legislative intent that any assessment for tax purposes which is less than the just value of the property shall be considered a classified use assessment and reported accordingly.

(2) The Legislature finds that Florida's groundwater is among the state's most precious and basic natural resources. The Legislature further finds that it is in the interest of the state to protect its groundwater from pollution, overutilization, and other degradation because groundwater is the primary source of potable water for 90 percent of Floridians. The Legislature declares that it is in the public interest to allow county governments the flexibility to implement voluntary tax assessment programs that protect the state's high-water recharge areas.

History.—s. 12, ch. 79-334; s. 1, ch. 96-204.

193.451 Annual growing of agricultural crops, nonbearing fruit trees, nursery stock; taxability.—

(1) Growing annual agricultural crops, nonbearing fruit trees, and nursery stock, regardless of the growing methods, shall be considered as having no ascertainable value and shall not be taxable until they have reached maturity or a stage of marketability and have passed from the hands of the producer and/or offered for sale. This section shall be construed liberally in favor of the taxpayer.

(2) Raw, annual, agricultural crops shall be considered to have no ascertainable value and shall not be taxable until such property is offered for sale to the consumer.

(3) Personal property leased or subleased by the Department of Agriculture and Consumer Services and utilized in the inspection, grading, or classification of citrus fruit shall be deemed to have value for purposes of assessment for ad valorem property taxes no greater than its market value as salvage. It is the expressed intent of the Legislature that this subsection shall have retroactive application to December 31, 2003.

History.—ss. 1, 2, ch. 63-432; s. 1, ch. 67-573; ss. 1, 2, ch. 69-55; s. 1, ch. 2005-210.

Note.—Former s. 192.063.

193.461 Agricultural lands; classification and assessment; mandated eradication or quarantine program.—

(1) The property appraiser shall, on an annual basis, classify for assessment purposes all lands within the county as either agricultural or nonagricultural.

(2) Any landowner whose land is denied agricultural classification by the property appraiser may appeal to the value adjustment board. The property appraiser shall notify the landowner in writing of the denial of agricultural classification on or before July 1 of the year for which the application was filed. The notification shall advise the landowner of his or her right to appeal to the

Chapter 193, F.S. (2009)

value adjustment board and of the filing deadline. The board may also review all lands classified by the property appraiser upon its own motion. The property appraiser shall have available at his or her office a list by ownership of all applications received showing the acreage, the full valuation under s. 193.011, the valuation of the land under the provisions of this section, and whether or not the classification requested was granted.

(3)(a) No lands shall be classified as agricultural lands unless a return is filed on or before March 1 of each year. The property appraiser, before so classifying such lands, may require the taxpayer or the taxpayer's representative to furnish the property appraiser such information as may reasonably be required to establish that such lands were actually used for a bona fide agricultural purpose. Failure to make timely application by March 1 shall constitute a waiver for 1 year of the privilege herein granted for agricultural assessment. However, an applicant who is qualified to receive an agricultural classification who fails to file an application by March 1 may file an application for the classification and may file, pursuant to s. 194.011(3), a petition with the value adjustment board requesting that the classification be granted. The petition may be filed at any time during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser as provided in s. 194.011(1). Notwithstanding the provisions of s. 194.013, the applicant must pay a nonrefundable fee of \$15 upon filing the petition. Upon reviewing the petition, if the person is qualified to receive the classification and demonstrates particular extenuating circumstances judged by the property appraiser or the value adjustment board to warrant granting the classification, the property appraiser or the value adjustment board may grant the classification. The owner of land that was classified agricultural in the previous year and whose ownership or use has not changed may reapply on a short form as provided by the department. The lessee of property may make original application or reapply using the short form if the lease, or an affidavit executed by the owner, provides that the lessee is empowered to

make application for the agricultural classification on behalf of the owner and a copy of the lease or affidavit accompanies the application. A county may, at the request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application or statement be made for classification of property within the county after an initial application is made and the classification granted by the property appraiser. Such waiver may be revoked by a majority vote of the governing body of the county.

(b) Subject to the restrictions set out in this section, only lands which are used primarily for bona fide agricultural purposes shall be classified agricultural. "Bona fide agricultural purposes" means good faith commercial agricultural use of the land. In determining whether the use of the land for agricultural purposes is bona fide, the following factors may be taken into consideration:

1. The length of time the land has been so used.
2. Whether the use has been continuous.
3. The purchase price paid.
4. Size, as it relates to specific agricultural use, but in no event shall a minimum acreage be required for agricultural assessment.
5. Whether an indicated effort has been made to care sufficiently and adequately for the land in accordance with accepted commercial agricultural practices, including, without limitation, fertilizing, liming, tilling, mowing, reforestation, and other accepted agricultural practices.
6. Whether such land is under lease and, if so, the effective length, terms, and conditions of the lease.
7. Such other factors as may from time to time become applicable.

(c) The maintenance of a dwelling on part of the lands used for agricultural purposes shall not in itself preclude an agricultural classification.

(d) When property receiving an agricultural classification contains a residence under the same ownership, the portion of the property consisting of the residence and curtilage must be assessed separately, pursuant to s. 193.011, to qualify for the assessment limitation set forth in s. 193.155. The

remaining property may be classified under the provisions of paragraphs (a) and (b).

(e) Notwithstanding the provisions of paragraph (a), land that has received an agricultural classification from the value adjustment board or a court of competent jurisdiction pursuant to this section is entitled to receive such classification in any subsequent year until such agricultural use of the land is abandoned or discontinued, the land is diverted to a nonagricultural use, or the land is reclassified as nonagricultural pursuant to subsection (4). The property appraiser must, no later than January 31 of each year, provide notice to the owner of land that was classified agricultural in the previous year informing the owner of the requirements of this paragraph and requiring the owner to certify that neither the ownership nor the use of the land has changed. The department shall, by administrative rule, prescribe the form of the notice to be used by the property appraiser under this paragraph. If a county has waived the requirement that an annual application or statement be made for classification of property pursuant to paragraph (a), the county may, by a majority vote of its governing body, waive the notice and certification requirements of this paragraph and shall provide the property owner with the same notification provided to owners of land granted an agricultural classification by the property appraiser. Such waiver may be revoked by a majority vote of the county's governing body. This paragraph does not apply to any property if the agricultural classification of that property is the subject of current litigation.

(4)(a) The property appraiser shall reclassify the following lands as nonagricultural:

1. Land diverted from an agricultural to a nonagricultural use.
2. Land no longer being utilized for agricultural purposes.
3. Land that has been zoned to a nonagricultural use at the request of the owner subsequent to the enactment of this law.

(b) The board of county commissioners may also reclassify lands classified as agricultural to nonagricultural when there is contiguous urban or

metropolitan development and the board of county commissioners finds that the continued use of such lands for agricultural purposes will act as a deterrent to the timely and orderly expansion of the community.

(c) Sale of land for a purchase price which is three or more times the agricultural assessment placed on the land shall create a presumption that such land is not used primarily for bona fide agricultural purposes. Upon a showing of special circumstances by the landowner demonstrating that the land is to be continued in bona fide agriculture, this presumption may be rebutted.

(5) For the purpose of this section, "agricultural purposes" includes, but is not limited to, horticulture; floriculture; viticulture; forestry; dairy; livestock; poultry; bee; pisciculture, when the land is used principally for the production of tropical fish; aquaculture; sod farming; and all forms of farm products and farm production.

(6)(a) In years in which proper application for agricultural assessment has been made and granted pursuant to this section, the assessment of land shall be based solely on its agricultural use. The property appraiser shall consider the following use factors only:

1. The quantity and size of the property;
2. The condition of the property;
3. The present market value of the property as agricultural land;
4. The income produced by the property;
5. The productivity of land in its present use;
6. The economic merchantability of the agricultural product; and
7. Such other agricultural factors as may from time to time become applicable, which are reflective of the standard present practices of agricultural use and production.

(b) Notwithstanding any provision relating to annual assessment found in s. 192.042, the property appraiser shall rely on 5-year moving average data when utilizing the income methodology approach in an assessment of property used for agricultural purposes.

(c)1. For purposes of the income methodology approach to assessment of property

used for agricultural purposes, irrigation systems, including pumps and motors, physically attached to the land shall be considered a part of the average yields per acre and shall have no separately assessable contributory value.

2. Litter containment structures located on producing poultry farms and animal waste nutrient containment structures located on producing dairy farms shall be assessed by the methodology described in subparagraph 1.

(d) In years in which proper application for agricultural assessment has not been made, the land shall be assessed under the provisions of s. 193.011.

(7) Lands classified for assessment purposes as agricultural lands which are taken out of production by any state or federal eradication or quarantine program shall continue to be classified as agricultural lands for the duration of such program or successor programs. Lands under these programs which are converted to fallow, or otherwise nonincome-producing uses shall continue to be classified as agricultural lands and shall be assessed at a de minimis value of no more than \$50 per acre, on a single year assessment methodology; however, lands converted to other income-producing agricultural uses permissible under such programs shall be assessed pursuant to this section. Land under a mandated eradication or quarantine program which is diverted from an agricultural to a nonagricultural use shall be assessed under s. 193.011.

193.4615 Assessment of obsolete agricultural equipment.—

(1) For purposes of ad valorem property taxation, agricultural equipment that is located on property classified as agricultural under s. 193.461 and that is no longer usable for its intended purpose

shall be deemed to have a market value no greater than its value for salvage.

(2) This section shall take effect January 1, 2007.

History.—s. 16, ch. 2006-289.

193.462 Agricultural lands; annual application process; extenuating circumstances; waivers.—

(1) For purposes of granting an agricultural classification for January 1, 2003, the term “extenuating circumstances,” as used in s. 193.461(3)(a), includes the failure of a property owner in a county that waived the annual application process to return the agricultural classification form or card, which return was required by operation of s. 193.461(3)(e), as created by chapter 2002-18, Laws of Florida.

(2) Any waiver of the annual application granted under s. 193.461(3)(a), which is in effect on December 31, 2002, shall remain in full force and effect until subsequently revoked as provided by s. 193.461(3)(a).

History.—s. 3, ch. 2003-162; s. 44, ch. 2003-254.

193.481 Assessment of mineral, oil, gas, and other subsurface rights.—

(1) Whenever the mineral, oil, gas, and other subsurface rights in or to real property in this state shall have been sold or otherwise transferred by the owner of such real property, or retained or acquired through reservation or otherwise, such subsurface rights shall be taken and treated as an interest in real property subject to taxation separate and apart from the fee or ownership of the fee or other interest in the fee. Such mineral, oil, gas, and other subsurface rights, when separated from the fee or other interest in the fee, shall be subject to separate taxation. Such taxation shall be against such subsurface interest and not against the owner or owners thereof or against separate interests or rights in or to such subsurface rights.

(2) The property appraiser shall, upon request of the owner of real property who also owns mineral, oil, gas, or other subsurface mineral rights to the same property, separately assess the

subsurface mineral right and the remainder of the real estate as separate items on the tax roll.

(3) Such subsurface rights shall be assessed on the basis of a just valuation, as required by s. 4, Art. VII of the State Constitution, which valuation, when combined with the value of the remaining surface and undisposed of subsurface interests, shall not exceed the full just value of the fee title of the lands involved, including such subsurface rights.

(4) Statutes and regulations, not in conflict with the provisions herein, relating to the assessment and collection of ad valorem taxes on real property, shall apply to the separate assessment and taxation of such subsurface rights, insofar as they may be applied.

(5) Tax certificates and tax liens encumbering subsurface rights, as aforesaid, may be acquired, purchased, transferred, and enforced as are tax certificates and tax liens encumbering real property generally, including the issuance of a tax deed.

(6) Nothing contained in chapter 69-60, Laws of Florida, amending subsections (1) and (3) of this section and creating former s. 197.083 shall be construed to affect any contractual obligation existing on June 4, 1969.

193.501 Assessment of lands subject to a conservation easement, environmentally endangered lands, or lands used for outdoor recreational or park purposes when land development rights have been conveyed or conservation restrictions have been covenanted.—

¹(1) The owner or owners in fee of any land subject to a conservation easement as described in s. 704.06; land qualified as environmentally endangered pursuant to paragraph (6)(i) and so designated by formal resolution of the governing board of the municipality or county within which such land is located; land designated as

conservation land in a comprehensive plan adopted by the appropriate municipal or county governing body; or any land which is utilized for outdoor recreational or park purposes may, by appropriate instrument, for a term of not less than 10 years:

(a) Convey the development right of such land to the governing board of any public agency in this state within which the land is located, or to the Board of Trustees of the Internal Improvement Trust Fund, or to a charitable corporation or trust as described in s. 704.06(3); or

(b) Covenant with the governing board of any public agency in this state within which the land is located, or with the Board of Trustees of the Internal Improvement Trust Fund, or with a charitable corporation or trust as described in s. 704.06(3), that such land be subject to one or more of the conservation restrictions provided in s. 704.06(1) or not be used by the owner for any purpose other than outdoor recreational or park purposes. If land is covenanted and used for an outdoor recreational purpose, the normal use and maintenance of the land for that purpose, consistent with the covenant, shall not be restricted.

(2) The governing board of any public agency in this state, or the Board of Trustees of the Internal Improvement Trust Fund, or a charitable corporation or trust as described in s. 704.06(3), is authorized and empowered in its discretion to accept any and all instruments conveying the development right of any such land or establishing a covenant pursuant to subsection (1), and if accepted by the board or charitable corporation or trust, the instrument shall be promptly filed with the appropriate officer for recording in the same manner as any other instrument affecting the title to real property.

(3) When, pursuant to subsections (1) and (2), the development right in real property has been conveyed to the governing board of any public agency of this state, to the Board of Trustees of the Internal Improvement Trust Fund, or to a charitable corporation or trust as described in s. 704.06(2), or a covenant has been executed and accepted by the board or charitable corporation or trust, the lands which are the subject of such conveyance or

Chapter 193, F.S. (2009)

covenant shall be thereafter assessed as provided herein:

(a) If the covenant or conveyance extends for a period of not less than 10 years from January 1 in the year such assessment is made, the property appraiser, in valuing such land for tax purposes, shall consider no factors other than those relative to its value for the present use, as restricted by any conveyance or covenant under this section.

(b) If the covenant or conveyance extends for a period less than 10 years, the land shall be assessed under the provisions of s. 193.011, recognizing the nature and length thereof of any restriction placed on the use of the land under the provisions of subsection (1).

(4) After making a conveyance of the development right or executing a covenant pursuant to this section, or conveying a conservation easement pursuant to this section and s. 704.06, the owner of the land shall not use the land in any manner not consistent with the development right voluntarily conveyed, or with the restrictions voluntarily imposed, or with the terms of the conservation easement or shall not change the use of the land from outdoor recreational or park purposes during the term of such conveyance or covenant without first obtaining a written instrument from the board or charitable corporation or trust, which instrument reconveys all or part of the development right to the owner or releases the owner from the terms of the covenant and which instrument must be promptly recorded in the same manner as any other instrument affecting the title to real property. Upon obtaining approval for reconveyance or release, the reconveyance or release shall be made to the owner upon payment of the deferred tax liability. Any payment of the deferred tax liability shall be payable to the county tax collector within 90 days of the date of approval by the board or charitable corporation or trust of the reconveyance or release. The collector shall distribute the payment to each governmental unit in the proportion that its millage bears to the total millage levied on the parcel for the years in which such conveyance or covenant was in effect.

(5) The governing board of any public agency or the Board of Trustees of the Internal Improvement Trust Fund or a charitable corporation or trust which holds title to a development right pursuant to this section may not convey that development right to anyone other than the governing board of another public agency or a charitable corporation or trust, as described in s. 704.06(3), or the record owner of the fee interest in the land to which the development right attaches. The conveyance from the governing board of a public agency or the Board of Trustees of the Internal Improvement Trust Fund to the owner of the fee shall be made only after a determination by the board that such conveyance would not adversely affect the interest of the public. Section 125.35 does not apply to such sales, but any public agency accepting any instrument conveying a development right pursuant to this section shall forthwith adopt appropriate regulations and procedures governing the disposition of same. These regulations and procedures must provide in part that the board may not convey a development right to the owner of the fee without first holding a public hearing and unless notice of the proposed conveyance and the time and place at which the public hearing is to be held is published once a week for at least 2 weeks in some newspaper of general circulation in the county involved prior to the hearing.

(6) The following terms whenever used as referred to in this section have the following meanings unless a different meaning is clearly indicated by the context:

(a) “Board” is the governing board of any city, county, or other public agency of the state or the Board of Trustees of the Internal Improvement Trust Fund.

(b) “Conservation restriction” means a limitation on a right to the use of land for purposes of conserving or preserving land or water areas predominantly in their natural, scenic, open, agricultural, or wooded condition. The limitation on rights to the use of land may involve or pertain to any of the activities enumerated in s. 704.06(1).

(c) “Conservation easement” means that property right described in s. 704.06.

(d) “Covenant” is a covenant running with the land.

(e) “Deferred tax liability” means an amount equal to the difference between the total amount of taxes that would have been due in March in each of the previous years in which the conveyance or covenant was in effect if the property had been assessed under the provisions of s. 193.011 and the total amount of taxes actually paid in those years when the property was assessed under the provisions of this section, plus interest on that difference computed as provided in s. 212.12(3).

(f) “Development right” is the right of the owner of the fee interest in the land to change the use of the land.

(g) “Outdoor recreational or park purposes” includes, but is not necessarily limited to, boating, golfing, camping, swimming, horseback riding, and archaeological, scenic, or scientific sites and applies only to land which is open to the general public.

(h) “Present use” is the manner in which the land is utilized on January 1 of the year in which the assessment is made.

(i) “Qualified as environmentally endangered” means land that has unique ecological characteristics, rare or limited combinations of geological formations, or features of a rare or limited nature constituting habitat suitable for fish, plants, or wildlife, and which, if subject to a development moratorium or one or more conservation easements or development restrictions appropriate to retaining such land or water areas predominantly in their natural state, would be consistent with the conservation, recreation and open space, and, if applicable, coastal protection elements of the comprehensive plan adopted by formal action of the local governing body pursuant to s. 163.3161, the Local Government Comprehensive Planning and Land Development Regulation Act; or surface waters and wetlands, as determined by the methodology ratified in s. 373.4211.

(7)(a) The property appraiser shall report to the department showing the just value and the classified use value of property that is subject to a

conservation easement under s. 704.06, property assessed as environmentally endangered land pursuant to this section, and property assessed as outdoor recreational or park land.

(b) The tax collector shall annually report to the department the amount of deferred tax liability collected pursuant to this section.

¹(8) A person or organization that, on January 1, has the legal title to land that is entitled by law to assessment under this section shall, on or before March 1 of each year, file an application for assessment under this section with the county property appraiser. The application must identify the property for which assessment under this section is claimed. The initial application for assessment for any property must include a copy of the instrument by which the development right is conveyed or which establishes a covenant that establishes the conservation purposes for which the land is used. The Department of Revenue shall prescribe the forms upon which the application is made. The failure to file an application on or before March 1 of any year constitutes a waiver of assessment under this section for that year. However, an applicant who is qualified to receive an assessment under this section but fails to file an application by March 1 may file an application for the assessment and may file, pursuant to s. 194.011(3), a petition with the value adjustment board requesting that the assessment be granted. The petition must be filed at any time during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser pursuant to s. 194.011(1). Notwithstanding s. 194.013, the applicant must pay a nonrefundable fee of \$15 upon filing the petition. Upon reviewing the petition, if the person is qualified to receive the assessment and demonstrates particular extenuating circumstances judged by the property appraiser or the value adjustment board to warrant granting the assessment, the property appraiser or the value adjustment board may grant the assessment. The owner of land that was assessed under this section in the previous year and whose ownership or use has not changed may reapply on a short form as provided by the department. A county may, at the

Chapter 193, F.S. (2009)

request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application or statement be made for assessment of property within the county. Such waiver may be revoked by a majority vote of the governing body of the county.

¹(9) A person or entity that owns land assessed pursuant to this section must notify the property appraiser promptly if the land becomes ineligible for assessment under this section. If any property owner fails to notify the property appraiser and the property appraiser determines that for any year within the preceding 10 years the land was not eligible for assessment under this section, the owner of the land is subject to taxes avoided as a result of such failure plus 15 percent interest per annum and a penalty of 50 percent of the taxes avoided. The property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. The property is subject to a lien in the amount of the unpaid taxes and penalties. The lien when filed shall attach to any property identified in the notice of tax lien which is owned by the person or entity and which was improperly assessed. If such person or entity no longer owns property in that county but owns property in some other county or counties of this state, the property appraiser shall record a notice of tax lien in such other county or counties, identifying the property owned by such person or entity.

193.503 Classification and assessment of historic property used for commercial or certain nonprofit purposes.—

(1) Pursuant to s. 4(d), Art. VII of the State Constitution, the board of county commissioners of a county or the governing authority of a

municipality may adopt an ordinance providing for assessment of historic property used for commercial or certain nonprofit purposes as described in this section solely on the basis of character or use as provided in this section. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The board of county commissioners or municipal governing authority shall notify the property appraiser of the adoption of such ordinance no later than December 1 of the year prior to the year such assessment will take effect. If such assessment is granted only for a specified period or the ordinance is repealed, the board of county commissioners or municipal governing authority shall notify the property appraiser no later than December 1 of the year prior to the year the assessment expires.

(2) If an ordinance is adopted as described in subsection (1), the property appraiser shall, for assessment purposes, annually classify any eligible property as historic property used for commercial or certain nonprofit purposes, for purposes of the taxes levied by the governing body or authority adopting the ordinance. For all other purposes, the property shall be assessed pursuant to s. 193.011.

(3) No property shall be classified as historic property used for commercial or certain nonprofit purposes unless a return is filed on or before March 1 of each year. The property appraiser, before so classifying such property, may require the taxpayer or the taxpayer’s representative to furnish the property appraiser such information as may reasonably be required to establish that such property was actually used as required by this section. Failure to make timely application by March 1 shall constitute a waiver for 1 year of the privilege herein granted for such assessment.

(4) Any property classified and assessed as historic property used for commercial or certain nonprofit purposes pursuant to this section must meet all of the following criteria:

(a) The property must be used for commercial purposes or used by a not-for-profit organization under s. 501(c)(3) or (6) of the Internal Revenue Code of 1986.

(b) The property must be listed in the National Register of Historic Places, as defined in

s. 267.021; or must be a contributing property to a National Register Historic District; or must be designated as a historic property or as a contributing property to a historic district, under the terms of a local preservation ordinance.

(c) The property must be regularly open to the public; that is, it must be open for a minimum of 40 hours per week for 45 weeks per year or an equivalent of 1,800 hours per year.

(d) The property must be maintained in good repair and condition to the extent necessary to preserve the historic value and significance of the property.

(5) In years in which proper application for assessment has been made and granted pursuant to this section, the assessment of such historic property shall be based solely on its use for commercial or certain nonprofit purposes. The property appraiser shall consider the following use factors only:

(a) The quantity and size of the property.

(b) The condition of the property.

(c) The present market value of the property as historic property used for commercial or certain nonprofit purposes.

(d) The income produced by the property.

(6) In years in which proper application for assessment has not been made under this section, the property shall be assessed under the provisions of s. 193.011 for all purposes.

(7) Any property owner who is denied classification under this section may appeal to the value adjustment board. The property appraiser shall notify the property owner in writing of the denial of such classification on or before July 1 of the year for which the application was filed. The notification shall advise the property owner of his or her right to appeal to the value adjustment board and of the filing deadline. The board may also review all property classified by the property appraiser upon its own motion. The property appraiser shall have available at his or her office a list by ownership of all applications received showing the full valuation under s. 193.011, the valuation of the property under the provisions of

this section, and whether or not the classification requested was granted.

(8) For the purposes of assessment roll preparation and recordkeeping, the property appraiser shall report the assessed value of property qualified for the assessment pursuant to this section as its “classified use value” and shall annually determine and report as “just value” the fair market value of such property, irrespective of any negative impact that restrictions imposed or conveyances made pursuant to this section may have had on such value.

(9)(a) After qualifying for and being granted the classification and assessment pursuant to this section, the owner of the property shall not use the property in any manner not consistent with the qualifying criteria. If the historic designation status or the use of the property changes or if the property fails to meet the other qualifying criteria for the classification and assessment, the property owner shall be liable for the amount of taxes equal to the “deferred tax liability” for up to the past 10 years in which the property received the use classification and assessment pursuant to this section. The governmental taxing unit shall determine the time period for which the deferred tax liability is due. A written instrument from the governmental taxing unit shall be promptly recorded in the same manner as any other instrument affecting the title to real property. A release of the written instrument shall be made to the owner upon payment of the deferred tax liability.

(b) For purposes of this subsection, “deferred tax liability” means an amount equal to the difference between the total amount of taxes that would have been due in March if the property had been assessed under the provisions of s. 193.011 and the total amount of taxes actually paid in those years when the property was assessed under the provisions of this section, plus interest on that difference computed as provided in s. 212.12(3).

(c) Any payment of the deferred tax liability shall be payable to the county tax collector within 90 days after the date of the change in classification. The collector shall distribute the

Chapter 193, F.S. (2009)

payment to each governmental unit where the classification and assessment was allowed in the proportion that its millage bears to the total millage levied on the parcel for the years in which such classification and assessment was in effect.

(d) The tax collector shall annually report to the department the amount of deferred tax liability collected pursuant to this section.

History.—s. 2, ch. 97-117.

193.505 Assessment of historically significant property when development rights have been conveyed or historic preservation restrictions have been covenanted.—

(1) The owner or owners in fee of any improved real property qualified as historically significant pursuant to paragraph (6)(a), and so designated by formal resolution of the governing body of the county within which the property is located, may by appropriate instrument:

(a) Convey all rights to develop the property to the governing body of the county in which such property is located; or

(b) Enter into a covenant running with the land for a term of not less than 10 years with the governing body of the county in which the property is located that the property shall not be used for any purpose inconsistent with historic preservation or the historic qualities of the property.

(2)(a) The governing body of each county is authorized and empowered in its discretion, subject to the provisions of paragraph (6)(b), to accept any instrument conveying a development right or establishing a covenant pursuant to subsection (1); and, if such instrument is accepted by the governing body, it shall be promptly filed with the appropriate officer for recording in the same manner as any other instrument affecting title to real property.

(b) Before accepting any instrument pursuant to this section, the governing body of the county shall seek the counsel and advice of the governing body of the municipality in which the property lies, if any, as to the merit of such acceptance.

(3) When, pursuant to this section, the development right in historically significant

property has been conveyed to the governing body of the county or a covenant for historic preservation has been executed and accepted by such body, the real property subject to such conveyance or covenant shall be assessed at fair market value; however, the appraiser shall recognize the nature and length of the restriction placed on the use of the property under the provisions of the conveyance or covenant.

(4)(a) During the unexpired term of a covenant executed pursuant to this section, the owner of the property subject thereto shall not use the property in any manner inconsistent with historic preservation or the historic character of the property without first obtaining a written instrument from the governing body of the county releasing the owner from the terms of the covenant. Such instrument shall be promptly recorded in the same manner as any other instrument affecting the title to real property. Upon obtaining the approval of the board for release, the property will be subject to a deferred tax liability. The release shall be made to the owner upon payment of the deferred tax liability. Any payment of the deferred tax liability shall be payable to the county tax collector within 90 days of the date of approval of the release by the board. The tax collector shall distribute the payment to each governmental unit in the proportion that its millage bears to the total millage levied on the parcel for the years in which the covenant was in effect.

(b) After a covenant executed pursuant to this section has expired, the property previously subject to the covenant will be subject to a deferred tax liability, payable as provided in paragraph (a), within 90 days of the date of such expiration.

(5) The governing body of any county which holds title to a development right pursuant to this section shall not convey that right to anyone and shall not exercise that right in any manner inconsistent with historic preservation. No property for which the development right has been conveyed to the governing body of the county shall be used for any purpose inconsistent with historic preservation or the historic qualities of the property.

(6)(a) Improved real property shall be qualified as historically significant only if:

1. The property is listed on the national register of historic places pursuant to the National Historic Preservation Act of 1966, as amended, 16 U.S.C. s. 470; or is within a certified locally ordinance district pursuant to s. 48(g)(3)(B)(ii), Internal Revenue Code; or has been found to be historically significant in accordance with the intent of and for purposes of this section by the Division of Historical Resources existing under chapter 267, or any successor agency, or by the historic preservation board existing under chapter 266, if any, in the jurisdiction of which the property lies; and

2. The owner of the property has applied to such division or board for qualification pursuant to this section.

(b) It is the legislative intent that property be qualified as historically significant pursuant to paragraph (a) only when it is of such unique or rare historic character or significance that a clear and substantial public benefit is provided by virtue of its preservation.

(7) A covenant executed pursuant to this section shall, at a minimum, contain the following restrictions:

(a) No use shall be made of the property which in the judgment of the covenantor or the division or board is inconsistent with the historic qualities of the property.

(b) In any restoration or repair of the property, the architectural features of the exterior shall be retained consistent with the historic qualities of the property.

(c) The property shall not be permitted to deteriorate and shall be maintained in good repair and condition to the extent necessary to preserve the historic value and significance of the property.

(d) The covenant shall include provisions for periodic access by the public to the property.

(8) For the purposes of this section, the term "deferred tax liability" means an amount equal to the difference between the total amount of taxes which would have been due in March in each of the previous years in which a covenant executed

and accepted pursuant to this section was in effect if the property had been assessed under the provisions of s. 193.011 irrespective of any negative impact on fair market value that restrictions imposed pursuant to this section may have caused and the total amount of taxes actually paid in those years, plus interest on that difference computed as provided in s. 212.12(3).

(9)(a) For the purposes of assessment roll preparation and recordkeeping, the property appraiser shall report the assessed value of property subject to a conveyance or covenant pursuant to this section as its "classified use value" and shall annually determine and report as "just value" the fair market value of such property irrespective of any negative impact that restrictions imposed or conveyances made pursuant to this section may have had on such value.

(b) The property appraiser shall annually report to the department the just value and classified use value of property for which the development right has been conveyed separately from such values for property subject to a covenant.

(c) The tax collector shall annually report to the department the amount of deferred tax liability collected pursuant to this section.

193.621 Assessment of pollution control devices.—

(1) If it becomes necessary for any person, firm or corporation owning or operating a manufacturing or industrial plant or installation to construct or install a facility, as is hereinafter defined, in order to eliminate or reduce industrial air or water pollution, any such facility or facilities shall be deemed to have value for purposes of assessment for ad valorem property taxes no greater than its market value as salvage. Any facility as herein defined heretofore constructed shall be assessed in accordance with this section.

(2) If the owner of any manufacturing or industrial plant or installation shall find it necessary in the control of industrial contaminants

Chapter 193, F.S. (2009)

to demolish and reconstruct that plant or installation in whole or part and the property appraiser determines that such demolition or reconstruction does not substantially increase the capacity or efficiency of such plant or installation or decrease the unit cost of production, then in that event, such demolition or reconstruction shall not be deemed to increase the value of such plant or installation for ad valorem tax assessment purposes.

(3) The terms “facility” or “facilities” as used in this section shall be deemed to include any device, fixture, equipment, or machinery used primarily for the control or abatement of pollution or contaminants from manufacturing or industrial plants or installations, but shall not include any public or private domestic sewerage system or treatment works.

(4) Any taxpayer claiming the right of assessments for ad valorem taxes under the provisions of this law shall so state in a return filed as provided by law giving a brief description of the facility. The property appraiser may require the taxpayer to produce such additional evidence as may be necessary to establish taxpayer’s right to have such properties classified hereunder for assessments.

(5) If a property appraiser is in doubt whether a taxpayer is entitled, in whole or in part, to an assessment under this section, he or she may refer the matter to the Department of Environmental Protection for a recommendation. If the property appraiser so refers the matter, he or she shall notify the taxpayer of such action. The Department of Environmental Protection shall immediately consider whether or not such taxpayer is so entitled and certify its recommendation to the property appraiser.

(6) The Department of Environmental Protection shall promulgate rules and regulations regarding the application of the tax assessment provisions of this section for the consideration of the several county property appraisers of this state. Such rules and regulations shall be distributed to the several county property appraisers of this state.

193.623 Assessment of building renovations for accessibility to the physically handicapped.—Any taxpayer who renovates an existing building or facility owned by such taxpayer in order to permit physically handicapped persons to enter and leave such building or facility or to have effective use of the accommodations and facilities therein shall, for the purpose of assessment for ad valorem tax purposes, be deemed not to have increased the value of such building more than the market value of the materials used in such renovation, valued as salvage materials. “Building or facility” shall mean only a building or facility, or such part thereof, as is intended to be used, and is used, by the general public. The renovation required in order to entitle a taxpayer to the benefits of this section must include one or more of the following: the provision of ground level or ramped entrances and washroom and toilet facilities accessible to, and usable by, physically handicapped persons.

History.—s. 1, ch. 76-144.

193.625 High-water recharge lands; classification and assessment.—

(1) Notwithstanding the provisions of s. 193.461, the property appraiser shall annually classify for assessment purposes all lands within a county choosing to have a high-water recharge protection tax assessment program as either agricultural, nonagricultural, or high-water recharge. The classification applies only to taxes levied by the counties and municipalities adopting an ordinance under subsection (5).

(2) Any landowner whose land is within a county that has a high-water recharge protection tax assessment program and whose land is denied high-water recharge classification by the property appraiser may appeal to the value adjustment board. The property appraiser shall notify the landowner in writing of the denial of high-water recharge classification on or before July 1 of the

Excerpt of Chapter 193, F.S. (2009)

year for which the application was filed. The notification must advise the landowner of a right to appeal to the value adjustment board and of the filing deadline. The board may also review all lands classified by the property appraiser upon its own motion. The property appraiser shall have available at her or his office a list by ownership of all applications received showing the acreage, the full valuation under s. 193.011, the valuation of the land under the provisions of this section, and whether or not the classification requested was granted.

(3)(a) Lands may not be classified as high-water recharge lands unless a return is filed on or before March 1 of each year. The property appraiser, before so classifying the lands, may require the taxpayer or the taxpayer's representative to furnish the property appraiser such information as may reasonably be required to establish that the lands were actually used for a bona fide high-water recharge purpose. Failure to make timely application by March 1 constitutes a waiver for 1 year of the privilege granted for high-water recharge assessment. The owner of land that was classified high-water recharge in the previous year and whose ownership or use has not changed may reapply on a short form as provided by the department. A county may, at the request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application or statement be made for classification of property within the county after an initial application is made and the classification granted.

(b) Subject to the restrictions set out in this section, only lands that are used primarily for bona fide high-water recharge purposes may be classified as high-water recharge. The term "bona fide high-water recharge purposes" means good faith high-water recharge use of the land. In determining whether the use of the land for high-water recharge purposes is bona fide, the following factors apply:

1. The land use must have been continuous.
2. The land use must be vacant residential, vacant commercial, vacant industrial, vacant

institutional, nonagricultural, or single-family residential. The maintenance of one single-family residential dwelling on part of the land does not in itself preclude a high-water recharge classification.

3. The land must be located within a prime groundwater recharge area or in an area considered by the appropriate water management district to supply significant groundwater recharge. Significant groundwater recharge shall be assessed by the appropriate water management district on the basis of hydrologic characteristics of the soils and underlying geologic formations.

4. The land must not be receiving any other special classification.

5. There must not be in the vicinity of the land any activity that has the potential to contaminate the ground water, including, but not limited to, the presence of:

- a. Toxic or hazardous substances;
- b. Free-flowing saline artesian wells;
- c. Drainage wells;
- d. Underground storage tanks; or
- e. Any potential pollution source existing on a property that drains to the property seeking the high-water recharge classification.

6. The owner of the property has entered into a contract with the county as provided in subsection (5).

7. The parcel of land must be at least 10 acres.

Notwithstanding the provisions of this paragraph, the property appraiser shall use the best available information on the high-water recharge characteristics of lands when making a final determination to grant or deny an application for high-water recharge assessment for the lands.

(4) The provisions of this section do not constitute a basis for zoning restrictions.

(5)(a) In years in which proper application for high-water recharge assessment has been made and granted under this section, for purposes of taxes levied by the county, the assessment of the land must be based on the formula adopted by the county as provided in paragraph (b).

Chapter 193, F.S. (2009)

(b) Counties that choose to have a high-water recharge protection tax assessment program must adopt by ordinance a formula for determining the assessment of properties classified as high-water recharge property and a method of contracting with property owners who wish to be involved in the program.

(c) The contract must include a provision that the land assessed as high-water recharge land will be used primarily for bona fide high-water recharge purposes for a period of at least 5 years, as determined by the county, from January 1 of the year in which the assessment is made. Violation of the contract results in the property owner being subject to the payment of the difference between the total amount of taxes actually paid on the property and the amount of taxes which would have been paid in each previous year the contract was in effect if the high-water recharge assessment had not been used.

(d) A municipality located in any county that adopts an ordinance under paragraph (a) may adopt an ordinance providing for the assessment of land located in the incorporated areas in accordance with the county's ordinance.

(e) Property owners whose land lies within an area determined to be a high-water recharge area must not be required to have their land assessed according to the high-water recharge classification.

(f) In years in which proper application for high-water recharge assessment has not been made, the land must be assessed under s. 193.011.

History.—s. 2, ch. 96-204; s. 27, ch. 97-96; s. 25, ch. 97-236; s. 3, ch. 2005-36.

193.6255 Applicability of duties of property appraisers and clerks of the court pursuant to high-water recharge areas.—The amendments to ss. 193.625 and 194.037 by this act, insofar as they impose duties on property appraisers and on clerks of the court, apply only to the unincorporated area within those counties that adopt an ordinance under s. 193.625(5). A municipality located in any county that adopts such an ordinance may include all eligible property for high-water recharge classification by ordinance adopted by the municipality's governing body.

History.—s. 9, ch. 96-204.

193.703 Reduction in assessment for living quarters of parents or grandparents.—

(1) In accordance with s. 4(e), Art. VII of the State Constitution, a county may provide for a reduction in the assessed value of homestead property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive parents or grandparents of the owner of the property or of the owner's spouse if at least one of the parents or grandparents for whom the living quarters are provided is at least 62 years of age.

(2) A reduction may be granted under subsection (1) only to the owner of homestead property where the construction or reconstruction is consistent with local land development regulations.

(3) A reduction in assessment which is granted under this section applies only to construction or reconstruction that occurred after the effective date of this section to an existing homestead and applies only during taxable years during which at least one such parent or grandparent maintains his or her primary place of residence in such living quarters within the homestead property of the owner.

(4) Such a reduction in assessment may be granted only upon an application filed annually with the county property appraiser. The application must be made before March 1 of the year for which the reduction is to be granted. If the property appraiser is satisfied that the property is entitled to a reduction in assessment under this section, the property appraiser shall approve the application, and the value of such residential improvements shall be excluded from the value of the property for purposes of ad valorem taxation. The value excluded may not exceed the lesser of the following:

(a) The increase in assessed value resulting from construction or reconstruction of the property; or

(b) Twenty percent of the total assessed value of the property as improved.

(5) If the owner of homestead property for which such a reduction in assessed value has been granted is found to have made any willfully false statement in the application for the reduction, the reduction shall be revoked, the owner is subject to a civil penalty of not more than \$1,000, and the owner shall be disqualified from receiving any such reduction for a period of 5 years.

(6) When the property owner no longer qualifies for the reduction in assessed value for living quarters of parents or grandparents, the previously excluded just value of such improvements as of the first January 1 after the improvements were substantially completed shall be added back to the assessed value of the property.

195.022 Forms to be prescribed by Department of Revenue.—The Department of Revenue shall prescribe all forms to be used by property appraisers, tax collectors, clerks of the circuit court, and **value adjustment boards** in administering and collecting ad valorem taxes. The department shall prescribe a form for each purpose. The county officer shall reproduce forms for distribution at the expense of his or her office. A county officer may use a form other than the form prescribed by the department upon obtaining written permission from the executive director of the department; however, a county officer may not use a form if the substantive content of the form varies from the form prescribed by the department for the same or a similar purpose. If the executive director finds good cause to grant such permission he or she may do so. The county officer may continue to use the approved form until the law that specifies the form is amended or repealed or until the officer receives written disapproval from the executive director. Otherwise, all such officers and their employees shall use the forms, and follow the instructions applicable to the forms, which are prescribed by the department. Upon request of any property appraiser or, in any event, at least once every 3 years, the department shall prescribe and furnish such aerial photographs and nonproperty ownership maps to the property appraisers as necessary to ensure that all real property within the state is properly listed on the

roll. All photographs and maps furnished to counties with a population of 25,000 or fewer shall be paid for by the department as provided by law. For counties with a population greater than 25,000, the department shall furnish such items at the property appraiser's expense. The department may incur reasonable expenses for procuring aerial photographs and nonproperty ownership maps and may charge a fee to the respective property appraiser equal to the cost incurred. The department shall deposit such fees into the Certification Program Trust Fund created pursuant to s. 195.002. There shall be a separate account in the trust fund for the aid and assistance activity of providing aerial photographs and nonproperty ownership maps to property appraisers. The department shall use money in the fund to pay such expenses. All forms and maps and instructions relating to their use must be substantially uniform throughout the state. An officer may employ supplemental forms and maps, at the expense of his or her office, which he or she deems expedient for the purpose of administering and collecting ad valorem taxes. The forms required in ss. 193.461(3)(a) and 196.011(1) for renewal purposes must require sufficient information for the property appraiser to evaluate the changes in use since the prior year. If the property appraiser determines, in the case of a taxpayer, that he or she has insufficient current information upon which to approve the exemption, or if the information on the renewal form is inadequate for him or her to evaluate the taxable status of the property, he or she may require the resubmission of an original application.

195.027 Rules and regulations.—

(1) The Department of Revenue shall prescribe reasonable rules and regulations for the assessing and collecting of taxes, and such rules and regulations shall be followed by the property appraisers, tax collectors, clerks of the circuit court, and **value adjustment boards**. It is hereby declared to be the legislative intent that the

department shall formulate such rules and regulations that property will be assessed, taxes will be collected, and the administration will be uniform, just, and otherwise in compliance with the requirements of the general law and the constitution.

(2) It is the legislative intent that all counties operate on computer programs that are substantially similar and produce data which are directly comparable. The rules and regulations shall prescribe uniform standards and procedures for computer programs and operations for all programs installed in any property appraiser's office. It is the legislative intent that the department shall require a high degree of uniformity so that data will be comparable among counties and that a single audit procedure will be practical for all property appraisers' offices.

(3) The rules and regulations shall provide procedures whereby the property appraiser, the Department of Revenue, and the Auditor General shall be able to obtain access, where necessary, to financial records relating to nonhomestead property which records are required to make a determination of the proper assessment as to the particular property in question. Access to a taxpayer's records shall be provided only in those instances in which it is determined that such records are necessary to determine either the classification or the value of the taxable nonhomestead property. Access shall be provided only to those records which pertain to the property physically located in the taxing county as of January 1 of each year and to the income from such property generated in the taxing county for the year in which a proper assessment is made. All records produced by the taxpayer under this subsection shall be deemed to be confidential in the hands of the property appraiser, the department, the tax collector, and the Auditor General and shall not be divulged to any person, firm, or corporation, except upon court order or order of an administrative body having quasi-judicial powers in ad valorem tax matters, and such records are exempt from the provisions of s. 119.07(1).

(4)(a) The rules and regulations prescribed by the department shall require a return of tangible personal property which shall include:

1. A general identification and description of the property or, when more than one item constitutes a class of similar items, a description of the class.

2. The location of such property.

3. The original cost of such property and, in the case of a class of similar items, the average cost.

4. The age of such property and, in the case of a class of similar items, the average age.

5. The condition, including functional and economic depreciation or obsolescence.

6. The taxpayer's estimate of fair market value.

(b) For purposes of this subsection, a class of property shall include only those items which are substantially similar in function and use. Nothing in this chapter shall authorize the department to prescribe a return requiring information other than that contained in this subsection; nor shall the department issue or promulgate any rule or regulation directing the assessment of property by the consideration of factors other than those enumerated in s. 193.011.

(5) The rules and regulations shall require that the property appraiser deliver copies of all pleadings in court proceedings in which his or her office is involved to the Department of Revenue.

(6) The fees and costs of the sale or purchase and terms of financing shall be presumed to be usual unless the buyer or seller or agent thereof files a form which discloses the unusual fees, costs, and terms of financing. Such form shall be filed with the clerk of the circuit court at the time of recording. The rules and regulations shall prescribe an information form to be used for this purpose. Either the buyer or the seller or the agent of either shall complete the information form and certify that the form is accurate to the best of his or her knowledge and belief. The information form shall be confidential in the hands of all persons after delivery to the clerk, except that the Department of Revenue and the Auditor General shall have access to it in the execution of their official duties, and such form is exempt from the

provisions of s. 119.07(1). The information form may be used in any judicial proceeding, upon a motion to produce duly made by any party to such proceedings. Failure of the clerk to obtain an information form with the recording shall not impair the validity of the recording or the conveyance. The form shall provide for a notation by the clerk indicating the book and page number of the conveyance in the official record books of the county. The clerk shall promptly deliver all information forms received to the property appraiser for his or her custody and use.

Note.—Former s. 195.042.

195.032 Establishment of standards of value.—In furtherance of the requirement set out in s. 195.002, the Department of Revenue shall establish and promulgate standard measures of value not inconsistent with those standards provided by law, to be used by property appraisers in all counties, including taxing districts, to aid and assist them in arriving at assessments of all property. The standard measures of value shall provide guidelines for the valuation of property and methods for property appraisers to employ in arriving at the just valuation of particular types of property consistent with ss. 193.011 and 193.461. The standard measures of value shall assist the property appraiser in the valuation of property and be deemed prima facie correct, but shall not be deemed to establish the just value of any property. However, the presumption of correctness accorded an assessment made by a property appraiser shall not be impugned merely because the standard measures of value do not establish the just value of any property.

History.—s. 38, ch. 70-243; s. 12, ch. 76-133; s. 9, ch. 76-234; s. 62, ch. 82-226.

195.062 Manual of instructions.—

(1) The department shall prepare and maintain a current manual of instructions for property appraisers and other officials connected

with the administration of property taxes. This manual shall contain all:

- (a) Rules and regulations.
- (b) Standard measures of value.
- (c) Forms and instructions relating to the use of forms and maps.

Consistent with s. 195.032, the standard measures of value shall be adopted in general conformity with the procedures set forth in s. 120.54, but shall not have the force or effect of such rules and shall be used only to assist tax officers in the assessment of property as provided by s. 195.002. Guidelines may be updated annually to incorporate new market data, which may be in tabular form, technical changes, changes indicated by established decisions of the Supreme Court, and, if a summary of justification is set forth in the notice required under s. 120.54, other changes relevant to appropriate assessment practices or standard measurement of value. Such new data may be incorporated into the guidelines on the approval of the executive director if after notice in substantial conformity with s. 120.54 there is no objection filed with the department within 45 days, and the procedures set forth in s. 120.54 do not apply.

(2) The department may also include in such manual any other information which it deems pertinent or helpful in the administration of taxes. Such manual shall instruct that the mere recordation of a plat on previously unplatted acreage shall not be construed as evidence of sufficient change in the character of the land to require reassessment until such time as development is begun on the platted acreage. Such manual shall be made available for distribution to the public at a nominal cost, to include cost of printing and circulation.

195.096 Review of assessment rolls.—

(1) The assessment rolls of each county shall be subject to review by the Department of Revenue.

(2) The department shall conduct, no less frequently than once every 2 years, an in-depth review of the assessment rolls of each county. The department need not individually study every use-class of property set forth in s. 195.073, but shall at a minimum study the level of assessment in relation to just value of each classification specified in subsection (3). Such in-depth review may include proceedings of the **value adjustment board** and the audit or review of procedures used by the counties to appraise property.

196.001 Property subject to taxation.—

Unless expressly exempted from taxation, the following property shall be subject to taxation in the manner provided by law:

(1) All real and personal property in this state and all personal property belonging to persons residing in this state; and

(2) All leasehold interests in property of the United States, of the state, or any political subdivision, municipality, agency, authority, or other public body corporate of the state.

History.—s. 16, ch. 71-133.

¹196.002 Legislative intent.—For the purposes of assessment roll recordkeeping and reporting, the exemptions authorized by each provision of this chapter shall be reported separately for each category of exemption in each such provision, both as to total value exempted and as to the number of exemptions granted.

History.—s. 8, ch. 79-332; s. 3, ch. 2007-339.

¹Note.—Section 1, ch. 2007-339, provides that:

“(1) The executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of implementing this act.

“(2) In anticipation of implementing this act, the executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of making necessary changes and preparations so that forms, methods, and data records, electronic or otherwise, are ready and in place if sections 3 through 9 and sections 10, 12, and 14...of this act become law.

“(3) Notwithstanding any other provision of law, such emergency rules shall remain in effect for 18 months after the date of adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.”

196.011 Annual application required for exemption.—

(1)(a) Every person or organization who, on January 1, has the legal title to real or personal property, except inventory, which is entitled by law to exemption from taxation as a result of its ownership and use shall, on or before March 1 of each year, file an application for exemption with the county property appraiser, listing and describing the property for which exemption is claimed and certifying its ownership and use. The Department of Revenue shall prescribe the forms upon which the application is made. Failure to make application, when required, on or before March 1 of any year shall constitute a waiver of the exemption privilege for that year, except as provided in subsection (7) or subsection (8).

(b) The form to apply for an exemption under s. 196.031, s. 196.081, s. 196.091, s. 196.101, or s. 196.202 must include a space for the applicant to list the social security number of the applicant and of the applicant’s spouse, if any. If an applicant files a timely and otherwise

Chapter 196, F.S. (2009)

complete application, and omits the required social security numbers, the application is incomplete. In that event, the property appraiser shall contact the applicant, who may refile a complete application by April 1. Failure to file a complete application by that date constitutes a waiver of the exemption privilege for that year, except as provided in subsection (7) or subsection (8).

(2) However, application for exemption will not be required on public roads rights-of-way and borrow pits owned, leased, or held for exclusive governmental use and benefit or on property owned and used exclusively by a municipality for municipal or public purposes in order for such property to be released from all ad valorem taxation.

(3) It shall not be necessary to make annual application for exemption on houses of public worship, the lots on which they are located, personal property located therein or thereon, parsonages, burial grounds and tombs owned by houses of public worship, individually owned burial rights not held for speculation, or other such property not rented or hired out for other than religious or educational purposes at any time; household goods and personal effects of permanent residents of this state; and property of the state or any county, any municipality, any school district, or community college district thereof.

(4) When any property has been determined to be fully exempt from taxation because of its exclusive use for religious, literary, scientific, or charitable purposes and the application for its exemption has met the criteria of s. 196.195, the property appraiser may accept, in lieu of the annual application for exemption, a statement certified under oath that there has been no change in the ownership and use of the property.

(5) The owner of property that received an exemption in the prior year, or a property owner who filed an original application that was denied in the prior year solely for not being timely filed, may reapply on a short form as provided by the department. The short form shall require the applicant to affirm that the use of the property and

his or her status as a permanent resident have not changed since the initial application.

¹(6)(a) Once an original application for tax exemption has been granted, in each succeeding year on or before February 1, the property appraiser shall mail a renewal application to the applicant, and the property appraiser shall accept from each such applicant a renewal application on a form prescribed by the Department of Revenue. Such renewal application shall be accepted as evidence of exemption by the property appraiser unless he or she denies the application. Upon denial, the property appraiser shall serve, on or before July 1 of each year, a notice setting forth the grounds for denial on the applicant by first-class mail. Any applicant objecting to such denial may file a petition as provided for in s. 194.011(3).

(b) Once an original application for tax exemption has been granted under s. 196.26, in each succeeding year on or before February 1, the property appraiser shall mail a renewal application to the applicant on a form prescribed by the Department of Revenue. The applicant must certify on the form that the use of the property complies with the restrictions and requirements of the conservation easement. The form shall include a statement that the exemption granted under s. 196.26 will not be renewed unless the application is returned to the property appraiser.

(7) The value adjustment board shall grant any exemption for an otherwise eligible applicant if the applicant can clearly document that failure to apply by March 1 was the result of postal error.

(8) Any applicant who is qualified to receive any exemption under subsection (1) and who fails to file an application by March 1, must file an application for the exemption with the property appraiser on or before the 25th day following the mailing by the property appraiser of the notices required under s. 194.011(1). Upon receipt of sufficient evidence, as determined by the property appraiser, demonstrating the applicant was unable to apply for the exemption in a timely manner or otherwise demonstrating extenuating circumstances judged by the property appraiser to warrant granting the exemption, the property appraiser may grant the exemption. If the

applicant fails to produce sufficient evidence demonstrating the applicant was unable to apply for the exemption in a timely manner or otherwise demonstrating extenuating circumstances as judged by the property appraiser, the applicant may file, pursuant to s. 194.011(3), a petition with the value adjustment board requesting that the exemption be granted. Such petition must be filed during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser as provided in s. 194.011(1). Notwithstanding the provisions of s. 194.013, such person must pay a nonrefundable fee of \$15 upon filing the petition. Upon reviewing the petition, if the person is qualified to receive the exemption and demonstrates particular extenuating circumstances judged by the value adjustment board to warrant granting the exemption, the value adjustment board may grant the exemption for the current year.

¹(9)(a) A county may, at the request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application or statement be made for exemption of property within the county after an initial application is made and the exemption granted. The waiver under this subsection of the annual application or statement requirement applies to all exemptions under this chapter except the exemption under s. 196.1995. Notwithstanding such waiver, refiling of an application or statement shall be required when any property granted an exemption is sold or otherwise disposed of, when the ownership changes in any manner, when the applicant for homestead exemption ceases to use the property as his or her homestead, or when the status of the owner changes so as to change the exempt status of the property. In its deliberations on whether to waive the annual application or statement requirement, the governing body shall consider the possibility of fraudulent exemption claims which may occur due to the waiver of the annual application requirement. The owner of any property granted an exemption who is not required to file an annual application or statement shall notify the property appraiser promptly whenever the use of the property or the status or condition of the owner changes so as to change the exempt

status of the property. If any property owner fails to so notify the property appraiser and the property appraiser determines that for any year within the prior 10 years the owner was not entitled to receive such exemption, the owner of the property is subject to the taxes exempted as a result of such failure plus 15 percent interest per annum and a penalty of 50 percent of the taxes exempted. Except for homestead exemptions controlled by s. 196.161, the property appraiser making such determination shall record in the public records of the county a notice of tax lien against any property owned by that person or entity in the county, and such property must be identified in the notice of tax lien. Such property is subject to the payment of all taxes and penalties. Such lien when filed shall attach to any property, identified in the notice of tax lien, owned by the person who illegally or improperly received the exemption. If such person no longer owns property in that county but owns property in some other county or counties in the state, the property appraiser shall record a notice of tax lien in such other county or counties, identifying the property owned by such person or entity in such county or counties, and it shall become a lien against such property in such county or counties.

(b) The owner of any property granted an exemption under s. 196.26 shall notify the property appraiser promptly whenever the use of the property no longer complies with the restrictions and requirements of the conservation easement. If the property owner fails to so notify the property appraiser and the property appraiser determines that for any year within the preceding 10 years the owner was not entitled to receive the exemption, the owner of the property is subject to taxes exempted as a result of the failure plus 18 percent interest per annum and a penalty of 100 percent of the taxes exempted. The provisions for tax liens in paragraph (a) apply to property granted an exemption under s. 196.26.

(c) A county may, at the request of the property appraiser and by a majority vote of its governing body, waive the requirement that an annual application be made for the veteran's disability discount granted pursuant to s. 6(g), Art. VII of the State Constitution after an initial

Chapter 196, F.S. (2009)

application is made and the discount granted. The disabled veteran receiving a discount for which annual application has been waived shall notify the property appraiser promptly whenever the use of the property or the percentage of disability to which the veteran is entitled changes. If a disabled veteran fails to notify the property appraiser and the property appraiser determines that for any year within the prior 10 years the veteran was not entitled to receive all or a portion of such discount, the penalties and processes in paragraph (a) relating to the failure to notify the property appraiser of ineligibility for an exemption shall apply.

(d) For any exemption under s. 196.101(2), the statement concerning gross income must be filed with the property appraiser not later than March 1 of every year.

(e) If an exemption for which the annual application is waived pursuant to this subsection will be denied by the property appraiser in the absence of the refiling of the application, notification of an intent to deny the exemption shall be mailed to the owner of the property prior to February 1. If the property appraiser fails to timely mail such notice, the application deadline for such property owner pursuant to subsection (1) shall be extended to 28 days after the date on which the property appraiser mails such notice.

(10) At the option of the property appraiser and notwithstanding any other provision of this section, initial or original applications for homestead exemption for the succeeding year may be accepted and granted after March 1. Reapplication on a short form as authorized by subsection (5) shall be required if the county has not waived the requirement of an annual application. Once the initial or original application and reapplication have been granted, the property may qualify for the exemption in each succeeding year pursuant to the provisions of subsection (6) or subsection (9).

(11) For exemptions enumerated in paragraph (1)(b), granted for the 2001 tax year and thereafter, social security numbers of the applicant and the applicant's spouse, if any, are required and must be submitted to the department. Applications filed pursuant to subsection (5) or subsection (6)

may be required to include social security numbers of the applicant and the applicant's spouse, if any, and shall include such information if filed for the 2001 tax year or thereafter. For counties where the annual application requirement has been waived, property appraisers may require refiling of an application to obtain such information.

(12) Notwithstanding subsection (1), when the owner of property otherwise entitled to a religious exemption from ad valorem taxation fails to timely file an application for exemption, and because of a misidentification of property ownership on the property tax roll the owner is not properly notified of the tax obligation by the property appraiser and the tax collector, the owner of the property may file an application for exemption with the property appraiser. The property appraiser must consider the application, and if he or she determines the owner of the property would have been entitled to the exemption had the property owner timely applied, the property appraiser must grant the exemption. Any taxes assessed on such property shall be canceled, and if paid, refunded. Any tax certificates outstanding on such property shall be canceled and refund made pursuant to s. 197.432(10).

196.012 Definitions.—For the purpose of this chapter, the following terms are defined as follows, except where the context clearly indicates otherwise:

(1) “Exempt use of property” or “use of property for exempt purposes” means predominant or exclusive use of property owned by an exempt entity for educational, literary, scientific, religious, charitable, or governmental purposes, as defined in this chapter.

(2) “Exclusive use of property” means use of property solely for exempt purposes. Such purposes may include more than one class of exempt use.

(3) “Predominant use of property” means use of property for exempt purposes in excess of 50 percent but less than exclusive.

(4) “Use” means the exercise of any right or power over real or personal property incident to the ownership of the property.

(5) “Educational institution” means a federal, state, parochial, church, or private school, college, or university conducting regular classes and courses of study required for eligibility to certification by, accreditation to, or membership in the State Department of Education of Florida, Southern Association of Colleges and Schools, or the Florida Council of Independent Schools; a nonprofit private school the principal activity of which is conducting regular classes and courses of study accepted for continuing postgraduate dental education credit by a board of the Division of Medical Quality Assurance; educational direct-support organizations created pursuant to ss. 1001.24, 1004.28, and 1004.70; facilities located on the property of eligible entities which will become owned by those entities on a date certain; and institutions of higher education, as defined under and participating in the Higher Educational Facilities Financing Act.

(6) Governmental, municipal, or public purpose or function shall be deemed to be served or performed when the lessee under any leasehold interest created in property of the United States, the state or any of its political subdivisions, or any municipality, agency, special district, authority, or other public body corporate of the state is demonstrated to perform a function or serve a governmental purpose which could properly be performed or served by an appropriate governmental unit or which is demonstrated to perform a function or serve a purpose which

would otherwise be a valid subject for the allocation of public funds. For purposes of the preceding sentence, an activity undertaken by a lessee which is permitted under the terms of its lease of real property designated as an aviation area on an airport layout plan which has been approved by the Federal Aviation Administration and which real property is used for the administration, operation, business offices and activities related specifically thereto in connection with the conduct of an aircraft full service fixed base operation which provides goods and services to the general aviation public in the promotion of air commerce shall be deemed an activity which serves a governmental, municipal, or public purpose or function. Any activity undertaken by a lessee which is permitted under the terms of its lease of real property designated as a public airport as defined in s. 332.004(14) by municipalities, agencies, special districts, authorities, or other public bodies corporate and public bodies politic of the state, a spaceport as defined in s. 331.303, or which is located in a deepwater port identified in s. 403.021(9)(b) and owned by one of the foregoing governmental units, subject to a leasehold or other possessory interest of a nongovernmental lessee that is deemed to perform an aviation, airport, aerospace, maritime, or port purpose or operation shall be deemed an activity that serves a governmental, municipal, or public purpose. The use by a lessee, licensee, or management company of real property or a portion thereof as a convention center, visitor center, sports facility with permanent seating, concert hall, arena, stadium, park, or beach is deemed a use that serves a governmental, municipal, or public purpose or function when access to the property is open to the general public with or without a charge for admission. If property deeded to a municipality by the United States is subject to a requirement that the Federal Government, through a schedule established by the Secretary of the Interior, determine that the property is being maintained for public historic preservation, park, or recreational purposes and if those conditions are not met the property will revert back to the Federal Government, then such property shall be deemed to serve a municipal or

Chapter 196, F.S. (2009)

public purpose. The term “governmental purpose” also includes a direct use of property on federal lands in connection with the Federal Government’s Space Exploration Program or spaceport activities as defined in s. 212.02(22). Real property and tangible personal property owned by the Federal Government or Space Florida and used for defense and space exploration purposes or which is put to a use in support thereof shall be deemed to perform an essential national governmental purpose and shall be exempt. “Owned by the lessee” as used in this chapter does not include personal property, buildings, or other real property improvements used for the administration, operation, business offices and activities related specifically thereto in connection with the conduct of an aircraft full service fixed based operation which provides goods and services to the general aviation public in the promotion of air commerce provided that the real property is designated as an aviation area on an airport layout plan approved by the Federal Aviation Administration. For purposes of determination of “ownership,” buildings and other real property improvements which will revert to the airport authority or other governmental unit upon expiration of the term of the lease shall be deemed “owned” by the governmental unit and not the lessee. Providing two-way telecommunications services to the public for hire by the use of a telecommunications facility, as defined in s. 364.02(15), and for which a certificate is required under chapter 364 does not constitute an exempt use for purposes of s. 196.199, unless the telecommunications services are provided by the operator of a public-use airport, as defined in s. 332.004, for the operator’s provision of telecommunications services for the airport or its tenants, concessionaires, or licensees, or unless the telecommunications services are provided by a public hospital.

(7) “Charitable purpose” means a function or service which is of such a community service that its discontinuance could legally result in the allocation of public funds for the continuance of the function or service. It is not necessary that public funds be allocated for such function or

service but only that any such allocation would be legal.

(8) “Hospital” means an institution which possesses a valid license granted under chapter 395 on January 1 of the year for which exemption from ad valorem taxation is requested.

(9) “Nursing home” or “home for special services” means an institution which possesses a valid license under chapter 400 on January 1 of the year for which exemption from ad valorem taxation is requested.

Gross income specifically does not include payments made for the medical care of the individual, return of principal on the sale of a home, social security benefits, or public assistance payments payable to the person or assigned to an organization designated specifically for the support or benefit of that person.

(11) “Totally and permanently disabled person” means a person who is currently certified by two licensed physicians of this state who are professionally unrelated, by the United States Department of Veterans Affairs or its predecessor, or by the Social Security Administration, to be totally and permanently disabled.

(12) “Couple” means a husband and wife legally married under the laws of any state or territorial possession of the United States or of any foreign country.

(13) “Real estate used and owned as a homestead” means real property to the extent provided in s. 6(a), Art. VII of the State Constitution, but less any portion thereof used for commercial purposes, with the title of such property being recorded in the official records of the county in which the property is located. Property rented for more than 6 months is presumed to be used for commercial purposes.

(14) “Renewable energy source device” or “device” means any of the following equipment which, when installed in connection with a dwelling unit or other structure, collects, transmits, stores, or uses solar energy, wind energy, or energy derived from geothermal deposits:

- (a) Solar energy collectors.

2. A business establishing 25 or more jobs to employ 25 or more full-time employees in this state, the sales factor of which, as defined by s. 220.15(5), for the facility with respect to which it requests an economic development ad valorem tax exemption is less than 0.50 for each year the exemption is claimed; or

3. An office space in this state owned and used by a corporation newly domiciled in this state; provided such office space houses 50 or more full-time employees of such corporation; provided that such business or office first begins operation on a site clearly separate from any other

(b) Any business located in an enterprise zone or brownfield area that first begins operation on a site clearly separate from any other commercial or industrial operation owned by the same business.

2. A business establishing 25 or more jobs to employ 25 or more full-time employees in this state, the sales factor of which, as defined by s. 220.15(5), for the facility with respect to which it requests an economic development ad valorem tax exemption is less than 0.50 for each year the exemption is claimed; provided that such business increases operations on a site colocated with a commercial or industrial operation owned by the same business, resulting in a net increase in employment of not less than 10 percent or an increase in productive output of not less than 10 percent.

(b) Any business located in an enterprise zone or brownfield area that increases operations on a site colocated with a commercial or industrial operation owned by the same business.

196.015 Permanent residency; factual determination by property appraiser.

Intention to establish a permanent residence in this state is a factual determination to be made, in the first instance, by the property appraiser. Although any one factor is not conclusive of the establishment or nonestablishment of permanent residence, the following are relevant factors that may be considered by the property appraiser in making his or her determination as to the intent of a person claiming a homestead exemption to establish a permanent residence in this state:

(1) A formal declaration of domicile by the applicant recorded in the public records of the county in which the exemption is being sought.

(2) Evidence of the location where the applicant’s dependent children are registered for school.

(3) The place of employment of the applicant.

(4) The previous permanent residency by the applicant in a state other than Florida or in another country and the date non-Florida residency was terminated.

(5) Proof of voter registration in this state with the voter information card address of the applicant, or other official correspondence from the supervisor of elections providing proof of voter registration, matching the address of the physical location where the exemption is being sought.

(6) A valid Florida driver’s license issued under s. 322.18 or a valid Florida identification card issued under s. 322.051 and evidence of relinquishment of driver’s licenses from any other states.

(7) Issuance of a Florida license tag on any motor vehicle owned by the applicant.

(8) The address as listed on federal income tax returns filed by the applicant.

(9) The location where the applicant’s bank statements and checking accounts are registered.

(10) Proof of payment for utilities at the property for which permanent residency is being claimed.

196.021 Tax returns to show all exemptions and claims.

In making tangible personal property tax returns under this chapter it shall be the duty of the taxpayer to completely disclose and claim any and all lawful or constitutional exemptions from taxation to which the taxpayer may be entitled or which he or she may desire to claim in respect to taxable tangible personal property. The failure to disclose and include such exemptions, if any, in a tangible personal property tax return made under this chapter shall be deemed a waiver of the same on the part of the taxpayer and no such exemption or claim thereof shall thereafter be allowed for that tax year.

¹196.031 Exemption of homesteads.

(1)(a) Every person who, on January 1, has the legal title or beneficial title in equity to real property in this state and who resides thereon and in good faith makes the same his or her permanent

residence, or the permanent residence of another or others legally or naturally dependent upon such person, is entitled to an exemption from all taxation, except for assessments for special benefits, up to the assessed valuation of \$25,000 on the residence and contiguous real property, as defined in s. 6, Art. VII of the State Constitution. Such title may be held by the entirety, jointly, or in common with others, and the exemption may be apportioned among such of the owners as shall reside thereon, as their respective interests shall appear. If only one of the owners of an estate held by the entirety or held jointly with the right of survivorship resides on the property, that owner is allowed an exemption of up to the assessed valuation of \$25,000 on the residence and contiguous real property. However, no such exemption of more than \$25,000 is allowed to any one person or on any one dwelling house, except that an exemption up to the assessed valuation of \$25,000 may be allowed on each apartment or mobile home occupied by a tenant-stockholder or member of a cooperative corporation and on each condominium parcel occupied by its owner. Except for owners of an estate held by the entirety or held jointly with the right of survivorship, the amount of the exemption may not exceed the proportionate assessed valuation of all owners who reside on the property. Before such exemption may be granted, the deed or instrument shall be recorded in the official records of the county in which the property is located. The property appraiser may request the applicant to provide additional ownership documents to establish title.

(b) Every person who qualifies to receive the exemption provided in paragraph (a) is entitled to an additional exemption of up to \$25,000 on the assessed valuation greater than \$50,000 for all levies other than school district levies.

(2) As used in subsection (1), the term “cooperative corporation” means a corporation, whether for profit or not for profit, organized for the purpose of owning, maintaining, and operating an apartment building or apartment buildings or a mobile home park to be occupied by its stockholders or members; and the term “tenant-stockholder or member” means an individual who

is entitled, solely by reason of his or her ownership of stock or membership in a cooperative corporation, as evidenced in the official records of the office of the clerk of the circuit court of the county in which the apartment building is located, to occupy for dwelling purposes an apartment in a building owned by such corporation or to occupy for dwelling purposes a mobile home which is on or a part of a cooperative unit. A corporation leasing land for a term of 98 years or more for the purpose of maintaining and operating a cooperative thereon shall be deemed the owner for purposes of this exemption.

(3) The exemption provided in this section does not apply with respect to the assessment roll of a county unless and until the roll of that county has been approved by the executive director pursuant to s. 193.1142.

(4) The exemption provided in this section applies only to those parcels classified and assessed as owner-occupied residential property or only to the portion of property so classified and assessed.

(5) A person who is receiving or claiming the benefit of an ad valorem tax exemption or a tax credit in another state where permanent residency is required as a basis for the granting of that ad valorem tax exemption or tax credit is not entitled to the homestead exemption provided by this section. This subsection does not apply to a person who has the legal or equitable title to real estate in Florida and maintains thereon the permanent residence of another legally or naturally dependent upon the owner.

(6) When homestead property is damaged or destroyed by misfortune or calamity and the property is uninhabitable on January 1 after the damage or destruction occurs, the homestead exemption may be granted if the property is otherwise qualified and if the property owner notifies the property appraiser that he or she intends to repair or rebuild the property and live in the property as his or her primary residence after the property is repaired or rebuilt and does not claim a homestead exemption on any other property or otherwise violate this section. Failure by the property owner to commence the repair or

Chapter 196, F.S. (2009)

rebuilding of the homestead property within 3 years after January 1 following the property's damage or destruction constitutes abandonment of the property as a homestead.

²(7) The exemptions provided in paragraphs (1)(a) and (b) and other homestead exemptions shall be applied as follows:

(a) The exemption in paragraph (1)(a) shall apply to the first \$25,000 of assessed value;

(b) The second \$25,000 of assessed value shall be taxable unless other exemptions, as listed in paragraph (d), are applicable in the order listed;

(c) The additional homestead exemption in paragraph (1)(b), for levies other than school district levies, shall be applied to the assessed value greater than \$50,000 before any other exemptions are applied to that assessed value; and

(d) Other exemptions include and shall be applied in the following order: widows, widowers, blind persons, and disabled persons, as provided in s. 196.202; disabled ex-servicemembers and surviving spouses, as provided in s. 196.24, applicable to all levies; the local option low-income senior exemption up to \$50,000, applicable to county levies or municipal levies, as provided in s. 196.075; and the veterans percentage discount, as provided in s. 196.082.

“(2) In anticipation of implementing this act, the executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of making necessary changes and preparations so that forms, methods, and data records, electronic or otherwise, are ready and in place if sections 3 through 9 and sections 10, 12, and 14...of this act become law.

“(3) Notwithstanding any other provision of law, such emergency rules shall remain in effect for 18 months after the date of adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.”

196.041 Extent of homestead exemptions.—

(1) Vendees in possession of real estate under bona fide contracts to purchase when such instruments, under which they claim title, are recorded in the office of the clerk of the circuit court where said properties lie, and who reside thereon in good faith and make the same their permanent residence; persons residing on real estate by virtue of dower or other estates therein limited in time by deed, will, jointure, or settlement; and lessees owning the leasehold interest in a bona fide lease having an original term of 98 years or more in a residential parcel or in a condominium parcel as defined in chapter 718, or persons holding leases of 50 years or more, existing prior to June 19, 1973, for the purpose of homestead exemptions from ad valorem taxes and no other purpose, shall be deemed to have legal or beneficial and equitable title to said property. In addition, a tenant-stockholder or member of a cooperative apartment corporation who is entitled solely by reason of ownership of stock or membership in the corporation to occupy for dwelling purposes an apartment in a building owned by the corporation, for the purpose of homestead exemption from ad valorem taxes and for no other purpose, is deemed to have beneficial title in equity to said apartment and a proportionate share of the land on which the building is situated.

(2) A person who otherwise qualifies by the required residence for the homestead tax

exemption provided in s. 196.031 shall be entitled to such exemption where the person's possessory right in such real property is based upon an instrument granting to him or her a beneficial interest for life, such interest being hereby declared to be "equitable title to real estate," as that term is employed in s. 6, Art. VII of the State Constitution; and such person shall be entitled to the homestead tax exemption irrespective of whether such interest was created prior or subsequent to the effective date of this act.

Note.—Former s. 192.13.

196.061 Rental of homestead to constitute abandonment.—The rental of an entire dwelling previously claimed to be a homestead for tax purposes shall constitute the abandonment of said dwelling as a homestead, and said abandonment shall continue until such dwelling is physically occupied by the owner thereof. However, such abandonment of such homestead after January 1 of any year shall not affect the homestead exemption for tax purposes for that particular year so long as this provision is not used for 2 consecutive years. The provisions of this section shall not apply to a member of the Armed Forces of the United States whose service in such forces is the result of a mandatory obligation imposed by the federal Selective Service Act or who volunteers for service as a member of the Armed Forces of the United States.

History.—s. 1, ch. 59-270; s. 1, ch. 67-459; ss. 1, 2, ch. 69-55; s. 5, ch. 95-404; s. 8, ch. 96-397.

196.071 Homestead exemptions; claims by members of armed forces.—Every person who is entitled to homestead exemption in this state and who is serving in any branch of the Armed Forces of the United States, shall file a claim for such exemption as required by law, either in person, or, if by reason of such service he or she is unable to file such claim in person he or she may file such claim through his or her next of kin or through any

other person he or she may duly authorize in writing to file such claim.

196.075 Additional homestead exemption for persons 65 and older.—

(1) As used in this section, the term:

(a) "Household" means a person or group of persons living together in a room or group of rooms as a housing unit, but the term does not include persons boarding in or renting a portion of the dwelling.

(b) "Household income" means the adjusted gross income, as defined in s. 62 of the United States Internal Revenue Code, of all members of a household.

(2) In accordance with s. 6(f), Art. VII of the State Constitution, the board of county commissioners of any county or the governing authority of any municipality may adopt an ordinance to allow an additional homestead exemption of up to \$50,000 for any person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, who has attained age 65, and whose household income does not exceed \$20,000.

(3) Beginning January 1, 2001, the \$20,000 income limitation shall be adjusted annually, on January 1, by the percentage change in the average cost-of-living index in the period January 1 through December 31 of the immediate prior year compared with the same period for the year prior to that. The index is the average of the monthly consumer-price-index figures for the stated 12-month period, relative to the United States as a whole, issued by the United States Department of Labor.

(4) An ordinance granting additional homestead exemption as authorized by this section must meet the following requirements:

(a) It must be adopted under the procedures for adoption of a nonemergency ordinance specified in chapter 125 by a board of county commissioners, or chapter 166 by a municipal governing authority.

Chapter 196, F.S. (2009)

(b) It must specify that the exemption applies only to taxes levied by the unit of government granting the exemption. Unless otherwise specified by the county or municipality, this exemption will apply to all tax levies of the county or municipality granting the exemption, including dependent special districts and municipal service taxing units.

(c) It must specify the amount of the exemption, which may not exceed \$50,000. If the county or municipality specifies a different exemption amount for dependent special districts or municipal service taxing units, the exemption amount must be uniform in all dependent special districts or municipal service taxing units within the county or municipality.

(d) It must require that a taxpayer claiming the exemption annually submit to the property appraiser, not later than March 1, a sworn statement of household income on a form prescribed by the Department of Revenue.

(5) The department must require by rule that the filing of the statement be supported by copies of any federal income tax returns for the prior year, any wage and earnings statements (W-2 forms), any request for an extension of time to file returns, and any other documents it finds necessary, for each member of the household, to be submitted for inspection by the property appraiser. The taxpayer's sworn statement shall attest to the accuracy of the documents and grant permission to allow review of the documents if requested by the property appraiser. Submission of supporting documentation is not required for the renewal of an exemption under this section unless the property appraiser requests such documentation. Once the documents have been inspected by the property appraiser, they shall be returned to the taxpayer or otherwise destroyed. The property appraiser is authorized to generate random audits of the taxpayers' sworn statements to ensure the accuracy of the household income reported. If so selected for audit, a taxpayer shall execute Internal Revenue Service Form 8821 or 4506, which authorizes the Internal Revenue Service to release tax information to the property appraiser's office. All reviews conducted in accordance with this section shall be completed on

or before June 1. The property appraiser may not grant or renew the exemption if the required documentation requested is not provided.

(6) The board of county commissioners or municipal governing authority must deliver a copy of any ordinance adopted under this section to the property appraiser no later than December 1 of the year prior to the year the exemption will take effect. If the ordinance is repealed, the board of county commissioners or municipal governing authority shall notify the property appraiser no later than December 1 of the year prior to the year the exemption expires.

(7) Those persons entitled to the homestead exemption in s. 196.031 may apply for and receive an additional homestead exemption as provided in this section. Receipt of the additional homestead exemption provided for in this section shall be subject to the provisions of ss. 196.131 and 196.161, if applicable.

(8) If title is held jointly with right of survivorship, the person residing on the property and otherwise qualifying may receive the entire amount of the additional homestead exemption.

(9) If the property appraiser determines that for any year within the immediately previous 10 years a person who was not entitled to the additional homestead exemption under this section was granted such an exemption, the property appraiser shall serve upon the owner a notice of intent to record in the public records of the county a notice of tax lien against any property owned by that person in the county, and that property must be identified in the notice of tax lien. Any property that is owned by the taxpayer and is situated in this state is subject to the taxes exempted by the improper homestead exemption, plus a penalty of 50 percent of the unpaid taxes for each year and interest at a rate of 15 percent per annum. However, if such an exemption is improperly granted as a result of a clerical mistake or omission by the property appraiser, the person who improperly received the exemption may not be assessed a penalty and interest. Before any such lien may be filed, the owner must be given 30 days within which to pay the taxes, penalties, and interest. Such a lien is subject to the procedures and provisions set forth in s. 196.161(3).

196.081 Exemption for certain permanently and totally disabled veterans and for surviving spouses of veterans.—

(1) Any real estate that is owned and used as a homestead by a veteran who was honorably discharged with a service-connected total and permanent disability and for whom a letter from the United States Government or United States Department of Veterans Affairs or its predecessor has been issued certifying that the veteran is totally and permanently disabled is exempt from taxation, if the veteran is a permanent resident of this state on January 1 of the tax year for which exemption is being claimed or was a permanent resident of this state on January 1 of the year the veteran died.

(2) The production by a veteran or the spouse or surviving spouse of a letter of total and permanent disability from the United States Government or United States Department of Veterans Affairs or its predecessor before the property appraiser of the county in which property of the veteran lies is prima facie evidence of the fact that the veteran or the surviving spouse is entitled to the exemption.

(3) If the totally and permanently disabled veteran predeceases his or her spouse and if, upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides thereon as specified in s. 196.031, the exemption from taxation carries over to the benefit of the veteran's spouse until such time as he or she remarries or sells or otherwise disposes of the property. If the spouse sells the property, an exemption not to exceed the amount granted from the most recent ad valorem tax roll may be transferred to his or her new residence, as long as it is used as his or her primary residence and he or she does not remarry.

(4)(a) Any real estate that is owned and used as a homestead by the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and for whom a letter from the United States Government or United States

Department of Veterans Affairs or its predecessor has been issued certifying that the veteran who died from service-connected causes while on active duty is exempt from taxation if the veteran was a permanent resident of this state on January 1 of the year in which the veteran died.

(b) The production by the surviving spouse of a letter that was issued as required under paragraph (a) and that attests the veteran's death while on active duty is prima facie evidence of the fact that the surviving spouse is entitled to an exemption under paragraph (a).

(c) The tax exemption that applies under paragraph (a) to the surviving spouse carries over to the benefit of the veteran's surviving spouse as long as the spouse holds the legal or beneficial title to the homestead, permanently resides thereon as specified in s. 196.031, and does not remarry. If the surviving spouse sells the property, an exemption not to exceed the amount granted from the most recent ad valorem tax roll may be transferred to his or her new residence as long as it is used as his or her primary residence and he or she does not remarry.

196.082 Discounts for disabled veterans.—

(1) Each veteran who is age 65 or older and is partially or totally permanently disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property that the veteran owns and resides in if:

(a) The disability was combat-related;

(b) The veteran was a resident of this state at the time of entering the military service of the United States; and

(c) The veteran was honorably discharged upon separation from military service.

(2) The discount shall be in a percentage equal to the percentage of the veteran's permanent, service-connected disability as determined by the United States Department of Veterans Affairs.

Chapter 196, F.S. (2009)

(3) To qualify for the discount granted under this section, an applicant must submit to the county property appraiser by March 1:

(a) Proof of residency at the time of entering military service;

(b) An official letter from the United States Department of Veterans Affairs which states the percentage of the veteran's service-connected disability and evidence that reasonably identifies the disability as combat-related;

(c) A copy of the veteran's honorable discharge; and

(d) Proof of age as of January 1 of the year to which the discount will apply.

Any applicant who is qualified to receive a discount under this section and who fails to file an application by March 1 may file an application for the discount and may file, pursuant to s. 194.011(3), a petition with the value adjustment board requesting that the discount be granted. Such application and petition shall be subject to the same procedures as for exemptions set forth in s. 196.011(8).

(4) If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing, stating the reasons for denial, on or before July 1 of the year for which the application was filed. The applicant may reapply for the discount in a subsequent year using the procedure in this section. All notifications must specify the right to appeal to the value adjustment board and the procedures to follow in obtaining such an appeal under s. 196.193(5).

(5) The property appraiser shall apply the discount by reducing the taxable value before certifying the tax roll to the tax collector.

(a) The property appraiser shall first ascertain all other applicable exemptions, including exemptions provided pursuant to local option, and deduct all other exemptions from the assessed value.

(b) The percentage discount portion of the remaining value which is attributable to service-connected disabilities shall be subtracted to yield the discounted taxable value.

(c) The resulting taxable value shall be included in the certification for use by taxing authorities in setting millage.

(d) The property appraiser shall place the discounted amount on the tax roll when it is extended.

History.—s. 1, ch. 2007-36.

196.091 Exemption for disabled veterans confined to wheelchairs.—

(1) Any real estate used and owned as a homestead by an ex-servicemember who has been honorably discharged with a service-connected total disability and who has a certificate from the United States Government or United States Department of Veterans Affairs or its predecessor, or its successors, certifying that the ex-servicemember is receiving or has received special pecuniary assistance due to disability requiring specially adapted housing and required to use a wheelchair for his or her transportation is exempt from taxation.

(2) The production by an ex-servicemember of a certificate of disability from the United States Government or the United States Department of Veterans Affairs or its predecessor before the property appraiser of the county wherein his or her property lies is prima facie evidence of the fact that he or she is entitled to such exemptions.

(3) In the event the homestead of the wheelchair veteran was or is held with the veteran's spouse as an estate by the entirety, and in the event the veteran did or shall predecease his or her spouse, the exemption from taxation shall carry over to the benefit of the veteran's spouse, provided the spouse continues to reside on such real estate and uses it as his or her domicile or until such time as he or she remarries or sells or otherwise disposes of the property.

The child care center shall be responsible for forwarding all application materials to the governing body or enterprise zone development agency.

(1) Any real estate used and owned as a homestead by any quadriplegic is exempt from taxation.

The index is the average of the monthly consumer price index figures for the stated 12-month period, relative to the United States as a whole, issued by the United States Department of Labor.

(c) The department shall require by rule that the taxpayer annually submit a sworn statement of gross income, pursuant to paragraph (a). The department shall require that the filing of such statement be accompanied by copies of federal income tax returns for the prior year, wage and earnings statements (W-2 forms), and other documents it deems necessary, for each member of the household. The taxpayer’s statement shall attest to the accuracy of such copies. The department shall prescribe and furnish a form to be used for this purpose which form shall include spaces for a separate listing of United States Department of Veterans Affairs benefits and social security benefits. All records produced by the taxpayer under this paragraph are confidential in the hands of the property appraiser, the department, the tax collector, the Auditor General, and the Office of Program Policy Analysis and Government Accountability and shall not be divulged to any person, firm, or corporation

196.141 Homestead exemptions; duty of property appraiser.—The property appraiser shall examine each claim for exemption filed with or referred to him or her and shall allow the same, if found to be in accordance with law, by marking the same approved and by making the proper deductions on the tax books.

196.151 Homestead exemptions; approval, refusal, hearings.—The property appraisers of the counties of the state shall, as soon as practicable after March 1 of each current year and on or before July 1 of that year, carefully consider all applications for tax exemptions that have been filed in their respective offices on or before March 1 of that year. If, upon investigation, the property appraiser finds that the applicant is entitled to the tax exemption applied for under the law, he or she shall make such entries upon the tax rolls of the county as are necessary to allow the exemption to the applicant. If, after due consideration, the property appraiser finds that the applicant is not entitled under the law to the exemption asked for, he or she shall immediately make out a notice of such disapproval, giving his or her reasons therefor, a copy of which notice must be served upon the applicant by the property appraiser either by personal delivery or by registered mail to the post office address given by the applicant. The applicant may appeal to the value adjustment board the decision of the property appraiser refusing to allow the exemption for which application was made, and the board shall review the application and evidence presented to the property appraiser upon which the applicant based the claim for exemption and shall hear the applicant in person or by agent on behalf of his or

her right to such exemption. The value adjustment board shall reverse the decision of the property appraiser in the cause and grant exemption to the applicant if in its judgment the applicant is entitled thereto or shall affirm the decision of the property appraiser. The action of the board is final in the cause unless the applicant shall, within 15 days from the date of refusal of the application by the board, file in the circuit court of the county in which the homestead is situated a proceeding against the property appraiser for a declaratory judgment as is provided by chapter 86 or other appropriate proceeding. The failure of the taxpayer to appear before the property appraiser or value adjustment board or to file any paper other than the application above provided does not constitute any bar or defense to the proceedings.

196.161 Homestead exemptions; lien imposed on property of person claiming exemption although not a permanent resident.—

(1)(a) When the estate of any person is being probated or administered in another state under an allegation that such person was a resident of that state and the estate of such person contains real property situate in this state upon which homestead exemption has been allowed pursuant to s. 196.031 for any year or years within 10 years immediately prior to the death of the deceased, then within 3 years after the death of such person the property appraiser of the county where the real property is located shall, upon knowledge of such fact, record a notice of tax lien against the property among the public records of that county, and the property shall be subject to the payment of all taxes exempt thereunder, a penalty of 50 percent of the unpaid taxes for each year, plus 15 percent interest per year, unless the circuit court having jurisdiction over the ancillary administration in this state determines that the decedent was a permanent resident of this state during the year or years an exemption was allowed, whereupon the lien shall not be filed or,

if filed, shall be canceled of record by the property appraiser of the county where the real estate is located.

(b) In addition, upon determination by the property appraiser that for any year or years within the prior 10 years a person who was not entitled to a homestead exemption was granted a homestead exemption from ad valorem taxes, it shall be the duty of the property appraiser making such determination to serve upon the owner a notice of intent to record in the public records of the county a notice of tax lien against any property owned by that person in the county, and such property shall be identified in the notice of tax lien. Such property which is situated in this state shall be subject to the taxes exempted thereby, plus a penalty of 50 percent of the unpaid taxes for each year and 15 percent interest per annum. However, if a homestead exemption is improperly granted as a result of a clerical mistake or an omission by the property appraiser, the person improperly receiving the exemption shall not be assessed penalty and interest. Before any such lien may be filed, the owner so notified must be given 30 days to pay the taxes, penalties, and interest.

(2) The collection of the taxes provided in this section shall be in the same manner as existing ad valorem taxes, and the above procedure of recapturing such taxes shall be supplemental to any existing provision under the laws of this state.

(3) The lien herein provided shall not attach to the property until the notice of tax lien is filed among the public records of the county where the property is located. Prior to the filing of such notice of lien, any purchaser for value of the subject property shall take free and clear of such lien. Such lien when filed shall attach to any property which is identified in the notice of lien and is owned by the person who illegally or improperly received the homestead exemption. Should such person no longer own property in the county, but own property in some other county or counties in the state, it shall be the duty of the property appraiser to record a notice of tax lien in such other county or counties, identifying the property owned by such person in such county or

counties, and it shall become a lien against such property in such county or counties.

196.175 Renewable energy source exemption.—

(1) Improved real property upon which a renewable energy source device is installed and operated shall be entitled to an exemption in the amount of the original cost of the device, including the installation cost thereof, but excluding the cost of replacing previously existing property removed or improved in the course of such installation.

(2) The exempt amount authorized under subsection (1) shall apply in full if the device was installed and operative throughout the 12-month period preceding January 1 of the year of application for this exemption. If the device was operative for a portion of that period, the exempt amount authorized under this section shall be reduced proportionally.

(3) It shall be the responsibility of the applicant for an exemption pursuant to this section to demonstrate affirmatively to the satisfaction of the property appraiser that he or she meets the requirements for exemption under this section and that the original cost and the period for which the device was operative, as indicated on the exemption application, are correct.

(4) No exemption authorized pursuant to this section shall be granted for a period of more than 10 years. No exemption shall be granted with respect to renewable energy source devices installed before January 1, 2009.

196.181 Exemption of household goods and personal effects.—There shall be exempt from taxation to every person residing and making his or her permanent home in this state household goods and personal effects. Title to such household goods and personal effects may be held individually, by the entireties, jointly or in common with others.

History.—ss. 1, 3, ch. 29743, 1955; s. 1, ch. 67-378; ss. 1, 2, ch. 69-55.

Note.—Former s. 192.201.

¹196.183 Exemption for tangible personal property.—

(1) Each tangible personal property tax return is eligible for an exemption from ad valorem taxation of up to \$25,000 of assessed value. A single return must be filed for each site in the county where the owner of tangible personal property transacts business. Owners of freestanding property placed at multiple sites, other than sites where the owner transacts business, must file a single return, including all such property located in the county. Freestanding property placed at multiple sites includes vending and amusement machines, LP/propane tanks, utility and cable company property, billboards, leased equipment, and similar property that is not customarily located in the offices, stores, or plants of the owner, but is placed throughout the county. Railroads, private carriers, and other companies assessed pursuant to s. 193.085 shall be allowed one \$25,000 exemption for each county to which the value of their property is allocated. The \$25,000 exemption for freestanding property placed at multiple locations and for centrally assessed property shall be allocated to each taxing authority based on the proportion of just value of such property located in the taxing authority; however, the amount of the exemption allocated to each taxing authority may not change following the extension of the tax roll pursuant to s. 193.122.

(2) For purposes of this section, a “site where the owner of tangible personal property transacts business” includes facilities where the business ships or receives goods, employees of the business are located, goods or equipment of the business are stored, or goods or services of the

business are produced, manufactured, or developed, or similar facilities located in offices, stores, warehouses, plants, or other locations of the business. Sites where only the freestanding property of the owner is located shall not be considered sites where the owner of tangible personal property transacts business.

(3) The requirement that an annual tangible personal property tax return pursuant to s. 193.052 be filed for taxpayers owning taxable property the value of which, as listed on the return, does not exceed the exemption provided in this section is waived. In order to qualify for this waiver, a taxpayer must file an initial return on which the exemption is taken. If, in subsequent years, the taxpayer owns taxable property the value of which, as listed on the return, exceeds the exemption, the taxpayer is obligated to file a return. The taxpayer may again qualify for the waiver only after filing a return on which the value as listed on the return does not exceed the exemption. A return filed or required to be filed shall be considered an application filed or required to be filed for the exemption under this section.

(4) Owners of property previously assessed by the property appraiser without a return being filed may, at the option of the property appraiser, qualify for the exemption under this section without filing an initial return.

(5) The exemption provided in this section does not apply in any year a taxpayer fails to timely file a return that is not waived pursuant to subsection (3) or subsection (4). Any taxpayer who received a waiver pursuant to subsection (3) or subsection (4) and who owns taxable property the value of which, as listed on the return, exceeds the exemption in a subsequent year and who fails to file a return with the property appraiser is subject to the penalty contained in s. 193.072(1)(a) calculated without the benefit of the exemption pursuant to this section. Any taxpayer claiming more exemptions than allowed pursuant to subsection (1) is subject to the taxes exempted as a result of wrongfully claiming the additional exemptions plus 15 percent interest per annum and a penalty of 50 percent of the taxes exempted. By February 1 of each year, the property appraiser shall notify by mail all taxpayers whose

requirement for filing an annual tangible personal property tax return was waived in the previous year. The notification shall state that a return must be filed if the value of the taxpayer's tangible personal property exceeds the exemption and include the penalties for failure to file such a return.

(6) The exemption provided in this section does not apply to a mobile home that is presumed to be tangible personal property pursuant to s. 193.075(2).

History.—s. 8, ch. 2007-339; s. 9, ch. 2008-173.

¹Note.—

A. Section 1, ch. 2007-339, provides that:

“(2) In anticipation of implementing this act, the executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of making necessary changes and preparations so that forms, methods, and data records, electronic or otherwise, are ready and in place if sections 3 through 9 and sections 10, 12, and 14...of this act become law.

“(3) Notwithstanding any other provision of law, such emergency rules shall remain in effect for 18 months after the date of adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.”

History.—s. 1, ch. 81-308.

¹196.192 Exemptions from ad valorem taxation.—Subject to the provisions of this chapter:

(1) All property owned by an exempt entity, including educational institutions, and used

exclusively for exempt purposes shall be totally exempt from ad valorem taxation.

(2) All property owned by an exempt entity, including educational institutions, and used predominantly for exempt purposes shall be exempted from ad valorem taxation to the extent of the ratio that such predominant use bears to the nonexempt use.

(3) All tangible personal property loaned or leased by a natural person, by a trust holding property for a natural person, or by an exempt entity to an exempt entity for public display or exhibition on a recurrent schedule is exempt from ad valorem taxation if the property is loaned or leased for no consideration or for nominal consideration.

For purposes of this section, each use to which the property is being put must be considered in granting an exemption from ad valorem taxation, including any economic use in addition to any physical use. For purposes of this section, property owned by a limited liability company, the sole member of which is an exempt entity, shall be treated as if the property were owned directly by the exempt entity. This section does not apply in determining the exemption for property owned by governmental units pursuant to s. 196.199.

History.—s. 3, ch. 71-133; s. 2, ch. 88-102; s. 2, ch. 89-122; s. 3, ch. 2007-106; s. 2, ch. 2008-193.

¹Note.—Section 3, ch. 2009-130, provides that “[t]he amendment to s. 196.192, Florida Statutes, made by section 2 of chapter 2008-193, Laws of Florida, shall operate retroactively to January 1, 2005.”

196.193 Exemption applications; review by property appraiser.—

(1)(a) All property exempted from the annual application requirement of s. 196.011 shall be returned, but shall be granted tax exemption by the property appraiser. However, no such property shall be exempt which is rented or hired out for other than religious, educational, or other exempt purposes at any time.

(b) The property appraiser may deny exemption to property claimed by religious organizations to be used for any of the purposes set out in s. 196.011 if the use is not clear or if the

Chapter 196, F.S. (2009)

property appraiser determines that the property is being held for speculative purposes or that it is being rented or hired out for other than religious or educational purposes.

(c) If the property appraiser does deny such property a tax exemption, appeal of the determination to the value adjustment board may be made in the manner prescribed for appealed tax exemptions.

(2) Applications required by this chapter shall be filed on forms distributed to the property appraisers by the Department of Revenue. Such forms shall call for accurate description of the property, the value of such property, and the use of such property.

(3) Upon receipt of an application for exemption, the property appraiser shall determine:

(a) Whether the applicant falls within the definition of any one or several of the exempt classifications.

(b) Whether the applicant requesting exemption uses the property predominantly or exclusively for exempt purposes.

(c) The extent to which the property is used for exempt purposes.

In doing so, the property appraiser shall use the standards set forth in this chapter as applied by regulations of the Department of Revenue.

(4) The property appraiser shall find that the person or organization requesting exemption meets the requirements set forth in paragraphs (3)(a) and (b) before any exemption can be granted.

(5)(a) If the property appraiser determines that any property claimed as wholly or partially exempt under this section is not entitled to any exemption or is entitled to an exemption to an extent other than that requested in the application, he or she shall notify the person or organization filing the application on such property of that determination in writing on or before July 1 of the year for which the application was filed.

(b) The notification must state in clear and unambiguous language the specific requirements of the state statutes which the property appraiser relied upon to deny the applicant the exemption with respect to the subject property. The

notification must be drafted in such a way that a reasonable person can understand specific attributes of the applicant or the applicant's use of the subject property which formed the basis for the denial. The notice must also include the specific facts the property appraiser used to determine that the applicant failed to meet the statutory requirements. If a property appraiser fails to provide a notice that complies with this subsection, any denial of an exemption or an attempted denial of an exemption is invalid.

(c) All notifications must specify the right to appeal to the value adjustment board and the procedures to follow in obtaining such an appeal. Thereafter, the person or organization filing such application, or a duly designated representative, may appeal that determination by the property appraiser to the board at the time of its regular hearing. In the event of an appeal, the property appraiser or the property appraiser's representative shall appear at the board hearing and present his or her findings of fact. If the applicant is not present or represented at the hearing, the board may make a determination on the basis of information supplied by the property appraiser or such other information on file with the board.

196.194 Value adjustment board; notice; hearings; appearance before the board.—

(1) The value adjustment board shall hear disputed or appealed applications for exemption and shall grant such exemptions in whole or in part in accordance with criteria set forth in this chapter. It may review exemptions on its own motion or upon motion of the property appraiser. Review of an exemption application upon motion of the board shall not be held until the applicant has had at least 5 calendar days' notice of the intent of the board to review the application.

(2) At least 2 weeks prior to the meeting of the value adjustment board, but no sooner than May 15, notice of the meeting shall be published in a newspaper of general circulation within the county or, if no such newspaper is published within the county, notice shall be placed on the

courthouse door and two other prominent places within the county. Such notice shall indicate:

(a) That a list maintained by the property appraiser of all applicants for exemption who have had their applications for exemption wholly or partially approved is available to the public, at a location specified in the notice, and the hours during which the list may be seen. The notice shall further indicate, by name, the types of exemptions which are included in the list.

(b) That a list maintained by the property appraiser of all applicants for exemption who have had their applications for exemption denied is available to the public, at a location specified in the notice, and the hours during which the list may be seen. The notice shall further indicate, by name, the types of exemptions which are included in the list.

(3) The exemption procedures of the value adjustment board shall be as provided in chapter 194, except as otherwise provided in this chapter. Records of the value adjustment board showing the names of persons and organizations granted exemptions, the street address or other designation of location of the exempted property, and the extent of the exemptions granted shall be part of the public record.

196.195 Determining profit or nonprofit status of applicant.—

(1) Applicants requesting exemption shall supply such fiscal and other records showing in reasonable detail the financial condition, record of operation, and exempt and nonexempt uses of the property, where appropriate, for the immediately preceding fiscal year as are requested by the property appraiser or the value adjustment board.

(2) In determining whether an applicant for a religious, literary, scientific, or charitable exemption under this chapter is a nonprofit or profitmaking venture or whether the property is used for a profitmaking purpose, the following criteria shall be applied:

(a) The reasonableness of any advances or payment directly or indirectly by way of salary, fee, loan, gift, bonus, gratuity, drawing account,

commission, or otherwise (except for reimbursements of advances for reasonable out-of-pocket expenses incurred on behalf of the applicant) to any person, company, or other entity directly or indirectly controlled by the applicant or any officer, director, trustee, member, or stockholder of the applicant;

(b) The reasonableness of any guaranty of a loan to, or an obligation of, any officer, director, trustee, member, or stockholder of the applicant or any entity directly or indirectly controlled by such person, or which pays any compensation to its officers, directors, trustees, members, or stockholders for services rendered to or on behalf of the applicant;

(c) The reasonableness of any contractual arrangement by the applicant or any officer, director, trustee, member, or stockholder of the applicant regarding rendition of services, the provision of goods or supplies, the management of the applicant, the construction or renovation of the property of the applicant, the procurement of the real, personal, or intangible property of the applicant, or other similar financial interest in the affairs of the applicant;

(d) The reasonableness of payments made for salaries for the operation of the applicant or for services, supplies and materials used by the applicant, reserves for repair, replacement, and depreciation of the property of the applicant, payment of mortgages, liens, and encumbrances upon the property of the applicant, or other purposes; and

(e) The reasonableness of charges made by the applicant for any services rendered by it in relation to the value of those services, and, if such charges exceed the value of the services rendered, whether the excess is used to pay maintenance and operational expenses in furthering its exempt purpose or to provide services to persons unable to pay for the services.

(3) Each applicant must affirmatively show that no part of the subject property, or the proceeds of the sale, lease, or other disposition thereof, will inure to the benefit of its members, directors, or officers or any person or firm operating for profit or for a nonexempt purpose.

Chapter 196, F.S. (2009)

(4) No application for exemption may be granted for religious, literary, scientific, or charitable use of property until the applicant has been found by the property appraiser or, upon appeal, by the value adjustment board to be nonprofit as defined in this section.

History.—s. 7, ch. 71-133; s. 17, ch. 76-133; s. 159, ch. 91-112; s. 2, ch. 91-196; s. 3, ch. 97-294; s. 2, ch. 98-289; s. 3, ch. 2000-228.

196.196 Determining whether property is entitled to charitable, religious, scientific, or literary exemption.—

(1) In the determination of whether an applicant is actually using all or a portion of its property predominantly for a charitable, religious, scientific, or literary purpose, the following criteria shall be applied:

(a) The nature and extent of the charitable, religious, scientific, or literary activity of the applicant, a comparison of such activities with all other activities of the organization, and the utilization of the property for charitable, religious, scientific, or literary activities as compared with other uses.

(b) The extent to which the property has been made available to groups who perform exempt purposes at a charge that is equal to or less than the cost of providing the facilities for their use. Such rental or service shall be considered as part of the exempt purposes of the applicant.

(2) Only those portions of property used predominantly for charitable, religious, scientific, or literary purposes shall be exempt. In no event shall an incidental use of property either qualify such property for an exemption or impair the exemption of an otherwise exempt property.

(3) Property owned by an exempt organization is used for a religious purpose if the institution has taken affirmative steps to prepare the property for use as a house of public worship. The term “affirmative steps” means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar activities that demonstrate a commitment of the property to a religious use as a house of public worship. For

purposes of this subsection, the term “public worship” means religious worship services and those other activities that are incidental to religious worship services, such as educational activities, parking, recreation, partaking of meals, and fellowship.

(4) Except as otherwise provided herein, property claimed as exempt for literary, scientific, religious, or charitable purposes which is used for profitmaking purposes shall be subject to ad valorem taxation. Use of property for functions not requiring a business or occupational license conducted by the organization at its primary residence, the revenue of which is used wholly for exempt purposes, shall not be considered profit making. In this connection the playing of bingo on such property shall not be considered as using such property in such a manner as would impair its exempt status.

(5)(a) Property owned by an exempt organization qualified as charitable under s. 501(c)(3) of the Internal Revenue Code is used for a charitable purpose if the organization has taken affirmative steps to prepare the property to provide affordable housing to persons or families that meet the extremely-low-income, very-low-income, low-income, or moderate-income limits, as specified in s. 420.0004. The term “affirmative steps” means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar activities that demonstrate a commitment of the property to providing affordable housing.

(b)1. If property owned by an organization granted an exemption under this subsection is transferred for a purpose other than directly providing affordable homeownership or rental housing to persons or families who meet the extremely-low-income, very-low-income, low-income, or moderate-income limits, as specified in s. 420.0004, or is not in actual use to provide such affordable housing within 5 years after the date the organization is granted the exemption, the property appraiser making such determination shall serve upon the organization that illegally or improperly received the exemption a notice of

intent to record in the public records of the county a notice of tax lien against any property owned by that organization in the county, and such property shall be identified in the notice of tax lien. The organization owning such property is subject to the taxes otherwise due and owing as a result of the failure to use the property to provide affordable housing plus 15 percent interest per annum and a penalty of 50 percent of the taxes owed.

2. Such lien, when filed, attaches to any property identified in the notice of tax lien owned by the organization that illegally or improperly received the exemption. If such organization no longer owns property in the county but owns property in any other county in the state, the property appraiser shall record in each such other county a notice of tax lien identifying the property owned by such organization in such county which shall become a lien against the identified property. Before any such lien may be filed, the organization so notified must be given 30 days to pay the taxes, penalties, and interest.

3. If an exemption is improperly granted as a result of a clerical mistake or an omission by the property appraiser, the organization improperly receiving the exemption shall not be assessed a penalty or interest.

4. The 5-year limitation specified in this subsection may be extended if the holder of the exemption continues to take affirmative steps to develop the property for the purposes specified in this subsection.

196.1961 Exemption for historic property used for certain commercial or nonprofit purposes.—

(1) Pursuant to s. 3, Art. VII of the State Constitution, the board of county commissioners of any county or the governing authority of any municipality may adopt an ordinance to allow an ad valorem tax exemption of up to 50 percent of the assessed value of property which meets all of the following criteria:

(a) The property must be used for commercial purposes or used by a not-for-profit organization under s. 501(c)(3) or (6) of the Internal Revenue Code of 1986.

(b) The property must be listed in the National Register of Historic Places, as defined in s. 267.021; or must be a contributing property to a National Register Historic District; or must be designated as a historic property or as a contributing property to a historic district, under the terms of a local preservation ordinance.

(c) The property must be regularly open to the public.

(2) As used in this section, “regularly open to the public” means that there are regular hours when the public may visit to observe the historically significant aspects of the building. This means a minimum of 40 hours per week, for 45 weeks per year, or an equivalent of 1,800 hours per year. A fee may be charged to the public; however, it must be comparable with other entrance fees in the immediate geographic locale.

(3) The board of county commissioners or municipal governing authority shall notify the property appraiser of the adoption of such ordinance no later than December 1 of the year prior to the year the exemption will take effect. If the exemption is granted only for a specified period or the ordinance is repealed, the board of county commissioners or municipal governing authority shall notify the property appraiser no later than December 1 of the year prior to the year the exemption expires. The ordinance must specify that the exemption shall apply only to taxes levied by the unit of government granting the exemption. The exemption does not apply, however, to taxes levied for the payment of bonds or to taxes authorized by a vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution.

(4) Only those portions of the property used predominantly for the purposes specified in paragraph (1)(a) shall be exempt. In no event shall an incidental use of property qualify such property for an exemption or impair the exemption of an otherwise exempt property.

(5) In order to retain the exemption, the historic character of the property must be

Chapter 196, F.S. (2009)

maintained in good repair and condition to the extent necessary to preserve the historic value and significance of the property.

History.—s. 8, ch. 97-117.

196.197 Additional provisions for exempting property used by hospitals, nursing homes, and homes for special services.—In addition to criteria for granting exemptions for charitable use of property set forth in other sections of this chapter, hospitals, nursing homes, and homes for special services shall be exempt to the extent that they meet the following criteria:

(1) The applicant must be a Florida corporation not for profit that has been exempt as of January 1 of the year for which exemption from ad valorem property taxes is requested from federal income taxation by having qualified as an exempt organization under the provisions of s. 501(c)(3) of the Internal Revenue Code of 1954 or of the corresponding section of a subsequently enacted federal revenue act.

(2) In determining the extent of exemption to be granted to institutions licensed as hospitals, nursing homes, and homes for special services, portions of the property leased as parking lots or garages operated by private enterprise shall not be deemed to be serving an exempt purpose and shall not be exempt from taxation. Property or facilities which are leased to a nonprofit corporation which provides direct medical services to patients in a nonprofit or public hospital and qualifies under s. 196.196 of this chapter are excluded and shall be exempt from taxation.

History.—s. 9, ch. 71-133; s. 2, ch. 73-340; s. 1, ch. 73-344; s. 3, ch. 74-264; ss. 14, 15, ch. 76-234.

196.1975 Exemption for property used by nonprofit homes for the aged.—Nonprofit homes for the aged are exempt to the extent that they meet the following criteria:

(1) The applicant must be a corporation not for profit pursuant to chapter 617 or a Florida limited partnership, the sole general partner of which is a corporation not for profit pursuant to chapter 617, and the corporation not for profit must have been exempt as of January 1 of the year for which exemption from ad valorem property

taxes is requested from federal income taxation by having qualified as an exempt charitable organization under the provisions of s. 501(c)(3) of the Internal Revenue Code of 1954 or of the corresponding section of a subsequently enacted federal revenue act.

(2) A facility will not qualify as a “home for the aged” unless at least 75 percent of the occupants are over the age of 62 years or totally and permanently disabled. For homes for the aged which are exempt from paying income taxes to the United States as specified in subsection (1), licensing by the Agency for Health Care Administration is required for ad valorem tax exemption hereunder only if the home:

(a) Furnishes medical facilities or nursing services to its residents, or

(b) Qualifies as an assisted living facility under chapter 429.

(3) Those portions of the home for the aged which are devoted exclusively to the conduct of religious services or the rendering of nursing or medical services are exempt from ad valorem taxation.

(4)(a) After removing the assessed value exempted in subsection (3), units or apartments in homes for the aged shall be exempt only to the extent that residency in the existing unit or apartment of the applicant home is reserved for or restricted to or the unit or apartment is occupied by persons who have resided in the applicant home and in good faith made this state their permanent residence as of January 1 of the year in which exemption is claimed and who also meet the requirements set forth in one of the following subparagraphs:

1. Persons who have gross incomes of not more than \$7,200 per year and who are 62 years of age or older.

2. Couples, one of whom must be 62 years of age or older, having a combined gross income of not more than \$8,000 per year, or the surviving spouse thereof, who lived with the deceased at the time of the deceased’s death in a home for the aged.

3. Persons who are totally and permanently disabled and who have gross incomes of not more than \$7,200 per year.

4. Couples, one or both of whom are totally and permanently disabled, having a combined gross income of not more than \$8,000 per year, or the surviving spouse thereof, who lived with the deceased at the time of the deceased's death in a home for the aged.

However, the income limitations do not apply to totally and permanently disabled veterans, provided they meet the requirements of s. 196.081.

(b) The maximum income limitations permitted in this subsection shall be adjusted, effective January 1, 1977, and on each succeeding year, by the percentage change in the average cost-of-living index in the period January 1 through December 31 of the immediate prior year compared with the same period for the year prior to that. The index is the average of the monthly consumer price index figures for the stated 12-month period, relative to the United States as a whole, issued by the United States Department of Labor.

(5) Nonprofit housing projects that are financed by a mortgage loan made or insured by the United States Department of Housing and Urban Development under s. 202, s. 202 with a s. 8 subsidy, s. 221(d)(3) or (4), or s. 236 of the National Housing Act, as amended, and that are subject to the income limitations established by that department are exempt from ad valorem taxation.

(6) For the purposes of this section, gross income includes social security benefits payable to the person or couple or assigned to an organization designated specifically for the support or benefit of that person or couple.

(7) It is declared to be the intent of the Legislature that subsection (3) implements the ad valorem tax exemption authorized in the third sentence of s. 3(a), Art. VII, State Constitution, and the remaining subsections implement s. 6(e), Art. VII, State Constitution, for purposes of granting such exemption to homes for the aged.

(8) Physical occupancy on January 1 is not required in those instances in which a home restricts occupancy to persons meeting the income requirements specified in this section. Those portions of a property failing to meet those

requirements shall qualify for an alternative exemption as provided in subsection (9). In a home in which at least 25 percent of the units or apartments of the home are restricted to or occupied by persons meeting the income requirements specified in this section, the common areas of that home are exempt from taxation.

(9)(a) Each unit or apartment of a home for the aged not exempted in subsection (3) or subsection (4), which is operated by a not for profit corporation and is owned by such corporation or leased by such corporation from a health facilities authority pursuant to part III of chapter 154 or an industrial development authority pursuant to part III of chapter 159, and which property is used by such home for the aged for the purposes for which it was organized, is exempt from all ad valorem taxation, except for assessments for special benefits, to the extent of \$25,000 of assessed valuation of such property for each apartment or unit:

1. Which is used by such home for the aged for the purposes for which it was organized; and

2. Which is occupied, on January 1 of the year in which exemption from ad valorem property taxation is requested, by a person who resides therein and in good faith makes the same his or her permanent home.

(b) Each corporation applying for an exemption under paragraph (a) of this subsection or paragraph (4)(a) must file with the annual application for exemption an affidavit from each person who occupies a unit or apartment for which an exemption under either of those paragraphs is claimed stating that the person resides therein and in good faith makes that unit or apartment his or her permanent residence.

(10) Homes for the aged, or life care communities, however designated, which are financed through the sale of health facilities authority bonds or bonds of any other public entity, whether on a sale-leaseback basis, a sale-repurchase basis, or other financing arrangement, or which are financed without public-entity bonds, are exempt from ad valorem taxation only in accordance with the provisions of this section.

(11) Any portion of such property used for nonexempt purposes may be valued and placed

Chapter 196, F.S. (2009)

upon the tax rolls separately from any portion entitled to exemption pursuant to this chapter.

(12) When it becomes necessary for the property appraiser to determine the value of a unit, he or she shall include in such valuation the proportionate share of the common areas, including the land, fairly attributable to such unit, based upon the value of such unit in relation to all other units in the home, unless the common areas are otherwise exempted by subsection (8).

(13) Sections 196.195 and 196.196 do not apply to this section.

196.1976 Provisions of ss. 196.197(1) or (2) and 196.1975; severability.—If any provision of s. 196.197(1) or (2), created and amended by chapter 76-234, Laws of Florida, or s. 196.1975, created by chapter 76-234 and amended by chapter 87-332, Laws of Florida, is held to be invalid or inoperative for any reason, it is the legislative intent that the invalidity shall not affect other provisions or applications of said subsections or section which can be given effect without the invalid provision or application, and to this end the provisions of said subsections and section are declared to be severable.

196.1977 Exemption for property used by proprietary continuing care facilities.—

(1) Each apartment in a continuing care facility certified under chapter 651, which facility is not qualified for exemption under s. 196.1975, or other similar exemption, is exempt to the extent of \$25,000 of assessed valuation of such property for each apartment which is occupied on January 1 of the year in which exemption from ad valorem property taxation is requested by a person holding a continuing care contract as defined under chapter 651 who resides therein and in good faith

makes the same his or her permanent home. No apartment shall be eligible for the exemption provided under this section if the resident of the apartment is eligible for the homestead exemption under s. 196.031.

(2) Each facility applying for an exemption must file with the annual application for exemption an affidavit from each person who occupies an apartment for which an exemption is claimed stating that the person resides therein and in good faith makes that apartment his or her permanent residence.

(3) Any portion of such property used for nonexempt purposes may be valued and placed upon the tax rolls separately from any portion entitled to exemption.

(4) The owner shall disclose to a qualifying resident the full amount of the benefit derived from the exemption and the method for ensuring that the resident receives such benefit. The resident shall receive the full benefit derived from this exemption in either an annual or monthly credit to his or her unit's monthly maintenance fee. For a nonqualifying resident who subsequently qualifies for the exemption, the same disclosure shall be made.

(5) It is the intent of the Legislature that this section implements s. 6(e), Art. VII of the State Constitution.

History.—s. 2, ch. 98-177.

196.1978 Affordable housing property exemption.—Property used to provide affordable housing serving eligible persons as defined by s. 159.603(7) and natural persons or families meeting the extremely-low-income, very-low-income, low-income, or moderate-income limits specified in s. 420.0004, which property is owned entirely by a nonprofit entity that is a corporation not for profit, qualified as charitable under s. 501(c)(3) of the Internal Revenue Code and in compliance with Rev. Proc. 96-32, 1996-1 C.B. 717, or a Florida-based limited partnership, the sole general partner of which is a corporation not for profit which is qualified as charitable under s. 501(c)(3) of the Internal Revenue Code and which complies with Rev. Proc. 96-32, 1996-1 C.B. 717, shall be considered property owned by an exempt

entity and used for a charitable purpose, and those portions of the affordable housing property which provide housing to natural persons or families classified as extremely low income, very low income, low income, or moderate income under s. 420.0004 shall be exempt from ad valorem taxation to the extent authorized in s. 196.196. All property identified in this section shall comply with the criteria for determination of exempt status to be applied by property appraisers on an annual basis as defined in s. 196.195. The Legislature intends that any property owned by a limited liability company or limited partnership which is disregarded as an entity for federal income tax purposes pursuant to Treasury Regulation 301.7701-3(b)(1)(ii) shall be treated as owned by its sole member or sole general partner.

196.198 Educational property exemption.—Educational institutions within this state and their property used by them or by any other exempt entity or educational institution exclusively for educational purposes shall be exempt from taxation. Sheltered workshops providing rehabilitation and retraining of disabled individuals and exempted by a certificate under s. (d) of the federal Fair Labor Standards Act of 1938, as amended, are declared wholly educational in purpose and shall be exempted from certification, accreditation, and membership requirements set forth in s. 196.012. Those portions of property of college fraternities and sororities certified by the president of the college or university to the appropriate property appraiser as being essential to the educational process shall be exempt from ad valorem taxation. The use of property by public fairs and expositions chartered by chapter 616 is presumed to be an educational use of such property and shall be exempt from ad valorem taxation to the extent of such use. Property used exclusively for educational purposes shall be deemed owned by an educational institution if the entity owning 100 percent of the educational institution is owned by the identical persons who own the property. If legal title to property is held by a governmental

agency that leases the property to a lessee, the property shall be deemed to be owned by the governmental agency and used exclusively for educational purposes if the governmental agency continues to use such property exclusively for educational purposes pursuant to a sublease or other contractual agreement with that lessee. If the title to land is held by the trustee of an irrevocable inter vivos trust and if the trust grantor owns 100 percent of the entity that owns an educational institution that is using the land exclusively for educational purposes, the land is deemed to be property owned by the educational institution for purposes of this exemption. Property owned by an educational institution shall be deemed to be used for an educational purpose if the institution has taken affirmative steps to prepare the property for educational use. Affirmative steps means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar activities that demonstrate commitment of the property to an educational use.

The owner of the property shall disclose to a charter school the full amount of the benefit derived from the exemption and the method for ensuring that the charter school receives such benefit. The charter school shall receive the full benefit derived from the exemption through either an annual or monthly credit to the charter school's lease payments.

196.1985 Labor organization property exemption.—Real property owned and used by any labor organization which has a charter from a state or national organization, which property is used predominantly by such organization for educational purposes, is hereby defined as property within the purview of s. 3, Art. VII of the State Constitution and shall be exempt from ad valorem taxation to the extent of such use pursuant to s. 196.192(2). Any portion of such property used for nonexempt purposes may be valued and placed upon the tax rolls separately from any portion entitled to exemption pursuant to this section.

History.—s. 1, ch. 77-459.

196.1986 Community centers exemption.—

(1) A single general-purpose structure represented as a community center owned and operated by a private, nonprofit organization and used predominantly for educational, literary, scientific, religious, or charitable purposes is hereby defined as property within the purview of s. 3(a), Art. VII of the State Constitution and shall be exempt from ad valorem taxes imposed by taxing authorities. However, no use shall be considered to serve an exempt purpose if, in conjunction with that use, alcoholic beverages are served or consumed on the premises. Any portion of such property used for nonexempt purposes may be valued and placed upon the tax roll separately from any portion entitled to exemption pursuant to this section.

(2) This exemption shall not apply to condominium common elements and shall not apply to any structure unless it is generally open and available for use by the general public.

History.—s. 1, ch. 80-253.

196.1987 Biblical history display property exemption.—The use of property owned by an organization exempt from federal income tax under s. 501(c)(3) of the Internal Revenue Code to exhibit, illustrate, and interpret Biblical manuscripts, codices, stone tablets, and other Biblical archives; provide live and recorded demonstrations, explanations, reenactments, and

illustrations of Biblical history and Biblical worship; and exhibit times, places, and events of Biblical history and significance, when such activity is open to the public and is available to the public for no admission charge at least 1 day each calendar year, subject to capacity limits, and when such organization has received written correspondence from the Internal Revenue Service stating that the conduct of the organization's activities does not adversely affect the organization's exempt status under s. 501(c)(3) of the Internal Revenue Code, constitutes religious use of such property, which is hereby defined as property within the purview of s. 3(a), Art. VII of the State Constitution and is exempt from ad valorem taxation to the extent of such use pursuant to s. 196.192(2). Any portion of such property used for nonexempt purposes may be valued and placed upon the tax rolls separately from any portion entitled to exemption pursuant to this section.

History.—s. 1, ch. 2006-164.

196.199 Government property exemption.—

(1) Property owned and used by the following governmental units shall be exempt from taxation under the following conditions:

(a) All property of the United States shall be exempt from ad valorem taxation, except such property as is subject to tax by this state or any political subdivision thereof or any municipality under any law of the United States.

(b) All property of this state which is used for governmental purposes shall be exempt from ad valorem taxation except as otherwise provided by law.

(c) All property of the several political subdivisions and municipalities of this state or of entities created by general or special law and composed entirely of governmental agencies, or property conveyed to a nonprofit corporation which would revert to the governmental agency, which is used for governmental, municipal, or public purposes shall be exempt from ad valorem taxation, except as otherwise provided by law.

(2) Property owned by the following governmental units but used by nongovernmental

lessees shall only be exempt from taxation under the following conditions:

(a) Leasehold interests in property of the United States, of the state or any of its several political subdivisions, or of municipalities, agencies, authorities, and other public bodies corporate of the state shall be exempt from ad valorem taxation only when the lessee serves or performs a governmental, municipal, or public purpose or function, as defined in s. 196.012(6). In all such cases, all other interests in the leased property shall also be exempt from ad valorem taxation. However, a leasehold interest in property of the state may not be exempted from ad valorem taxation when a nongovernmental lessee uses such property for the operation of a multipurpose hazardous waste treatment facility.

(b) Except as provided in paragraph (c), the exemption provided by this subsection shall not apply to those portions of a leasehold or other interest defined by s. 199.023(1)(d), Florida Statutes 2005, subject to the provisions of subsection (7). Such leasehold or other interest shall be taxed only as intangible personal property pursuant to chapter 199, Florida Statutes 2005, if rental payments are due in consideration of such leasehold or other interest. All applicable collection, administration, and enforcement provisions of chapter 199, Florida Statutes 2005, shall apply to taxation of such leaseholds. If no rental payments are due pursuant to the agreement creating such leasehold or other interest, the leasehold or other interest shall be taxed as real property. Nothing in this paragraph shall be deemed to exempt personal property, buildings, or other real property improvements owned by the lessee from ad valorem taxation.

(c) Any governmental property leased to an organization which uses the property exclusively for literary, scientific, religious, or charitable purposes shall be exempt from taxation.

(3) Nothing herein or in s. 196.001 shall require a governmental unit or authority to impose taxes upon a leasehold estate created, extended, or renewed prior to April 15, 1976, if the lease agreement creating such leasehold estate contains a covenant on the part of such governmental unit or authority as lessor to refrain from imposing

taxes on the leasehold estate during the term of the leasehold estate; but any such covenant shall not prevent taxation of a leasehold estate by any such taxing unit or authority other than the unit or authority making such covenant.

(4) Property owned by any municipality, agency, authority, or other public body corporate of the state which becomes subject to a leasehold interest or other possessory interest of a nongovernmental lessee other than that described in paragraph (2)(a), after April 14, 1976, shall be subject to ad valorem taxation unless the lessee is an organization which uses the property exclusively for literary, scientific, religious, or charitable purposes.

(5) Leasehold interests in governmental property shall not be exempt pursuant to this subsection unless an application for exemption has been filed on or before March 1 with the property appraiser. The property appraiser shall review the application and make findings of fact which shall be presented to the value adjustment board at its convening, whereupon the board shall take appropriate action regarding the application. If the exemption in whole or in part is granted, or established by judicial proceeding, it shall remain valid for the duration of the lease unless the lessee changes its use, in which case the lessee shall again submit an application for exemption. The requirements set forth in s. 196.194 shall apply to all applications made under this subsection.

(6) No exemption granted before June 1, 1976, shall be revoked by this chapter if such revocation will impair any existing bond agreement.

(7) Property which is originally leased for 100 years or more, exclusive of renewal options, or property which is financed, acquired, or maintained utilizing in whole or in part funds acquired through the issuance of bonds pursuant to parts II, III, and V of chapter 159, shall be deemed to be owned for purposes of this section.

(8)(a) Any and all of the aforesaid taxes on any leasehold described in this section shall not become a lien on same or the property itself but shall constitute a debt due and shall be recoverable by legal action or by the issuance of tax executions that shall become liens upon any other

Chapter 196, F.S. (2009)

property in any county of this state of the taxpayer who owes said tax. The sheriff of the county shall execute the tax execution in the same manner as other executions are executed under chapters 30 and 56.

(b) Nonpayment of any such taxes by the lessee shall result in the revocation of any occupational license of such person or the revocation, upon certification hereunder by the property appraiser to the Department of State, of the corporate charter of any such domestic corporation or the revocation, upon certification hereunder by the property appraiser to the Department of State, of the authority of any foreign corporation to do business in this state, as appropriate, which such license, charter, or authority is related to the leased property.

(9) Improvements to real property which are located on state-owned land and which are leased to a public educational institution shall be deemed owned by the public educational institution for purposes of this section where, by the terms of the lease, the improvement will become the property of the public educational institution or the State of Florida at the expiration of the lease.

(10) Notwithstanding any other provision of law to the contrary, property held by a port authority and any leasehold interest in such property are exempt from ad valorem taxation to the same extent that county property is immune from taxation, provided such property is located in a county described in s. 9, Art. VIII of the State Constitution (1885), as restated in s. 6(e), Art. VIII of the State Constitution (1968).

196.1993 Certain agreements with local governments for use of public property; exemption.—Any agreement entered into with a local governmental authority prior to January 1, 1969, for use of public property, under which it was understood and agreed in a written instrument or by special act that no ad valorem real property taxes would be paid by the licensee or lessee, shall be deemed a license or management agreement for

the use or management of public property. Such interest shall be deemed not to convey an interest in the property and shall not be subject to ad valorem real property taxation. Nothing in this section shall be deemed to exempt such licensee from the ad valorem intangible tax and the ad valorem personal property tax.

History.—s. 9, ch. 80-368.

196.1995 Economic development ad valorem tax exemption.—

(1) The board of county commissioners of any county or the governing authority of any municipality shall call a referendum within its total jurisdiction to determine whether its respective jurisdiction may grant economic development ad valorem tax exemptions under s. 3, Art. VII of the State Constitution if:

(a) The board of county commissioners of the county or the governing authority of the municipality votes to hold such referendum; or

(b) The board of county commissioners of the county or the governing authority of the municipality receives a petition signed by 10 percent of the registered electors of its respective jurisdiction, which petition calls for the holding of such referendum.

(2) The ballot question in such referendum shall be in substantially the following form:
Shall the board of county commissioners of this county (or the governing authority of this municipality, or both) be authorized to grant, pursuant to s. 3, Art. VII of the State Constitution, property tax exemptions to new businesses and expansions of existing businesses?

_____ Yes—For authority to grant exemptions.

_____ No—Against authority to grant exemptions.

(3) The board of county commissioners or the governing authority of the municipality that calls a referendum within its total jurisdiction to determine whether its respective jurisdiction may grant economic development ad valorem tax exemptions may vote to limit the effect of the referendum to authority to grant economic development tax exemptions for new businesses and expansions of existing businesses located in

an enterprise zone or a brownfield area, as defined in s. 376.79(4). If an area nominated to be an enterprise zone pursuant to s. 290.0055 has not yet been designated pursuant to s. 290.0065, the board of county commissioners or the governing authority of the municipality may call such referendum prior to such designation; however, the authority to grant economic development ad valorem tax exemptions does not apply until such area is designated pursuant to s. 290.0065. The ballot question in such referendum shall be in substantially the following form and shall be used in lieu of the ballot question prescribed in subsection (2):

Shall the board of county commissioners of this county (or the governing authority of this municipality, or both) be authorized to grant, pursuant to s. 3, Art. VII of the State Constitution, property tax exemptions for new businesses and expansions of existing businesses which are located in an enterprise zone or a brownfield area?

Yes—For authority to grant exemptions.

No—Against authority to grant exemptions.

(4) A referendum pursuant to this section may be called only once in any 12-month period.

(5) Upon a majority vote in favor of such authority, the board of county commissioners or the governing authority of the municipality, at its discretion, by ordinance may exempt from ad valorem taxation up to 100 percent of the assessed value of all improvements to real property made by or for the use of a new business and of all tangible personal property of such new business, or up to 100 percent of the assessed value of all added improvements to real property made to facilitate the expansion of an existing business and of the net increase in all tangible personal property acquired to facilitate such expansion of an existing business, provided that the improvements to real property are made or the tangible personal property is added or increased on or after the day the ordinance is adopted. However, if the authority to grant exemptions is approved in a referendum in which the ballot question contained in subsection (3) appears on the ballot, the authority of the board of county commissioners or the governing authority of the municipality to grant

exemptions is limited solely to new businesses and expansions of existing businesses that are located in an enterprise zone or brownfield area. Property acquired to replace existing property shall not be considered to facilitate a business expansion. The exemption applies only to taxes levied by the respective unit of government granting the exemption. The exemption does not apply, however, to taxes levied for the payment of bonds or to taxes authorized by a vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution. Any such exemption shall remain in effect for up to 10 years with respect to any particular facility, regardless of any change in the authority of the county or municipality to grant such exemptions. The exemption shall not be prolonged or extended by granting exemptions from additional taxes or by virtue of any reorganization or sale of the business receiving the exemption.

(6) With respect to a new business as defined by s. 196.012(15)(c), the municipality annexing the property on which the business is situated may grant an economic development ad valorem tax exemption under this section to that business for a period that will expire upon the expiration of the exemption granted by the county. If the county renews the exemption under subsection (7), the municipality may also extend its exemption. A municipal economic development ad valorem tax exemption granted under this subsection may not extend beyond the duration of the county exemption.

(7) The authority to grant exemptions under this section will expire 10 years after the date such authority was approved in an election, but such authority may be renewed for another 10-year period in a referendum called and held pursuant to this section.

(8) Any person, firm, or corporation which desires an economic development ad valorem tax exemption shall, in the year the exemption is desired to take effect, file a written application on a form prescribed by the department with the board of county commissioners or the governing authority of the municipality, or both. The application shall request the adoption of an ordinance granting the applicant an exemption

Chapter 196, F.S. (2009)

pursuant to this section and shall include the following information:

(a) The name and location of the new business or the expansion of an existing business;

(b) A description of the improvements to real property for which an exemption is requested and the date of commencement of construction of such improvements;

(c) A description of the tangible personal property for which an exemption is requested and the dates when such property was or is to be purchased;

(d) Proof, to the satisfaction of the board of county commissioners or the governing authority of the municipality, that the applicant is a new business or an expansion of an existing business, as defined in s. 196.012(15) or (16); and

(e) Other information deemed necessary by the department.

(9) Before it takes action on the application, the board of county commissioners or the governing authority of the municipality shall deliver a copy of the application to the property appraiser of the county. After careful consideration, the property appraiser shall report the following information to the board of county commissioners or the governing authority of the municipality:

(a) The total revenue available to the county or municipality for the current fiscal year from ad valorem tax sources, or an estimate of such revenue if the actual total revenue available cannot be determined;

(b) Any revenue lost to the county or municipality for the current fiscal year by virtue of exemptions previously granted under this section, or an estimate of such revenue if the actual revenue lost cannot be determined;

(c) An estimate of the revenue which would be lost to the county or municipality during the current fiscal year if the exemption applied for were granted had the property for which the exemption is requested otherwise been subject to taxation; and

(d) A determination as to whether the property for which an exemption is requested is to be incorporated into a new business or the expansion of an existing business, as defined in s.

196.012(15) or (16), or into neither, which determination the property appraiser shall also affix to the face of the application. Upon the request of the property appraiser, the department shall provide to him or her such information as it may have available to assist in making such determination.

(10) An ordinance granting an exemption under this section shall be adopted in the same manner as any other ordinance of the county or municipality and shall include the following:

(a) The name and address of the new business or expansion of an existing business to which the exemption is granted;

(b) The total amount of revenue available to the county or municipality from ad valorem tax sources for the current fiscal year, the total amount of revenue lost to the county or municipality for the current fiscal year by virtue of economic development ad valorem tax exemptions currently in effect, and the estimated revenue loss to the county or municipality for the current fiscal year attributable to the exemption of the business named in the ordinance;

(c) The period of time for which the exemption will remain in effect and the expiration date of the exemption; and

(d) A finding that the business named in the ordinance meets the requirements of s. 196.012(15) or (16).

196.1996 Economic development ad valorem tax exemption; effect of ch. 94-136.—

Nothing contained in chapter 94-136, Laws of Florida, shall be deemed to require any board of county commissioners or a governing body of any municipality to reenact any resolution or ordinance to authorize the board of county commissioners or the governing body to grant economic development ad valorem tax exemptions in an enterprise zone that was in effect on December 31, 1994. Economic development ad valorem tax exemptions may be granted pursuant to such resolution or ordinance which was

previously approved and a referendum, beginning July 1, 1995.

History.—s. 57, ch. 94-136.

196.1997 Ad valorem tax exemptions for historic properties.—

(1) The board of county commissioners of any county or the governing authority of any municipality may adopt an ordinance to allow ad valorem tax exemptions under s. 3, Art. VII of the State Constitution to historic properties if the owners are engaging in the restoration, rehabilitation, or renovation of such properties in accordance with guidelines established in this section.

(2) The board of county commissioners or the governing authority of the municipality by ordinance may authorize the exemption from ad valorem taxation of up to 100 percent of the assessed value of all improvements to historic properties which result from the restoration, renovation, or rehabilitation of such properties. The exemption applies only to improvements to real property. In order for the property to qualify for the exemption, any such improvements must be made on or after the day the ordinance authorizing ad valorem tax exemption for historic properties is adopted.

(3) The ordinance shall designate the type and location of historic property for which exemptions may be granted, which may include any property meeting the provisions of subsection (11), which property may be further required to be located within a particular geographic area or areas of the county or municipality.

(4) The ordinance must specify that such exemptions shall apply only to taxes levied by the unit of government granting the exemption. The exemptions do not apply, however, to taxes levied for the payment of bonds or to taxes authorized by a vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution.

(5) The ordinance must specify that any exemption granted remains in effect for up to 10 years with respect to any particular property, regardless of any change in the authority of the county or municipality to grant such exemptions or any change in ownership of the property. In

order to retain the exemption, however, the historic character of the property, and improvements which qualified the property for an exemption, must be maintained over the period for which the exemption is granted.

(6) The ordinance shall designate either a local historic preservation office or the Division of Historical Resources of the Department of State to review applications for exemptions. The local historic preservation office or the division, whichever is applicable, must recommend that the board of county commissioners or the governing authority of the municipality grant or deny the exemption. Such reviews must be conducted in accordance with rules adopted by the Department of State. The recommendation, and the reasons therefor, must be provided to the applicant and to the governing entity before consideration of the application at an official meeting of the governing entity. For the purposes of this section, local historic preservation offices must be approved and certified by the Department of State.

(7) To qualify for an exemption, the property owner must enter into a covenant or agreement with the governing body for the term for which the exemption is granted. The form of the covenant or agreement must be established by the Department of State and must require that the character of the property, and the qualifying improvements to the property, be maintained during the period that the exemption is granted. The covenant or agreement shall be binding on the current property owner, transferees, and their heirs, successors, or assigns. Violation of the covenant or agreement results in the property owner being subject to the payment of the differences between the total amount of taxes which would have been due in March in each of the previous years in which the covenant or agreement was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in s. 212.12(3).

(8) Any person, firm, or corporation that desires an ad valorem tax exemption for the improvement of a historic property must, in the year the exemption is desired to take effect, file with the board of county commissioners or the

Chapter 196, F.S. (2009)

governing authority of the municipality a written application on a form prescribed by the Department of State. The application must include the following information:

(a) The name of the property owner and the location of the historic property.

(b) A description of the improvements to real property for which an exemption is requested and the date of commencement of construction of such improvements.

(c) Proof, to the satisfaction of the designated local historic preservation office or the Division of Historical Resources, whichever is applicable, that the property that is to be rehabilitated or renovated is a historic property under this section.

(d) Proof, to the satisfaction of the designated local historic preservation office or the Division of Historical Resources, whichever is applicable, that the improvements to the property will be consistent with the United States Secretary of Interior's Standards for Rehabilitation and will be made in accordance with guidelines developed by the Department of State.

(e) Other information deemed necessary by the Department of State.

(9) The board of county commissioners or the governing authority of the municipality shall deliver a copy of each application for a historic preservation ad valorem tax exemption to the property appraiser of the county. Upon certification of the assessment roll, or recertification, if applicable, pursuant to s. 193.122, for each fiscal year during which the ordinance is in effect, the property appraiser shall report the following information to the local governing body:

(a) The total taxable value of all property within the county or municipality for the current fiscal year.

(b) The total exempted value of all property in the county or municipality which has been approved to receive historic preservation ad valorem tax exemption for the current fiscal year.

(10) A majority vote of the board of county commissioners of the county or of the governing authority of the municipality shall be required to approve a written application for exemption. Such

exemption shall take effect on the January 1 following substantial completion of the improvement. The board of county commissioners or the governing authority of a municipality shall include the following in the resolution or ordinance approving the written application for exemption:

(a) The name of the owner and the address of the historic property for which the exemption is granted.

(b) The period of time for which the exemption will remain in effect and the expiration date of the exemption.

(c) A finding that the historic property meets the requirements of this section.

(11) Property is qualified for an exemption under this section if:

(a) At the time the exemption is granted, the property:

1. Is individually listed in the National Register of Historic Places pursuant to the National Historic Preservation Act of 1966, as amended; or

2. Is a contributing property to a national-register-listed district; or

3. Is designated as a historic property, or as a contributing property to a historic district, under the terms of a local preservation ordinance; and

(b) The local historic preservation office or the Division of Historical Resources, whichever is applicable, has certified to the local governing authority that the property for which an exemption is requested satisfies paragraph (a).

(12) In order for an improvement to a historic property to qualify the property for an exemption, the improvement must:

(a) Be consistent with the United States Secretary of Interior's Standards for Rehabilitation.

(b) Be determined by the Division of Historical Resources or the local historic preservation office, whichever is applicable, to meet criteria established in rules adopted by the Department of State.

(13) The Department of State shall adopt rules as provided in chapter 120 for the implementation of this section. These rules must specify the criteria for determining whether a

property is eligible for exemption; guidelines to determine improvements to historic properties which qualify the property for an exemption; criteria for the review of applications for exemptions; procedures for the cancellation of exemptions for violations to the agreement required by subsection (7); the manner in which local historic preservation offices may be certified as qualified to review applications; and other requirements necessary to implement this section.

History.—s. 1, ch. 92-159.

196.1998 Additional ad valorem tax exemptions for historic properties open to the public.—

(1) If an improvement qualifies a historic property for an exemption under s. 196.1997, and the property is used for nonprofit or governmental purposes and is regularly and frequently open for the public's visitation, use, and benefit, the board of county commissioners or the governing authority of the municipality by ordinance may authorize the exemption from ad valorem taxation of up to 100 percent of the assessed value of the property, as improved, any provision of s. 196.1997(2) to the contrary notwithstanding, if all other provisions of that section are complied with; provided, however, that the assessed value of the improvement must be equal to at least 50 percent of the total assessed value of the property as improved. The exemption applies only to real property to which improvements are made by or for the use of the existing owner. In order for the property to qualify for the exemption provided in this section, any such improvements must be made on or after the day the ordinance granting the exemption is adopted.

(2) In addition to meeting the criteria established in rules adopted by the Department of State under s. 196.1997, a historic property is qualified for an exemption under this section if the Division of Historical Resources, or the local historic preservation office, whichever is applicable, determines that the property meets the criteria established in rules adopted by the Department of State under this section.

(3) In addition to the authority granted to the Department of State to adopt rules under s.

196.1997, the Department of State shall adopt rules as provided in chapter 120 for the implementation of this section, which shall include criteria for determining whether a property is qualified for the exemption authorized by this section, and other rules necessary to implement this section.

History.—s. 2, ch. 92-159.

196.1999 Space laboratories and carriers; exemption.—Notwithstanding other provisions of this chapter, a module, pallet, rack, locker, and any necessary associated hardware and subsystem owned by any person and intended to be used to transport or store cargo used for a space laboratory for the primary purpose of conducting scientific research in space is deemed to carry out a scientific purpose and is exempt from ad valorem taxation.

History.—s. 32, ch. 2005-280.

196.2001 Not-for-profit sewer and water company property exemption.—

(1) Property of any sewer and water company owned or operated by a Florida corporation not for profit, the income from which has been exempt, as of January 1 of the year for which the exemption from ad valorem property taxes is requested, from federal income taxation by having qualified under s. 115(a) of the Internal Revenue Code of 1954 or of a corresponding section of a subsequently enacted federal revenue act, shall be exempt from ad valorem taxation, provided the following criteria for exemption are met by the not-for-profit sewer and water company:

(b) Gross receipts do not constitute gross income for federal income tax purposes.

(c) Members of the company's governing board serve without compensation.

Chapter 196, F.S. (2009)

regulated by the commission; or by the Farmers Home Administration.

(e) Ownership of the company reverts to the county in which the company conducts its business upon retirement of all outstanding indebtedness of the company.

Notwithstanding anything above, no exemption shall be granted until the property appraiser has considered the proposed exemption and has made a specific finding that the water and sewer company in question performs a public purpose in the absence of which the expenditure of public funds would be required.

(2)(a) No exemption authorized pursuant to this section shall be granted unless the company applies to the property appraiser on or before March 1 of each year for such exemption. In its annual application for exemption, the company shall provide the property appraiser with the following information:

1. Financial statements for the immediately preceding fiscal year, certified by an independent certified public accountant, showing the financial condition and records of operation of the company for that fiscal year.

2. Any other records or information as may be requested by the property appraiser for the purposes of determining whether the requirements of subsection (1) have been met.

(b) The exemption from ad valorem taxation shall not be granted to a not-for-profit sewer and water company unless the company meets the criteria set forth in subsection (1). In determining whether the company is operated as a profitmaking venture, the property appraiser shall consider the following:

1. Any advances or payments directly or indirectly by way of salary, fee, loan, gift, bonus, gratuity, drawing account, commission, or otherwise (except for reimbursement of advances for reasonable out-of-pocket expenses incurred on behalf of the applicant) to any person, company, or other entity directly or indirectly controlled by such persons, or which pays any compensation to its officers, directors, trustees, members, or stockholders for services rendered to or on behalf of the corporation;

2. Any contractual arrangement by the corporation with any officer, director, trustee, member, or stockholder of the corporation regarding rendition of services, the provision of goods or supplies, the management of applicant, the construction or renovation of the property of the corporation, the procurement of the real, personal, or intangible property of the corporation, or other similar financial interest in the affairs of the corporation;

196.202 Property of widows, widowers, blind persons, and persons totally and permanently disabled.—Property to the value of \$500 of every widow, widower, blind person, or totally and permanently disabled person who is a bona fide resident of this state shall be exempt from taxation. As used in this section, the term “totally and permanently disabled person” means a person who is currently certified by a physician licensed in this state, by the United States Department of Veterans Affairs or its predecessor, or by the Social Security Administration to be totally and permanently disabled.

History.—s. 12, ch. 71-133; s. 1, ch. 88-293; s. 1, ch. 2001-204; s. 1, ch. 2001-245.

196.24 Exemption for disabled ex-servicemember or surviving spouse; evidence of disability.—Any ex-servicemember, as defined in s. 196.012, who is a bona fide resident of the state, who was discharged under honorable conditions, and who has been disabled to a degree of 10 percent or more while serving during a period of wartime service as defined in s. 1.01(14), or by misfortune, is entitled to the exemption from taxation provided for in s. 3(b), Art. VII of the State Constitution as provided in this section. Property to the value of \$5,000 of such a person is exempt from taxation. The production by him or her of a certificate of disability from the United States Government or the United States Department of Veterans Affairs or its predecessor before the property appraiser of the county wherein the ex-servicemember's property lies is prima facie evidence of the fact that he or she is entitled to the exemption. The unremarried surviving spouse of such a disabled ex-servicemember who, on the date of the disabled ex-servicemember's death, had been married to the disabled ex-servicemember for at least 5 years is also entitled to the exemption.

¹196.26 Exemption for real property dedicated in perpetuity for conservation purposes.—

(1) As used in this section:

(a) “Allowed commercial uses” means commercial uses that are allowed by the conservation easement encumbering the land exempt from taxation under this section.

(b) “Conservation easement” means the property right described in s. 704.06.

(c) “Conservation purposes” means:

1. Serving a conservation purpose, as defined in 26 U.S.C. s. 170(h)(4)(A)(i)-(iii), for land which serves as the basis of a qualified conservation contribution under 26 U.S.C. s. 170(h); or

2.a. Retention of the substantial natural value of land, including woodlands, wetlands, watercourses, ponds, streams, and natural open spaces;

b. Retention of such lands as suitable habitat for fish, plants, or wildlife; or

c. Retention of such lands' natural value for water quality enhancement or water recharge.

(d) “Dedicated in perpetuity” means that the land is encumbered by an irrevocable, perpetual conservation easement.

(2) Land that is dedicated in perpetuity for conservation purposes and that is used exclusively for conservation purposes is exempt from ad valorem taxation. Such exclusive use does not preclude the receipt of income from activities that are consistent with a management plan when the income is used to implement, maintain, and manage the management plan.

(3) Land that is dedicated in perpetuity for conservation purposes and that is used for allowed commercial uses is exempt from ad valorem taxation to the extent of 50 percent of the assessed value of the land.

(4) Land that comprises less than 40 contiguous acres does not qualify for the exemption provided in this section unless, in addition to meeting the other requirements of this section, the use of the land for conservation purposes is determined by the Acquisition and Restoration Council created in s. 259.035 to fulfill a clearly delineated state conservation policy and yield a significant public benefit. In making its determination of public benefit, the Acquisition and Restoration Council must give particular consideration to land that:

(a) Contains a natural sinkhole or natural spring that serves a water recharge or production function;

(b) Contains a unique geological feature;

(c) Provides habitat for endangered or threatened species;

(d) Provides nursery habitat for marine and estuarine species;

(e) Provides protection or restoration of vulnerable coastal areas;

(f) Preserves natural shoreline habitat; or

Chapter 196, F.S. (2009)

(g) Provides retention of natural open space in otherwise densely built-up areas.

Any land approved by the Acquisition and Restoration Council under this subsection must have a management plan and a designated manager who will be responsible for implementing the management plan.

(5) The conservation easement that serves as the basis for the exemption granted by this section must include baseline documentation as to the natural values to be protected on the land and may include a management plan that details the management of the land so as to effectuate the conservation of natural resources on the land.

(6) Buildings, structures, and other improvements situated on land receiving the exemption provided in this section and the land area immediately surrounding the buildings, structures, and improvements must be assessed separately pursuant to chapter 193. However, structures and other improvements that are auxiliary to the use of the land for conservation purposes are exempt to the same extent as the underlying land.

(7) Land that qualifies for the exemption provided in this section the allowed commercial uses of which include agriculture must comply with the most recent best management practices if adopted by rule of the Department of Agriculture and Consumer Services.

(8) As provided in s. 704.06(8) and (9), water management districts with jurisdiction over lands receiving the exemption provided in this section have a third-party right of enforcement to enforce the terms of the applicable conservation easement for any easement that is not enforceable by a federal or state agency, county, municipality, or water management district when the holder of the easement is unable or unwilling to enforce the terms of the easement.

(9) The Acquisition and Restoration Council, created in s. 259.035, shall maintain a list of nonprofit entities that are qualified to enforce the provisions of a conservation easement.

History.—s. 1, ch. 2009-157.

¹**Note.**—

A. Section 9, ch. 2009-157, provides that “[t]his act shall take effect [June 10, 2009,] and shall apply to property tax assessments made on or after January 1, 2010.

B. Section 8, ch. 2009-157, provides that “[t]he Department of Revenue may adopt emergency rules to administer s. 196.26, Florida Statutes, as created by this act. The emergency rules shall remain in effect for 6 months after adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.”

196.28 Cancellation of delinquent taxes upon lands used for road purposes, etc.—

(1) The board of county commissioners of each county of the state be and it is hereby given full power and authority to cancel and discharge any and all liens for taxes, delinquent or current, held or owned by the county or the state, upon lands, heretofore or hereafter, conveyed to, or acquired by any agency, governmental subdivision or municipality of the state, or the United States, for road purposes, defense purposes, recreation, reforestation or other public use; and said lands shall be exempt from county taxation so long as the same are used for such public purpose.

(2) Such cancellation shall be by resolution of the board of county commissioners, duly adopted and entered upon its minutes, properly describing such lands, and setting forth the public use to which the same are, or will be, devoted. Upon receipt of a certified copy of such resolution, the proper officials of the county, and of the state, are hereby authorized, empowered and directed to make proper entries upon the records to accomplish such cancellation and to do all things necessary to carry out the provisions of this section, and to make the same effective, this section being their authority so to do.

196.29 Cancellation of certain taxes on real property acquired by a county, school board, charter school governing board, or community college district board of trustees.—

Whenever any county, school board, charter school governing board, or community college district board of trustees of this state has heretofore acquired, or shall hereafter acquire, title

to any real property, the taxes of all political subdivisions, as defined in s. 1.01, upon such property for the year in which title to such property was acquired, or shall hereafter be acquired, shall be that portion of the taxes levied or accrued against such property for such year which the portion of such year which has expired at the date of such acquisition bears to the entire year, and the remainder of such taxes for such year shall stand canceled.

196.295 Property transferred to exempt governmental unit; tax payment into escrow; taxes due from prior years.—

(1) In the event fee title to property is acquired between January 1 and November 1 of any year by a governmental unit exempt under this chapter by any means except condemnation or is acquired by any means except condemnation for use exclusively for federal, state, county, or municipal purposes, the taxpayer shall be required to place in escrow with the county tax collector an amount equal to the current taxes prorated to the date of transfer of title, based upon the current assessment and millage rates on the land involved. This fund shall be used to pay any ad valorem taxes due, and the remainder of taxes which would otherwise have been due for that current year shall stand canceled.

(2) In the event fee title to property is acquired by a governmental unit exempt under this chapter by any means except condemnation or is acquired by any means except condemnation for use exclusively for federal, state, county, or municipal purposes, the taxpayer is required to pay all taxes due from prior years.

196.31 Taxes against state properties; notice.—Whenever lands or other property of the state or of any agency thereof are situated within any district, subdistrict or governmental unit for the purpose of taxation, which said lands or any of

them or other property, are or shall be subject to special assessments or taxes, the tax collector or other tax collecting agency having authority to collect such taxes or special assessments shall, upon such taxes or special assessments becoming legally due and payable, mail to the state agency or department holding such land or other property, or if held by the state, then to the Board of Trustees of the Internal Improvement Trust Fund at Tallahassee, a notice and make notation under the same date of such notice on the tax roll, which said notice shall contain a description of the lands or other property owned by the state or its agency upon which taxes or special assessments have been levied and are collectible, and the amount of such special assessments or taxes, and unless such notation of notice on the tax roll shall have been made, any nonpayment by the said state or its agency of taxes or special assessments shall not constitute a delinquency or be the basis on which the said lands or other property may be sold for the nonpayment of such taxes or special assessments.

196.32 Executive Office of the Governor; consent required to certain assessments.—When, under any law of this state heretofore or hereafter enacted providing for the imposition of any tax, provision is made for the payment of any portion of the revenue derived from such tax by any state officer, officers, or board, to defray expenses incident to the enforcement and collection thereof, no such state officer, officers, or board may pay or agree to pay any of such funds without the express authorization and approval of the Executive Office of the Governor.

197.122 Lien of taxes; dates; application.—

(1) All taxes imposed pursuant to the State Constitution and laws of this state shall be a first lien, superior to all other liens, on any property against which the taxes have been assessed and

shall continue in full force from January 1 of the year the taxes were levied until discharged by payment or until barred under chapter 95. All personal property tax liens, to the extent that the property to which the lien applies cannot be located in the county or to the extent that the sale of the property is insufficient to pay all delinquent taxes, interest, fees, and costs due, shall be liens against all other personal property of the taxpayer in the county. However, such liens against other personal property shall not apply against such property which has been sold, and such liens against other personal property shall be subordinate to any valid prior or subsequent liens against such other property. No act of omission or commission on the part of any property appraiser, tax collector, board of county commissioners, clerk of the circuit court, or county comptroller, or their deputies or assistants, or newspaper in which any advertisement of sale may be published shall operate to defeat the payment of taxes; but any acts of omission or commission may be corrected at any time by the officer or party responsible for them in like manner as provided by law for performing acts in the first place, and when so corrected they shall be construed as valid ab initio and shall in no way affect any process by law for the enforcement of the collection of any tax. All owners of property shall be held to know that taxes are due and payable annually and are charged with the duty of ascertaining the amount of current and delinquent taxes and paying them before April 1 of the year following the year in which taxes are assessed. No sale or conveyance of real or personal property for nonpayment of taxes shall be held invalid except upon proof that:

- (a) The property was not subject to taxation;
- (b) The taxes had been paid before the sale of personal property; or
- (c) The real property had been redeemed before the execution and delivery of a deed based upon a certificate issued for nonpayment of taxes.

(2) A lien created through the sale of a tax certificate may not be foreclosed or enforced in any manner except as prescribed in this chapter.

(3) A property appraiser may also correct a material mistake of fact relating to an essential condition of the subject property to reduce an

Excerpt of Chapter 197, F.S. (2009)

assessment if to do so requires only the exercise of judgment as to the effect on assessed or taxable value of that mistake of fact.

(a) As used in this subsection, the term “an essential condition of the subject property” means a characteristic of the subject parcel, including only:

1. Environmental restrictions, zoning restrictions, or restrictions on permissible use;
2. Acreage;
3. Wetlands or other environmental lands that are or have been restricted in use because of such environmental features;
4. Access to usable land;
5. Any characteristic of the subject parcel which characteristic, in the property appraiser’s opinion, caused the appraisal to be clearly erroneous; or
6. Depreciation of the property that was based on a latent defect of the property which existed but was not readily discernible by inspection on January 1, but not depreciation resulting from any other cause.

(b) The material mistake of fact may be corrected by the property appraiser, in like manner as provided by law for performing the act in the first place only within 1 year after the approval of the tax roll pursuant to s. 193.1142, and, when so corrected, the act becomes valid ab initio and in no way affects any process by law for the enforcement of the collection of any tax. If such a correction results in a refund of taxes paid on the basis of an erroneous assessment contained on the current year’s tax roll for years beginning January 1, 1999, or later, the property appraiser, at his or her option, may request that the department pass upon the refund request pursuant to s. 197.182 or may submit the correction and refund order directly to the tax collector for action in accordance with the notice provisions of s. 197.182(2). Corrections to tax rolls for prior years which would result in refunds must be made pursuant to s. 197.182.

History.—s. 129, ch. 85-342; s. 11, ch. 88-216; s. 9, ch. 91-295; s. 6, ch. 92-32; s. 1, ch. 98-167.

197.162 Discounts; amount and time.—On all taxes assessed on the county tax rolls and

collected by the county tax collector, discounts for early payment thereof shall be at the rate of 4 percent in the month of November or at any time within 30 days after the mailing of the original tax notice; 3 percent in the month of December; 2 percent in the following month of January; 1 percent in the following month of February; and zero percent in the following month of March or within 30 days prior to the date of delinquency if the date of delinquency is after April 1. When a taxpayer makes a request to have the original tax notice corrected, the discount rate for early payment applicable at the time the request for correction is made shall apply for 30 days after the mailing of the corrected tax notice. A discount shall apply at the rate of 4 percent for 30 days after the mailing of a tax notice resulting from the action of a **value adjustment board**. Thereafter, the regular discount periods shall apply. For the purposes of this section, when a discount period ends on a Saturday, Sunday, or legal holiday, the discount period shall be extended to the next working day, if payment is delivered to a designated collection office of the tax collector.

History.—s. 134, ch. 85-342; s. 1, ch. 92-312; s. 2, ch. 98-139.

197.252 Homestead tax deferral.—

(1) Any person who is entitled to claim homestead tax exemption under the provisions of s. 196.031(1) may elect to defer payment of a portion of the combined total of the ad valorem taxes and any non-ad valorem assessments which would be covered by a tax certificate sold under this chapter levied on that person’s homestead by filing an annual application for tax deferral with the county tax collector on or before January 31 following the year in which the taxes and non-ad valorem assessments are assessed. Any applicant who is entitled to receive the homestead tax exemption but has waived it for any reason shall furnish, with the application for tax deferral, a certificate of eligibility to receive the exemption. Such certificate shall be prepared by the county property appraiser upon request of the taxpayer. It shall be the burden of each applicant to affirmatively demonstrate compliance with the requirements of this section.

Excerpt of Chapter 197, F.S. (2009)

(2)(a) Approval of an application for tax deferral shall defer that portion of the combined total of ad valorem taxes and any non-ad valorem assessments which would be covered by a tax certificate sold under this chapter otherwise due and payable on the applicant's homestead pursuant to s. 197.333 which exceeds 5 percent of the applicant's household's income for the prior calendar year. If any such applicant's household income for the prior calendar year is less than \$10,000, approval of such application shall defer such ad valorem taxes plus non-ad valorem assessments in their entirety.

¹(b) If the applicant is 65 years of age or older, approval of the application shall defer that portion of the ad valorem taxes plus non-ad valorem assessments which exceeds 3 percent of the applicant's household income for the prior calendar year. If any applicant's household income for the prior calendar year is less than \$10,000, or is less than the amount of the household income designated for the additional homestead exemption pursuant to s. 196.075, and the applicant is 65 years of age or older, approval of the application shall defer the ad valorem taxes plus non-ad valorem assessments in their entirety.

(c) The household income of an applicant who applies for a tax deferral before the end of the calendar year in which the taxes and non-ad valorem assessments are assessed shall be for the current year, adjusted to reflect estimated income for the full calendar year period. The estimate of a full year's household income shall be made by multiplying the household income received to the date of application by a fraction, the numerator being 365 and the denominator being the number of days expired in the calendar year to the date of application.

(3) No tax deferral shall be granted:

(a) If the total amount of deferred taxes, non-ad valorem assessments, and interest plus the total amount of all other unsatisfied liens on the homestead exceeds 85 percent of the assessed value of the homestead, or

(b) If the primary mortgage financing on the homestead is for an amount which exceeds 70 percent of the assessed value of the homestead.

(4) The amount of taxes, non-ad valorem assessments, and interest deferred under this act shall accrue interest at a rate equal to the semiannually compounded rate of one-half of 1 percent plus the average yield to maturity of the long-term fixed-income portion of the Florida Retirement System investments as of the end of the quarter preceding the date of the sale of the deferred payment tax certificates; however, the interest rate may not exceed 7 percent.

(5) The taxes, non-ad valorem assessments, and interest deferred pursuant to this act shall constitute a prior lien and shall attach as of the date and in the same manner and be collected as other liens for taxes, as provided for under this chapter, but such deferred taxes, non-ad valorem assessments, and interest shall only be due, payable, and delinquent as provided in this act.

History.—s. 3, ch. 77-301; s. 2, ch. 78-161; s. 20, ch. 79-334; s. 145, ch. 85-342; s. 1, ch. 89-328; s. 1007, ch. 95-147; s. 5, ch. 98-139; s. 1, ch. 2006-47; s. 8, ch. 2006-69; s. 7, ch. 2007-339.

¹**Note.**—Section 1, ch. 2007-339, provides that:

“(1) The executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of implementing this act.

“(2) In anticipation of implementing this act, the executive director of the Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules under ss. 120.536(1) and 120.54(4), Florida Statutes, for the purpose of making necessary changes and preparations so that forms, methods, and data records, electronic or otherwise, are ready and in place if sections 3 through 9 and sections 10, 12, and 14...of this act become law.

“(3) Notwithstanding any other provision of law, such emergency rules shall remain in effect for 18 months after the date of adoption and may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.”

Note.—Former s. 197.0165.

197.253 Homestead tax deferral; application.—

(1) The application for deferral shall be made upon a form prescribed by the department and furnished by the county tax collector. The application form shall be signed upon oath by the applicant before an officer authorized by the state to administer oaths. The tax collector may, in his or her discretion, require the applicant to submit

Excerpt of Chapter 197, F.S. (2009)

such other evidence and documentation as deemed necessary by the tax collector in considering the application. The application form shall advise the applicant of the manner in which interest is computed. Each application form shall contain an explanation of the conditions to be met for approval and the conditions under which deferred taxes and interest become due, payable, and delinquent. Each application shall clearly state that all deferrals pursuant to this act shall constitute a lien on the applicant's homestead.

(2)(a) The tax collector shall consider each annual application for homestead tax deferral within 30 days of the day the application is filed or as soon as practicable thereafter. A tax collector who finds that the applicant is entitled to the tax deferral shall approve the application and file the application in the permanent records. A tax collector who finds the applicant is not entitled to the deferral shall send a notice of disapproval within 30 days of the filing of the application, giving reasons therefor to the applicant, either by personal delivery or by registered mail to the mailing address given by the applicant and shall make return in the manner in which such notice was served upon the applicant upon the original notice thereof and file among the permanent records of the tax collector's office. The original notice of disapproval sent to the applicant shall advise the applicant of the right to appeal the decision of the tax collector to the **value adjustment board** and shall inform the applicant of the procedure for filing such an appeal.

(b) Appeals of the decision of the tax collector to the **value adjustment board** shall be in writing on a form prescribed by the department and furnished by the tax collector. Such appeal shall be filed with the **value adjustment board** within 20 days after the applicant's receipt of the notice of disapproval. The value adjustment board shall review the application and the evidence presented to the tax collector upon which the applicant based his or her claim for tax deferral and, at the election of the applicant, shall hear the applicant in person, or by agent on the applicant's behalf, on his or her right to homestead tax deferral. The **value adjustment board** shall reverse the decision of the tax collector and grant

homestead tax deferral to the applicant, if in its judgment the applicant is entitled thereto, or affirm the decision of the tax collector. Such action of the value adjustment board shall be final unless the applicant or tax collector or other lienholder, within 15 days from the date of disapproval of the application by the board, files in the circuit court of the county in which the property is located, a proceeding for a declaratory judgment or other appropriate proceeding.

(3) Each application shall contain a list of, and the current value of, all outstanding liens on the applicant's homestead.

(4) For approved applications, the date of receipt by the tax collector of the application for tax deferral shall be used in calculating taxes due and payable net of discounts for early payment as provided for by s. 197.162.

(5) If such proof has not been furnished with a prior application, each applicant shall furnish proof of fire and extended coverage insurance in an amount which is in excess of the sum of all outstanding liens and deferred taxes and interest with a loss payable clause to the county tax collector.

(6) The tax collector shall notify the property appraiser in writing of those parcels for which taxes have been deferred.

(7) The property appraiser shall promptly notify the tax collector of denials of homestead application and changes in ownership of properties that have been granted a tax deferral.

197.254 Annual notification to taxpayer.—

(1) The tax collector shall notify the taxpayer of each parcel appearing on the real property assessment roll of the right to defer payment of taxes and non-ad valorem assessments pursuant to ss. 197.242-197.312. Such notice shall be printed on the back of envelopes used for mailing the notice of taxes provided for by s. 197.322(3). Such notice of the right to defer payment of taxes and non-ad valorem assessments shall read:

“If your income is low enough to meet certain conditions, you may qualify for a deferred tax payment plan on homestead property. An application to determine eligibility is available in the county tax collector’s office.”

(2) On or before November 1 of each year, the tax collector shall notify each taxpayer to whom a tax deferral has been previously granted of the accumulated sum of deferred taxes, non-ad valorem assessments, and interest outstanding.

Note.—Former s. 197.0167.

197.263 Change in ownership or use of property.—

(1) In the event that there is a change in use of tax-deferred property such that the owner is no longer entitled to claim homestead exemption for such property pursuant to s. 196.031(1), or such person fails to maintain the required fire and extended insurance coverage, the total amount of deferred taxes and interest for all previous years shall be due and payable November 1 of the year in which the change in use occurs or on the date failure to maintain insurance occurs and shall be delinquent on April 1 of the year following the year in which the change in use or failure to maintain insurance occurs.

(2) In the event that there is a change in ownership of tax-deferred property, the total amount of deferred taxes and interest for all previous years shall be due and payable on the date the change in ownership takes place and shall be delinquent on April 1 following said date. When, however, the change in ownership is to a surviving spouse and such spouse is eligible to claim homestead exemption on such property pursuant to s. 196.031(1), such surviving spouse may continue the deferment of previously deferred taxes and interest pursuant to the provisions of this act.

(3) Whenever the property appraiser discovers that there has been a change in the ownership or use of property which has been granted a tax deferral, the property appraiser shall notify the tax collector in writing of the date such

change occurs, and the tax collector shall collect any taxes and interest due or delinquent.

(4) During any year in which the total amount of deferred taxes, interest, and all other unsatisfied liens on the homestead exceeds 85 percent of the assessed value of the homestead, the tax collector shall immediately notify the owner of the property on which taxes and interest have been deferred that the portion of taxes and interest which exceeds 85 percent of the assessed value of the homestead shall be due and payable within 30 days of receipt of the notice. Failure to pay the amount due shall cause the total amount of deferred taxes and interest to become delinquent.

(5) Each year, upon notification, each owner of property on which taxes and interest have been deferred shall submit to the tax collector a list of, and the current value of, all outstanding liens on the owner’s homestead. Failure to respond to this notification within 30 days shall cause the total amount of deferred taxes and interest to become payable within 30 days.

(6) In the event deferred taxes become delinquent under this chapter, then on or before June 1 following the date the taxes become delinquent, the tax collector shall sell a tax certificate for the delinquent taxes and interest in the manner provided by s. 197.432.

Note.—Former s. 197.0169.

197.292 Construction.—Nothing in this act shall be construed to prevent the collection of personal property taxes which become a lien against tax-deferred property, defer payment of special assessments to benefited property other than those specifically allowed to be deferred, or affect any provision of any mortgage or other instrument relating to property requiring a person to pay ad valorem taxes or non-ad valorem assessments.

197.301 Penalties.—

(1) The following penalties shall be imposed on any person who willfully files information

required under s. 197.252 or s. 197.263 which is incorrect:

(a) Such person shall pay the total amount of taxes and interest deferred, which amount shall immediately become due;

(b) Such person shall be disqualified from filing a homestead tax deferral application for the next 3 years; and

(c) Such person shall pay a penalty of 25 percent of the total amount of taxes and interest deferred.

(2) Any person against whom the penalties prescribed in this section have been imposed may appeal the penalties imposed to the **value adjustment board** within 30 days after said penalties are imposed.

197.303 Ad valorem tax deferral for recreational and commercial working waterfront properties.—

(1) The board of county commissioners of any county or the governing authority of any municipality may adopt an ordinance to allow for ad valorem tax deferrals for recreational and commercial working waterfront properties if the owners are engaging in the operation, rehabilitation, or renovation of such properties in accordance with guidelines established in this section.

(2) The board of county commissioners or the governing authority of the municipality by ordinance may authorize the deferral of ad valorem taxation and non-ad valorem assessments for recreational and commercial working waterfront properties.

(3) The ordinance shall designate the percentage or amount of the deferral and the type and location of working waterfront property, including the type of public lodging establishments, for which deferrals may be granted, which may include any property meeting the provisions of s. 342.07(2), which property may be further required to be located within a particular geographic area or areas of the county or municipality.

(4) The ordinance must specify that such deferrals apply only to taxes levied by the unit of government granting the deferral. The deferrals do not apply, however, to taxes or non-ad valorem assessments defined in s. 197.3632(1)(d) levied for the payment of bonds or to taxes authorized by a vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution.

(5) The ordinance must specify that any deferral granted remains in effect regardless of any change in the authority of the county or municipality to grant the deferral. In order to retain the deferral, however, the use and ownership of the property as a working waterfront must be maintained over the period for which the deferral is granted.

(6)(a) If an application for deferral is granted on property that is located in a community redevelopment area, the amount of taxes eligible for deferral shall be reduced, as provided for in paragraph (b), if:

1. The community redevelopment agency has previously issued instruments of indebtedness that are secured by increment revenues on deposit in the community redevelopment trust fund; and

2. Those instruments of indebtedness are associated with the real property applying for the deferral.

(b) If the provisions of paragraph (a) apply, the tax deferral shall not apply to an amount of taxes equal to the amount that must be deposited into the community redevelopment trust fund by the entity granting the deferral based upon the taxable value of the property upon which the deferral is being granted. Once all instruments of indebtedness that existed at the time the deferral was originally granted are no longer outstanding or have otherwise been defeased, the provisions of this paragraph shall no longer apply.

(c) If a portion of the taxes on a property were not eligible for deferral because of the provisions of paragraph (b), the community redevelopment agency shall notify the property owner and the tax collector 1 year before the debt instruments that prevented said taxes from being deferred are no longer outstanding or otherwise defeased.

(d) The tax collector shall notify a community redevelopment agency of any tax deferral that has been granted on property located within the community redevelopment area of that agency.

(e) Issuance of debt obligation after the date a deferral has been granted shall not reduce the amount of taxes eligible for deferral.

History.—s. 14, ch. 2005-157; s. 4, ch. 2006-220.

197.304 Tax deferral for recreational and commercial working waterfronts.—

(1) Any property owner in a jurisdiction that has adopted a tax deferral ordinance pursuant to s. 197.303 that owns a recreational and commercial working waterfront facility as defined in s. 342.07 may elect to defer payment of those ad valorem taxes and non-ad valorem assessments designated in the ordinance authorizing the deferral by filing an annual application for tax deferral with the county tax collector on or before January 31 following the year in which the taxes and non-ad valorem assessments are assessed. The applicant has the burden to affirmatively demonstrate compliance with the requirements of this section.

(2) Approval of an application for tax deferral shall defer that portion of the combined total of ad valorem taxes and any non-ad valorem assessments that are authorized to be deferred by the ordinance authorizing the deferral.

(3) A tax deferral may not be granted if:

(a) The total amount of deferred taxes, non-ad valorem assessments, and interest plus the total amount of all other unsatisfied liens on the property exceeds 85 percent of the assessed value of the property; or

(b) The primary financing on the property is for an amount that exceeds 70 percent of the assessed value of the property.

(4) The amount of taxes, non-ad valorem assessments, and interest deferred shall accrue interest at a rate equal to the semiannually compounded rate of one-half of 1 percent plus the average yield to maturity of the long-term fixed-income portion of the Florida Retirement System investments as of the end of the quarter preceding the date of the sale of the deferred payment tax

certificates; however, the interest rate may not exceed 9.5 percent.

(5) The taxes, non-ad valorem assessments, and interest deferred pursuant to this section constitute a prior lien and shall attach as of the date and in the same manner and be collected as other liens for taxes, as provided for under this chapter, but such deferred taxes, non-ad valorem assessments, and interest shall only be due, payable, and delinquent as provided in ss. 197.303-197.3047.

History.—s. 14, ch. 2005-157.

197.3041 Tax deferral for recreational and commercial working waterfronts; application.—

(1) The application for deferral must be made annually upon a form prescribed by the department and furnished by the county tax collector. The application form must be signed upon oath by the applicant before an officer authorized by the state to administer oaths. The tax collector may require the applicant to submit any other evidence and documentation as deemed necessary by the tax collector in considering the application. The application form must provide notice to the applicant of the manner in which interest is computed. Each application form must contain an explanation of the conditions to be met for approval and the conditions under which deferred taxes and interest become due, payable, and delinquent. Each application must clearly state that all deferrals pursuant to ss. 197.303-197.3047 constitute a lien on the applicant's property.

(2)(a) The tax collector shall consider and render his or her findings, determinations, and decision on each annual application for a tax deferral for recreational and commercial working waterfronts within 45 days after the date the application is filed. The tax collector shall exercise reasonable discretion based upon applicable information available under this section. The determinations and findings of the tax collector as provided for in this paragraph are not quasi-judicial and are subject exclusively to review by the **value adjustment board** as provided by this section. A tax collector who finds that the applicant is entitled to the tax deferral shall

Excerpt of Chapter 197, F.S. (2009)

approve the application and file the application in the permanent records. A tax collector who finds that the applicant is not entitled to the deferral shall send a notice of disapproval within 45 days after the date the application is filed, giving reasons for the disapproval to the applicant. The notice must be sent by personal delivery or registered mail to the mailing address given by the applicant in the manner in which the original notice thereof was served upon the applicant and must be filed among the permanent records of the tax collector's office. The original notice of disapproval sent to the applicant shall advise the applicant of the right to appeal the decision of the tax collector to the value adjustment board and inform the applicant of the procedure for filing such an appeal.

(b) An appeal of the decision of the tax collector to the **value adjustment board** must be in writing on a form prescribed by the department and furnished by the tax collector. The appeal must be filed with the **value adjustment board** within 20 days after the applicant's receipt of the notice of disapproval, and the board must approve or disapprove the appeal within 30 days after receipt. The **value adjustment board** shall review the application and the evidence presented to the tax collector upon which the applicant based his or her claim for tax deferral and, at the election of the applicant, shall hear the applicant in person, or by agent on the applicant's behalf, on his or her right to the tax deferral. The **value adjustment board** shall reverse the decision of the tax collector and grant a tax deferral to the applicant if, in its judgment, the applicant is entitled to the tax deferral or shall affirm the decision of the tax collector. Action by the **value adjustment board** is final unless the applicant or tax collector or other lienholder, within 15 days after the date of disapproval of the application by the **board**, files in the circuit court of the county in which the property is located a de novo proceeding for a declaratory judgment or other appropriate proceeding.

(3) Each application must contain a list of, and the current value of, all outstanding liens on the applicant's property.

(4) For approved applications, the date of receipt by the tax collector of the application for tax deferral shall be used in calculating taxes due and payable net of discounts for early payment.

(5) If such proof has not been furnished with a prior application, each applicant shall furnish proof of fire and extended coverage insurance in an amount that is in excess of the sum of all outstanding liens and deferred taxes and interest with a loss payable clause to the county tax collector.

(6) The tax collector shall notify the property appraiser in writing of those parcels for which taxes have been deferred.

(7) The property appraiser shall promptly notify the tax collector of changes in ownership or use of properties that have been granted a tax deferral.

History.—s. 14, ch. 2005-157.

197.3043 Change in use or ownership of property.—

(1) If there is a change in use or ownership of the tax-deferred property such that the owner is no longer entitled to claim the property as a recreational or commercial working waterfront facility, or there is a change in the legal or beneficial ownership of the property, or the owner fails to maintain the required fire and extended insurance coverage, the total amount of deferred taxes and interest for all previous years becomes due and payable November 1 of the year in which the change in use or ownership occurs or on the date failure to maintain insurance occurs, and is delinquent on April 1 of the year following the year in which the change in use or ownership or failure to maintain insurance occurs.

(2) Whenever the property appraiser discovers that there has been a change in the use or ownership of the property that has been granted a tax deferral, the property appraiser shall notify the tax collector in writing of the date such change occurs, and the tax collector shall collect any taxes and interest due or delinquent.

(3) During any year in which the total amount of deferred taxes, interest, and all other unsatisfied liens on the property exceeds 85

percent of the assessed value of the property, the tax collector shall immediately notify the owner of the property on which taxes and interest have been deferred that the portion of taxes and interest which exceeds 85 percent of the assessed value of the property is due and payable within 30 days after receipt of the notice. Failure to pay the amount due shall cause the total amount of deferred taxes and interest to become delinquent.

(4) If deferred taxes become delinquent under this chapter, on or before June 1 following the date the taxes become delinquent, the tax collector shall sell a tax certificate for the delinquent taxes and interest in the manner provided by s. 197.432.

History.—s. 14, ch. 2005-157.

197.3046 Construction.—Sections 197.303-197.3047 do not prevent the collection of personal property taxes that become a lien against tax-deferred property, defer payment of special assessments to benefited property other than those specifically allowed to be deferred, or affect any provision of any mortgage or other instrument relating to property requiring a person to pay ad valorem taxes or non-ad valorem assessments.

History.—s. 14, ch. 2005-157.

197.3047 Penalties.—

(1) The following penalties shall be imposed on any person who willfully files information required under ss. 197.303-197.3047 which is incorrect:

(a) The person shall pay the total amount of taxes and interest deferred, which amount shall immediately become due;

(b) The person shall be disqualified from filing a tax deferral application for the next 3 years; and

(c) The person shall pay a penalty of 25 percent of the total amount of taxes and interest deferred.

(2) Any person against whom the penalties prescribed in this section have been imposed may appeal the penalties imposed to the **value adjustment board** within 30 days after the penalties are imposed.

History.—s. 14, ch. 2005-157.

197.307 Deferrals for ad valorem taxes and non-ad valorem assessments on affordable rental housing property.—

(1) A board of county commissioners or the governing authority of a municipality may adopt an ordinance to allow for ad valorem tax deferrals on affordable rental housing if the owners are engaging in the operation, rehabilitation, or renovation of such properties in accordance with the guidelines provided in part VI of chapter 420.

(2) The board of county commissioners or the governing authority of a municipality may also, by ordinance, authorize the deferral of non-ad valorem assessments, as defined in s. 197.3632, on affordable rental housing.

(3) The ordinance must designate the percentage or amount of the deferral and the type and location of affordable rental housing property for which a deferral may be granted. The ordinance may also require the property to be located within a particular geographic area or areas of the county or municipality.

(4) The ordinance must specify that the deferral applies only to taxes and assessments levied by the unit of government granting the deferral. However, a deferral may not be granted for taxes or non-ad valorem assessments levied for the payment of bonds or for taxes authorized by a vote of the electors pursuant to s. 9(b) or s. 12, Art. VII of the State Constitution.

(5) The ordinance must specify that any deferral granted remains in effect for the period for which it is granted regardless of any change in the authority of the county or municipality to grant the deferral. In order to retain the deferral, however, the use and ownership of the property as affordable rental housing must be maintained over the period for which the deferral is granted.

(6) If an application for tax deferral is granted on property that is located in a community redevelopment area as defined in s. 163.340:

(a) The amount of taxes eligible for deferral must be reduced, as provided for in paragraph (b), if:

1. The community redevelopment agency has previously issued instruments of indebtedness which are secured by increment revenues on

Excerpt of Chapter 197, F.S. (2009)

deposit in the community redevelopment trust fund; and

2. The instruments of indebtedness are associated with the real property applying for the deferral.

(b) The tax deferral does not apply to an amount of taxes equal to the amount that must be deposited into the community redevelopment trust fund by the entity granting the deferral based upon the taxable value of the property upon which the deferral is being granted. Once all instruments of indebtedness that existed at the time the deferral was originally granted are no longer outstanding or have otherwise been defeased, this paragraph no longer applies.

(c) If a portion of the taxes on a property are not eligible for deferral as provided under paragraph (b), the community redevelopment agency shall notify the property owner and the tax collector 1 year before the debt instruments that prevented such taxes from being deferred are no longer outstanding or otherwise defeased.

(d) The tax collector shall notify a community redevelopment agency of any tax deferral that has been granted on property located within the agency's community redevelopment area.

(e) Issuance of debt obligation after the date a deferral has been granted does not reduce the amount of taxes eligible for deferral.

(7) The tax collector shall notify:

(a) The taxpayer of each parcel appearing on the real property assessment roll of the law allowing the deferral of taxes, non-ad valorem assessments, and interest under ss. 197.307-197.3079. Such notice shall be printed on the back of envelopes used to mail the notice of taxes as provided under s. 197.322(3). Such notice shall read:

NOTICE TO TAXPAYERS OWNING
AFFORDABLE RENTAL HOUSING
PROPERTY

If your property meets certain conditions you may qualify for a deferred tax payment plan on your affordable rental housing property. An application to determine your eligibility is available in the county tax collector's office.

(b) On or before November 1 of each year, the tax collector shall notify each taxpayer for whom a tax deferral has been previously granted of the accumulated sum of deferred taxes, non-ad valorem assessments, and interest outstanding.

History.—s. 6, ch. 2007-198.

197.3071 Eligibility for tax deferral.—The tax deferral authorized by this section is applicable only on a pro rata basis to the ad valorem taxes levied on residential units within a property which meet the following conditions:

(1) Units for which the monthly rent along with taxes, insurance, and utilities does not exceed 30 percent of the median adjusted gross annual income as defined in s. 420.0004 for the households described in subsection (2).

(2) Units that are occupied by extremely-low-income persons, very-low-income persons, low-income persons, or moderate-income persons as these terms are defined in s. 420.0004.

History.—s. 6, ch. 2007-198.

197.3072 Deferral for affordable rental housing properties.—

(1) Any property owner in a jurisdiction that has adopted an ad valorem tax-deferral ordinance or a deferral of non-ad valorem assessments ordinance pursuant to s. 197.307 and who owns an eligible affordable rental housing property as described in s. 197.3071 may apply for a deferral of payment by filing an annual application for deferral with the county tax collector on or before January 31 following the year in which the taxes and non-ad valorem assessments are assessed. The property owner has the burden to affirmatively demonstrate compliance with the requirements of this section.

(2) Approval by the tax collector defers that portion of the combined total of ad valorem taxes and any non-ad valorem assessments plus interest that are authorized to be deferred by an ordinance enacted pursuant to s. 197.307.

(3) Deferral may not be granted if:

(a) The total amount of deferred taxes, non-ad valorem assessments, and interest plus the total amount of all other unsatisfied liens on the

property exceeds 85 percent of the assessed value of the property; or

(b) The primary financing on the affordable rental housing property is for an amount that exceeds 70 percent of the assessed value of the property.

(4) The amount of taxes deferred, non-ad valorem assessments, and interest shall accrue interest at a rate equal to the annually compounded rate of 3 percent plus the Consumer Price Index for All Urban Consumers; however, the interest rate may not exceed 9.5 percent.

(5) The deferred taxes, non-ad valorem assessments, and interest constitute a prior lien on the affordable rental housing property and shall attach as of the date and in the same manner and be collected as other liens for taxes as provided for under this chapter, but such deferred taxes, non-ad valorem assessments, and interest are due, payable, and delinquent as provided in ss. 197.307-197.3079.

History.—s. 6, ch. 2007-198.

197.3073 Deferral application.—

(1) The application for a deferral of ad valorem taxes and non-ad valorem assessments must be made annually upon a form prescribed by the department and furnished by the county tax collector. The application form must be signed under oath by the property owner applying for the deferral before an officer authorized by the state to administer oaths. The application form must provide notice to the property owner of the manner in which interest is computed. The application form must contain an explanation of the conditions to be met for approval of the deferral and the conditions under which deferred taxes, non-ad valorem assessments, and interest become due, payable, and delinquent. Each application must clearly state that all deferrals pursuant to this section constitute a lien on the property for which the deferral is granted. The tax collector may require the property owner to submit any other evidence and documentation considered necessary by the tax collector in reviewing the application.

(2) The tax collector shall consider and render his or her findings, determinations, and

decision on each annual application for a deferral for affordable rental housing within 45 days after the date the application is filed. The tax collector shall exercise reasonable discretion based upon applicable information available under this section. The determinations and findings of the tax collector are not quasi-judicial and are subject exclusively to review by the value adjustment board as provided by this section. A tax collector who finds that a property owner is entitled to the deferral shall approve the application and file the application in the permanent records.

(a) A tax collector who finds that a property owner is not entitled to the deferral shall send a notice of disapproval within 45 days after the date the application is filed, giving reasons for the disapproval. The notice must be sent by personal delivery or registered mail to the mailing address given by the property owner in the manner in which the original notice was served upon the property owner and must be filed among the permanent records of the tax collector's office. The original notice of disapproval sent to the property owner shall advise the property owner of the right to appeal the decision of the tax collector to the **value adjustment board** and provide the procedures for filing an appeal.

(b) An appeal by the property owner of the decision of the tax collector to deny the deferral must be submitted to the **value adjustment board** on a form prescribed by the department and furnished by the tax collector. The appeal must be filed with the **value adjustment board** within 20 days after the applicant's receipt of the notice of disapproval, and the board must approve or disapprove the appeal within 30 days after receipt of the appeal. The **value adjustment board** shall review the application and the evidence presented to the tax collector upon which the property owner based a claim for deferral and, at the election of the property owner, shall hear the property owner in person, or by agent on the property owner's behalf, concerning his or her right to the deferral. The **value adjustment board** shall reverse the decision of the tax collector and grant a deferral to the property owner if, in its judgment, the property owner is entitled to the deferral or shall affirm the decision of the tax collector. Action by the value

Excerpt of Chapter 197, F.S. (2009)

adjustment board is final unless the property owner or tax collector or other lienholder, within 15 days after the date of disapproval of the application by the board, files for a de novo proceeding for a declaratory judgment or other appropriate proceeding in the circuit court of the county in which the property is located.

(3) Each application for deferral must contain a list of, and the current value of, all outstanding liens on the property for which a deferral is requested.

(4) For approved applications, the date the deferral application is received by the tax collector shall be the date used in calculating taxes due and payable at the expiration of the tax deferral net of discounts for early payment.

(5) If proof has not been furnished with a prior application, each property owner shall furnish proof of fire and extended coverage insurance in an amount that is in excess of the sum of all outstanding liens including a lien for the deferred taxes, non-ad valorem assessments, and interest with a loss payable clause to the county tax collector.

(6) The tax collector shall notify the property appraiser in writing of those parcels for which taxes or assessments have been deferred.

(7) The property appraiser shall promptly notify the tax collector of changes in ownership or use of properties that have been granted a deferral.

(8) The property owner shall promptly notify the tax collector of changes in ownership or use of properties that have been granted tax deferrals.

History.—s. 6, ch. 2007-198.

197.3075 Change in use or ownership of property.—

(1) If there is a change in use or ownership of the property that has been granted an ad valorem tax or non-ad valorem assessment deferral such that the property owner is no longer entitled to claim the property as an affordable rental housing property, or if there is a change in the legal or beneficial ownership of the property, or if the owner fails to maintain the required fire and extended insurance coverage, the total amount of deferred taxes, non-ad valorem assessments, and interest for all previous years becomes due

and payable November 1 of the year in which the change in use or ownership occurs or on the date failure to maintain insurance occurs, and is delinquent on April 1 of the year following the year in which the change in use or ownership or failure to maintain insurance occurs.

(2) Whenever the property appraiser discovers that there has been a change in the use or ownership of the property that has been granted a deferral, the property appraiser shall notify the tax collector in writing of the date such change occurs, and the tax collector shall collect any taxes, non-ad valorem assessments, and interest due or delinquent.

(3) During any year in which the total amount of deferred taxes, non-ad valorem assessments, interest, and all other unsatisfied liens on the property exceeds 85 percent of the assessed value of the property, the tax collector shall immediately notify the property owner that the portion of taxes, non-ad valorem assessments, and interest which exceeds 85 percent of the assessed value of the property is due and payable within 30 days after receipt of the notice. Failure to pay the amount due shall cause the total amount of deferred taxes, non-ad valorem assessments, and interest to become delinquent.

(4) If on or before June 1 following the date the taxes deferred under this subsection become delinquent, the tax collector shall sell a tax certificate for the delinquent taxes and interest in the manner provided by s. 197.432.

History.—s. 6, ch. 2007-198.

197.3078 Construction.—This section does not prevent the collection of personal property taxes that become a lien against tax-deferred property, or defer payment of special assessments to benefited property other than those specifically allowed to be deferred, or affect any provision of any mortgage or other instrument relating to property requiring a person to pay ad valorem taxes or non-ad valorem assessments.

History.—s. 6, ch. 2007-198.

197.3079 Penalties.—

(1) The following penalties shall be imposed on any person who willfully files information required under this section which is incorrect:

(a) The person shall pay the total amount of deferred taxes, non-ad valorem assessments, and interest which shall immediately become due;

(b) The person shall be disqualified from filing a tax deferral application for the next 3 years; and

(c) The person shall pay a penalty of 25 percent of the total amount of taxes, non-ad valorem assessments, and interest deferred.

(2) Any person against whom penalties have been imposed may appeal to the **value adjustment board** within 30 days after the date the penalties were imposed.

History.—s. 6, ch. 2007-198.

197.323 Extension of roll during adjustment board hearings.—

(1) Notwithstanding the provisions of s. 193.122, the board of county commissioners may, upon request by the tax collector and by majority vote, order the roll to be extended prior to completion of value adjustment board hearings, if completion thereof would otherwise be the only cause for a delay in the issuance of tax notices beyond November 1. For any parcel for which tax liability is subsequently altered as a result of board action, the tax collector shall resolve the matter by following the same procedures used for correction of errors. However, approval by the department is not required for refund of overpayment made pursuant to this section.

(2) A tax certificate or warrant shall not be issued under s. 197.413 or s. 197.432 with respect to delinquent taxes on real or personal property for the current year if a petition currently filed with respect to such property has not received final action by the **value adjustment board**.

History.—s. 156, ch. 85-342; s. 163, ch. 91-112.

EXCERPT OF

CHAPTER 200

DETERMINATION OF MILLAGE

200.011 Duty of county commissioners and school board in setting rate of taxation.

200.069 Notice of proposed property taxes and non-ad valorem assessments.

200.011 Duty of county commissioners and school board in setting rate of taxation.—

(1) The county commissioners shall determine the amount to be raised for all county purposes, except for county school purposes, and shall enter upon their minutes the rates to be levied for each fund respectively, together with the rates certified to be levied by the board of county commissioners for use of the county, special taxing district, board, agency, or other taxing unit within the county for which the board of county commissioners is required by law to levy taxes.

(2) The county commissioners shall ascertain the aggregate rate necessary to cover all such taxes and certify the same to the property appraiser within 30 days after the adjournment of the **value adjustment board**. The property appraiser shall carry out the full amount of taxes for all county purposes, except for school purposes, under one heading in the assessment roll to be provided for that purpose, and the county commissioners shall notify the clerk and auditor and tax collector of the county of the amounts to be apportioned to the different accounts out of the total taxes levied for all purposes.

(3) The county depository, in issuing receipts to the tax collector, shall state in each of his or her receipts, which shall be in duplicate, the amount deposited to each fund out of the deposits made with it by the tax collector. When any such receipts shall be given to the tax collector by the county depository, the tax collector shall immediately file one of the same with the clerk and auditor of the county, who shall credit the same to the tax collector with the amount thereof and make out and deliver to the tax collector a

certificate setting forth the payment in detail, as shown by the receipt of the county depository.

(4) The county commissioners and school board shall file written statements with the property appraiser setting forth the boundary of each special school district and the district or territory in which other special taxes are to be assessed, and the property appraiser shall, upon receipt of such statements and orders from the board of county commissioners and school board setting forth the rate of taxation to be levied on the real and personal property therein, proceed to assess such property and enter the taxes thereon in the assessment rolls to be provided for that purpose.

(5) The property appraiser shall designate and separately identify by certificate to the tax collector the rate of taxation to be levied for the use of the county and school board and the total rate of taxation for all other taxing authorities in the county.

(6) The board of county commissioners shall certify to the property appraiser and tax collector the millage rates to be levied for the use of the county and special taxing districts, boards, and authorities and all other taxing units within the county for which the board of county commissioners is required by law to levy taxes. The district school board, each municipality, and the governing board or governing authority of each special taxing district or other taxing unit within the county the taxes of which are assessed on the tax roll prepared by the property appraiser, but for which the board of county commissioners is not required by law to levy taxes, shall certify to the property appraiser and tax collector the millage rate set by such board, municipality, authority, special taxing district, or taxing unit. The certifications required by this subsection shall be made within 30 days after the **value adjustment board** adjourns.

200.069 Notice of proposed property taxes and non-ad valorem assessments.—Pursuant to s. 200.065(2)(b), the property appraiser, in the name of the taxing authorities and local governing boards levying non-ad valorem assessments within his or her jurisdiction and at the expense of the county, shall prepare and deliver by first-class mail to each taxpayer to be listed on the current year's assessment roll a notice of proposed property taxes, which notice shall contain the elements and use the format provided in the following form. Notwithstanding the provisions of s. 195.022, no county officer shall use a form other than that provided herein. The Department of Revenue may adjust the spacing and placement on the form of the elements listed in this section as it considers necessary based on changes in conditions necessitated by various taxing authorities. If the elements are in the order listed, the placement of the listed columns may be varied at the discretion and expense of the property appraiser, and the property appraiser may use printing technology and devices to complete the form, the spacing, and the placement of the information in the columns. A county officer may use a form other than that provided by the department for purposes of this part, but only if his or her office pays the related expenses and he or she obtains prior written permission from the executive director of the department; however, a county officer may not use a form the substantive content of which is at variance with the form prescribed by the department. The county officer may continue to use such an approved form until the law that specifies the form is amended or repealed or until the officer receives written disapproval from the executive director.

(1) The first page of the notice shall read:

The second, fourth, and sixth columns shall, immediately below said entries, be labeled Column 1, Column 2, and Column 3, respectively. Below these labels shall appear, in boldfaced type, the statement: SEE REVERSE SIDE FOR EXPLANATION.

(6)(a) The second page of the notice shall state the parcel's market value and for each taxing authority that levies an ad valorem tax against the parcel:

1. The assessed value, value of exemptions, and taxable value for the previous year and the current year.

2. Each assessment reduction and exemption applicable to the property, including the value of the assessment reduction or exemption and tax levies to which they apply.

(b) The reverse side of the second page shall contain definitions and explanations for the values included on the front side.

If the property appraiser's office is unable to resolve the matter as to market value, classification, or an exemption, you may file a petition for adjustment with the **Value Adjustment Board**. Petition forms are available from the county property appraiser and must be filed ON OR BEFORE (date).

(8) The reverse side of the first page of the form shall read:

EXPLANATION

*COLUMN 1—"YOUR PROPERTY TAXES LAST YEAR"

This column shows the taxes that applied last year to your property. These amounts were based on budgets adopted last year and your property's previous taxable value.

*COLUMN 2—"YOUR TAXES IF NO BUDGET CHANGE IS ADOPTED"

This column shows what your taxes will be this year IF EACH TAXING AUTHORITY DOES NOT CHANGE ITS PROPERTY TAX LEVY. These amounts are based on last year's budgets and your current assessment.

*COLUMN 3—"YOUR TAXES IF PROPOSED BUDGET CHANGE IS ADOPTED"

This column shows what your taxes will be this year under the BUDGET ACTUALLY PROPOSED by each local taxing authority. The proposal is NOT final and may be amended at the public hearings shown on the front side of this notice. The difference between columns 2 and 3 is the tax change proposed by each local taxing authority and is NOT the result of higher assessments.

*Note: Amounts shown on this form do NOT reflect early payment discounts you may have received or may be eligible to receive. (Discounts are a maximum of 4 percent of the amounts shown on this form.)

(9) The bottom portion of the notice shall further read in bold, conspicuous print:

“Your final tax bill may contain non-ad valorem assessments which may not be reflected on this notice such as assessments for roads, fire, garbage, lighting, drainage, water, sewer, or other governmental services and facilities which may be levied by your county, city, or any special district.”

(10)(a) If requested by the local governing board levying non-ad valorem assessments and agreed to by the property appraiser, the notice specified in this section may contain a notice of proposed or adopted non-ad valorem assessments. If so agreed, the notice shall be titled:

**NOTICE OF PROPOSED PROPERTY TAXES
AND PROPOSED OR ADOPTED
NON-AD VALOREM ASSESSMENTS
DO NOT PAY—THIS IS NOT A BILL**

There must be a clear partition between the notice of proposed property taxes and the notice of proposed or adopted non-ad valorem assessments. The partition must be a bold, horizontal line approximately $\frac{1}{8}$ -inch thick. By rule, the department shall provide a format for the form of the notice of proposed or adopted non-ad valorem assessments which meets the following minimum requirements:

1. There must be subheading for columns listing the levying local governing board, with corresponding assessment rates expressed in dollars and cents per unit of assessment, and the associated assessment amount.

2. The purpose of each assessment must also be listed in the column listing the levying local governing board if the purpose is not clearly indicated by the name of the board.

3. Each non-ad valorem assessment for each levying local governing board must be listed separately.

4. If a county has too many municipal service benefit units or assessments to be listed separately, it shall combine them by function.

5. A brief statement outlining the responsibility of the tax collector and each levying local governing board as to any non-ad valorem assessment must be provided on the form, accompanied by directions as to which office to contact for particular questions or problems.

(b) If the notice includes all adopted non-ad valorem assessments, the provisions contained in ³subsection (10) shall not be placed on the notice.

EXCERPT OF

ARTICLE VII

FINANCE AND TAXATION

SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.

SECTION 2. Taxes; rate.

SECTION 3. Taxes; exemptions.

SECTION 4. Taxation; assessments.

SECTION 6. Homestead exemptions.

SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.—

(a) No tax shall be levied except in pursuance of law. No state ad valorem taxes shall be levied upon real estate or tangible personal property. All other forms of taxation shall be preempted to the state except as provided by general law.

(b) Motor vehicles, boats, airplanes, trailers, trailer coaches and mobile homes, as defined by law, shall be subject to a license tax for their operation in the amounts and for the purposes prescribed by law, but shall not be subject to ad valorem taxes.

(c) No money shall be drawn from the treasury except in pursuance of appropriation made by law.

(d) Provision shall be made by law for raising sufficient revenue to defray the expenses of the state for each fiscal period.

(e) Except as provided herein, state revenues collected for any fiscal year shall be limited to state revenues allowed under this subsection for the prior fiscal year plus an adjustment for growth. As used in this subsection, "growth" means an amount equal to the average annual rate of growth in Florida personal income over the most recent twenty quarters times the state revenues allowed under this subsection for the prior fiscal year. For the 1995-1996 fiscal year, the state revenues allowed under this subsection for the prior fiscal

year shall equal the state revenues collected for the 1994-1995 fiscal year. Florida personal income shall be determined by the legislature, from information available from the United States Department of Commerce or its successor on the first day of February prior to the beginning of the fiscal year. State revenues collected for any fiscal year in excess of this limitation shall be transferred to the budget stabilization fund until the fund reaches the maximum balance specified in Section 19(g) of Article III, and thereafter shall be refunded to taxpayers as provided by general law. State revenues allowed under this subsection for any fiscal year may be increased by a two-thirds vote of the membership of each house of the legislature in a separate bill that contains no other subject and that sets forth the dollar amount by which the state revenues allowed will be increased. The vote may not be taken less than seventy-two hours after the third reading of the bill. For purposes of this subsection, "state revenues" means taxes, fees, licenses, and charges for services imposed by the legislature on individuals, businesses, or agencies outside state government. However, "state revenues" does not include: revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds by the state; revenues that are used to provide matching funds for the federal Medicaid program with the exception of the revenues used to support the Public Medical Assistance Trust Fund or its successor program and with the exception of state matching funds used to fund elective expansions made after July 1, 1994; proceeds from the state lottery returned as prizes; receipts of the Florida Hurricane Catastrophe Fund; balances carried forward from prior fiscal years; taxes, licenses, fees, and charges for services imposed by local, regional, or school district governing bodies; or revenue from taxes, licenses, fees, and charges for services required to be imposed by any amendment or revision to this constitution after July 1, 1994. An adjustment to the revenue limitation shall be made by general law to reflect the fiscal impact of transfers of responsibility for the funding of governmental functions between the state and other levels of government. The legislature shall, by

Excerpt of Florida Constitution Article VII (2009)

general law, prescribe procedures necessary to administer this subsection.

History.--Am. H.J.R. 2053, 1994; adopted 1994.

SECTION 2. Taxes; rate.--All ad valorem taxation shall be at a uniform rate within each taxing unit, except the taxes on intangible personal property may be at different rates but shall never exceed two mills on the dollar of assessed value; provided, as to any obligations secured by mortgage, deed of trust, or other lien on real estate wherever located, an intangible tax of not more than two mills on the dollar may be levied by law to be in lieu of all other intangible assessments on such obligations.

SECTION 3. Taxes; exemptions.—

(a) All property owned by a municipality and used exclusively by it for municipal or public purposes shall be exempt from taxation. A municipality, owning property outside the municipality, may be required by general law to make payment to the taxing unit in which the property is located. Such portions of property as are used predominantly for educational, literary, scientific, religious or charitable purposes may be exempted by general law from taxation.

(b) There shall be exempt from taxation, cumulatively, to every head of a family residing in this state, household goods and personal effects to the value fixed by general law, not less than one thousand dollars, and to every widow or widower or person who is blind or totally and permanently disabled, property to the value fixed by general law not less than five hundred dollars.

(c) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant community and economic development ad valorem tax exemptions to new businesses and expansions of existing businesses, as defined by general law. Such an exemption may be granted only by ordinance of the county or municipality, and only after the electors of the county or municipality voting on such question in a referendum authorize the county or municipality to adopt such ordinances. An exemption so granted shall apply to

improvements to real property made by or for the use of a new business and improvements to real property related to the expansion of an existing business and shall also apply to tangible personal property of such new business and tangible personal property related to the expansion of an existing business. The amount or limits of the amount of such exemption shall be specified by general law. The period of time for which such exemption may be granted to a new business or expansion of an existing business shall be determined by general law. The authority to grant such exemption shall expire ten years from the date of approval by the electors of the county or municipality, and may be renewable by referendum as provided by general law.

(d) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant historic preservation ad valorem tax exemptions to owners of historic properties. This exemption may be granted only by ordinance of the county or municipality. The amount or limits of the amount of this exemption and the requirements for eligible properties must be specified by general law. The period of time for which this exemption may be granted to a property owner shall be determined by general law.

(e) By general law and subject to conditions specified therein, twenty-five thousand dollars of the assessed value of property subject to tangible personal property tax shall be exempt from ad valorem taxation.

¹(f) There shall be granted an ad valorem tax exemption for real property dedicated in perpetuity for conservation purposes, including real property encumbered by perpetual conservation easements or by other perpetual conservation protections, as defined by general law.

Commission, 2008, was redesignated (f) by the editors to conform to the redesignation of subsections by Revision No. 3 of the Taxation and Budget Reform Commission, 2008.

SECTION 4. Taxation; assessments.--By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on January 1st of each year; but those changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph

(8) apply. Thereafter, the homestead shall be assessed as provided in this subsection.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead, unless the provisions of paragraph (8) apply. That assessment shall only change as provided in this subsection.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

(8)a. A person who establishes a new homestead as of January 1, 2009, or January 1 of any subsequent year and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of either of the two years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. If this revision is approved in January of 2008, a person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on January 1, 2007. The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of \$500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the

Excerpt of Florida Constitution Article VII (2009)

homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead and multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this subparagraph is greater than \$500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals \$500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the Legislature shall provide for application of this paragraph to property owned by more than one person.

(e) The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

(f) A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner's spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

(1) The increase in assessed value resulting from construction or reconstruction of the property.

(2) Twenty percent of the total assessed value of the property as improved.

(g) For all levies other than school district levies, assessments of residential real property, as defined by general law, which contains nine units or fewer and which is not subject to the assessment limitations set forth in subsections (a) through (d) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent (10%) of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) After a change of ownership or control, as defined by general law, including any change of ownership of a legal entity that owns the property, such property shall be assessed at just value as of the next assessment date. Thereafter, such property shall be assessed as provided in this subsection.

(4) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(h) For all levies other than school district levies, assessments of real property that is not subject to the assessment limitations set forth in subsections (a) through (d) and (g) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent (10%) of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) The legislature must provide that such property shall be assessed at just value as of the next assessment date after a qualifying improvement, as defined by general law, is made to such property. Thereafter, such property shall be assessed as provided in this subsection.

(4) The legislature may provide that such property shall be assessed at just value as of the

next assessment date after a change of ownership or control, as defined by general law, including any change of ownership of the legal entity that owns the property. Thereafter, such property shall be assessed as provided in this subsection.

(5) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

¹(i) The legislature, by general law and subject to conditions specified therein, may prohibit the consideration of the following in the determination of the assessed value of real property used for residential purposes:

(1) Any change or improvement made for the purpose of improving the property's resistance to wind damage.

SECTION 6. Homestead exemptions.

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. The exemption shall not apply with respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This exemption is repealed on the effective date of any amendment to this Article which provides for the assessment of homestead property at less than just value.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant an additional homestead tax exemption not exceeding fifty thousand dollars to any person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner and who has attained age sixty-five and whose household income, as defined by general law, does not exceed twenty thousand dollars. The general law must allow counties and municipalities to grant this additional exemption, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e) Each veteran who is age 65 or older who is partially or totally permanently disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related, the veteran was a resident of this state at the time of entering the military service of the United States, and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran's permanent, service-connected disability as determined by the United States Department of Veterans Affairs. To qualify for the discount granted by this subsection, an applicant must submit to the county property appraiser, by March 1, proof of residency at the time of entering military service, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran's service-connected disability and such evidence that reasonably identifies the disability as combat related, and a copy of the veteran's honorable discharge. If the property appraiser denies the request for a

discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years. This subsection shall take effect December 7, 2006, is self-executing, and does not require implementing legislation.

NOTICE REGARDING CASE LAW

A new statute (2009) regarding the administrative review of just valuations addresses the use of case law in administrative reviews of assessments.

“The provisions of this subsection preempt any prior case law that is inconsistent with this subsection.”

See subsection 194.301(1), Florida Statutes (2009), as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

“It is the express intent of the Legislature that a taxpayer shall never have the burden of proving that the property appraiser's assessment is not supported by any reasonable hypothesis of a legal assessment. All cases establishing the every-reasonable-hypothesis standard were expressly rejected by the Legislature on the adoption of chapter 97-85, Laws of Florida. It is the further intent of the Legislature that any cases published since 1997 citing the every-reasonable-hypothesis standard are expressly rejected to the extent that they are interpretative of legislative intent.”

See subsection 194.3015(1), Florida Statutes (2009). Value adjustment boards and appraiser special magistrates should use case law in conjunction with necessary legal advice from the board legal counsel.
