# Creating Sustainable Workplaces and Organizations

Alachua County Manager Randall H. Reid has released, "Creating Sustainable Workplaces and Organizations." This booklet gives tips and resources for residents and businesses to help understand and implement environmental changes.

According to Manager Reid, "Sustainability entails living mindfully of the future, embracing and respecting life in the present, and caring for the wellbeing of generations to follow. The concept is broadly defined as meeting the needs of the present generation without compromising the ability of future generations to meet their needs."

To view the booklet, [click here](#) (click here for a downloadable PDF).

For more information on sustainability [click here](#), or contact Alachua County Sustainability Manager Sean McLendon at 352-548-3765.

## Trashformations: Recycled Art Competition

From an egret made of milk jugs to a copper butterfly, reused and recyclable materials are finding their way to the Florida Museum of Natural History.

The Alachua County Office of Waste Alternatives and the Florida Museum of Natural History are hosting "Trashformations," a juried student recycled art show and competition. The competition begins at 5:30 p.m. on November 19, 2010, at the Florida Museum of Natural History (in the University of Florida Cultural Plaza, SW 34th Street and Hull Road, Gainesville).

All artwork entered in the contest must be comprised of 70% or more recycled/recyclable/reused materials. Cash prizes will be awarded for winning entries in middle school, high school and college categories. There will also be The Waste Watcher and Museum awards. Applications (to participate) must be submitted

by November 6, at 5 p.m. [Click here](#) for a printable application/ brochure.

The Trashformations exhibit is free and open to the public.

For more information, [click here](#), or contact the Alachua County Office of Waste Alternatives at 352-374-5213.

## County Update on Channel 12

County Update is a half hour news program providing in-depth information on County programs, services and initiatives. County Update airs on [Community 12](#) and the [Video On Demand](#) website. Click on the image to view this month's show.

### Features This Month

- Alachua County Sheriff's Office Beat the Heat Driver Safety Program
- County Waste Alternatives Tools for Schools Drive
- Hurricane Safety for Pets and Animals
- Addition of New Pedestrian Bridge at Mill Creek Preserve
- Jehovah's Witness Convention a Boon to Local Economy
- County Waste Alternatives' Buy S.M.A.R.T. Program
- Downtown Organic Farmer's Garden at County Administration Building

## What's On "Alachua County Talks"

Check out the latest editions of Alachua County Talks on Community 12 TV by viewing the [Channel 12 Show Schedule](#). Or click on the images to the right to view streaming video of the episodes.

Click above to watch Alachua County Pretrial Services Manager Gerie Crawford discuss pretrial services, including community supervision and case management services provided to defendants to ensure compliance with release and court appearance orders.

Click above to watch Alachua County Purchasing Manager Larry Sapp discuss County purchasing philosophy, policy and procedures, including discussions on how businesses can learn about and compete for County contracts.

## Mill Creek Preserve Input Needed

The Alachua County Environmental Protection Department's Alachua County Forever Program is soliciting citizen input on the revision of the Management Plan for Mill Creek Preserve.

Alachua County owns 1230 ± acres at the intersection of CR241 and CR 236. The property was acquired to protect, preserve, and enhance the unique natural and cultural resources found on the property, and to provide an enjoyable and educational passive recreational experience. The County is seeking citizen input on the revised management plan.

To view the draft management plan, [click here](#) or call 352-264-6848.

## County Job Opportunities

Alachua County is hiring a COURT SERVICES DIRECTOR- Must Apply by 11/05/10

[Click here](#) for job details.

[Click here](#) for other County job opportunities

Citizen input can be given by submitting written comments via mail to the Environmental Protection Department Land Conservation Program (201 SE 2nd Ave., Suite 201/Gainesville, FL 32601), or email to [kmcpherson@alachuacounty.us](mailto:kmcpherson@alachuacounty.us) by October 19, 2010.

For more information, contact Alachua County Senior Environment Specialist, Kelly McPherson at 352-264-6848 or [kmcpherson@alachuacounty.us](mailto:kmcpherson@alachuacounty.us).

## Warning: Mosquito Borne Diseases

The Alachua County Health Department (ACHD) continues to detect mosquito borne diseases in the County. "Our sentinel surveillance system continues to indicate that disease transmission is occurring," stated Paul Myers, Assistant Director at the ACHD. "Taking a few simple steps can drastically reduce the chances of contracting a mosquito-borne illness."

Symptoms of West Nile virus (WNV) infection and Eastern Equine Encephalitis (EEE) may include headache, fever, fatigue, dizziness, weakness and confusion. Physicians should contact their county health department if they suspect an individual may have a mosquito-borne illness. DOH laboratories provide testing services for physicians treating patients with clinical signs of mosquito-borne diseases.

The ACHD continues to advise citizens to remain diligent in protecting themselves from mosquito bites by following the "5 D's," which include:

For more information on mosquito borne illnesses, visit the ACHD website at [www.AlachuaCountyHealth.com](http://www.AlachuaCountyHealth.com), the DOH Web site at [www.myfloridaEH.com](http://www.myfloridaEH.com), the CDC Web site [www.cdc.gov](http://www.cdc.gov) or contact the ACHD at 352-334-7930.

General media inquiries please contact Paul Myers at 352-334-8873.

### The 5 D's:

- Drainage – Check around your home to rid the area of standing water, which is where mosquitoes can lay their eggs.
- DEET – When the potential exists for exposure to mosquitoes, repellents containing DEET (N,N-diethyl-meta-toluamide, or N,N-diethyl-3-methylbenzamide) are recommended. Picaridin and oil of lemon eucalyptus are other repellent options.
- Dress – Wear clothing that covers most of your skin.
- Dusk and Dawn – Avoid being outdoors when mosquitoes are most active.

## Three Road Projects Beginning

In the fall of 2010, the Alachua County Public Works Department will begin construction of three projects to relieve traffic congestion in southwest Gainesville. The projects are funded through a series of federal transportation earmarks associated with the SW 62nd Blvd Connector project. These projects will provide short-term relief to traffic congestion.

The planning, design and construction of these projects are through a partnership with the Florida Department of Transportation, Federal Highway Administration and City of Gainesville. The \$4.36 million construction contract for the three projects was awarded to D.A.B. Constructors. JEAcēs will be providing the Construction, Engineering & Inspection services for these projects at a cost of \$661,335.

The three projects scheduled for construction include:

1. The addition of turn lanes in the intersection of SW 40th Blvd and Archer Rd. A second eastbound to northbound left turn lane will be added on Archer Rd and a southbound right turn lane will be added on SW 40th Blvd.
2. The addition of turn lanes at the intersection of SW 20th Ave at SW 43rd St. A second northbound to westbound left-turn

lane will be constructed on SW 43rd St and other enhancements including construction of bike lanes, sidewalks, a new turnout for eastbound buses, and landscaping will be constructed.

3. The construction of a Smart Bus Bay on SW 20th Ave east of SW 38th Terrace. This project will provide a new transit stop with shelters for eastbound and westbound buses on SW 20th Ave. The project will include a new pedestrian signal to cross SW 20th Ave. The bus bay is "smart" since the new signal will be linked to buses through sensors in the roadway and the signal will be used to give priority to buses when they cannot merge into traffic. The project also includes connections between the signal on SW 20th Ave at SW 43rd St and SW 34th St to improve traffic flow along this corridor.

A fourth project in this area, the design and construction of the four-lane connector from Archer Rd to Newberry Rd east of I-75, will move forward when funding is available and provide long-term congestion relief.

For more information, contact Ha Nguyen at the Alachua County Public Works Department at 374-5245 ext 1223 or [click here](#).

# 2010 Election Information

## EARLY VOTING

Early Voting for the November 2, 2010 General Election will be available Monday, October 18, 2010 through Saturday, October 30, 2010.

### EARLY VOTING HOURS:

Weekdays, Monday – Friday (9AM to 5PM)

October 18th through October 22nd

October 25th through October 29th

Saturday, October 23rd (9AM to 1PM)

Sunday, October 24th (1PM to 5PM)

### EARLY VOTING SITES

Supervisor of Elections Office  
County Administration Building  
Location  
12 SE 1st Street, Gainesville

Millhopper Branch Library  
3145 NW 43rd Street, Gainesville

Tower Road Branch Library  
3020 SW 75th Street, Gainesville

## VOTE BY MAIL

Any registered voter may Vote by Mail. To request a ballot and Vote by Mail, voters may make their request online at [VoteAlachua.com](http://VoteAlachua.com) or call the Supervisor of Elections Office at (352) 374-5252. Voters will need to make sure their address and signature on file with the Supervisor of Elections are current. Your mail ballot may not count if the signature does not match the signature on your voter record. The last day to request your ballot be mailed is Wednesday, October 27, 2010 by 5:00PM.

To request a ballot for another voter, you must be a designated member of the voter's immediate family or a legal guardian. Requests can be made online, in person, by mail, by telephone or by fax. All requests must include the voter's name, residence address, and date of birth. The request must also include the requestor's name, residence address, relationship to the voter and driver's license number if available. Mail or fax requests must also include the requestor's signature.

A voter may designate in writing another person to pick up an absentee ballot starting Thursday, October 28, 2010. The designee

must have a note signed by the voter, a picture identification of the designee and must complete an affidavit. The affidavit is available for download at [VoteAlachua.com](http://VoteAlachua.com). The designee may not pick up more than two absentee ballots per election, not including the designee's own ballot and ballots for members of his or her immediate family.

Absentee ballots are available at the Supervisor of Elections Office for voters who may have emergencies that will not allow them to go to their polling place to vote.

All absentee ballots must be received in the Supervisor of Elections Office by 7:00PM Election Day.

## VOTE AT YOUR PRECINCT

Any voter may vote in the precinct of their residence between 7:00AM and 7:00PM on Election Day. Florida Law requires voters to present picture and signature ID in order to vote, or vote a provisional ballot. If you need to locate your precinct, go to [VoteAlachua.com](http://VoteAlachua.com) and click on MY VIP (My Voter Information Page).

If you have any questions or need further information please visit our website at [VoteAlachua.com](http://VoteAlachua.com) or contact the Supervisor of Elections Office at (352) 374-5252.

## LONG BALLOT IN THE GENERAL ELECTION

Alachua County Supervisor of Elections Pam Carpenter would like Alachua County voters to be aware that the November 2nd General Election ballot is going to be a long one, and will take a little extra time in the voting booth to complete. Voters should be prepared and be patient.

The General Election ballot will have national, state, county, and local races on it. The ballot also will include six State Constitutional Amendments, one Nonbinding Statewide Advisory Referendum, six Alachua County Referenda questions, one Alachua County Initiative Ordinance and two City of High Springs Municipal Referenda.

*continued on next page*

## 2010 Election Information *continued*

Voters are encouraged to study their sample ballot ahead of time so they are familiar with the races and issues, thus requiring less time in the voting booth marking their ballot. Voters may bring their sample ballot with them to the polls, but must remove it from the voting booth after they have completed their ballot.

The Alachua County League of Women Voters, a non-partisan educational organization, has compiled two helpful Voter Guides to assist voters in understanding the state amendments, County Referenda and the County Initiative Ordinance. This information can be found on our website at [www.VoteAlachua.com](http://www.VoteAlachua.com) or on the League's website at [www.lwv-alachua.org](http://www.lwv-alachua.org).

Sample ballots are available for viewing on the Supervisor of Elections website at [www.VoteAlachua.com](http://www.VoteAlachua.com).

An audio sample ballot for the November 2, 2010 General Election is also available on the Supervisor of Elections' website at [www.VoteAlachua.com](http://www.VoteAlachua.com).

A text file of the sample ballot formatted for screen readers is also available on our website at [www.VoteAlachua.com](http://www.VoteAlachua.com).

If you have any questions or need further information please visit our website at [www.VoteAlachua.com](http://www.VoteAlachua.com) or contact the Supervisor of Elections Office at (352) 374-5252.

### Audio Ballots Available All Alachua County Public Libraries

Center for Independent Living, 222 S.W.  
36th Terrace, Gainesville

Division of Blind Services, 3620 NW 43rd  
Street, Suite C, Gainesville

Supervisor of Elections Office, 111 S.E. 1st  
Avenue, Gainesville

## Fire Prevention Week

The Alachua County Board of County Commissioners proclaimed October 3rd-9th, 2010, as Fire Prevention Week in Alachua County. The theme for Fire Prevention Week this year was, "Smoke Alarms: A sound you can live with."

Fire Prevention Week is the annual time period set aside by fire departments throughout the country to focus the public's attention on the tragedy and suffering caused by something that can be prevented. It's a time when fire departments heighten their efforts to bring awareness citizens about how to prevent a fire in the home or work place, and how to escape if one occurs. The mission of the Alachua County Department of Public Safety is to "Improve the life, safety and protection of property through preparedness, response, mitigation and recovery."

Fire Prevention Week was established to commemorate the Great Chicago Fire, which began on October 8, but continued into and did most of its damage on October 9, 1871. According to popular legend, the fire broke out after Mrs. O'Leary's cow kicked over a lamp, setting first the barn, then the whole city on fire. While the

Great Chicago Fire was the best-known blaze to start during this fiery two-day stretch, it wasn't the biggest. The Peshtigo Fire, which also occurred on October 8th, 1871, was the most devastating forest fire in American history. It roared through Northeast Wisconsin and burned down 16 towns. Historical accounts say that the blaze began when railroad workers clearing land for tracks unintentionally started a brush fire. The small town of Peshtigo, Wisconsin suffered the worst damage. Within an hour, the entire town had been destroyed. Those who survived never forgot what they'd been through; both blazes produced tales of bravery and heroism. But the fires also changed the way that firefighters and public officials thought about fire safety.

On the 40th anniversary of the Great Chicago Fire, the Fire Marshals Association of North America (now known as the International Fire Marshals Association), decided the anniversary of the Great Chicago Fire should be observed to keep the public informed about the importance of fire prevention. In 1920, President Woodrow Wilson issued the first National Fire Prevention Day proclamation. Since 1922, Fire Prevention Week has always been observed the Sunday through Saturday period during which October 9th falls.

While The Alachua County Department of Public Safety stands at the ready to respond to any fire emergency, it still remains that the best fire is the one that never occurs.

For more information, contact Alachua County Department of Public Safety at 352-384-3101.

# Commission Highlights

## October 12, 2010 Board Meeting

Commissioner Paula M. DeLaney
