Native Wildflowers

Dune Sunflower

A dense field of bright yellow daisy-like flowers with dark brown centers, growing on green foliage.

Wild Petunia

Several light purple, bell-shaped flowers with white centers, growing on green stems.

Indian Blanket Flower

A field of Indian Blanket flowers with red and yellow petals and dark brown centers, growing on green foliage.

Ironweed

A tall, slender plant with a cluster of small, purple, star-shaped flowers at the top.

Powderpuff

A cluster of small, purple, fluffy flowers with green foliage.
