
ALACHUA COUNTY PUBLIC WORKS OPERATING PROCEDURE

DIVISION: **Transportation & Development**

SECTION: **Construction Inspection**

PROCEDURE #: **ECI-8**

SUBJECT: **Pavement Markings Maintenance**

DATE: **11/05/01** **REVISION #:**

PREPARED BY: **Jim King**

APPROVED BY: **Matthew Dominy, P.E., Director Of Public Works**

POLICY: **Pavement markings shall be maintained to assure reflectivity and visibility are present on all paved roadways.**

Pavement markings and reflective pavement markers shall be refurbished or replaced every three (3) years. Alachua County is divided into three (3) maintenance districts: Western, Central, and Eastern. One district will receive pavement marking maintenance each year, rotating from Western to Central, then Eastern.

Specific deficient areas noted may be corrected at any time, regardless of district location.

All markings shall be applied in accordance with Florida Department of Transportation specifications and design index details and the MUTCD. Funds are provided by a dedicated budget line item.

Annual contract for pavement marking services is administered and inspected for compliance to all applicable codes and fdot specifications.
