Waiver, Release and Consent Form for participants under the age of 17
NW 83rd Street Corridor Off-Road Bicycle Trail

(ref. s. 316.0085, F.S.)

In consideration for entering upon and utilizing the premises known as Alachua County's NW 83rd Street Corridor Off-Road Bicycle Trail ("Bike Trail"), the undersigned participant's parents or legal guardians hereby consent to use of the Bike Trail by participant and release the County, its officers, employees and agents, from any and all liability, claims, demands, actions and causes of action whatsoever related to any loss, damage, or injury, including death, that may be sustained by the participant or participant's parent or legal guardian, while in, on, upon or near the Bike Trail.

Both participant and participant's parent or legal guardian are duly aware of the risks and hazards inherent in entering the Bike Trail and participating in off-road bicycling or other activities at the Bike Trail and hereby voluntarily elect to enter, or have their children enter, the Bike Trail and participate in off-road bicycling and other activities. Both participant and his or her parent or legal guardian know the present conditions of the Bike Trail and know that said condition might become dangerous during the time that the participant is on the premises or using the facilities. Any person who participates in, observes, or assists in off-road bicycling or other activities, or participant's parent or legal guardian if participant is under the age of 17, voluntarily assume the known and unknown risks in these activities irrespective of age, and are legally responsible for all damages, loss, injury or death to himself or herself or other persons on the property which result from these activities.

The participant and the participant's parent or legal guardian acknowledge that Alachua County recommends that all participants wear protective gear and clothing at all times while participating in off-road bicycling or other activities at the Bike Trail. While engaging off-road bicycling or other activities, irrespective of where such activities occur, each participant agrees to:

1. Act within the limits of his or her ability and the purpose and design of the equipment used;
2. Maintain control of his or her person and the equipment used;
3. Refrain from acting in any manner which could cause or contribute to death or injury to himself or herself, or other persons; and
4. Comply with all rules and regulations posted at the Bike Trail.

Under Florida law, no governmental entity is liable to any person who voluntarily participates in off-road bicycling or other activities at the Bike Trail. Both participant and participant's parent or legal guardian, if participant is under the age of 17 years, expressly acknowledge that this form is intended to be as broad and inclusive as is necessary to facilitate the intent of the laws of the State of Florida. If any portion of this agreement is held invalid, then the balance of this agreement shall continue in full force and effect.

Participant and participant's parent or legal guardian further release the County, its officials, employees and agents, from any and all claims whatsoever for first aid treatment which may be rendered to participant during his or her participation in off-road bicycling or other activities.
