

## **Nam Henderson Questions for EPD staff**

- 1) Is staffing really down 8.6%? Over how many years?
- 2) If fees are stagnant again over how many years' is trend.
- 3) Does EPD have any ideas regarding possible ways to increase revenue from fees?
- 4) Particularly with loss of matching federal/state funding?
- 5) Regarding Mr. Kutner's concerns over impact of GRU policies for Hawthorne, Archer or outlying area growth, due to lack of infrastructure investment. What role does county (EPD or otherwise) play in this discussion?
- 6) Does staff agree (with Mr. Hendrix) that EPD could play role in water issues from perspective of ordinance/regulations? What others ways DR process/role?
- 7) Does EPD have a response to Mr. Kutner's complaints regarding the interactions between EPD and Raceway? Could they enlighten EPAC to history of problem?
- 8) What about Mr. Hendrix's concerns related to growth of blueberry ag on East Side of county impacting flat woods ecosystems, margins of wetlands, cypress domes, hydrological surface systems?
