

Become a Florida Water StarSM Accredited Professional

– For landscape and irrigation professionals

- Attend training and exams scheduled in Gainesville, FL.
- Learn how to design and install water-efficient landscapes that meet local codes.
- Work with nationally recognized instructor Kurt Thompson.
- Earn Florida Water StarSM Accredited Irrigation Professional or Florida Water StarSM Accredited Landscape Professional designation.

Training sponsored by the St. Johns River Water Management District (SJRWMD) and hosted by the Alachua County Environmental Protection Department. Exams provided by the Florida Nursery, Growers and Landscape Association (FNGLA).

Training: Oct. 26, 8:30 a.m.–5 p.m.
(Lunch provided by Site One)
Forestry Division Training Room
5353 N.E. 39th Ave.,
Gainesville, FL 32609

Exams: Oct. 27, 1 p.m.–5 p.m.
408 West University Ave., Suite 106
Gainesville, FL 32610

This training is FREE. Pre-registration is required. Exams are \$25 each. To take both exams to comply with Alachua County Code is \$50 total. Fee is payable in advance to FNGLA. To register and pay for the exams contact Merry Mott at mmott@fn gla.org or (800) 375-3642.

“Florida Water Star raises the bar with certification of landscape and irrigation professionals. I highly recommend this comprehensive course for all designers and contractors.”

— Judith Benson, President,
Clear Water Products and Services, Inc.

“The New Florida Water Star AP Certification is a must have designation to be considered a ‘green’ professional!”

— Aaron Smith, President,
Insight Irrigation, LLC
