

## **Alachua County Legacy Development Grant Application – Addendum #1 – 2/13/2026**

Questions will be accepted until 5:00 p.m. on Tuesday, March 10, 2026 and should be directed to Ralston Reodica via email at [RReodica@alachuacounty.us](mailto:RReodica@alachuacounty.us). Responses to questions will be posted to the Alachua County Housing and Strategic Development website: <https://alachuacounty.us/Depts/CSS/House/pages/housing.aspx>.

The project focuses on creating sustainable, affordable homeownership opportunities to improve residents' quality of life and boost the local economy. It will develop market-rate and affordable single-family homes and create opportunities for homeownership and neighborhood revitalization. The initiative stems from community feedback emphasizing the need for workforce housing and market-rate housing in the area.

The East Gainesville Legacy Project is a significant investment in housing, economic growth and community development. The location for the project is a 13-acre site at the corner of Southeast 15th Street and Southeast 8th Avenue, near the Lincoln Heights and Azalea Trail neighborhoods, Parcels numbers 16107-150-000 and 16106-129-000.

For more information, contact Alachua County Housing Program Manager Ralston Reodica at 352-337-6285 or [RReodica@alachuacounty.us](mailto:RReodica@alachuacounty.us).
