Countywide Services

Proprietary Fee:

- Proprietary fees are based on market value.

Collection Fee:

- This is a supplemental fee assessed to accounts placed with a collection agency.
- The fee is the amount charged by the collection agency. It will be recorded with the individual department's efforts.

Conduit Debt

- Conduit Debt Review Fee – The review fee is five (5) basis points on the total paramount of the bond(s).
    - The minimum fee is $10,000 and the maximum fee is $25,000.
- Bank Eligible Obligation Issuance Fee – At the beginning of each calendar year, the County's Finance Officer or designee shall calculate, based on then-current market rates and assuming a $10 million issue of bonds maturing in 10 years. The fee is based on:
    - The difference between interest rates on bank eligible obligations and non-bank eligible obligations of the County (the "differential"), **AND**
    - The net present value (NPV) amount determined by applying said differential over a 10-year amortization period. The Bank Eligible Obligation Issuance Fee is equal to the NPV differential calculated above.

The manager, or designee, may set any combination of fees and charges for goods and services not specified in this fee resolution

Emergency Management Plan Review:

Per Florida Rule 9G-20.003, F.S. 252 and Agency for Health Care Administration (AHCA) Standard 59A-26.023

Plan	Fees
• Review of emergency plans for health care, hospital, and/or group home type facilities for:	
o New Plan Review < 16 beds	$25.00/hour + Administrative Fee of 25%
o New Plan Review > 16 beds	$500.00
o Existing Plan Review	$25.00/hour + Administrative Fee of 25% (maximum fee $250.00)

Sharps Disposal Program:

- This program is a community service designed to assist residents with safe and environmentally sound methods to dispose of sharps (syringes, needles, and lancets). The fee is $3.00/box.

Unmanned Aerial Systems:

- Reimbursement rate to be determined based on each request. Service may be exempt from fees if public safety purpose is determined. Average cost is approximately $125.00/hour; however, it varies depending on equipment use, staff requirements, etc.

Emergency Medical Services Fee Details:

Service level definitions are provided as listed in the **Code of Federal Regulations § 414.605** definitions, which is the primary determinant for the service level billed.

Advanced Life Support (ALS) Transport Fee I:
This is the base ALS transport fee that will be charged to each patient that is transported by any ground or air ambulance and receives any of the listed procedures. This fee is inclusive of, but not limited to, any of the following procedures that are listed for reference but not part of the actual definition of the service level:

A. Cardiac Monitor
B. Vascular Access (including catheters, saline locks, administration sets, blood draws, and all fluids)
C. Obstetrical Kits
D. Medications approved by the Department Medical Director and administered to patients including, but not limited to, those medications listed in the Department Medical Care Protocols Medication list.

Advanced Life Support (ALS) Transport Fee II:

This is the base transport fee for transportation by ground ambulance vehicle, medically necessary supplies and services, and the administration of at least three medications by intravenous push/bolus or by continuous infusion, excluding crystalloid, hypotonic, isotonic, and hypertonic solutions (Dextrose, Normal Saline, Ringer's Lactate); or transportation, medically necessary supplies and services, and the provision of at least one of the following ALS procedures:

A. Manual Defibrillation/cardioversion
B. Endotracheal intubation
C. Central venous line
D. Cardiac pacing
E. Chest decompression
F. Surgical airway
G. Intraosseous line
H. Prehospital blood transfusion which includes:
    i. Administration of low titer O+ and O- whole blood (WBT)
    ii. Administration of packed red blood cells (PRBCs);
    iii. Administration of plasma; or
    iv. Administration of a combination of PRBCs and plasma

Specialty Care Transport (SCT):
This is the base SCT transport fee that will be charged to each critically ill or injured patient that is transported by ground ambulance. Transport will include an inter-facility transfer of a patient with medical conditions beyond the scope of a Florida certified Paramedic and include medically necessary supplies and services. This fee is inclusive of transport provided by a critical care certified paramedic and is inclusive of, but not limited to, any of the following procedures that are listed for reference but not part of the actual definition of the service level:

A. Management of a respiratory ventilator
B. Management of intravenous (IV) pumps
C. Management of central venous line

Basic Life Support Transport Fee:
This is the base transport fee that will be charged to each patient not administered ALS procedures and requiring transport by ground ambulance vehicle and medically necessary supplies and services, plus the provision of BLS ambulance services. The ambulance must be staffed by at least two people who meet the requirements of state and local laws where the services are being furnished. Also, at least one of the staff members must be certified, at a minimum, as an emergency medical technician-basic (EMT-Basic) by the State or local authority where the services are furnished and be legally authorized to operate all lifesaving and life-sustaining equipment on board the vehicle.

Team/Equipment/Transport Fee:
This is the base transport fee that will be charged for each transport where a patient is not on board (i.e., medical team(s) and/or medical equipment only).

ALS Treatment Fee/Non-Transport:
This is the fee that will be charged to each patient what receives any of the following procedures and is not transported via ground or air ambulance:

A. Vascular access (including catheters, saline locks, administration sets, blood draws, and all fluids)
B. Obstetrical Kits
C. Medications (those medications listed in the Department Medical Care Protocols Medication List) *

BLS Treatment Fee/Non-Transport:
This is the fee that will be charged to each patient that receives treatment where no ALS procedures are administered and is not transported via ground or air ambulance:

A. Sterile bandaging/dressing
B. Splinting/immobilization
C. Oxygen Administration
D. Irrigation with sterile fluid

Note: Time is calculated from the time of arrival or the request time of arrival (whichever is later) through the unit available time as documented by the EMS report. Only time increments greater than 7 minutes will be rounded up to the next quarter hour.
Note: Schedule of fees will be applied to patients receiving any billable EMS services at special events.

Emergency Medical Services:

SUPPLEMENTAL CHARGE FEE DETAILS

Transport Mileage:
Minimum of one mile charge will begin when transporting patient(s) or specialized teams. Mileage charges will be equally divided between patients when multiple patients are transported from the same incident and in the same unit.

Special Handling:
This is a supplemental fee to be charged for unruly patients that require restraints, or if two Alachua County Fire Rescue units are required for lifting purposes, or if an additional ACFR crew member is required during transport. Only time increments greater than 7 minutes will be rounded up to the next quarter hour.

Waiting Time with Patient:
This is a supplemental fee to be charged when there is a delay in transferring the patient from the care of Alachua County Fire Rescue to the care of the receiving authority. A minimum of fifteen minutes waiting time must accrue before charging for the first ¼ hour period. Thereafter, the quarter hour charge applies for time increments greater than 7 minutes, rounded to the next ¼ hour.

Collection Fee:
This is a supplemental fee assessed to accounts placed with a collection agency. The fee will be the current contracted collection agency percentage fee on the amount collected by the collection agency. The collection fee will be removed if the account is removed from placement with the collection agency.

Note: *Area is computed by rounding up to the nearest full acre.

1. In addition to the staff review fee, Tier II and Tier III applications shall be charged consultant fees to evaluate RF engineering and prepare Visual Impact Stimulations as directed by staff.

2. Comprehensive Plan Amendment: Where an applicant submits a proposal for territory other than under his/her direct control, only that area under his/her direct control shall be included for the purposes of calculating the fee. Small scale amendments are applications which conform to section 163.3187(1)(c), Florida Statues. No acreage fee shall be assessed for large-scale map amendment applications which request redefinition to the Rural/Agriculture land use classification.
3. Fees are allocated to Growth Management, EPD, Fire, and Public Works.
4. Properties located within Northeastern and Southeastern Urban Cluster as shown on the future Land Use Map shall have application fees for land use, zoning, or development review reduced 50 percent.
5. Request for Preservation Land use or zoning district designations shall be assessed as a fee for advertising only, to be determined at the time of the application submittal.

Planning and Development Fee Policies:

1. No rezoning or plan amendment requests shall be accepted for processing until the required application fee, or reduced fee as established by Fee Policy number five, is paid. An application fee may be refunded only if the application is withdrawn prior to the County incurring direct costs in processing the application (i.e., copying and distributing copies to staff, advertising, postage, printing reports, etc.)
2. In the event that re-advertisement of an application due to any delay or postponement requested by the applicant or necessitated by some act or failure to act on the part of the application, a supplemental fee of $250.00 plus postage costs per advertisement will be charged for a Zoning Application and a supplemental fee of $560.00 per advertisement for a Comprehensive Plan Amendment or Zoning Ordinance Amendment Request. This supplemental fee is intended to cover additional costs for re-advertisement. No additional fee shall be charged if the postponement is requested by the County.
3. A separate fee shall be charged for each action requested unless the Director of Growth Management determines that the requested action is related to another requested action by the applicant and that the request will require no additional staff time (see Fee Policy number 5).

4. The Director of Growth Management may reduce a required application fee where they find: (1) that special circumstances, not under the control of the applicant, justify a reduction in the fee; and (2) that the actual direct cost to the County for processing the application will not exceed the actual fee collected. In no case may a reduced fee be less than advertising cost. No request for a reduction in the fee shall be considered unless the request is received within five working days following the date of the application submitted to the Department of Growth Management, Office of Planning and Development.
5. All work performed by Alachua County employees, directly and reasonably attributable to review of and recommendations relating to a Sector Plan, or amendment to a Development Order shall be paid by applicant, Sector Plan application or amendment to a Development Order shall be paid by the applicant. Fees will be based upon the hourly rate of pay and benefits of each employee performing the work multiplied by the number of hours worked, plus 20% indirect cost based on the hourly rate of the employee. Any other additional direct costs incurred by the County in connection with the review and processing of a Sector Plan application, including but not limited to advertising, public notice, duplication of materials, telecommunication, and fees for any outside consultants hired by the County when special expertise beyond County staff is deemed necessary, shall be paid by the applicant.
6. The applicant for Sector Plans will be required to pay an additional deposit, as may be required from time to time, when the review expenses have exhausted 75% of any paid deposit. Whenever an additional deposit of fees is required, such deposit shall be, at a minimum, in the amount of 50% of the initial payment set forth herein. Any auditor fees for the establishment and maintenance of this account shall be charged to the applicant.
7. Upon conclusion of any staff review of any sector plan application and other actions required for presentation to the Board of County Commissioners for final action, all fees calculated by Alachua County to be due shall be paid in full by the applicant prior to submission to the Board of County Commissioners for final Board action. All refunds of excess deposit money, after all charges are paid, shall be refunded after final action by the Board of County Commissioners.
8. Community Development District: The $5,000 review fee is for the CDDs of less than 1,000 acres. The review fee for CDDs of more than 1,000 acres is set by State Statute. For all CDDs, advertising and the advertising fee is the responsibility of the Petitioner and must be consistent with State Statute requirements.

Building Permitting

Note: All Building Permit Fees are calculated starting with the minimum base permit fee by permit type plus a fee determined by the Dollar Value of Construction as calculated below:

Minimum Base Building Permit Fees:

- Minimum Base Permit Fees for single family, single family attached, and two-family new construction; residential additions and alterations; fire permits (sprinklers, alarms, hoods, suppression systems, tents, etc.); and all other building permits not charged a flat rate fee (i.e., mechanical, electrical, plumbing, aluminum, accessory buildings, etc.) is $150.00.

- Minimum Base Permit Fee for multi-family, office, commercial, industrial or any construction or alteration also requiring review and/or inspection by the Fire Marshal is $250.00.

Dollar Value of Construction Fee Calculations:

- The permit fee for all new construction and additions shall be calculated based on the Building Valuation Data (BVD) table published in the ICC Building Safety Journal or the state contract price, whichever is greater. The BVD table is published in February and August each year. www.iccsafe.org/codes-tech-support/codes/code-development-process/building- valuation-data/
- Based on the resulting building valuation or contract price, the permit fee is as follows:

Dollar Value of Construction from - to:	Variable Fee
○ $0-$100,000	$4.40/thousand dollars
○ $100,001 - $1,000,000	$2.50/thousand dollars
○ $1,000,001 – and up	$1.45/thousand dollars

Notes: Any person who commences any work on a building, structure, electrical, gas, mechanical or plumbing system before obtaining the building official's approval or the necessary permits shall be subject to a penalty of 100 percent of the usual fee in addition to the required permit fees (Section 109.4 Florida Building Code – Section 553.73 Florida Statutes). This includes moving a mobile home onto a property prior to obtaining a permit. All permits must be posted on the job site during all progress of the work.

Properties with a homestead exemption and with a Total Just Value of less than $50,000 as determined by the Alachua County Property Appraiser within the last year shall have building permit fees reduced by 50 percent.

Building permit applicants electing to use a private provider for building permit plan review shall be discounted at 25% of the normal plan review fee. Applicants electing to use a private provider for building inspections shall be discounted 25% of the normal building permit fee. Applicants using a private provider for both plan review and inspections are eligible for the 25% reduction on both the plan review fee and the permit fee.

Building Permit Fees shall be submitted at the time of building permit application. No Building Permit Application will be accepted without the required permit fee. All Public, Private, and Governmental Entities shall be required to pay building permit fees.

Refund, Extension, and Expiration Policy:

- Building Permit (Applicant Requested) refunds where the project is not started will be charged a processing fee of $90.00.
- Extensions of Building Permits approved by the Building Official for permits that have not expired is $90.00.
- Extension and reissuance of expired permit is $90.00 (inspection fees not included).

Note: No refunds shall be issued on expired permits.

Plan Review Examination Fees:

Plan Review	Fees
• When a plan review is required based on requirements of the Florida Building Code, a plan review fee shall be paid at the time of submitting plans and building permit application. Such plan review fees are in addition to the building permit and Fire Marshal Review Fee.
