

## AUTHORIZATION FOR ACCESS TO PROPERTY

The undersigned, as Owner of the following described real property located in Alachua County, Florida ("Property"), hereby authorizes access to and grants to Alachua County, and its employees, agents and contractors, a temporary license to enter the Property for the purpose of verifying compliance with Alachua County Chapter 77, Article VI Landscape Irrigation Design and Maintenance Standards. **If the Property is sold prior to the inspection of the installation of the irrigation system, the undersigned must notify Alachua County Environmental Protection Department.**

Property Owner's Name: \_\_\_\_\_

Property Address:	
Name of Subdivision:	
Lot Number(s), list if multiple:	
Other Identification:	

The County is authorized to access whether or not Owner is present. This authorization shall be effective upon that date signed below and shall continue in full force and effect until the access is no longer needed by Alachua County, or no later than two (2) years from the date of execution of this authorization. The Owner may revoke or earlier terminate this authorization by contacting the Alachua County Environmental Protection Department.

**Under penalties of perjury, I declare that I have read and understand the foregoing authorization, that I am authorized to sign below on behalf of myself as the Owner of the Property or as authorized/legal representative of the Owner, and that the facts stated in it are true to the best of my knowledge and belief and that they may be relied upon by Alachua County.**
